GOLDEN ANNIVERSARY

Newton Y. M. C. A. Celebrates Its Fiftieth Birthday With Notable Guests and Program

The Golden Anniversary Dinner of the Newton Young Men's Christian Association commemorating fifty years of service to the men and boys of this community brought out a large number of young men as well as many former officers and directors of the organization.

The guests of honor and speakers were: D. Fletcher Barber, Hugh Campbell, Allan C. Emery, C. D. Kepner, past presidents; President Fuller, John H. Geldart, Newton's secretary in China; E. W. Hearne of the State Committee, and Rev. Ray Anderson Eusden, minister of Eliot Church.

Mayor Edwin O. Childs was toastmaster and because of his wide acquaintance and long residence in the city was able to recall many incidents relating to the men who had been connected with the early history of the association. D. Fletcher Barber and Reuben Forknall, both on the committee who drafted the first constitution, have been members of the Newton Association for the entire period of fifty years. Mr. F. H. Tucker, president from 1897 to 1899, was unable to be present.

Since the association has been organized in 1877 there have been fifteen presidents: George S. Harwood, Gorham D. Gilman, H. J. Woods, Daniel E. Snow, R. F. Cummings, D. F. Barber, George A. Flint, Hugh Campbell, Charles E. Eddy, J. R. W. Shapleigh, F. H. Tucker, S. M. Sayford, Allan C. Emery, C. D. Kepner and F. D. Fuller; nineteen vice-presidents: George S. Trowbridge, J. W. Barber,

Stephen Moore, H. F. Bent, Charles E. Eddy, R. F. Cummings, C. A. Haskell, H. P. Kenway, H. C. Sawin, J. R. W. Shapleigh, George C. Dunne, D. J. McNicholl, F. H. Tucker, C. D. Kepner, Thomas Weston, Allan C. Emery, Carleton Ellison, Edwin O. Childs and J. W. Blaisdell; fifteen clerks: George C. Dunne, F. S. Cotton, W. H. Partridge, Fred A. Gay, J. W. Barber, G. M. Weed, B. L. Goodwin, Atherton Clark, F. L. Trowbridge, Edmund I. Leeds, C. B. Allen, Henry R. Viets, E. O. Childs, Charles H. Peterson, C. V. Moore; and fifteen treasurers: F. L. Trowbridge, W. H. Partridge, F. L. Claffin, J. S. Potter, E. W. Converse, Fred A. Gay, Charles F. Bacon, B. L. Goodwin, H. F. Bent, F. W. Gaffield, Alden A. Howe, J. R. W. Shapleigh, J. W. Blaisdell, W. E. Harding and H. T. Dougherty.

S. M. Sayford's term of nine years as president was the longest. Allan C. Emery served nine years as vice-president. C. V. Moore was elected clerk for twenty-two consecutive years and J. William Blaisdell was treasurer for thirteen years.

The following officers were elected at the annual meeting: Edwin O. Childs, clerk; Harold T. Dougherty, treasurer; G. Fred Harwood and C. D. Kepner, trustees for four years; J. A. Stafford, Frank Ashley Day, S. T. Emery, J. W. Blaisdell, Fred L. Trask, Charles W. Bond, W. H. Barker and H. T. Dougherty, directors for three years; and Walter C. Wrye, director for one year.

The new board organized and re-

INDUSTRIAL PREPAREDNESS

Colonel Hanford MacNider Pays Eloquent Tribute to the Foresightedness of the Late John W. Weeks

Colonel Hanford MacNider, Past National Commander of the American Legion, and Assistant Secretary of War, was in Newton last Saturday to deliver a lecture on "Industrial Preparedness." Prior to the lecture, which was given in the auditorium at the new high school building, Col. MacNider was the guest of honor at a dinner served in the home of Alderman Sinclair Weeks at Valentine street, West Newton. Others present included the officers of Newton Post, American Legion, past commanders of the Post, members of the Newton Board of Aldermen who are ex-service men, and Representative Leverett Saltonstall.

Members of the Newton Sea Scouts in uniform, acted as ushers at the auditorium, and Girl Scouts displayed their skill in giving the various army bugle calls. Alderman C. Sinclair Weeks, who was a captain of Field Artillery in the 26th Division during the war, officiated as presiding officer, and introduced Col. MacNider. Others seated on the platform were Mayor Childs, Rev. William M. Mick, commander of Charles Ward Post, G. A. R., Mrs. Ellis Spear, Jr., President of the Newton Federation of Women's Clubs, and Julius

Ramm, Commander of Newton Post, American Legion.

Mr. MacNider said in part:

"I am more than happy to come to the home town of John W. Weeks. With those of us in the War Department who have followed his work and know something of the foundation he has laid there for constructive endeavor for the future, his name means a great deal. I have yet to meet an officer of the regular army that I have come in contact with in the last year or so since I have been down there, who in speaking of the affairs of the War Department has not lamented the loss of that man, not only to the War Department, but to the country. He built better than you perhaps here in Newton know, because the work which he started in Washington for the national defense is only on its way and there are not as yet many signs to show you how well that foundation has been built. He took the War Department in perhaps the most trying time any man could take on such a task—after a great war, when everything was on the way down in C-

stead of on the way up. He kept up the morale of the regular establishment. He left them the pride of calling which they had and he gave them new inspiration, even when not only appropriations, but personnel, were being taken away from them every day. There is a wonderful monument down there to your fellow citizen. Every man who served with the colors during that time realized what it was.

"Sinclair asked me to speak tonight about the one endeavor which started under Secretary Weeks—industrial preparedness. That is only in embryo at the present time, but when it is fully developed, when it is on its way, so that you are going to be able to understand what it is in your daily life, you are going to see that there is a new security for the nation that was started by this fellow-citizen of yours. He had a great part in the framing of the original plan. What is more important, it might have gone its way as so many new activities go in a Bureau of that kind, had it not been for the encouragement which he gave and the wisdom which he put into its early movements."

Here Mr. MacNider told a story of a group of distinguished Englishmen visiting this country to study its problems, and who presented to a prominent American the question: "What are the three things that are worrying the American people most?" He pictured the amazement of the visitors when the reply came, "The first thing is, How are we going to get the squeaks out of the family radio? The second is, Where are we going to park the car? And the third, Where are we going to get a drink and when are we going to get it?" "After all," continued Mr. MacNider, "if that was halfway right you can understand why it is hard to pull people out and tell them about something that is dry as dust. The object of industrial preparedness is to save the next generation

(Continued on Page 2)

THE MISSISSIPPI FLOOD

Everyone Must Aid to Raise the Quota of \$12,000 Fixed By The Red Cross

MAYOR'S OFFICE

May 3, 1927.

TO THE CITIZENS OF NEWTON:

Latest advices from the flooded area reveal a greater need than was at first anticipated. The original call for funds has been doubled.

The citizens of Newton have never failed to respond to a worthy call for help. They never will. The original quota of \$6,000, now doubled to \$12,000, will be forthcoming if each one does his part.

Let us put ourselves in the places of those who have lost home and property and do as we would be done by in a similar situation.

EDWIN O. CHILDS, Mayor.

Mr. Hoover and Mr. Feiser, both members of the Central Committee for Mississippi Flood Relief, have returned from the flood area and as a result of their report President Coolidge has issued another proclamation asking that the people of the United States give more money generously and promptly to the Flood Sufferers through the local Chapters of the American Red Cross.

The people of the United States are called upon to give \$10,000,000 instead of \$5,000,000. The people of Newton are called upon to give \$12,000 instead of \$6,000.

This is a grave crisis. The people of Newton are asked to open their hearts and their purses so that Newton will have done its share when the final accounting is made. Stop at any

HIGH SCHOOL FACULTY PLAYS

Four interesting one act plays by authors of note are to be given Saturday evening, May 14, in the Assembly Hall at the High School. The plays are: "The Lost Silk Hat," "A Night in an Inn," "Ever Young" and "Aria da Capo." As all the parts are taken by members of the faculty who are experienced on the stage, the plays will be worth seeing. Tickets at 50 and \$1.00 for reserved seats are on sale at the school.—Advertisement.

CITY HALL

147 building permits were issued in April valued at \$771,955 of which 46 for single dwellings valued at \$465,300. It is curious to note that the figures for the same period in 1926 as compared with 1927 are almost identical. 1926 had 363 permits valued at \$2,011,473, while 1927 has 362 permits valued at \$2,127,595.

BOY PROBLEMS

Under the auspices of the Newton Rotary Club, a most interesting meeting has been arranged at the New High School assembly hall, next Monday evening at 8 o'clock. Mr. Cameron Beck of New York, an acknowledged leader on boy problems, will speak.

MORTGAGEE'S SALE

By virtue of and in execution of the power of sale contained in a certain mortgage given by Abraham Richman to John S. Hodges dated November 11th, 1926 and recorded with Middlesex South District Registry of Deeds, Book 5095 page 498, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at ten o'clock A. M. on the seventeenth day of May, 1927 on the premises described in said mortgage, all and singular the premises described in said mortgage. To wit: the land with the buildings thereon in Newton now known and numbered as 18 Tudor Terrace, being lot 16 on a plan of land in Auburndale belonging to Leon E. Carter et al. E. S. Smiley, Surv. dated August 1920 and recorded Middlesex South District Deeds, Plan Book 288 plan 22 bounded and described as follows: Northwesteasterly by Tudor Terrace, fifty-nine and 80/100ths (59.80) feet. Northeasterly by lot No. 14 on said plan, one hundred and seventeen and 90/100 (117.90) feet. Southeasterly by land now or formerly of Barber, seventy-one and 54/100ths (71.54) feet. Southwesteasterly by land now or formerly of Furber, one hundred fifteen (115) feet. Containing 7542 square feet. The premises are conveyed together with the benefit of a right of way nine feet wide running over lot 14 on said plan from Tudor Terrace Southeasterly along division line between lots 14 and 15 on said plan for a distance of sixty feet, said way to be for the benefit of grantee and its assigns and to be used for all purposes for which a way is commonly used and to continue only so long as present dwelling house exists on said lot 15. Being the same premises conveyed to us by deed recorded herewith. Subject to a mortgage to the West Roxbury Cooperative Bank originally for \$6500 duly recorded with said deeds. Subject also to all municipal liens, unpaid taxes and tax titles, if any. Three hundred dollars to be paid in cash by the purchaser at the time and place of sale. Other terms to be announced at the sale.

JOHN N. HODGE,
Present holder of the mortgage.

GOLDEN WEDDING

There was a most interesting social affair at the Newton Club, Walnut street, Newtonville, Monday, May 2nd, from 3 until 5 o'clock and from 8 until 10 o'clock when Mr. and Mrs. George Allen Salmon of Walnut street, Newton Highlands, entertained many of their friends at an informal reception, the occasion being the fiftieth anniversary of their marriage.

Mr. and Mrs. Salmon were married May 2nd, 1877, at the home of the bride's mother, Mrs. B. J. Pope of Howard avenue, Dorchester, Mass. The ceremony was performed by the Rev. Thomas W. Bishop assisted by Rev. Micah Jones Talbot, an uncle of the bride. Mrs. Salmon is the daughter of the late Samuel W. Pope and Betsey J. Talbot of East Machias, Maine. Mr. Pope was the senior member of the firm of William Pope and Sons, Boston lumber manufacturers and shipbuilders with mills and yards at East Machias, Maine, and with extensive lumber interests on the Pacific Coast. The firm is still in existence under the name of Pope and Talbot.

Mr. Salmon is a son of Dr. Ira Allen Salmon of Boston, one of the best known dentists of his day. He was president of the local and national dental associations and was prominent in organizing the Harvard Dental School.

For thirty years Mrs. Salmon has been a member of the Newton Highlands and Newton Centre Women's Clubs, for twenty-nine years of the Sarah Hull Chapter, D. R., and of the Monday Club, Newton Highlands, and for the same length of time both Mr. and Mrs. Salmon have been members of the Newton Centre Methodist Episcopal Church.

At the reception on Monday Mrs. Salmon wore her wedding gown of pink silk and lace and carried a bouquet of Mayflowers.

Mr. and Mrs. Raymond Symmes Fosgate and daughter, Janet, of Framingham, Mr. and Mrs. Allen Salmon and two sons, George Allen Salmon, 2nd, and Robert Pope Salmon, of West Newton, and Mrs. James Wilson Taylor of Boston were among the relatives present.

Simple buffet refreshments were served and those present included Mrs. Charles Cutler, Mrs. Henry W. Cummer, and Mrs. Elmira Talbot Davis, of Boston. Mrs. Alexander M. Ferris, Mrs. Charles W. Pearson, Mrs. Albert Fernald and Mrs. Franklin E. Smith of Newton; Mrs. Samuel T. Elliott, Mrs. A. M. Fowle, Mrs. Charles B. Greenwood, Mrs. James H. Kingsland, Mrs. Charles Keeler, Newton Highlands; and Mrs. George E. May of Waban.

The ushers were Hugh G. Walker, Edward H. Kittredge, Frederick T. McGill, Newton Highlands; George F. Spalding, Newton Centre; J. A. Harding, Arlington; and William Pope Hawley of Baldwinville, Mass.

Mr. and Mrs. Salmon were the recipients of many beautiful flowers and gifts and many many wishes for years more of life together.

MARRIAGE

GERNHARDT-RAMOS: on April 27 at Upper Falls by Rev. Dennis Donovan, Harry Gerhardt of Framingham, and Margaret Ramos of 44 Petee street, Upper Falls.

LACROIX-BROUILLETTE: on April 19 at Newton by Rev. Fred Brouillette, Ernest Lacroix of Marlboro and Rose Brouillette of 494 Watertown street, Newton.

REAL ESTATE

John T. Burns & Sons report the sale of the remodelled residence situated at 19 Kirkstall road, Newtonville, which contains nine rooms, two baths, and has 20,000 sq. ft. of land with a heated garage, all valued at \$23,000. Jeanette V. Smith gave title to Mary B. Spring.

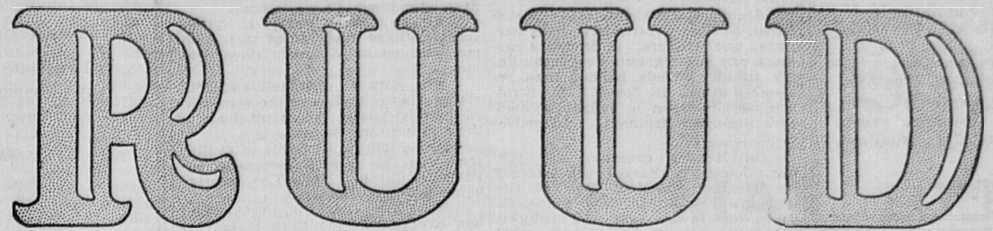

Burns and Sons were also brokers in the sale of the two family frame house, two car garage and 6,000 sq. ft. of land at 2057 Commonwealth avenue, Auburndale, to Mrs. Phebe Quimby. Thomas F. Ferrick was the grantor and the property is valued at \$13,000.

Origin of Term "Dun"

Opinion differs as to the origin of the term "dun," used for a missive seeking to collect money. Some maintain it is derived from the French word "donnez," meaning "give," but others claim it comes from the name of Joe Dun, famous as a bailiff in the time of Henry VII, for having collected so many debts. It is said that in those days when a man refused to pay it became a saying, "Why don't you Dun him?"

12 Cash Prizes

The RUUD is not a stove or furnace for heating your home. Instead, it furnishes instant, economical, sizzling hot water for every household purpose in kitchen, bathroom and laundry.

The cork-insulated tank is kept full of hot water, ready and waiting for you whenever a faucet is opened. The gas turns on and off automatically, depending upon the temperature of the water within the tank. Gas is burned only when needed.

The RUUD requires no time, labor or attention and gives perfect hot water service twenty-four hours a day.

Thousands in use for over 25 years.

MR. HANNEY DEAD

In the death of Mr. Michael Hanney, Auburndale has lost one of its oldest and most respected citizens.

Coming from Scotland about 63 years ago, Mr. Hanney early became a property owner, took up the business of landscape gardening, and was employed by some of the oldest families in Newton, by whom he was always held in the highest esteem for his reliability and sterling honesty.

Retiring from business some years ago, he preferred to remain amid the simple surroundings endeared to him by his wife, whom he survived about 24 years.

He will long be remembered for his kindly, generous, neighborly ways, but always, and above all, as a man whom little children loved.

MRS. HOYT DEAD

Mrs. Katherine Smith Hoyt, the wife of Lowell D. Hoyt, died Wednesday morning at her home in Forest Grove, Auburndale.

She was a native of Chelsea and her parents were Charles G. and Mary F. Smith. The family home had been in Auburndale for the last five years, having earlier been in Lexington and Waltham. Mrs. Hoyt was a member of the Unitarian Church in Waltham and was active in the various organizations in that society. She had been treasurer of Lexington Chapter, D. A. R., for some time. Besides her husband she is survived by a daughter, Mrs. H. O. Wendt of Auburndale; a sister, Mrs. W. B. Phelps, and a brother, Edward Smith, both of Boston.

BIRTHS

STELKER: on April 25 to Mr. and Mrs. Joseph Stelker, Jr., of 379 Washington street, Newton, a son.

HOITT: on April 25 to Mr. and Mrs. Ralph Hoitt of 30 Bernard street, Newton Hlds., a daughter.

GREELEY: on April 25 to Mr. and Mrs. Joseph Greeley of 14 Nonantum place, Newton, a son.

MATTHEWS: on April 25 to Mr. and Mrs. James Matthews of 148 Edinboro street, Newtonville, a son.

GLEASON: on April 26 to Mr. and Mrs. William Gleason of 48 Wyman street, Waban, a daughter.

RANDAL: on April 21 to Mr. and Mrs. Larcom Randal of 335 Waltham street, a son.

MARRIAGES

LEONE-CHICCO: on April 24 at Waltham by Rev. D. Wegler, Carmine Leone of 163 Adams street, Newton, and Lucy Chicco of Waltham.

SCRIBNER-COLLINS: on April 17 at Revere by Rev. T. J. Holland, Daniel Scribner of 244 Lexington street, Auburndale, and Katherine Collins of Revere.

BROTHERS-GILBRIDE: on April 24 at Newton by Rev. Robert Mantle, Charles Brothers of Boston, and Mary Gilbride of 99 Kirkstall road, Newtonville.

LaROCHE-DeWOLFE: on April 17 at West Newton by Rev. Wm. O'Brien, Arthur LaRoche of Cambridge, and Stella DeWolfe of Taft avenue, West Newton.

York, Philadelphia, and Atlantic City.—Miss Lorraine Holmes of Aspen
avenue is taking a part in the one-act
play, "A Lady of Character," which is
to be given at the Repertory The-
atre Thursday, May 13.—Miss Mildred C. Fraser of Cen-
tral street died last Sunday at the
Lawrence General Hospital after a
brief illness. Miss Fraser was the
daughter of Albert E. and the late
Bessie W. Fraser and was born in
Lynn in 1893. Miss Fraser was a
teacher of English in the Needham
High School.

Newton Centre

—There will be a Candy Sale at
the Woman's Club on Saturday for
the benefit of the Mississippi sufferers,
also the proceeds from both movies
on Saturday will go for the same pur-
pose.—The Women's Benevolent Society
of the First Church will hold a spring
fete in the church chapel on Wednes-
day and Thursday of next week, from
2 to 10 p. m. A cafeteria supper will
be served each evening and the play,
"Mr. Bob," will be given by Y. W.
C. A. friends on Wednesday night.—Segerson Brothers, 1213 Centre
street, Newton Centre, have baby car-
riages and strollers. A first-class car-
riage, any color, genuine corduroy lin-
ing, military wheels, balloon tires, re-
versible gears, all for \$19.50. Strol-
lers, \$9.95. Open a budget account
with Segerson Brothers. Advertisement.—On Monday evening, May 9th,
Rev. George L. Parker will address
the Monday Evening Club of the
Women's Educational and Industrial
Union of Boston, on the subject,
"Shall Our Reading Be Censored?"
The other speaker will be Mr. R. F.
Fuller, Chairman of the Booksellers
Committee.—In Newton Centre 800 first ap-
peal letters were sent out in behalf
of the Newton Welfare Bureau. On
May first scarcely 100 contributions
had been received in return. Let us
be sure that the second appeals, sent
to the 700 who mislaid the first let-
ter, are met with prompt response
and generous contribution.—At the Annual Meeting of the
Stebbins Alliance of the Unitarian
Church on May 3, the following offi-
cers for the year 1927 to 1928 were
elected: President, Mrs. George H.
Crosbie; recording secretary, Mrs.
Olin D. Dickerman; correspondent
secretary, Mrs. Walter T. Bryant;
treasurer, Mrs. Fred D. Bond; audi-
tor, Mrs. Frank L. Richardson. This
meeting of the Alliance was held at
the residence of the Minister, Rev.
George L. Parker. It was one of the
largest meetings in the recent history
of the Alliance. Mrs. Parker gave
two Scottish readings from the Bonny
Brier Bush. A most interesting pro-
gram was planned for next year. The
day of meeting was changed from the
first Tuesday to the first Monday in
each month.

ENGAGEMENT OF MISS CURRIER

Mrs. Jennie R. Currier of Eldredge
street has announced the engagement
of her daughter, Miss Gwendolyn B.
Currier, to Mr. Ralph Francis Plather
of Nashua and Boston.The engagement was made known
on Saturday last at a bridge party
given for a few of Miss Currier's most
intimate friends, at the home of her
sister, Mrs. Harry Dexter. Miss Cur-
rier is a graduate of the Newton
School, class 1922, and is now head
kindergartner at the Adams School,
Newtonville.Mr. Plather is the son of Mr. and
Mrs. Ernest J. Plather of Nashua,
N. H. He is a graduate of Phillips
Exeter, class 1915, and of the 1921
class M. I. T., and is an architect with
the Boston firm of Hutchins and
French.The wedding will take place in
June.

Waban

—Mrs. Thomas I. Taylor returned
on Saturday from a month's visit in
Ottawa.—Malcolm T. Hill has been elected
captain of the Harvard freshman ten-
nis team.—Her many Waban friends will be
sorry to learn of the recent serious
illness of Madame Willey.—Mr. and Mrs. Joseph W. Bartlett
are spending the week-end at their
summer home in Plymouth.—Mrs. Edward C. McLellan of Col-
lins road entertained a number of her
friends at luncheon yesterday.—Mr. and Mrs. Harry L. Tilton
spent the last week-end at their sum-
mer cottage at Warren's Cove, Ply-
mouth.—Mrs. Ezra L. Bushnell and Mrs.
Harry Thayer will have the sympathy
of their friends in the recent death of
their father, Mr. Salter.—Mrs. Albin L. Richards of Collins
road was this week's hostess of the
Paulette Caron Club. The meeting
being held on Monday.—Mrs. Effie Clark is to entertain
her Evening Bridge Club tonight at
the home of her daughter, Mrs. Albert
K. Parker, on Beacon street.—The annual meeting of the Church
Service League will be held in the
parish house of the Church of the
Good Shepherd on Tuesday, May 10.—Mr. and Mrs. Gifford Le Clear and
Mr. and Mrs. Henry C. Robbins spent
a very pleasant week-end at the sum-
mer home of the Le Clears in Brewster
last week.—James R. Chandler is at Hanover
for a meeting of the Dartmouth Col-
lege secretaries. He will go on from
there to First Connecticut Lake for a
week's fishing.—Mrs. Philip L. Warren, president
of the Waban Woman's Club, enter-
tained the members of the Executive
Board at luncheon yesterday at her
home on Waban avenue.—Mrs. F. C. Seaman of 158 Pine
Ridge road was tendered a bon voy-
age party at the Hotel Kenmore, Com-
monwealth avenue, Boston, on last
Wednesday evening.—The Annual Meeting of the Wom-
en's Association of the Union Church
will be held on Wednesday afternoon,
May 11, at 2:30 in the Parish House
of the Church of the Good Shepherd.—Do you know that a group of
men and women of Newton, repre-
senting every part of the city, are
giving their time and strength, with-
out question, to make the Newton
Welfare Bureau Campaign a success?—Acknowledge their generous effort
with a prompt and equally generous
contribution.—The first of a series of four Wa-
ban Health Conferences was held in
the Angier School on May 5 with Dr.
Philip Sylvester as consultant and
diagnostician and two nurses in at-
tendance. The next conference will
be on May 12. Further information
may be obtained from Mrs. John Moler
or Mrs. R. M. Elliott.—On Friday, May 13, in the Parish
House of the Church of the Good
Shepherd there will be held a joint
meeting of Waban Boy and Girl
Scouts. Supper will be served at 6:30
to scouts and such of their parents
as wish to attend. Mr. Harlan D.
Crowell of Stamford, Ct., former prin-
cipal of the Angier School will be a
much-anticipated speaker.—At a special meeting of the Wa-
ban Improvement Society, held on Fri-
day evening, April 29, at the Angier
School, called for the purpose of nam-
ing a candidate who should repre-
sent Ward Five in the Board of Alder-
men for the balance of the year, in
place of Mr. Charles L. Favinger, Mr.
William C. Holbrook was unanimously
chosen. As president, for the past
three years of the Improvement So-
ciety, Mr. Holbrook has a real knowl-
edge of local conditions.

W. C. T. U.

The West Newton W. C. T. U. was
well represented at the meetings of
the New England W. C. T. U. held this
week in the Old South Church, Bos-
ton.At the Luncheon on Thursday at
the Hotel Bellevue, Mayor Edwin O.
Childs was a guest of the West New-
ton W. C. T. U. and was one of the
after dinner speakers.The West Newton W. C. T. U. will
hold a food sale Saturday, May 14th,
in the Wright Market on Washington
street.THE HOUSE

Newton Upper Falls

—Miss Ada Lucas is ill at her home
on Indiana terrace.—The Lockheart Class of the Meth-
odist Church held their monthly meet-
ing at Parish Hall last Tuesday even-
ing.—The Woman's Club of Upper Falls
are having rehearsals for a play, "The
Adventures of Grandpa," which will
be held at Emerson Hall, May 16.—As there is no Branch of the New-
ton Trust Co. in this village, Miss E.
W. Sabin has consented to receive
contributions for the Flood Sufferers.—The Ladies' Aid of the Methodist
Church held their monthly sewing
meeting at the Parish Hall last
Wednesday. Luncheon was served at
the Parish Hall.—While you are enjoying your sum-
mer vacation, or you and your family
are cool and comfortable in your sum-
mer home, that money which you send
now to the Newton Welfare Bureau,
may help another family through
trouble and sorrow.—A fine entertainment was given
at the Auditorium on Wednesday un-
der the direction of the Upper Falls
Girl Scouts. "The Wizard of Oz" was
the feature picture with Health Car-
toons, and music from the drum and
pipe corps. The show was well at-
tended.—Mrs. John D. Coward of 99 High
street entertained the Sewing Club of
the Copley Church of Boston on Thurs-
day evening. Mrs. Marshall, the daugh-
ter of Dr. S. F. Smith, gave an inter-
esting account of "Forward Steps
Taken by Women in Burma." Her na-
tive costumes added emphasis to the
story. The President, Mrs. John T.
Lodge, was the hostess of the enjoy-
able social hour and she was assisted
by Mrs. Merritt, Mrs. Merrill, Mrs.
Bradley and Mrs. McCassey at the ta-
bles.

AUTOMOBILE ACCIDENTS

Monday afternoon at 3:55 an auto
driven by George Allen of 111 River-
view avenue, Waltham, hit James
Cousineau, 7, of 18 Crafts street, New-
tonville, on that street a short dis-
tance from the child's home. The
boy who suffered a compound fracture
of the right leg and a cut over the
right eye, was taken to the Newton
Hospital by Allen.Monday afternoon at 2, at the cor-
ner of Lincoln and Hartford streets,
Newton Highlands, a vegetable truck
driven by Louis Axman of 143 Flo-
rence street, Newton Centre, and a
Ford car driven by Arthur Rogers of
Hyde Park, collided. The Ford was
badly damaged.WHITTREDGE

The ElectrICE is Self Defrosting

ANNOUNCEMENT!

ELECTRIC REFRIGERATION has been
perfected, simplified and made entirely
automatic—to render you continuous, bother-
less, economical service 365 days a year.You are invited to inspect the improved
Belding-Hall ElectrICE, built by one of the
two oldest and largest refrigerator manufac-
turers. Our experts chose the ElectrICE for
its utter simplicity [only two moving parts
instead of many], its "self-defrosting" [no shut-
downs every few weeks to melt off a thick
ice coating] and other important new features
we shall gladly explain. Complete cabinet
models in all sizes. Or your present refriger-
ator can be ElectrICE'd.

CENTRAL CHURCH
NEWTONVILLE

9:45 A. M. Regular departments of the Church School.

11 A. M. Rev. Dr. Ellis will preach.

Newtonville

—Miss Mary Casey of Otis street entertained at bridge on Tuesday afternoon.

—Miss Lavinia Smythe of Newtonville avenue entertained the sewing club Monday evening.

—Mr. and Mrs. Stanley F. Horton of Otis street are at their summer home in Eastham, Mass.

—Miss Olive Crawe, 1930, is one of the five girls recently chosen for the Varsity Riding Team at Wellesley.

—Miss Virginia Pierce of Rutland, Vermont, has recently been the guest of Miss Barbara Webster of Mill street.

—Miss Elizabeth Leavens of Montpelier has been visiting her parents, Mr. and Mrs. Thomas Leavens of Otis street.

—Edward K. Titus, Jr., of the Brooklyn Daily Eagle has been spending the week with his parents Mr. and Mrs. Edward K. Titus of Otis street.

—Miss Pauline Chamberlain was severely bruised in an automobile accident last Sunday on Washington street. Miss Chamberlain had stopped her car to avoid running over a child when her machine was struck by a trolley car throwing her out.

—Read the list of officers and directors of the Newton Welfare Bureau, which is printed in this same paper. If you are not well informed concerning the work and methods of the Bureau in meeting promptly and efficiently all calls for help, ask one of those men or women to tell you.

—Mrs. Mary L. Moorehouse, widow of Major Roderic Moorehouse, died May 4th, at her late home, 98 Court street. She was born in Malone, New York, 79 years ago and had resided in Newton for 57 years. Her funeral is being held this afternoon at 2 o'clock in the chapel at Newton Cemetery; Rev. Dr. Ellis of the Central Congregational Church officiating.

—An evening with James Whitcomb C. Riley will be given by Dr. Daniel S. Marsh, President of Boston University, at the M. E. Church Friday, May 27th, in the Assembly Hall, at eight o'clock. There will be music.

Auburndale

—It is interesting to note that in villages of Newton whose amount of money contributed is smaller, the number of new donors is larger. And those new donors became members of the Newton Welfare Bureau. After all, it is City wide membership which we need for the future. A membership so large that special "drives" will not be needed.

—The annual meeting of the Auburndale Club, Inc., will be held Wednesday, May 11th, at 8 p. m. Reports of officers and chairmen of all standing committees will be heard and acted upon. There will be an election of officers for the ensuing year, and transaction of the important business. Plans for adding needed storage facilities to the club property will be discussed. A social hour will follow with open house.

ANNUAL DINNER

The Adult Bible Classes of the Newtonville Methodist Episcopal Church held their annual dinner Friday evening, April 29, with an interesting program following the dinner. Rev. A. D. Parker, pastor of the Church, acted as toastmaster. On the program were Mr. W. A. Hall, president of the men's class; Mrs. Herbert Blair, president of the women's class; Mrs. R. E. Bruce, Mr. C. A. Chase, Mrs. F. E. Morris, Mr. H. L. Stright, Director of Religious Education; Prof. Wm. H. Timble, Superintendent of the Church School, and Dr. W. J. Lowstuter, teacher of the women's class. Each of the toasts given concerned the adult classes of the Church School and the work they have been doing and are planning to do.

Both the men's class and the women's class have had an unusually good attendance during the past year. The present number on the roll in the two classes is 85. The attendance has reached an equal number several times during the year. Both classes meet at 9:45 o'clock Sunday morning. Mr. Parker is teacher of the men's class and Dr. Lowstuter the women's.

Music for the after dinner program was furnished by Mr. Allan MacQuarrie who sang a number of solos during the evening.

Newton Centre

—Mr. and Mrs. Walter H. Barney of Centre street left Thursday morning for Nantucket where they intend to make their home. Mr. Barney has been a letter carrier in Newton Centre for many years.

All Seats Free at Every Service

West Newton

—Miss Elizabeth Jack of Austin street is visiting in Chicago.

—Mrs. Ralph Hatch of Prince street entertained at bridge on Wednesday of this week.

—Rev. Dr. Boynton Merrill, pastor elect of the Second Church will preach there next Sunday morning.

—Dr. Wilson C. Dort and family of Otis street, have just returned from a motor trip to Washington, D. C.

—Miss Charlotte Burrage of Fairfax street is spending the week in New York and Atlantic City.

—Miss Katherine Tower has been elected vice president of the Gamma Delta Chapter at Boston University.

—The Chancel Choir of the Second Church sang the St. Cecilia mass at Wheaton College last Sunday evening.

—Miss Alice Eaton has been chosen one of the sophomore representatives on the Judicial Council at Smith College.

—Mrs. Clarence M. Glazier was in Manchester, N. H., yesterday and was a speaker at the meeting of the N. H. Federation of Women's Clubs.

—Mrs. James Tolman and Mrs. Henry Talbot entertained the Journey Club on Thursday of last week at the Highland street home of Mrs. Tolman.

—Mrs. Cartrell and daughter, Loraine, of 45 Sewall street, have just returned from a six weeks trip to Jamaica, Panama and South America.

—Mrs. C. P. Hall and Miss Carrie Lovett entertained the Score Club at luncheon, last Tuesday at the home of Miss Lovett on Mt. Vernon street. The next meeting will be with Mrs. Dow of Quincy.

—If you have a question, a suggestion, a criticism, which is surely constructive, do not fail to send it to some officer or director of the Newton Welfare Bureau. Let us know what should be said or done to make the citizens of Newton understand the importance of the Bureau to the community.

—Mr. and Mrs. John F. McGuire of Prince street announce the engagement of their daughter, Miss Julia MacGregor McGuire, to Francis Livingston Blewer of New York. A tea this afternoon at Miss McGuire's home is made an occasion for formally announcing the engagement. Mr. Blewer is a graduate of the Massachusetts Institute of Technology, class of 1921, and is in the banking business in New York. Miss McGuire was graduated from Walnut Hill School and also attended Smith College. For the past three years she has been studying music in New York. The date for the wedding has been set for June 18.

—Mr. and Mrs. Norman W. Bingham of Prince street have announced the engagement of their daughter, Miss Katharine Stetson Bingham, to Rev. Arthur Lee Kinsolving, rector of Grace Episcopal Church at Amherst and director of religious work at Amherst College. Miss Bingham will be graduated in June from Smith; where during the past year she has been president of the Student Government Association. Mr. Kinsolving is a graduate of the University of Virginia, was later a Rhodes Scholar at Oxford and afterward was graduated from the Theological Seminary at Alexandria, Va. He is a son of Rev. and Mrs. Arthur B. Kinsolving. His father has been for many years rector of St. Paul's Church in Baltimore, Md.

Newton Centre

—Bishop Lawrence will preach in Trinity Church, next Sunday morning at 10:45.

—On Saturday Mrs. C. F. Butterick T. Kenwood of Kenwood avenue entertained at bridge.

—On Saturday "Sonny" Pickard, son of Mr. Greenleaf Whittier Pickard of Dalton road, celebrated his 6th birthday by a party.

—At the annual meeting of the Massachusetts Dental Society this week Dr. Richard H. Norton, Jr., of Oxford road was elected president.

—The Farm and Garden shop will hold a spring fete on the grounds of Mr. C. S. Houghton on Suffolk road, Chestnut hill, next Friday afternoon.

—The May breakfast under the auspices of the Mother's Rest Association, will be on Saturday morning from 7 to 9 o'clock at the Newton Centre Woman's Club.

—The May breakfast under the auspices of the Mother's Rest Association, will be on Saturday morning from 7 to 9 o'clock at the Newton Centre Woman's Club.

Mason School

"Every pupil, an athlete—at least active"—is the motto of the Mason School recess period. During the past week, every boy and girl from the third to the eighth grades was entered in the 40 or 60-yard dash, running high jump, and standing broad jump. 134 heats were run off during the brief 15 minute recesses of Monday and Tuesday. Semi-finals were conducted on Wednesday and Thursday. Today finals will be run off.

Mason School Tennis Tournament

begins Monday, May 9.

While William Dunn, the New England Marble Champion, is ineligible to represent the Mason School this year because of the fourteen year age limit, little brother Bobbie Dunn is showing the same skill and may succeed his brother as champion.

The Newton Centre School Association in recognition of the excellent work done by those pupils in the seventh grade who received honorable mention in the prize reading contest, has decided to present to each one a card, appropriately engraved.

All Newton Music School

The last pupils' recital of the year will be held at the Clafin School, Walnut street, Newtonville, on Friday evening, May thirteenth, at 7:30 o'clock. There will be the usual program of violin, piano, cello solos, and an orchestral number. Those interested in the work of the School are cordially invited to attend.

Commonwealth of Massachusetts

LAND COURT

To the City of Newton, a municipal corporation, located in the County of Middlesex and said Commonwealth; Patrick Shomphie, Bridget D. Keane, of said Newton, Simon D. Aucoin, of Waltham, Nellie M. White, of Belmont, Christie Henderson, of Somerville, in said County of Middlesex; Mabel E. Chadwick, and Andrew J. Lamphier, of Boston, in the County of Suffolk; and said Commonwealth; Thomas J. Burke, now or formerly of said Boston, Michael McDonald now or formerly of said Newton, and Eugene M. Curran, residence unknown, or their heirs, devisees, or legal representatives; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Henry A. Brown, of said Boston, to register and confirm his title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Newton, bounded and described as follows: Northerly by Grant Street, 100 feet; Easterly by Foster Street, 50 feet; Southerly by land now or formerly of Bridget O'Brien, 100 feet; and Westerly by land now or formerly of Frank E. Day, 50 feet;

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

You are hereby cited to appear at the Land Court to be held at Boston, in the County of Suffolk, on the thirty-first day of May A. D. 1927, at ten o'clock in the forenoon, to show cause, if any you have, why the prayer of said petition should not be granted. And unless you appear at said Court at the time and place aforesaid your default will be recorded, and the said petition will be taken as confessed, and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this fourth day of May in the year nineteen hundred and twenty-seven.

Attest with Seal of said Court.
(Seal.)

Recorder.

THE HALLIBURTON LECTURE

Richard Halliburton, the celebrated and popular young author, gave a most delightful lecture, Sunday afternoon, April 24, at the Community Theatre, Newton.

His enthusiasm was so infectious that his audience traveled gaily, joyously, with him upon "The Royal Road to Romance," from the Matterhorn to Fujiyama.

Beginning briefly with a word about Princeton and mentioning his friend and room-mate at that college, Irvine, who later shared in that wonderful adventure, the "Conquest of the Matterhorn."

Sailing in July from New York, as ordinary seamen aboard the "Ipswich," whose first port proved to be Hamburg.

Here they purchased "Otto and Ophelia," twin bicycles, and upon them traveled many miles.

After many amusing incidents, Zermatt, a Swiss village at the base of the Alps, was reached.

The hair-breadth escape from instant death, as related by Mr. Halliburton, was little short of a miracle.

He passed quickly from scene to scene. "Paris, Paris, never was it so beautiful as on that autumn night!"

Next mentioning the smallest and highest republic, Andorra, and paying his respects to its President.

On a January night, while wandering from his hotel room in Spain for a short walk. With the "Cloak of Invisibility," apparently, he passes the guards and beholds the mighty Rock of Gibraltar, the important fortress that guards Europe, Africa, the Atlantic and Mediterranean.

His passion for taking photographs lands him in a precarious position. After carefully preserving twelve films and leaving eighteen others exposed to view, he is arrested as a German spy and led away to the ancient Moorish keep.

Adventure after adventure. His passports O. K., his fine paid, he is free again. The temptation for one more picture, that of his dungeon and the friendly warden (this with permission from the authorities).

A week later he sent autographed photos of the "Rock" to the judge and the warden, as a reminder of an American journalist's unmitigated audacity.

Taj Mahal, a living memorial to the beautiful princess Arjmand, who later became the Empress Mumtaz Mahal. Of a thousand wives the favorite.

His descriptions of Taj Mahal were tone poems of poignant beauty.

His vivid and thrilling escapades kept his audience at a high pitch of interest. His stories of the "Baby Cardinal," of Leh, the humorous story of taking Princess Padmimi for a boat ride, and his encounter with the deadly Cobra on the Malay Peninsula.

To follow him through his many other journeys one must read his amazing book, "The Royal Road to Romance." Therein we learn of his hazardous trip across these United States, his lectures, and writing of articles, providing him ample means for transportation home.

Unlike most authors he was most gracious and generous in autographing his book and cards for his many admirers.

A. W.

WABAN BOY SCOUTS

The greatest enthusiasm has prevailed this past year among the boys of Waban. From a Troop of twenty-two boys last fall, there are now almost fifty in Troop 10, and practically every boy of Scout Age has filed his application for membership.

Weekly meetings are held on Friday at the school gymnasium. Instruction in scout work and organized play have created keen competition, and as a result of a prearranged contest, eight boys who win the greatest number of points, will be taken on a special automobile trip to New York, Washington, Gettysburg and other points of interest. Under the supervision of the Scoutmasters, the boys spend a number of week ends at the "HUT" in Dover, where they learn much of practical value.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this fourth day of May in the year nineteen hundred and twenty-seven.

Attest with Seal of said Court.

ALDERMANIC MEETING

Whenever the regular order of business at a meeting of the aldermen takes up less time than usual, it seems that some member of the Board thinks the hour opportune to start a dissertation on a matter of supposed importance. Monday night the routine business on the docket was disposed of in short order and the aldermen, the press, and the few spectators were preparing to depart for their homes, when Alderman Heathcote took the floor. The alderman from Neshobe road, which is partly in Waban and partly in Lower Falls, has his "combative rouge" on. He commenced his philippic by criticising the quite lengthy report of the "Joint Committee on School Construction," presented earlier in the evening by Alderman Pitts, and he conducted it by denouncing the Public Works Committee for refusing to replace twelve horses owned by the Street Department which have been adjudged unfit for further heavy work by the City Veterinarian.

If the Ward 4 alderman's statements were correct, the South Side of the city has been woefully discriminated against, and the North Side has received all the plums. According to Mr. Heathcote the South Side Wards of Newton are 4, 5 and 6, but as nearly all of Ward 4 is located in Auburndale and the Lower Falls, it is difficult to conceive how this Ward can be construed as a South Side district, situated as it is in the most western part of the city.

The first matter on the docket was the hearing on the petition to L. H. Swanson for a permit to change a large garage on the Whittemore estate on Mount Ida into a two-family dwelling. When single residence zones were established in Newton, the provision was made "that the aldermen could grant permission to allow single residences of the older types to be remodelled into two-family houses in single family zones. Some months ago a petition was received asking a permit to change the Whittemore garage into a two-family dwelling. As the Zoning Ordinance did not provide for such an alteration, the aldermen, at a recent meeting, very accommodatingly changed the ordinance so that barns, garages and other structures may be altered into two-family dwellings. Attorney Hugh Boyd, who has appeared for several different petitioners at recent meetings of the aldermen, spoke for Swanson. He stated "that all of the neighbors near the Whittemore garage are favorable to the proposed conversion of the building into a dwelling. No opposition developed, and Alderman Baker, later in the meeting, moved that the rules be suspended to allow the granting of the permit to Swanson. Mr. Baker explained that the Claims and Rules Committee had considered the matter carefully and at great length, and had finally decided, inasmuch as none of the abutters objected, to recommend favorably upon it. So, the unusual, and apparently inconsistent modification of the Zoning Law was made, and the precinct of an exclusive "single family zone" will be at least theoretically deteriorated by a garage being transformed into a two-family dwelling.

No persons appeared either to speak in favor or opposition when the hearings on the following petitions were called:—Woodland Sand & Gravel Company for a permit to erect a temporary screening plant at 2131 Washington street; Newton Theological Institution for a permit to alter a 1-car garage at 196 Institution avenue, into a 3-car garage; James A. Scully for a permit to alter a 4-car garage at 9 Wade street into a 7-car garage; taking land for sewer on Oliver road; grading and laying out of Carver road from present accepted portion southwesterly to the B. & A. tracks.

Opposition developed against the petition of John Magazzu for a gasoline filling station at 184 California street. Albert M. Grant of the Shepherd Mills, speaking for the Earnshaw Knitting Company objected to this permit being granted because the station would about the mill property and cause an increase in insurance rates. As the Earnshaw Company is about the only textile plant of any considerable size in this city now, employing 450, it is doubtful if the aldermen will take any action which will tend to make the stay of this company in the city less assured. Within a month, one old established concern, the Silver Lake Cordage Company, has departed from Newton, and those remaining factories which afford a livelihood to residents of the city should not be encouraged, rather than discouraged.

On the petition of the Edison Company for a permit to place an underground conduit along Church street, a letter in favor was read from Fred H. Tucker, and a representative of the Immanuel Baptist Church advocated this improvement.

John C. Brimblecom of the NEWTON GRAPHIC asked the aldermen to widen Saint James street at Newton to a width of 40 feet, northerly from the corner of Washington street, to the B. & A. railroad bridge. He stated "that since St. James street has been made a one-way street to carry traffic to the Charles River boulevard, it has become utterly inadequate to afford safe passage to the large number of automobiles using it." Representative Arthur Hollis said, "This is one time when I agree with Mr. Brimblecom." Mr. Hollis not only asked that the street be widened to 40 feet, but that its course be changed so that it will run through the Daniels estate, emerging on Washington street, opposite Park street. The aldermen had merely planned widening the northwesterly corner of St. James street at Washington street, leaving the remainder of the street at its present narrow width. Alderman Hinckley told the Board "that Oslan Brett, who owns land along St. James street, will donate a strip 10 feet wide to the city, if he is permitted to build an apartment house on his property. Otherwise Mr. Brett will build four 2 family houses on the land."

Alderman Earle told of having attended the meeting of the Greater Boston Council, but deferred making a report until the detailed printed report will have been received from the Council.

A number of jurors were drawn to serve at the Superior Court sessions

in Cambridge next month. The "lucky" men are—John J. Finnegan, Jackson road; John E. Crowde, 93 Gardner street; George Brouillette, 494 Watertown street; Howard Cole, 164 Auburn street; Claude Leitner, 41 Norwood avenue; Hubert Carter, 170 Otis street; Alfred Howell, 365 Watertown street; Fred Morgan, 661 Commonwealth avenue; Fred W. Clapp, 193 Lake avenue.

The Franchise and License Committee recommended that a permit be given to Louis Tichner to build a 2-car garage at 176 Commonwealth avenue, this garage to be located 7 feet from the house line. The committee also reported favorably on the petition of Fred A. Cahill for a permit to build a gasoline filling station on Washington and Court streets. Chairman Hawkins of the committee explained "that Attorney Boyd had made a mistake at the previous meeting when he stated 'that Mr. Cahill will not sell this property.' Mr. Cahill will conduct the station himself, unless he can lease or sell it to better advantage."

Answering a question from Alderman Baker, Chairman Collins of the Finance Committee explained that the recommendation of the Finance Committee "that it is inexpedient to make additional appropriation for as yet uncompleted work" was occasioned when the proposition was made to increase the salary of Ernest Harvey of the City Engineer's Department. Mr. Harvey has been performing valuable work in connection with the improvements in the water supply, and it was suggested that he be an assistant to the Water Commissioner. City Engineer Morse took the attitude "that it would be unfair to grant an increase to Mr. Harvey, without giving increases to the other assistant engineers, whose duties would be increased, should Mr. Harvey devote much of his time in assisting the Water Department."

Alderman Pitts spoke at considerable length on the report of the Joint Committee on School Construction, which is printed elsewhere in this paper. He invited the members to ask questions on any detail which was not clear. He stated that even to care for the normal increase in school pupils in Newton, it will be necessary to build a new school every second year, and in addition the shortage of school accommodations, occasioned by the failure to erect new schoolhouses during the war years, must be made up. He informed his colleagues "that Mayor Childs has been constantly in touch with the School Committee and Joint Committee, and is thoroughly in accord with the plans of these committees."

He expressed the opinion that the tunnel to connect the old classical high school with the new buildings of the high school group should be constructed at once, unless the cost will be prohibitive. Questioned by Alderman Earle concerning the delay in altering the Bigelow School into a real junior high school, Mr. Pitts explained "that while it was proposed to make this change sometime in the building of the Underwood School in Ward 7, has postponed indefinitely the changing of the Bigelow School into a junior high. A modified junior high curriculum is in use at the Bigelow, and the parents of the children attending the school appear to be satisfied with this curriculum. It is characterized by the building of the Underwood as an additional grade school in the Bigelow district, as a mistake. At this point, Alderman Hodgdon, basing his contention on the paragraph in the report of the Joint Committee on School Construction, which reads: "On the other hand it will appear that in the Mason, Hyde and Emerson districts, in Newton Centre, Newton Highlands and Newton Upper Falls, respectively, there has been no relief afforded to the grade schools and in these districts overcrowding conditions demand that they receive immediate attention as the school population has been steadily and rapidly increasing," remarked, "certain sections of the city have always received more and better attention."

Alderman Pitts replied, denying and re-stating that the report of the committee has been shown. "The long argument that ensued is referred to in another part of this paper. The appropriations made at the meeting were—Architects' plans for school at Waverley avenue and Ward street, \$5000; architects' plans for tunnel high school, \$2500; deficit accounts various departments, \$1613.21; deficit account Water Department, \$1946.36; improvement of Centre street at Beacon street, \$2874; police pension for Henry Marriener, \$788.22; increased salaries for lieutenants in Fire Department, \$150; to employ 5 nurses for protection of Child Life during the summer months, \$1250.

Petitions were received from Carl Rogers for two first class taxis; Christine Schultz, common victualler license at 75 Waltham street; Cashman & Ginsberg for gasoline station at 225 Washington street; Newton Auto Rental Company for two second class taxis; Stuart-Marshall Company for increase of gasoline storage at River and Lexington streets from 2000 to 4000 gallons; John Finnelli for a gasoline tank for private use at 49 Ashmont avenue, 250 gallons; John Crowley to change land zoned as residential on Commonwealth avenue between Chestnut terrace and Reed court from single to private residence zone; Boston & Albany railroad through Mary Sweeney to change land at 366 Centre street from one-zone railroad district to business district for taxi stand platform; Anna Louloudis for henhouse at 117 Wallace street, capacity 200 hens; Charles E. Lord for widening corner of Lombard and Centre streets; Mrs. Aldea FitzSimmons offering \$400 for city land on Chassee avenue; Lillian Kazamowski for "Wynona" of Charles lotte road; Carl Wycman for sewer in Parmenter road; Thomas Joyce for sewers in Dana, Falmouth and Cambridge roads; James H. Gibson for sewer in Talbot road.

NEEDS \$10,000

The Newton Welfare Bureau, Inc., 12 Austin street, needs \$10,000 with which to carry on its work of service to families throughout all the Newtons who are in need because of sickness or unemployment.

In its 33 years of life, as the Newton Associated Charities and since 1915 as the Newton Welfare Bureau, it has never made to the public a general appeal for money through an organized group of volunteer workers; but such an appeal has now become necessary.

Approximately 5000 first appeal letters were sent out. Less than 1000 responses have been received.

President: Elliott B. Church. Vice-presidents: Philip W. Carter, Mrs. Bertrand E. Taylor. Treasurer: William T. Halliday. Clerk: Mrs. George W. Auryansens. Directors: Mrs. George W. WILLIAM DAWES, JR., CHAPTER

The Junior Sons and Daughters of the Revolution met at the home of Mrs. Clarence Moore on Hunnewell avenue, Saturday, at two-thirty. The president, Marshall Barron, presiding. The minutes of the last meeting were read by the secretary, Eleanor Whitney. At the roll call each member responded with a three minute speech relating something in the life of William Dawes, Jr., or Paul Revere. A communication was read from the State Society, Daughters of the Revolution, thanking the Chapter for taking charge of the patriotic exercises on April 19th and for placing the wreath on the tomb of William Dawes, Jr. It was voted to give a member, in June, to raise money for patriotic work. The details for this will be announced later.

The program for the afternoon was in charge of Hazel Moore and consisted of the following: Saxophone solo, Robert Fernald; piano solo, Grovernor; vocal duet, Janet Royall Tuthill; piano solo, Eleanor Whitney; piano solo, Miriam Morpur; piano solo, Lewis Huntington; ukulele solo and song, Alice Schofield; saxophone solo, Duncan Cotting; piano solo, Jean Murren.

—Mr. and Mrs. Paul Chase Norton will make their home in New York. Mrs. Paul Norton is of the class of '26, Wellesley College. Mr. Paul Norton is son of Mr. and Mrs. Albert H. Norton of 9 Delmore road.

Odd Tahiti Rite

The rite of fire-walking in Tahiti as practiced by the priests is explained as follows: The stones used are basalt, of volcanic origin, porous and nonconductive. A stone heated red-hot at one end remains comparatively cool at the other. Because of this fact the native priests and their acolytes may with impunity walk over the surface of the glowing rocks.

IN THE SOUTHLAND

Mr. Frank H. Burt of Charlesbank road has returned from Chapel Hill, N. C., where he went to make the official stenographic report of the annual conference of the National University Extension Association. The University of North Carolina, which acted as host for the conference, is the oldest State university in America, dating from 1789, and has over 2300 resident students, with a larger number taking extension courses throughout the State. Chapel Hill is a beautiful village, some 400 feet above sea level, with many attractive homes, while the university possesses a great number of fine modern buildings and a delightful campus. Its president, Dr. Chase, is a former resident of Massachusetts, and one of the recent accessions to the faculty is Professor Woodhouse, formerly of Smith College, who though a Democrat of but a few years' residence in Northampton, was chosen Mayor in the home city of President Coolidge. Going recently to North Carolina for research work at the university, he was invited to remain in the Department of History and Government. The members and guests attending the conference witnessed a historic pageant given under auspices of the Extension Division of the university, entitled "Children of Old Carolina," in which over 1200 children took part, coming from the various schools of Alamance County, presenting scenes in the history of the colony and State from the Indian days to the present time. Mr. Burt visited Raleigh, Greensboro and Durham, the latter city the seat of Duke University, the \$80,000,000 foundation endowed by the tobacco magnate. The public schools are making great strides in that section of North Carolina, with fine modern consolidated buildings in many of the centers of population, to which the children are brought from rural homes in motor buses. The principal State highways are not surpassed in any part of the country and the system is financed by the license tax on autos together with a gasoline tax of four cents a gallon. The State last week placed a loan of \$10,000,000 for road building at 4 per cent with a syndicate made up of the leading New York banks. A general air of thrift and prosperity prevails in the section which Mr. Burt saw, while the weather was delightful, the season being at least three weeks in advance of our own.

CHAMBER OF COMMERCE

The annual meeting of the Newton Chamber of Commerce will be held on Monday evening, May 23. This meeting will be held at the Newton Club, Newtonville, which is generally regarded as the most convenient and most accessible point from all of the Newtons.

There will be the usual banquet at 6:30 o'clock, for which tickets will be available at a later date. This will be followed by the annual business meeting, including the presentation of reports and election of officers and directors for the ensuing year. The program itself will be presented by several well known speakers on topics of timely interest, promising in many ways to provide one of the most interesting events in the recent annals of the Chamber.

"Newton's New City Hall—When and Where," is one of the subjects chosen for discussion, with Chairman Henry I. Harriman of the Metropolitan District Planning Board announced as one of the principal speakers.

The committee in charge of the meeting includes Frank L. Richardson, Rupert C. Thompson, and Robert A. Vachon, with President G. Wilbur Thompson and the Secretary.

NEWTONVILLE BLOCK SOLD

Alvord Bros. report the sale of the modern, one-story block of stores located at Nos. 309-321 Walnut street, Newtonville. The property consists of seven stores and approximately 5,000 square feet of land. The seller was Frank Y. Clark of Newton, and the buyer, Louis Kaplan of Chelsea, and the total valuation was \$80,000.

Alexander J. MacDuff has conveyed to Laura Rowlings of Newton Highlands a lot of land on Canterbury road in Elliot. The parcel contains about 4,500 feet, and is valued at \$1,000.

At No. 30 Vista avenue, Auburndale, George M. Collins has just sold his property consisting of the house, 2-car garage, and 17,820 feet of land to Arthur F. Farley. Mr. Farley intends to make several necessary renovations and occupy immediately. The property is valued at \$12,500.

Bryant McQuillen has sold to Katherine MacLure the estate No. 85 Berkshire road, Newtonville, consisting of a large single house and about 11,500 feet of land; valued at about \$20,000.

Alvord Bros. were the brokers.

ANNUAL MEETING

The ladies of the Women's Auxiliary of the Newton Master Plumbers Association held their meeting at the home of Mrs. J. Harry McGourty, 58 Cherry place, West Newton, Wednesday evening, April 27th.

Election of officers took place at this meeting; Mrs. C. D. Kieser was re-elected president; Mrs. J. B. Davis, vice-president; Mrs. J. Harry McGourty, secretary; Mrs. Fred Warren, treasurer; Mrs. A. G. Kerr, Mrs. Thomas Hickey, auditors; Mrs. Neils Jensen, sick and flower committee.

After a very lengthy meeting whist was played, Mrs. G. W. Thompson winning the 1st prize; Mrs. A. Colpits the second, and Mrs. L. Martin, 3rd. A bountiful collation was served to the members and their husbands.

50TH ANNIVERSARY

(Continued from Page 1)

elected F. D. Fuller for president and J. William Blaisdell as vice-president. Moving pictures were shown of activities at Camp Frank A. Day and pictures of former officers, athletic teams, and association groups were thrown on the screen.

Among those present were the following former officers and directors: F. L. Trowbridge, Edmund I. Leane, F. O. Barber, E. L. Bacon, C. O. Tucker, Sidney R. Smith, Charles H. Peterson, Arthur W. Porter, T. R. Lockwood, W. C. Wrye, Arthur Kendrick, T. H. Morton, H. C. Fraser, William Cady, F. W. Chase and F. L. Smith.

President Fuller in his remarks spoke of the Citizens' Committee which is being formed to secure a \$100,000 Golden Anniversary Fund, \$50,000 of which would be used for endowment or invested in another story of dormitories, and \$50,000 to be used for repairs on the building, new handball and squash courts, new fence, new furniture, to secure additional land and improvements for Camp F. A. Day, and to provide for current expenses for the association for one year. He pointed out that the present building has been in constant use since 1911 and its equipment needs to be brought up to date and renewed for the years of service just ahead. Many of the facilities of the present building are inadequate for the use of the growing membership.

Complete furnishings and equipment of a beautiful apartment, prices low, for a quick sale. Equipment includes unused electric sewing machine, ironer, etc. Call Newton North 6230 or 2221-W. 1t

ARGUE ABOUT SCHOOLS

A lively and somewhat acrimonious debate occurred at the meeting of the Aldermen on Monday night following the presentation of the report of the Joint Committee on School Construction by Alderman Fitts. Answering a remark of Alderman Hodgdon's "that certain sections of the city always received more and better attention as regards schools," Mr. Fitts asserted "that the worst crowding of pupils in the city is at the Clafin School at Newtonville, and that the committee has no idea of dealing with it. The erection of new schools is determined by the needs of the city as a whole and with proper provision for the future growth of the city."

Alderman Heathcote attacked the report of the joint committee on school construction. This committee is composed of four members of the School Committee and three aldermen. Mr. Heathcote said: "The member from Ward 7 (Mr. Fitts) has said a great deal without giving us much new light. The Van Sickle report, made six or seven years ago, contained practically everything that is in this report of the joint committee." He asserted "that the Mason School was erected in 1924 and that the new school at Lower Falls will only care for the present enrollment at the Hamilton School, affording no relief for increased attendance at that village." He contended that the report should have recommended the construction of the proposed new junior high school on the site purchased by the city near Centre and Clark streets, and that this committee should have followed the suggestions made by the experts who made the so-called "Van Sickle report."

Alderman Fitts replied, "I am not in a combative mood, but I will try to straighten out objections. The Van Sickle report was always before us." He pointed out that although this report recommended one junior high school for the South Side, after much discussion the joint committee decided on two junior high schools for this part of the city. The second of these schools will, if the plans of the joint committee receive approval, be erected near the Eliot section, and will care for the children of Upper Falls, part of Newton Highlands, and Waban. "It is a stubborn problem," said Mr. Fitts, "to deal with the distribution and size of classes. We are going along all right but not fast enough to suit some people."

Alderman Hodgdon asked "How much will it cost to drain the school site near the corner of Ward street and Waverly avenue, and also the frog ponds on the site near the Levi Warren school?" Mr. Fitts replied that the sewer through the district, where the former school will be located, will cost about \$15,000, and that it would have been constructed whether, or not, any school was erected in this locality. Plans had been in the making also, for the covering of the brook running through the site of the Warren School, even though this school had not been placed there. He pointed out that the land of the Warren School location had been considered and provided for when the site was selected.

Alderman Heathcote asked for information concerning the cost of the land for the school near Ward street. He understood that this site had cost \$90,000, and that a brook ran through it. Alderman Fitts remarked that the Ward 4 alderman seemed a little confused regarding this property, as no brook ran through it, and the land cost the city only \$16,000. Alderman Earle, chairman of the Public Works Committee, stated "that a sewer would have been built through this land not been selected as a school site. Seven years ago the city started to cover all the brooks within the settled portions of Newton; the brook through the property where the Warren School is located, would have been eventually covered anyway." Mr. Earle commented that in any other persons than the city going colored folks, resided in the section near North Prospect and Curve streets, the brook running near that neighborhood would have been covered long ago.

Alderman Hodgdon continuing in his role as the champion of the South Side, asserted "that all the brooks which have been covered, are those on the North Side of the city; all the schools built in recent years are on the North Side of the city." He read the names of the members of the Joint Committee on School Construction to show that all, with the exception of Joseph Lockett, reside on the North Side, and that the committee is thus prejudiced in favor of that section.

Alderman Earle called Mr. Hodgdon's attention to the fact that the last drainage work in the city had been done in his neighborhood, and at his suggestion. He also asserted "that from 80% to 85% of all the drains built in Newton have been built in Wards 5 and 6, the so-called South Side."

Alderman Fitts protested against any assertions or innuendoes "that the Joint Committee has been actuated by selfishness. There has been congestion in schools in all parts of the city, but the new schools have been built in those sections where the congestion was the worst. The purpose of the Joint Committee has been and is honest." Alderman Pratt of Newton Centre stated, "As chairman of the Committee on Education, I have attended many of the meetings of the School Committee and the Joint Committee. I am fully as anxious as the gentlemen who have spoken here (Hodgdon and Hodgdon) that the new junior high school built at the South Side, but I am in accord with the report of the Joint Committee."

Chairman Collins of the Finance Committee explained that the financial program for the next three years calls for the expenditure of \$500,000 yearly on new schools, and that it is very fortunate that the new junior high at Clark and Centre streets will not be necessary until 1929. He alluded to the fact that the Levi Warren junior high will cost \$750,000, or \$1000 for each of the 750 pupils it will accommodate.

Replying to Alderman Collins, Alderman Heathcote levied from the schools, and said, "I notice that after the lovely comfort station at the Cabot Park Playground at Newtonville had been built, and Bullough's Park drained, the financial condition of the

city must receive consideration." Apparently Mr. Heathcote was "getting back" at Alderman Collins, who represents the Newtonville district, but the Ward 4 alderman missed the target when he took a shot at the "lovely comfort station erected at Cabot Park." This much needed improvement on the Cabot Park Playground is not used as much by Newtonville residents as it is by the young athletes from the Nonantum district and from Newton Corner. Incidentally Cabot Park is in Ward 1. Alderman Collins replied, "The people will always get relief where the congestion is greatest; sectional differences are not considered."

TWO DELIVERIES DAILY

Newton Highlands

—Mrs. Hiltz of Columbus street is quite ill.
—Mr. Wright of Harrison street has returned home from the Newton Hospital.

—Mr. and Mrs. Raymond Taffe have moved from Albemarle road to Wiltshire road.
—The Methodist Church Ladies' Aid meeting was held Monday evening in the church vestry.

—Health Day will be observed at the Hyde School on Tuesday next. A Health Play is to be given by pupils in the school.

—Miss Helen B. Elwell of Howard Seminary, late of Newton High, pitched in a recent game between two picked teams of the school, getting a couple of strike outs and an assist.

—A special Mothers' Day service will be held at the Methodist Church next Sunday evening. There will be special music, dramatized Scripture and a sermon, "Why Mothers Grow Gray."

—Thursday evening and this Friday evening at the Congregational Church the annual play given by the Young People's League was presented. The play is "The Whole Town's Talking," and was coached by Miss Elizabeth Wetherbee.

—Florence Chapple and Gardner Reynolds were the leaders of the Young People's meeting at the Congregational Church last Sunday, the subject being, "Ourselves or the Other Fellow." A social hour followed the meeting.

—The recent death at Orono, Me., of Mrs. A. P. Sweetser of Rock Lodge road was a great surprise and shock to many friends here. She was visiting her son, Prof. Sweetser of the Maine State College at the time of her death. The burial was in Saugus, Mass.

—The Newton Welfare Bureau needs your help. Many little children must be provided with clothing, food, care in illness. The Spring weather is beautiful. Why not take a walk under the fresh green trees, and send us the price of those theatre tickets which you intended to buy!

—Mr. and Mrs. Francis H. Franklin of Richardson street gave a family dinner party Wednesday evening in honor of the eightieth birthday of Mrs. Franklin's uncle, Rev. G. E. Howard of Church road. Among the guests present were two nieces and two grand nieces of Mr. Howard, also his sister, Mrs. Caroline F. Bartlett, whose eightieth birthday will be celebrated on Sunday next.

—Mayor Ralph S. Bauer of Lynn will be the speaker next Monday night at the social meeting of the Newton Churchmen's Union held in the Immanuel Baptist Church.

—Dr. Hyman Shrier of 229 Chapel street, who has recently completed his internship at the Troy City Hospital, Troy, N. Y., has been appointed Surgical House Officer at the Carney Hospital, South Boston.

—Notice in another column list of contributors, by villages, to the Newton Welfare Bureau maintenance fund. Can you help yourself, or influence your friends to bring the amount of your own village up to its quota?

—Visit the Anderson Hair Shop at 171 Charlesbank road, and get the latest ideas on doing up the bob. All kinds of artificial hair work in stock and made to order. We will also make up your own cut hair. Phone for appointment for the best shampoo you ever had. Newton North 1958-M.

—Emma Downing Coolidge, State historian of the Daughters of the Revolution, was an honored guest of Third Plantation Chapter, D. R., of Lynn on Wednesday afternoon, and gave their program, including presentation of matters of interest to the Society, and then the reading of her poem, "Our Torch," written in honor of the Daughters of the Revolution.

PRESENT OPERA

The auditorium at the high school of the parish of "Our Lady" at Newton, was crowded the last two nights with very appreciative audiences who enjoyed the excellent presentation of Victor Herbert's opera "Eileen." The performances reflected much credit on Miss Theresa McCarthy, the coach, and on the girls and boys who participated.

The cast included John Murphy, Charles Clarke, Charles Mackin, Joseph Farragher, Raymond Sullivan, Charles Gallagher, Anthony DeSimone, James Donovan, John Cavanaugh, Agnes MacDonald, Margaret Tierney, Margaret Earls, Gertrude Romkey, Helen Higgins, Paul Kinchla, Leo Farragher, John Byrnes.

JOINT RECITAL

The violin pupils of Mary L. Pucclarelli and the piano pupils of Theresa M. Caruso gave a joint recital Monday evening in the Bonnar-Atwood Studio at Newtonville. A program of twenty-four numbers afforded the children opportunity to display their skill and produced favorable comment from the large audience. Both young ladies who trained the little musicians, are well known in Newton's musical circles.

ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

It is with satisfaction that I have learned that politics is a disease. I think a more accurate description would be the old-fashioned word "affliction." Still that is hardly what was meant by the Newton citizen who is reported to have said that he might possibly experience an attack of "political measles." Of course, measles is an affliction, but it is only the individual who suffers, while everybody suffers from politics.

Inasmuch as measles is not as serious a disease as some others, I wonder if the man who looks forward to a possible attack means that he isn't likely to be very hard hit. Yet one can have measles and "have them bad" and maybe he will if he contracts "political measles."

Now I have never heard politics and measles connected. I do remember an incident that occurred in the State House. Two politicians were talking. One said, "How about your plans for next year, are you going to run again?"

"No," came the reply, "I'm all through with politics. I've been in the game too many years."

"You can't quit now," said the other, "and you'll never quit for that matter. Politics is a bug, once it bites you you'll never get over it."

Now I am inclined to look upon politics as a disease. Some people, events prove, are incurable. The worst of it is they don't appear to desire any cure, but prefer to remain in a political coma forever. This "sleeping sickness" form of politics strikes me as the worst with which the voters are forced to contend. The patient needs constant attention and although he receives it he doesn't seem to get any better.

If politics is a disease why should the taxpayers be called upon to support a sanatorium? Cannot some preventive measures be devised by which the spread of the disease may be checked? Suppose some virus is discovered that will destroy the germs! Wouldn't that be a blessing for the people? When a man showed symptoms of wanting to run for office he could be seized by his friends and inoculated. Then he and they would be saved a lot of trouble and the people would have one less candidate to consider.

Newton, in "those rare old, fair old golden days which have gone beyond recall" possessed a number of residents who owned smart driving rigs—equipages, I might say, that never appeared on the streets without exciting the admiration of citizens. Maybe these very rigs were more ornamental than actually necessary, but surely they were useful both as conveyances and "to make folks sit up and take notice."

The other day, with Mr. Joseph J. Murray of P. A. Murray & Co., I viewed in the cellar of the building now in the process of demolition, what was known as a park phaeton. It didn't need "Joe's" reminder to make me appreciate that here was the relic of carriage that in its day must have been "some class." I could see for myself this park phaeton drawn by a spanking pair of horses, the owner and his wife on the front seat and the liveried coachman occupying the middle seat behind.

I pictured such a vehicle passing through Centre street, the ornaments on the harness polished to the nth degree, the horses groomed till their coats shone and their manes looked like the tresses of a fairy princess. I could see the driver holding a long whip, with a longer lash, gently waving and cracking it now and then, not to intimidate the horses, but "for the looks of things." In my mind I also could see the people on the sidewalks, all of them gazing at the fine examples of horsemanship and the general "set-up" of the carriage and its occupants.

"Just the thing in which to attend

the Country Club races, Joe," I ventured.

"Right," said he. "It was built in 1897 and cost \$1300. The iron work is all hand-wrought." He thereupon pointed out other interesting points and added, "I haven't any room for it, but I'm not going to destroy it. I shall store it for it represents the best of its day and those old times should not be forgotten."

I can see things to admire in the latest and costliest type of automobile, but I don't believe people who like to see horses drawing a smart rig would look twice at an imposing motor if this same park phaeton, as it used to be, appeared on the road.

Several requests have come to me that I give space in this column to doors other than at the Newton Corner postoffice which the public use and which they find difficult in opening. I wish that I might be permitted the use of this space for such a worthy object, but I feel that there are other subjects more vital which demand attention and which are entitled to first consideration.

I will go as far as to say that the whole matter may be taken up again next Fall. I have no reason to hope that any change will be made in the postoffice door until that time and I doubt if any will be inaugurated then. It is almost too much to ask of a landlord who has the U. S. Government for a tenant. As I understand it there is a long lease in this case and in the case of every postoffice so that the tenant can't expect much, but if he does he is practically certain to be greatly disappointed.

Furthermore, the screen-door season is coming on. I think this is an opportune time to point out that screen doors are as essential as the other kind and should be treated with the same careful attention. It is up to the owner whether he wishes his screen-door to remain with one or two holes in it throughout the summer. If he is friendly to the flies this is his business, although I must say it is carrying a bit too far the purposes of the injunction "be kind to animals."

No, it doesn't make any difference to me, if I do not live where a broken screen-door is in operation, whether or not it "lets in" the flies. What I protest against is the habit some people of slamming a screen-door. It is a commonly accepted notion that a screen-door should have a tight spring. That is a good idea for it keeps the householder or storekeeper one jump ahead of the "winged pests."

But there is no reason why, when you are sitting comfortably on the piazza on a hot Summer day, stealing "forty winks" perhaps or at least drowsily comfortable, that somebody should bang the screen-door across the way and give you a nervous shock. I am against screen-door bangers of all ages, regardless of their personal beauty, charm, or high position and I don't believe they should be permitted to spoil the Summer for other people.

Those who are disposed to say that Newton is "slow" should have seen City Solicitor "Joe" Bartlett in action at the State House in the very closing days of the sessions. "Joe," assisted by the Newton members of the House, accomplished something almost unprecedented. He managed to do that for which some attorneys acting in a private capacity would have demanded a fee equivalent to the annual salary of Newton City Solicitor.

"Joe" appeared the first of the week with a bill to permit the city to take part of the Newton Lower Falls playground for school purposes. It was imperative that it should be acted upon at the present session of the Legislature; otherwise Newton could not go ahead and build the new school building.

I don't know whose fault it was that this request for State legislation was allowed to hang fire so long, but as I have often said there was a way at City Hall of taking their own sweet time. At any rate it was the time about everything, important and City Solicitor's job to get the bill admitted, passed and signed by the Governor. Even if "Joe" did it was too much to ask of any man.

Under ordinary circumstances the proposition would be a simple one, but not the last week of the session. Before Mr. Bartlett had reached the State House word had gone forth from the presiding officers of the two branches that "nothing more is to be let in." Prorogation was in sight—in fact only a day or two off—and new matters were sure to throw a monkey wrench into the gearing.

But "Joe" Bartlett knows his stuff and having lined-up the Newton members he proceeded, with their aid, to persuade the Speaker of the House, the President of the Senate and last, but not least the Governor himself, that Newton must have the bill. It was a record job for time and not many City Solicitors would have been so successful.

By the way, Boston tried at the same time to get through a Boston Elevated bill and although it had the backing of the Mayor himself and high-salaried counsel, the measure was not passed.

A South Side contemporary prints the letter of a correspondent in which it is pretty plainly shown that the Boston & Albany is economizing to the unhappiness of its patrons. I didn't know myself until I read the letter that the railroad stations were closed the greater part of Sunday.

This to my mind is not as it should be. We have never heard that the Boston & Albany was losing money and as a matter of fact the contrary has been stated as a matter of public record.

Without going into the details of the changes of policy on the part of the road I would make a suggestion to Newton people. If the city is faulty let some action be taken. The way to get things from a railroad is to insist upon having them and the place to emphasize such insistence is before the Massachusetts Public Utilities Commission.

The service on the Boston & Albany is of quite as much importance to Newton people as filling station locations, garage permits, and the score

or more local matters that occupy the attention of the city fathers. Get away from the small town point of view once in a while.

If other cities send delegations to the Public Utilities Commission to correct impaired service and if those cities, through their Mayor and other officials obtain what they are after, why doesn't Newton do the same? It is all very lovely to be nice and gentlemanly but that does not get a municipality half as much from a public utility as a little rough treatment.

IN NEW BUILDING

While many business men are complaining about conditions, one Newton business man displays proof of increased prosperity. This week Newton T. Turner moved his business, the Newton Auto Sales Company into its very attractive new quarters, the recently completed building at 320-322 Washington street, Newton. This move was rendered necessary by the constantly increasing business transacted by Mr. Turner.

This gentleman, who is one of the most successful automobile dealers in Greater Boston, arrived in Newton about twenty years ago, and for some years was employed in local markets. He then started in the market business himself, coming to a store in the Taylor Building. Subsequently he sold his market and established the Newton Auto Sales six years ago in the building on Elmwood street formerly occupied by the Howard B. Coffin grocery store. The Newton Auto Sales dealt in used cars. Such progress did Mr. Turner make in his new field that he required larger quarters, so one year ago he purchased the Oliver Building at 314 Washington street and remodelled the entire first floor as an automobile showroom. At this time he also accepted the Newton agency for Packard cars. Since moving to this new location the business of the Newton Auto Sales grew with even greater rapidity and Mr. Turner purchased the Briggs property at 320-322 Washington street. He had the old buildings on the site torn down, and erected an attractive automobile sales and service building covering an area of 6000 square feet.

Mr. Turner opened his new salesrooms on Monday and received numerous floral tributes from his many friends. His first customer in his new building was Albert H. Waltt of Ellison road, a former well known Newton business man. Mr. Waltt gave the new salesrooms an acceptable start. He purchased two Packard cars.

SMULLEN—O'HALLORAN

The wedding of Miss Vera Grace O'Halloran, the daughter of Mr. and Mrs. Edward Paul O'Halloran of Central avenue, Newtonville, and Mr. Arthur Leo Smullen of Cincinnati, Ohio, took place Saturday morning at the Church of Our Lady in Newton where the ceremony was performed at nine

o'clock by Rev. Fr. Walter Roche. A feature of the mass was the singing of Miss Irene Cain and Mr. D. Walter Keene.

The bride wore an imported model of ivory satin and chantly lace and her sister-in-law, Mrs. William T. O'Halloran, as matron of honor was in gold lace over orchid with hat to match. The bridesmaids, all sisters of the bride, the Misses Katharine, Elizabeth, Frances, Eleanor Gertrude and Mary Rita O'Halloran were in rainbow shades of taffeta with picture hats to match.

Mr. Joseph Supple of Roslindale was the best man and the ushers were Dr. William T. O'Halloran, brother of the bride, Mr. Charles Austin Smullen, of Cleveland, O., brother of the groom, Mr. William Devlin of Allston and Mr. Edward B. O'Halloran of Newtonville. A reception followed the ceremony at the O'Halloran home.

Mr. and Mrs. Smullen will reside in Cleveland, Ohio.

INTERESTING EXHIBIT

The grounds of the Albemarle Golf Club at Crafts street and Albemarle road, looked like a small edition of a country fair last Monday at the exhibition of golf course equipment under the auspices of the Service Department of the New England Golf Association.

The grounds were busy with people and active with moving machines. Bright flags cracked in the wind about the tables on which exhibitors displayed some of their wares. Tanned men looked with interest at the various devices displayed and grouped interestedly about the demonstrations.

All kinds of machines peculiar to the needs of golf courses and parks were on display. The putter of gasoline motors imprisoned in tractors and mowers and other contraptions sounded through the day. There were compost machines and worm eradicators, hand mowers and power mowers, topdressers and sweepers, sprinklers and garden hose, grass seeds and metal markers. Twelve tractors were numbered in the exhibition. There were tractors from baby size up to more than 1600 pounds. They were there to show their usefulness in a dozen ways, as cutting units, to run small engines, and in other activities that have become part of the work of golf courses.

CHILDREN'S MUSEUM

A motion picture talk entitled "All Aboard for the Sun and Moon" will be given at the Children's Museum of Boston, Jamaica Plain, next Sunday, May 8th, at 3 p. m. by Miss Winifred Van Hosen of the Museum Staff. In the talk an imaginary trip to the moon will be taken in a giant rocket. Typical moon scenery will be seen at close range, and the meaning of "Gravitation" will be explained—as well as what happens in an eclipse of the sun. Admission is free.

BOY SCOUTS

Plant 2,500 Trees at the Ohio

"The Ohio," so called in memory of the pioneer days of this country, located in Dover and covering an area of thirty-two acres, was the scene of great activity on Saturday, April 30th. Commonly called "Arbor Day," Camp Director George H. Crosbie named it "Conservation Day" for the Norumbega Council of the Boy Scouts, saying that not only should trees be planted, but those already growing should be cared for, too.

This camp ground of the Scouts of the city of Newton already has eight cabins on it, each having been built in part or whole, by the Troop which occupies it.

As a result of Conservation Day, with a reasonable number of the seedlings coming to maturity, The Ohio in the years to come should be well covered with pine and evergreen growth. The Commonwealth of Massachusetts supplied The Boston Council, whose Camp Storow adjoins the Ohio, and the Newton Scouts with nearly 20,000 seedlings of pine, spruce and the like.

At about 9:30 Saturday morning, Scouts were beginning to arrive in numbers with their leaders at the Ohio. Some had been camping there over Friday night, so were early ready to start work. Shortly after this hour, Camp Director Crosbie gave a demonstration of how the seedlings should be planted and then Scouts, officers and parents set off with pails and buckets filled with the seedlings. During the morning hours (a fall of the warm sun, first a hole with a spade, then a little water, next the seedling carefully placed and set with a stamp of the foot and finally a stake to guard the young hopeful against the violence of careless feet.

Some Troops did not arrive until noon or early afternoon but all, except those whose cabins demanded immediate attention, did their share in placing the seedlings. As they walked about, some of the older Scouts called attention to the growth of seedlings which had been placed during the last two or three years.

During the noon-hour, the smoke from a dozen or more camp and cooking fires, or from the stove-pipes of those troops who did their cooking in doors, curled lazily upwards, while Scouts and Leaders broiled steak, bacon and other meats, cooked light flap jacks and the many odds and ends that make up the most appetizing meal in the world, cooked in the open. After dinner, many resumed their tree-planting, while those who had done their duty played games or walked about the wooded country with parents and visitors.

The Ohio has been menaced by fire this year and was last month only saved by the good work of Norumbega Scouts under Camp Director Crosbie and Council Officers, with the aid of the Boston Scouts of Camp Storow. Edwin S. Drowne, chairman of the Camp Committee of Norumbega Council, has issued a vigorous denial to the stories in Boston newspapers to the effect that the Ohio was burned over. He says that plans are rapidly being matured to have the Ohio camp in equipped with standard fire-fighting apparatus and the cut a wide fire-lane around the border of the Ohio.

During the entire day of April 30th and to Sunday evening, May 1st, the Sea Scouts of this Council stood fire-watch, a work for which they deserve much credit. Under the direction of Portmaster Brown, they stood watch and watch in the high signal tower by the cabin of Troop 14, from which the entire country-side to the west, south and east can be seen.

About six o'clock they sighted smoke off towards Scotland, to the west and all, except the watch, started off, taking as many Boy Scouts as they could gather on the way. It later developed that Camp Director Crosbie had spotted that same fire on his way home and that his Troop 5, and 5 from Dorchester, had fought the fire, getting it under control by the time the Needham firemen arrived with apparatus and chemicals.

Sunday night Portmaster Brown reported to Mr. Crosbie that they had concluded their watch and that all was well. Commissioner Woodbridge inspected the Sea Scouts and camp on Sunday evening. Late on Saturday morning, Honorary Commissioner James C. Irwin arrived at the Ohio, and immediately began his observation of the day by setting out 75 seedlings. He stayed until afternoon, taking the new Scout Executive around, showing him the Camp and introducing him to officers and Scouts. Mr. Irwin was instrumental in having the Council purchase the Ohio and continues a most active interest in it as he is much in sympathy with the outdoor program of Scouting.

The following troops took part in the observance of Conservation Day: Troop 1, under the leadership of Commissioner Kenneth, had 24 Scouts who set out 400 seedlings.

Troop 2, Scout Master Hilliard, with 8 Scouts, set out about 100 trees.

Troop 4, Scout Master Frank Lichenthaler and 12 Scouts, set out 500 trees. Troop 4 is locating a new cabin in the Ohio, as their present one is on Boston territory. It was completely surrounded by fire last month, and even the woodpile was burned.

Troop 5, Assistant Scout Master George Crosbie, with 20 Scouts set out 400 trees. These Scouts also passed many tests.

Troop 7, under ASM Ed. Stearns, had 13 Scouts there and set out about 200 trees.

Troop 9, under Scout Master Foster, had about 6 Scouts there, but worked on their cabin, which is in process of completion.

Troop 11, under Acting SM MacEuen, with 15 Scouts, planted 300 trees.

Troop 13—Sea Scout Ship—6 men under Portmaster Brown stood fire watch and handled fire patrol.

Troop 18, under Committeemen Pickersgill and Dalrymple, had 8 Scouts and set out 200 trees, as well as nearly completing their lean-to.

Troop 19, under ASM Greeley, with 15 Scouts, set out 200 trees.

Troop 10, under ASMs Root and Rhodes, had 7 Scouts, who devoted all their energies to fixing up the cabin and giving it an initial coat of

green paint, to make it harmonize with the woodland.

The total figures are: 11 Troops, about 35 officers and Troop Committeemen, about 150 Scouts. Nearly 2,500 seedlings were planted.

President William T. Halliday was much pleased with the showing made and the work done and offers his congratulations to the Scouts and Officers who made the day such a success.

Flood Relief

On Thursday, afternoon, April 28th, 12 Scouts from Troop 4, Frank Lichenthaler, Scout Master, reported to Council Headquarters to distribute 200 posters asking for subscriptions to the Newton Flood Relief Fund. Transportation was provided by the Red Cross.

MacNider Meeting

Hanford MacNider, Assistant Secretary of War, spoke last Saturday evening at the High School, Troop 13, the Sea Scout Ship of the Council provided twelve Sea Scouts in full uniform, under Port Master Brown, to act as ushers.

Flag-Way

The Newton Post of the Legion has made possible, with the co-operation of the merchants a flag-way. In order to have a 100% showing of flags on the Way every holiday, the Boy Scouts are providing the means of getting the flags out in front of every store which has requested service. This means Troops assigned to duty must place the flags every holiday morning and take them in that night. The Fire Department is allowing flags to be kept in stations.

SEA SCOUT SPRAY

On the evening of April 24th, a regular meeting of the Sea Scout Court of Honor of the Norumbega Council was held at the Headquarters of Ship 13 on Watertown street. This is the Examining Board before which all Sea Scouts who wish to be advanced in rating must appear. Several of them appeared on that evening and passed a number of the tests required to advance them from Apprentice to Ordinary ratings, or ranks.

Ordinary Sea Scout is the second rating for which a Sea Scout works. It corresponds, in a general way, to the Second Class rank in the Boy Scouts, except that there are 26 requirements, from a three months' service requirement through signalling, first aid to practical seamanship.

The sailing dories of Ship 13 have been launched in the Charles River Basin on Saturday and will be rigged and put into commission soon. These craft, with the Portmaster's ABC ship, will make quite a fleet for the Norumbega Sea Scouts. Sea Scouts who pass advanced requirements in swimming and caring for themselves in and on the water will be allowed to use the dories upon receipt of a chit permit from the Portmaster, countersigned by the Squadron Pilot.

The Squadron Pilot, L. A. Bruce, Jr., and Scout Commissioner J. M. Woodbridge, Jr., will make a formal inspection of the crew and headquarters of Ship 13 on Friday evening, May 6th. As the Squadron Pilot has been an officer in the Naval Aviation Corps, the Ship is anticipating a regular Navy going-over.

MR. COLE DEAD

Alfred Winslow Cole, one of the oldest and best known veterans of the Boston millinery trade, died Friday at the age of 86. He was a direct descendant of Richard Warren of the Pilgrim colony at Plymouth. He had recently made his home with his son, Alfred Q. Cole of 118 Glenville avenue, Allston, but had previously lived in Newtonville for more than 48 years.

Mr. Cole was born in Plymouth, May 24, 1841. He was the son of Samuel and Hannah (Burgess) Cole. He came to Boston at the age of 16, finding employment then with a millinery firm. In 1871 he became a partner in the business of Davis, Roundy & Cole, with a store and showrooms on Washington street near the present building of the Boston Transcript. In later years, Mr. Cole associated himself with several other firms, remaining for 27 years with G. R. Fisk & Co. He afterwards connected with Higgins, Gardner & Co. and the Higgins Hat Company.

Mr. Cole was a deacon and prominent member of the Central Church, Newtonville; a life member of Dalhousie lodge of Masons, and a member of Gen. Hull lodge, A. O. U. W.

RED CROSS BENEFIT

The Odd Fellows Lodges in this city have arranged for a benefit performance to be held in the Odd Fellows building, Southgate park, West Newton, on May 24th, all the proceeds of the entertainment to be donated towards the quota assigned to Newton by the Red Cross for the flood sufferers.

An orchestra of 7 pieces has already offered their services and the officers in charge will welcome any other artists who would like to do their bit for this worthy cause.

Mr. Fred E. Perkins, 374 Centre street, Newton, is in charge of this part of the program.

CITY OF NEWTON

STREET DEPARTMENT

Clean-up Week for the City, May 9th to 14th, 1927, Inc.

His Honor, Edwin O. Childs, Mayor, has designated the above week for the City to remove stones, gravel, loam, waste building material, furniture, junk or other waste material, trimming of lawns, trees or vines, put into barrels or other receptacles on the regular day assigned each ward for the collection of ashes, as follows:—

Ward 1, Saturday, May 14th.
" 2, Friday, " 13th.
" 3, Monday, " 9th.
" 4, Monday, " 9th.
" 5, Tuesday, " 10th.
" 6, Wednesday, " 11th.
" 7, Thursday, " 12th.

Please CO-OPERATE with the CITY in this IMPORTANT WORK.

GEORGE E. STUART,

Street Commissioner.

NEWTON LAGGING IN STREET CONSTRUCTION

Newton prides itself in being the finest residential community in Massachusetts. It points to its beautiful residences, attractive estates, superior schools, magnificent churches and excellent streets. But, Newton does not crow so much about its streets today, as it did of yore. Undoubtedly the streets of this city, on the whole, are far superior to streets in other cities; but the proud boast which Newtonians could make years ago, "We have the best streets in this State," can no longer be made.

Prior to the automobile era, Newton had "sandpapered" streets. The macadam highways of this city, were, for the most part, kept in the pink of condition. Not only were they kept in excellent repair, but they were divided into sections, and each section was in charge of a street cleaner who patrolled his district, keeping the streets on it free from litter. For several years after automobiles became common, Newton kept in the van in the early attempts to combat the destruction wrought upon macadamized streets by motor-car traffic. It spent many thousands of dollars in buying Tarvia A, Tarvia B and heavy oils to bind the macadam, and to cover the streets with protecting surfaces. In fact so much tarvia was poured over the streets, that they became too sticky every summer, so in recent years this method has been less used.

This fact was referred to by Alderman Heathcote when the recent budget was being considered. He stated "that because the streets have not been 'painted' the last few years, they are in the worst condition in years." Mr. Heathcote, unconsciously, disposed of the reason for Newton's streets losing their prestige, when he advocated the renewal of the "painting" process on them. Newton, in the past, has spent too much money in "painting" its streets, and with one exception, no money in constructing modern streets, adapted to automobile traffic. A few years ago, a short stretch of Washington street, in the business section at West Newton, was covered with a concrete surface. This is the only bit of permanent roadway Newton has built. In contrast, neighboring cities and towns are spending large sums each year in the construction of modern, cement highways.

Watertown is an example. Watertown is regarded by many residents of Newton as being a much less progressive community than is Newton. Certainly it is a much less wealthy community. But Watertown is several strides ahead of Newton in its street building program, as well as in other municipal improvements. While recent city governments of Newton refused to remedy traffic congestion at Nonantum Square by seizing properties there to permit the widening of the square, Watertown, with much smaller resources, bought valuable parcels of real estate, and created an open square which has permitted the solving of the traffic problems which existed in its business centre, and which redounds creditably to the foresight of our neighbor to the North.

During the past year, Watertown has paved the streets in this section with granite blocks, covered with a cement surface. It has surfaced parts of Pleasant and Common streets with cement. It intends to build more cement streets this coming year. In fact, Watertown has a definite program of modern street construction. Brookline, Arlington, many other nearby places, are all building permanent cement streets. Practically all cities of any size in Massachusetts are constructing modern highways. But not Newton. This "model" city, which keeps in the van as regards schools, seems content to drift behind as regards streets. It has been shuffling along on a makeshift policy, trying to adapt obsolete macadam highways to automobile traffic by coating the streets with tarvia. The results have been far from satisfactory. Many of our streets have become as ripply as a washboard, heavy trucks forcing the tarred surface into ridges during the hot months. During the winter months the chains on trucks gouge thousands of holes in the street surfaces. Large sums of money have been spent annually in repairing this damage. Patched streets are not smooth streets.

Street Commissioner Stuart is not to blame for the lack of modern streets in Newton. Were it not for his unusual ability, our streets would be in far worse condition than what they are. He has accomplished wonders with the means at his disposal. The year Commissioner Stuart and the Public Works Committee of the Aldermen, agreed that \$150,000 should be spent on street resurfacing. Later the Street Commissioner reduced this figure to \$100,000. Mayor Childs cut this recommendation down to \$75,000. The aldermen cannot appropriate more than the Mayor recommends, so only \$75,000 was appropriated for resurfacing Newton's streets this year. No provision was made for any cement streets. For maintaining our streets, \$165,000 was recommended by Commissioner Stuart. Mayor Childs cut this amount to \$145,000. A large part of the cost of maintaining our streets is spent in "patching" the holes in the old-fashioned macadamized highways. If cement streets were built in this city, much of this expense would be unnecessary.

Mayor Childs resembles President Coolidge in several respects. One of them is—that neither of these two gentlemen drive an automobile. Several years ago the Mayor was lucky enough to win an automobile at the Elks Carnival in Waltham. But so little desire has he to operate a motor-car, that even after winning one, he did not keep it, or even learn to operate it. Possibly if he had done so, Newton might have had some modern highways by now. The mayor is a regular passenger in the Bemis bus. He hires taxis almost daily. But if he owned and operated one of the smaller type automobiles, he would have realized long ago "that Newton has been lagging in the matter of modern highway construction."

Instead of spending large sums each year in ineffective patching of macadam streets, Newton should do what practically all cities and towns of any size have been doing; build cement surfaced highways. It would not be necessary for Newton to cement the entire width of its streets. Roadways 22 feet wide would suffice. The remainder of the width could be cov-

ROTARY CLUB

The weekly luncheon of the Newton Rotary Club held Monday noon at the Woodland golf club proved one of the most interesting meetings the club has held. In the first place, a new president, Dr. Cecil W. Clark assumed office and made a note worthy address on taking the chair. The retiring president Duncan Wright was presented with a handsome past president's jewel and an unknown donor provided handsome Rotary badges for the other officers, Rev. Arthur M. Ellis, vice president; Benjamin G. Rae, secretary; James A. Senior, treasurer; Irving C. Paul, Frank J. Perry, Walter L. McCammon and George J. Martin, directors, and Russell Potter, sergeant at arms.

DR. CECIL W. CLARK
President Newton Rotary Club
(Photo by Bachrach)

Interesting reports were received from the Attendance committee, W. Mark Noble, the Publicity committee, Frank J. Perry and the Business Methods committee, G. Wilbur Thompson, the last report being in a serio-humorous style, and creating considerable amusement.

The directors were authorized to take appropriate action on the matter of a representative to the Newton Central Council and to consider the matter of a contribution to the Flood fund.

LOGGES

Newton Lodge No. 1327, B. P. O. Elks, held its first regular meeting under the direction of its new exalted ruler, Robert A. Vachon on Thursday, April 29th. During the evening William White, who is a member of Peekskill, N. Y. Lodge and a frequent visitor to Newton Lodge, volunteered his services and use of the Norumbega Theatre, where he has been manager for some time, to the lodge where the Entertainment and Social Community Welfare Committees are planning on staging an afternoon and evening performance in the near future in order to raise money for the Charity and Social Community Welfare Fund.

Frank L. Simpson, Grand Master of Masons, will be the guest of Dalhousie lodge next Wednesday evening.

The 16th anniversary of Odd Fellowship will be observed by Newton Lodge with a supper, entertainment and dancing in Odd Fellows hall, West Newton, next Friday evening.

Next Monday evening Sumner P. Lawrence Rebekah Lodge, will have a pie social.

BOWDOIN SQ. THEATRE

The big feature for the week beginning Monday will be Marion Davies in "The Red Mill." In the cast will be found such favorites as Owen Moore, Louise Fazenda, and Karl Dane. Another picture of merit will be the William Fox offering, "Stage Madnes" with Virginia Valli and Lou Tellegen in the outstanding roles. The Our Gang Comedy will be "Seeing the World" and the Pathe News and five vaudeville specialties will please in good measure. Bargain night comes Friday. Concert Sunday at 3. The free parking service for suburbanites has made the Bowdoin Sq. theatre genuinely popular with suburbanites.

POLICE NEWS

Charles A. Batchelder of Framingham was arrested at 3 o'clock last Friday morning by Sergeant Mahoney and Patrolman Conlon at Newton Centre, charged with driving while under the influence of liquor. In addition, he was charged with driving without having any registration or license papers in his possession. He will be tried on May 9.

Harold Scholl of Morse road, Newtonville, was fined \$50 in court last Friday for setting a fire in the open without a permit. Officer Dowling learned that a recent forest fire near Cabot Woods resulted from a grass fire started by Scholl.

Joseph Romard of West street, Pasquale Lupo and Antonio Lupo, Pasquale's son, were each fined \$20 in court last Friday for creating a disturbance on the preceding Sunday. Romard lives in a house owned by Lupo and on the day of the rumpus the latter endeavored to obtain admission so that he could inspect the water meter. Romard refused to admit him, and a very hot argument resulted. Each of the trio was also charged with drunkenness. On this count Romard was fined \$20; Pasquale Lupo's case was placed on file, and Antonio Lupo's case was also placed on file.

Robert M. Kellaway of Wyman street, Waban, and Edwin E. Jones of Beacon street, Waban, were in court Saturday charged with unlawful appropriation of an automobile. Each was placed on probation until Sept. 10. The car they took is the property of Harry Twigg of Washington park, a friend of the young men's parents. He was attending a meeting at Masonic Temple, when the Waban youths spotted his car, and alighting from the car in which they were riding, they took, as they claim, for a joke, Twigg's car. The latter came out from the meeting, discovered his car gone, and notified the police. About an hour later Sergeant Mahoney observed the car on Lewis terrace, as the boys were driving it back to Newtonville.

In addition to the foregoing we recommend the immediate employment of an architect to prepare plans and specifications for a tunnel under Elm road to connect the Classical and Administration Buildings. The urgency and importance of this improvement has been fully demonstrated since the opening of the Administration Building.

The report is signed by Maxwell C. Hutchins, Chairman, Elliott B. Church, Roy V. Collins, Harry W. Pitts, Helen S. Hutchinson, Joseph F. Lockett, William M. Noone, Sinclair Weeks.

SARAH HULL CHAPTER, D. R.

The Sarah Hull Chapter, Daughters of the Revolution, will hold its annual Rummage Sale Friday and Saturday, May 20 and 21. Mr. Haynes, of Haynes and Hernandez, has most kindly given the use of his newly-renovated store at 352 Centre street, Newton, to the Chapter for this sale. Goods to be donated will be called for at any time if Mrs. Sidney Porter, or Mrs. Daniel M. Goodridge is notified, or may be delivered at the store Thursday, May 19th.

SCHOOL HOUSE WORK

The report of a special joint committee consisting of four members each from the board of aldermen and the school committee have been studying the school needs of the city and have just made their report.

The report states what has been done in the past few years and that relief has been given the Auburndale, West Newton and Newton districts.

The committee finds that the Waban district has no room for future growth, that the Stearns district has some congestion but no indication of growth, and that the Claffin school has a most serious congestion, is on a two platoon basis in the kindergarten.

In Newton Centre, Newton Highlands and the Upper Falls, the crowded conditions demand immediate attention. The Newton Centre situation can be relieved by the erection of a grade school at Ward street and Waverly avenue for which the land has already been secured. Further relief on the South side of the city can be obtained by the erection of the proposed junior high school on land already purchased at Allerton and Rowena roads.

The committee believes that if this building was erected and ready for use in 1928, there would be 1000 pupils waiting, altogether too many in the opinion of the committee. They therefore recommend two junior high schools, one in the Newton Centre Chestnut hill district and the other in the Highlands-Upper Falls and Waban districts.

The committee reports that the Hamilton school at Lower Falls has been declared unfit for use and favors a new one story building near the Grove street playground.

The Oak Hill school is entirely out

OFFERS HEADSTONE

Mrs. Charles Royce Butler of Auburndale offers to place tablet at Mary Goose grave and sends this letter to Mr. Edward W. McGlennen, Boston's City Registrar, also to Walter Kendall Watkins of the New England Historic Genealogical Society.

Strolling through the Old Granary Burying Ground recently I observed with much surprise that the grave of Mother Goose was inconspicuously marked by a small wooden slab with quite indistinct lettering. It seems to me that a writer whose melodies have delighted millions of children and many grown ups as well is entitled to a much more worthy tablet locating her last resting place. May I be permitted the privilege of furnishing entirely at my own expense an inscribed stone that will mark the spot for many people in coming generations. I would, of course, submit to what ever plans and designs and other details that the authorities would require and conform to every wish of the Boston Park Department and the Art Commission. I am certain that such a monument would be a valued acquisition to this historic cemetery.

(Mrs.) Charles R. Butler.

WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

Editor's Note. All the Annual Meetings are coming in the same few weeks, so that in order not to make this Column the entire edition of the Graphic, and in order, too, that adequate reports of each may be given, rather than a mere cut and dried list of officers printed, it is necessary to carry over some meetings to a later edition than would be usual.

COMING EVENTS

Newton Federation

The Newton Centre Woman's Club is hostess for the Newton Federation for its Annual Meeting and Luncheon on Tuesday, May 10th. Reports, business and election of officers will make up the morning session which opens at the Newton Centre Club House at 10 a. m. Luncheon will be served at 1 o'clock, and in the afternoon—at 2:30—entertainment will be in the hands of the Federation. The Newton Centre Woman's Club, who will repeat their successful and delightful plays given this winter on various occasions—a repetition that proves the success and delight of their presentation.

RECENT EVENTS

Newton Upper Falls Woman's Club

Nature, in all her glory, met the gaze of the Newton Upper Falls Woman's Club as it entered the dining room of Petee Inn, to partake of the annual banquet and to conclude the year's work with election of officers. The Club color predominated. Yellow crepe paper lattice work and festoons with boxes and baskets of forsythia, and Club members in light summer dresses and evening gowns transformed the room into a veritable garden. The table decorations of flowers and silver candlesticks with tall yellow candles, put all into a mood to enjoy the excellent menu, from lobster cocktail to molded ices, coffee, etc.

Miss Madeline Cobb as toast mistress was her usual delightful self and served with most unassuming charm. Toasts, chorus singing and a "broadcast" from station N. U. F. W. C. caused laughter and good cheer.

A regular meeting followed by the annual reports of officers and chairmen was next in order. At the conclusion of the report of the retiring president, Mrs. T. E. Lees, she was presented with a gold Federation pin, appropriately engraved, and a bunch of sweet peas, from the Executive board. Mrs. Harry Cook, vice-president, doing the honors.

The following officers were elected for 1927-1928: president, Mrs. Robert B. McLaughlin; vice-president, Mrs. Harry L. Cook; 2nd vice-president, Miss Madeline Cobb; recording secretary, Mrs. Walter R. Evans; corresponding secretary, Mrs. Thomas L. Aiken; treasurer, Miss Nellie M. Osborne; auditor, Mrs. Robert F. Sawyer; directors for one year: Mrs. William H. Belger, Mrs. Raymond Capobianco, Mrs. Francis A. McDonald; directors for two years: Mrs. Nelson Browne, Mrs. Herbert E. Child; and State Federation secretary, Mrs. T. E. Lees.

As the gavel changed hands from Mrs. Lees to Mrs. McLaughlin each was presented a beautiful bouquet of spring flowers by Mrs. Frank M. Reiman, in the name of the Club.

Announcement was made of the annual dramatics to be held in Emerson

Hall, May 23rd. The plans for the lawn party were left with the capable, Mrs. Noyes Meara.

New committees were appointed and the evening closed with singing of Auld Lang Syne.

Auburndale Review Club

The members of the Auburndale Review Club, together with those on the Waiting List, held their Annual Meeting at the Babson Park Inn, Wellesley. The morning was spent transacting business and reporting on the various Club activities. Preceding the luncheon, which was served at 1:30, came the Roll-Call, at which the members responded with "Jingles" written by two Club poetesses, Miss Florence Bridgman and Mrs. Harold Dougherty—a most enjoyable affair.

During the luncheon hour, all had an opportunity to share in the "Ask me Another" test, and later they adjourned to one of the lounges where a little skit in two acts, entitled "Mr. and Mrs. Blank Re-Discover America" was presented by Mrs. Nathan Denton, Mrs. Frank Howland, Mrs. Dean Hanscom and Mrs. Ernest Drew. This little play was based on the program of the past year "Picturesque America" and each of the forty members had the fun of hearing her name brought in at least once. It was a very clever and amusing concoction written by Mrs. Ernest Drew.

The officers elected for the coming year are president, Mrs. Amos Wells; vice-president, Mrs. Charles Valentine; treasurer, Mrs. George F. Howland; and secretary, Mrs. Dean Hanscom. An important bit of business was the selection of the topic for next year's study program. It was decided to take up "Literature," as shown in "Italian, Spanish and German" writers and epochs. Mrs. Walter Van Patten Steiger was appointed chairman of Program for this topic.

Monday Club of Newton Highlands

The Monday Club of Newton Highlands came together for its Annual Meeting at the home of Mrs. Florence E. Foster, 1058 Walnut street, on Monday, April 25th. After the Luncheon, served by Mrs. Foster and her committee, came the business meeting and election of officers as follows: president, Mrs. Frank A. Campbell, of Newton Centre; vice-president, Mrs. Muri S. Wallace; treasurer, Mrs. Frank Frost; secretary, Mrs. Rowland H. Barnes; and auditor, Mrs. George A. Salmon.

The retiring president, Mrs. J. S. Patton, greeted the new one, handing her the gavel as she spoke with a bit of seriousness, and a bit of friendly grace, and Mrs. Campbell addressed the Club in her earnest, wholesome manner, as she assumed office.

Flowers were presented to the retiring president, Mrs. Patton, by the preceding president, Mrs. William M. Mick of 559 Parker street, Newton Centre.

Following an informal hour of conversation and "story telling," the meeting adjourned, thus completing the year's program.

Newtonville Woman's Club

The Annual Luncheon of the Newtonville Woman's Club was held Tuesday, April 26th, at 12:30 p. m., in the Central Congregational Church. The president, Mrs. Austin H. Decatur, and the members of the board sat at one table, and there was a large attendance of Club members at other tables.

After singing "Old Lang Syne" a delightful musical program was given in charge of Mrs. Kenneth B. Hastings. A trio consisting of Mrs. Kenneth B. Hastings, violinist, her sister, Mrs. Robert Stanley of London, England, Pianist, and Mrs. Mildred Buitkan, Cellist, rendered three selections by Frank Briggs. Mrs. William F. Ferrin sang a delightful group of spring songs.

After the report of the last two meetings was read by the recording secretary, Mrs. Norman Southworth, the following notices were read by the corresponding secretary, Mrs. Charles A. Richardson: The Volunteer Service Committee wishes to receive books for the drive for the Merchant Marine; the Annual Meeting of the City Federation will be held May 10th, the morning session at 10 a. m., the afternoon session at 2:30 p. m. Luncheon tickets may be obtained from Mrs. Horton Allen, 37 Gay street; tickets for the State Federation meeting at Swampscott, May 17th, 18th, and 19th, may be obtained from Mrs. Horton Allen.

The annual reports of the chairmen of the various committees were then read. Mrs. Norman Southworth, recording secretary, reported that there were thirteen regular meetings of the Club, eight regular board meetings, and three special board meetings during the year, in addition to an exhibition of arts and crafts.

Mrs. Charles A. Richardson, corresponding secretary, mentioned that more postage than usual had been used in sending out notices. Mrs. Albert D. Auryansen, treasurer, reported receipts of \$4,499.30, expenditures of \$2,627.35, and among the latter the following gifts: Scholarship Guarantee Fund, \$200; Scholarship, \$200; Newton Hospital, \$100; Hospital Building Fund, \$50; Stearns School Centre, \$100; Welfare Bureau, \$100; District Nursing Association, \$50; Gov. John A. Andrew Home, \$25; Stone Institute for Aged People, \$25; All Newton Music School, \$25; Museum of Fine Arts, \$10; State Federation Endowment Fund, \$10; Fruit and Flower Mission, \$20; Central Council, \$20; Christmas Party for Needy Children, \$161.83; Barnard School, \$25; and Bond of Health Souls, \$10. A total of \$1,351.82.

The Scholarship Guarantee Fund now is \$512.86; the Housing Fund \$1,664.02.

Mrs. Clinton W. Tylee, assistant treasurer, reported 279 guest tickets had been sold for meetings, receipts being \$139.50. Mrs. Harry B. Greene, clerk, reported that calendars and postals for special occasions were sent out this year, in addition to the year

book, and post cards were sent in regard to formation of Classes.

Mrs. James D. Bennett, of the Finance Committee, reported an income of \$2,693.98, and expenditures of \$1,705. The Club property was insured from fire for three years at \$11, and window shades were purchased for darkening the lecture room for \$33, sharing the expense with the church. Mrs. John C. Moench, of the Publicity Committee, reported that advance notices of meetings had been sent to the Boston Transcript, Boston Sunday Herald, Newton Graphic and Newton Progress; reports of the meetings were also sent to the Newton Graphic and Newton Progress. Club notices were posted on the bulletin board. Mrs. Edwin P. Crawe read the report of Mrs. Harold Sherman, chairman of the Nominating Committee.

Mrs. George E. Eames, chairman of American Homes Committee, reported that cards were sent out to offer a Millinery Class and an Italian Cut work Class, tickets were given out for the Priscilla Proving Plant and sale from cook books was \$200. Mrs. William H. Timble, chairman of the Civics Committee, reported that \$81 was obtained from the annual food sale, of which \$25 was given to Miss Sturgis for the Barnard School. Mrs. Alfred M. Ziegler, chairman of the Conservation Committee, reported that a garden class had been formed, with weekly meetings.

Mrs. J. Mace Andrews, chairman of the Education Committee, reported \$100 from the card party for the benefit of the Scholarship Fund and activities of Education Week. Literature Classes were conducted by Mrs. Florence A. Rose, Mrs. George W. Auryansen, and Mrs. J. Walter Allen. Every fourth Wednesday talks for parents were held, the last talk held May 3rd. Mrs. Raymond E. Thornton, chairman of the Flower Committee, reported that the flowers provided for the meetings had been sent afterwards to sick Club members. The committee also trimmed the tree for the Christmas Party for needy children. She greatly regretted the loss of one of the members, Mrs. Howard W. Orr. Mrs. Charles J. Trowbridge of the Hospital Committee said there were 363 garments sent to the Newton Hospital, 100 more than last year. This committee also sewed garments for children for the Christmas Children's Party.

Mrs. Frederick W. Harding of the Hospitality Committee reported that there had been seven teas at Club meetings with an average attendance of 175. The Club president here mentioned she wished to tell this committee that she had been very proud of the teas. Mrs. Fred Blanchard of the Legislative Committee, reported that at the meeting of the Massachusetts State Federation at Hyannis it was voted not to endorse more measures but to study on those already endorsed.

Mrs. Kenneth B. Hastings of the Music Committee, reported that music had been furnished for 10 of the 13 regular meetings, and it had been volunteers with the exception of the Musicales. Mrs. Horace Kidger, reported for the Program Committee and Mrs. J. Mervin Allen for the Social Committee. Mrs. Ellison G. Day reported that the Volunteer Service Committee had sewed weekly at the West Roxbury Hospital for wounded soldiers, had helped at the Christmas Party for Needy Children, and at the Bridge held at the home of the president, Mrs. Austin H. Decatur. Mrs. Samuel Thurber reported that 400 cards were sent out in regard to the formation of Classes.

Mrs. Sidney L. Sholley, of the Dramatics Committee reported that there had been classes in play production, and that two plays had been produced, "Pygmalion and Galatea" and "Erstwhile Susan." Mrs. William F. Ferrin of the Glee Club reported that weekly meetings of the Club had been held. Mrs. Arthur W. Chamberlain reported that at the Christmas Party for Needy Children each child had received a suitable gift.

The following tellers were appointed: Mrs. W. W. Hunt, Mrs. Daniel J. Hunt, Mrs. Edward Cox, Mrs. George Savage, Mrs. Nelson Vanderhoof, Mrs. E. W. Chamberlain, Mrs. Robert Whitehill, and Mrs. Maynard Maxim.

The officers elected were: president, Mrs. Gorham W. Harris; vice-presidents, Mrs. Horton S. Allen, Mrs. Robert E. Bruce, Mrs. Gilbert H. Gleason; recording secretary, Mrs. Norman Southworth; corresponding secretary, Mrs. Harold C. Bond; treasurer, Mrs. Albert D. Auryansen; assistant treasurer, Mrs. Clinton W. Tylee; clerk, Miss Theresa L. Cram; chairman of finance, Mrs. James D. Bennett; chairman of publicity, Miss Louise Jellerson; directors elected for three years: Mrs. William B. Hanna, chairman of Social Committee; Mrs. J. Walter Allen, chairman of Education; Mrs. Arthur H. Alger, chairman of American Homes; Mrs. Marcus K. Bryan, chairman of Hospital Committee; and Nominating Committee: Mrs. Pitt F. Drew (chairman), Mrs. J. Mace Andrews, Mrs. Edgar E. Davidson, Mrs. Donald Elrout, and Mrs. Alex D. Salinger.

Boston Woman's Civics Club

Tables were gay with jonquils, yellow daisies, pink sweet peas, and red roses in the Banquet Room of the Hotel Brunswick last Wednesday to greet the women of Newton who were honored by the Boston Woman's Civics Club. Four from this city were on the ballot of ten names—surely a complimentary proportion!—the new president, who has been the first vice-president for the past few years, Mrs. Samuel L. Eaton; the recording secretary, Mrs. John A. Groves, known already in W. C. T. U. work for efficient progress; Mrs. George M. Hayden, a director, formerly its president, and American Home Chairman for the Newton Federation; and Mrs. Herbert E. Child, auditor, remembered as treasurer of the Newton Federation and president of the Newton Upper Falls Woman's Club. The rest of the ballot elected were: Mrs. L. W. Sargent and Mrs. E. W. Gardner, vice-presidents; Mrs. John G. Easton, corresponding secretary; Miss Grace H. Howes, treasurer; and Mrs. Herbert J. Gurney, and Mrs. Mina G. Del Castillo, directors.

At the head table, guests of Mrs. May Bliss Dickinson Kimball, besides

When the Clock Strikes Six!

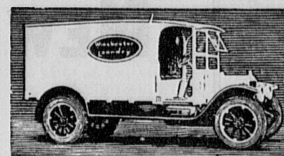

Everything is waiting for the return of the man of the house. The dinner is prepared and ready to serve at the sound of his familiar step.

These are his hours of relaxation, and he will enjoy even the simplest meal more if the table looks its best, and the linen is spic and span. And, too, this will have the effect of inspiring the younger members of the family to better manners.

the officers, were Mrs. William E. Birdsall, of Newton—honored as the first president of this Club—Mrs. Samuel McCall, Mrs. Arthur D. Potter, Grace Morrison Poole, Mrs. A. A. Packard, Mrs. Frederick G. Smith, and Mrs. Herbert Gurney. These were also in the receiving line at the reception before the Luncheon.

Over one hundred were present, and one table composed chiefly of Newton women, with Miss Emma D. Coolidge, as hostess, included Mrs. Sarah J. Coolidge, a special guest of the president, Mrs. Kimball; Mrs. Harry I. Hunt, formerly of Vernon Court, now of Brookline, Mrs. Florence G. Morse, Mrs. W. D. Mick, Mrs. Mary Blake-more, Mrs. Samuel Farnham, Mrs. Jeannette A. Harrington, Mrs. J. E. Peckham, and Mrs. Charles Burr.

Music was furnished by Mrs. Del Castillo, and a trumpeter, Mrs. Cas-

WOMEN'S CLUBS

(Continued from Page 12)

tillo arousing much merriment when she prefaced one of her own compositions, with a story in which her mother asked her why she didn't compose something she could play. Community singing, and a play—"The Bath Room Door"—given by talented actors from the Dorchester Woman's Club were part of the program.

Other high lights: Mrs. Arthur D. Potter, State Federation president, gave a most clever description of an air flight to Mars where she discovered that they knew all about Mothercraft, and May Bliss Dickinson Kimball, and to Geneva, where she was welcomed and permitted the freedom of the Court, because of the friendship of Grace Morrison Poole. Her theme in the bit of fancy indicated that the State Federation would soon stress the need of International Relations. Mrs. A. A. Packard, vice-president of the State Federation, and chairman of these Relations, carried forward this angle, by saying that if we were to become friends with the planets, and find them so informed, we surely must become acquainted with our own plane.

Mrs. Herbert Gurney, beloved war president of the Federation gave a most inspiring message. She told of the many speeches of the past few weeks, and of awakening with the wonder of whether she had one to make today—and discovering, as she looked out upon her wonderful old plum tree, just beginning to get white blossoms, that she had a "dead spot" on her mind. Whereupon the plum tree scolded: "look at me, I'm blossoming. And I've had a great deal more happen to me than you have. I've been struck by lightning, and split to the roots; I've had my arms torn off in an ice storm! I'm old! But go tell those women a message of the beauty of blossoming, and better, the meaning—the fruition of effort! Some day you will be out here looking longingly up at my plums and if you go and say what I tell you I'll drop on your head! How's that 'dead spot'?" "Gone!" replied Mrs. Gurney, and from her message it certainly was—if it ever were there!

The honored guests had to leave on account of a Federation board meeting! So, to the tune of "Tramp, Tramp, Tramp, the Boys Are Marching"—a bright idea of bright president, Mrs. Kimball—the members sped the departing guests.

Emma Downing Coolidge was then requested to give her poem, "Our Torch, written in honor of the Daughters of the Revolution, but stated by Mrs. Kimball to be one that all loyal American women should have as their ideal for service. At its conclusion, Mrs. Des Castillo was so thrilled that she leaped to her feet and asked if "America" could not be sung.

Mrs. Florence Houdlette, of Weston, read a most complimentary poem in tribute of Mrs. Samuel L. Eaton.

Mrs. May Dickinson Kimball then introduced others of her honored guests to the audience, who either spoke a few words, or arose and bowed with a bit of amusing grace. Mrs. Birdsell, Mrs. McCall, Mrs. Sarah J. Coolidge, and Mrs. Dennison, who read a poem.

Mrs. Eaton then sprung a delightful surprise upon Mrs. Kimball, presenting to her for the Club members a purse of gold as a foundation for the fund for Mothercraft which she is to make a permanent Federation and State bit of welfare. As if this were not enough to overwhelm Mrs. Kimball she then asked her to choose between two books, a birthday book, Friendship, in which would be kept the names and dates of birthdays of her friends, or one of Dickens' books. But Mrs. Kimball was not to be confused. She neatly turned the tables by saying that in the past two years she had relied upon Mrs. Eaton's judgment and advice in many difficult matters, so that now she would leave this choice to her! Mrs. Eaton chose the book of Friendship amidst much laughter.

The passing of the gavel from Mrs. Kimball to Mrs. Eaton was accomplished with many bits of brilliant wit and friendship.

Newton Centre Woman's Club

On Tuesday afternoon, April 26th, the Children's Carnival, Mrs. Vincent P. Maloney, chairman, gave the sub-junior, guests of the Newton Centre Woman's Club, a wonderful time. There was "Big Brother" for story telling, Heffernan's orchestra for music, and Mrs. Maloney, herself, for the ice cream and dancing. It was a marvelous combination of good things, and the children stayed until James, the patient janitor, had to set up the seats on the dancing floor to make ready for the evening's audience. Mrs. Maloney gave much previous thought to the Carnival arrangements, demonstrating the truth of Miles Standish's saying—"If you want a thing well done, you must do it yourself." So well did she manage the advertising, that her entrance fees netted her fifty dollars above expenses, the largest amount ever realized by the club's

annual children's carnival. The dancing was not only promised, but owing to Mrs. Maloney's efforts became an accomplished fact, and the Club as well as the children, are grateful for her splendid success.

On Thursday afternoon, following the Carnival, for the Public Health committee, Mrs. Alden D. Wheeler, presented Dr. A. Myerson, of Boston, at the regular monthly Club meeting, when he gave an hour's most valuable address on the subject of "Some Fundamental Qualities of Personality." If Mrs. Wheeler had not been so canny as to engage Dr. Myerson a year ago, and follow up her engagement with later reminders, it would have been impossible to secure him when the date arrived, for Dr. Myerson has too much practical work on his hands to allow him freedom to address Women's Clubs. It is not too much to say, that we were to act upon the information which Dr. Myerson gave, in bringing up our children and adjusting our own relationships, we might be spared many heartaches, and saved many doctor's fees in later years.

On Friday night, the presentation of "The Holy Grail" took place. Mrs. Fred L. Morgan was chairman and the cast of fifty and more was drawn from the club membership.

One of the charter members said at the close of the performance, "It was the most beautiful thing I ever saw in my life."

A fourteen-year-old boy stopped the writer on the street the next day, to say the same thing. We hope he will never lose the vision, and will do better work for having seen it.

(Note: A more complete account of this beautiful Pageant will be given next week, for it deserves—and its actors—a detailed account, but the Column groweth long!)

Newton Community Club

The Annual Meeting of the Newton Community Club was held on Thursday, April 28th, in Underwood School Hall, with Mrs. J. Porter Russell in the chair. With her on the platform, which was charmingly decorated with flowers, were the other officers, and the chairmen of Committees, whose brief and interesting reports of the year's work showed the still flourishing condition of Club affairs and activities.

Mrs. Raymond B. Coppins, corresponding secretary, stated that she believed in brevity, and proved it! She reported membership as 522, and hoped that this number could be increased to 600 in the near future. Now that the Club does not have to be concerned over fire laws, as at its former place of meeting, when the membership came so close to 600 that it had to be temporarily limited to that number, it is even possible that more than this number can be achieved.

The treasurer, Miss Margaret Aubin, reported \$13.50 received this year from the sale of the Cook Books published several years ago, which shows the value of this culinary publication under Mrs. Joseph Mayer's chairmanship, of 1923-1925. She also told the Club it had given away \$89.97 to worthy causes, and the president later called attention to the fact that this sum which is one-fourth of Club finances, is—and has been since the bridge parties were inaugurated in 1923—met by activities, quite apart from taking from the Club fees.

The Choral Class sang for the Club the State Federation Song which was new to all who did not attend the State Annual Meeting last year, although the words written by Rheta Melton—a nom de plume—have appeared in print, and is very beautiful both in words and music. Mrs. Arthur Flinn gave two groups of songs which were much enjoyed.

Mrs. David Black, for the Americanization Committee, gave a clever rhyme about our guests, and the new mothers' meetings. Mrs. LeRoy P. Cullen, chairman of American Home Committee, "enjoyed" the new dishes. Mrs. Dexter Hill enumerated the various Classes, and told why the Furniture Painting Class was invited to meet in Mrs. Angier's barn—because "the powers that be" think that this method of beautifying the home, and teaching its dwellers to know artistic furniture, is NOT EDUCATIONAL! Mrs. Frank P. Schofield, for the Education Committee, gave great pleasure to the audience when she reported that this year's scholarship had been awarded to Miss Virginia Brown, daughter of Mrs. Dale Brown, whose services to the Club have been so valued. Mrs. Benjamin S. Hinckley, chairman of Hospitality, told of the division of the Clubs by groups, of the fees, and of calls upon prospective members. Mrs. Maurice W. Donnell, chairman of the House Committee, told how much the House Committee does to supply creature comfort—from stopping the clock, the creaking of chairs and doors, to getting the heat, and placing flowers, not to mention returning of borrowed articles!

Miss Emma E. Walker reported the "hardy perennials" of legislation, and Mrs. Earl P. Stevenson announced that the book club had been more than self-supporting. It has doubled its capital—proof of efficient business understanding—left them by Miss Edith Jamieson of a previous regime, now having \$75. Mrs. R. LeRoy Schell said the Chorus had supplied their own music and bought the potted plants for the Musicals. The Program Committee, Mrs. Sidney Peterson, chairman, said its work "spoke for itself." Mrs. William R. Brewster reported on Public Health, read by Mrs. Coppins told of how rain and the fire laws as to going to the woods, etc., had interfered with "hike" plans. Miss Miriam Drury, press chairman, wittily complained that her reports to the Boston papers were sometimes published, but not in their original form, and that neither humor nor imagination need apply. (She might have added: "Thank heaven for the home paper, therefore!") Mrs. Henry P. Curtis, Social chairman, gleefully reported the useful addition of two urns, a copper boiler, and a dish pan to the kitchen supplies! Miss Florence Heard told of the value of the Club Bulletin.

Mrs. Russell, in her address and summary of the year, called her executive board a wise councilor, "discouraging the wrong way," and paid

tribute to the forer presidents as women of vision, of high ideals, and fine principles, whose standards raised aloft she hoped she had uplifted.

Mrs. Harold P. Fuller, chairman of Nominating Committee and of the tellers, reported 135 ballots cast unanimously for: President, Mrs. Harry W. Pitts; first vice-president, Mrs. Henry P. Curtis; second vice-president, Mrs. Everett E. Kent; third vice-president, Mrs. Joseph W. Gerrity; recording secretary, Mrs. Harold M. Moore; corresponding secretary, Mrs. Raymond G. Coppins; treasurer, Miss Margaret H. Aubin; auditor, Miss Emma E. Walker; director for two years, to take the place of Mrs. Pitts, Mrs. Arthur C. Johnson; directors for three years, Mrs. Alblon M. Boothby and Mrs. Edwin W. Smith; and Nominating Committee, Mrs. John T. Alden, chairman; and Mrs. Ralph W. Angier, Mrs. R. Porter Boyer, Mrs. Samuel Noyes Braham, and Mrs. R. LeRoy Schell.

In handing over the gavel to Mrs. Pitts, Mrs. Russell made a gracious and appropriate little speech, and Mrs. Pitts responded in similar vein, with tribute to her predecessors, and their ideals, with friendships at the top of the list, which she hoped to see broaden and strengthen, from charter members to the latest arrivals, as one of the cherished possessions of the Club. A vote of thanks was extended to Mrs. Russell for her two years of faithful and successful leadership. The meeting then adjourned and a social hour followed, during which ice cream and cake were served by the Social Committee.

Waban Woman's Club

The Annual Meeting and Luncheon of the Waban Woman's Club was held at the Brae Burn Country Club on Monday, April 25th. Mrs. Charles R. Boggs was the luncheon hostess, and at 1 o'clock 125 members assembled in the pretty dining room. Tables for ten were handsomely decorated with spring flowers and matching candles, and a delicious luncheon was served. After the lunch the members remained to the sun room, where the annual reports of officers and various chairmen of committees were read, and the new officers elected, as follows: president, Mrs. Philip L. Warren; first vice-president, Mrs. Chester L. Churchill; second vice-president, Mrs. R. E. Clements; recording secretary, Mrs. A. Barnard Root, Jr.; corresponding secretary, Mrs. Henry C. Robbins; treasurer, Mrs. Geo. V. Phipps; assistant treasurer, Mrs. H. Stanley Bloomfield; directors: Mrs. John E. Denham, Mrs. James M. Paterson, and Mrs. W. B. Stevenson; and auditor, Mrs. Henry Short. It was announced by the chairman of the Scholarship Committee, Mrs. John T. Croghan, that this year's scholarship had been awarded to Miss Fredericka Banning. This scholarship is awarded not only for high rank in studies, but for general character and merit, and the members feel that a very wise selection has been made. Miss Banning will continue her studies at the Boston University Secretarial School.

The Nominating Committee for the coming year is as follows: Mrs. Austin G. Bourne, Mrs. R. A. Gladwin, Mrs. A. H. Houghton, and Mrs. Herbert Kimball.

DATES OF NEXT MEETINGS

May 10 Newton Federation.
May 17-19 State Federation.
May 24 Newton Federation, Executive Board.

—Due to an insistent demand by employees and friends, the Thomas Dalby Company has opened, for the benefit of the public, a retail Sales Room at the Chase Building just off Watertown square where they will sell Women's Rayon Underwear together with Children's and Infants' in irregulars or samples at surprisingly low prices.—Advertisement.

MEMORIAL EXHIBITION

The Robert C. Vose Art Galleries, of 559 Boylston street, Boston, announce a Memorial Exhibition, from May 9 to 21, of oil paintings, pastels, water colors, and proofs of engravings on wood, by the late Boston artist, William Baxter Closson.

This exhibition should be of special interest to citizens of Newton, for Newton has been Mr. Closson's winter home and headquarters since the autumn of 1912. His summer studio was at Magnolia but Newton, nevertheless, may claim him as its citizen, as he voted here.

The foreword to the catalogue has been written by William Howe Downes, for many years, until recently, the art critic for the Boston Evening Transcript. He knew Mr. Closson and his work well. His appreciation and the exhibition itself should prove that Newton is honored by having this quiet, modest artist for a citizen.

BRIDGE DEDICATION

Plans are in the making for the dedication of the John W. Weeks foot-bridge over the Charles river at Cambridge to take place on May 14th. There will be a parade of detachments of a battalion of the 5th Infantry from Portland, of the 13th Infantry from Camp Devens, of the National Guard and patriotic organizations. This bridge was made possible by the friends of Secretary Weeks as an enduring memorial of his life and his work.

COLLEGE NEWS

By Harold P. Carver, N. H. S. '26

Finishing off the members of the Newton cohort that attend Wheaton we have one other person who has entered her name upon the roll of the freshman class at that college, Catherine Noyes of Newton Centre. She was easily one of the most adroit managers that ever was elected to office in the High School. She could manage anything, and was not afraid to try anything simply because it was new. Her High School record started off in fine style, for she was selected in her freshman year to become a member of Alpha Beta, then an incipient club for those underclassmen that passed the requirements for the English Club. She directed her attention to it with such skill and merit by means of advertising their aims, she succeeded in making it accomplish a function that was needed in the school, that of making use of the talent in the lower classes. She was elected as president of the organization in her sophomore year and from that place she rose to be a member of the large English Club in her last years at Newton. She capped all the work that she did in the school by being on the Honor Roll all the four years that she was in it. She was one of the ranking scholars of her class when she graduated. She was chosen for the Drama Club her senior year and the work that she did in interpreting characters on the stage was one of the leading features of the productions offered by the group that year. In a government al way she sat in the Legislature her final terms, and from that was appointed to the Executive Committee, the governing body of the school. The art of publication always fascinated her, and it was mainly her work that led to an improvement in the editorial policy on the Newtonite. Not content with the labor that she herself put forth she taught the study of editorials to her assistants. Her result was clearly seen when the student body began to read and discuss the matter that they contained. When the junior class wished to appoint a capable girl to the Orange Book committee they chose Catherine, and with her advice as an aid, the editors of the freshman Bible did a splendid job. Later the Newtonian needed her clever pen and so she took over the task of editing all the copy that had to go into the volume, and did it remarkably well, considering how busy she was at that time of the season. One of her last functions was that of being a member of the Senior Play Committee and taking care of the production end of that time-honored performance. Already at Wheaton she is taking a leading part in the movement of the school, having been appointed to the role of scribe for this year and taking part in all the outside activities that her class has been into.

Down in Pennsylvania there is a small girls' college that has a great number of students from Newton enrolled on its attendance lists. Skidmore is a typically mid-Southern college with all the beauty and attractiveness that Princeton and Swarthmore are noted for. In this small college there are exactly fifteen girls that come from the Garden City, which would figure out at a rather high percentage when one considers the size of the institution.

For a change we will deal with the freshmen, an attempt to prove the Biblical "last shall be first" idea. Three girls that graduated last year from the front side of Clafin Field are present in the classes held in this Pennsylvania college. Elfrieda Kevorkian, Eleanor Clark and Elizabeth Bonney are the travellers who left New England this fall. The last of the three was one of the brightest students in the class of 1926. She was within that mystic circle, the Honor Roll, for almost the entire time that she was in High School, and from all indications she is intent upon keeping that record up at college. In her freshman year at Newton she became a member of the volleyball team that was formed by Mrs. Kuntz, but after that she deserted the field of sport for the field of club work. Her first efforts were recognized when she was elected to Alpha Beta, the freshman sophomore English Club. She spent two happy years here, then moved on up into the greater body, the original English Club, where two more seasons passed. In her junior terms the French Club carried her name on their rolls, while her final year saw her a member of the Mathematics organization and also that most coveted of all memberships, desired at least by the girls, that of being initiated into the Library Club. The second of this group of transients is Eleanor Clark of Newton Highlands. She was ill a great deal of the time that she was in High School and, consequently, did not have the opportunities to do what many of the others succeeded in accomplishing. However, she did make the French Club in her final year at Newton and in her freshman season had the distinction of being on the Honor Roll all the term. The last of the triumvirate is Elfrieda Kevorkian, hailing from Newton Centre. This girl is one of the most talented of all the musicians that have claimed the High School Orchestra for three years in the combination as violinist and now is doing much the same sort of thing at college, where one's musical ability is a great open sesame to many pleasures and good times. She also played class hockey on her freshman team, which was one of the best in the school that year. In her sophomore year the English Club chose her to become a member of their group and in her senior year she was elected to the Alpha Gamma Tau for one season. Her greatest achievement in the lines of study was the membership that she gained for three consecutive years in the French Club, a difficult and therefore unique feat for anyone at High School to do.

The delegates from Newton seem to have a liking for the mysterious number three, for the sophomores also number three members at Skidmore. The first of these is Ann Schipper, who comes from Newtonville. With one of the most pleasing manners that anyone could have, she has added that

delightful bit of humor that makes her the best of company, and in that way she was one of the most popular of graduates of the class of 1925. She was eager to take part in all types of athletics, but played hockey the best, being a member of her class team for three seasons. She also was picked to be one of the basketball team that represented her class and played a splendid game in the forward line. In her sophomore term she was chosen to be a member of the English Club, and later in her terms she was elected to the French organization. She also was in the Glee Club her junior year, and in the graduation term she took a leading part in the Drama Club's activities. Next week we will continue the story of the Skidmoreites.

GIRL SCOUTS

On Saturday, April 30th, 18 Girl Scout Bugle and Drum Corps from all parts of Massachusetts, met together at the Cadet Armory in Boston to compete for the State Championship Cups. The Newton Corps considered itself fortunate to draw its lucky number 13. There were the 13th Corps to go on the floor, and their drum-major, Dorothy Barba, of Newton, was the 13th drum major. The result was that Lieutenant Barba, won the cup for the best drum major in Massachusetts, Laura Macomber came in 2nd in bugling and Doris Benson of West Newton received 3rd place in drumming. The standing of the Corps as a whole will not be announced until the time of the State Review, but all the Newton buglers and drummers are counting on that lucky 13 to give them a high standing in the final rating. Saturday was a busy day for the Bugle and Drum Corps girls, for after their day of competition at the Armory they went to the High School in the evening and played at the reception given to Assistant Secretary of War McNider by the Newton Post of the American Legion.

Notes From the Field

Auburndale, Senior Troop No. 18, had the honor of being heard on the air from Station WEIL, on Saturday morning at 10 o'clock. Fifteen girls with Captain Maloney and Lieutenant Conn appeared before the microphone for 20 minutes, during which they conducted a short opening meeting, with "colors," pledge of allegiance, Star Spangled Banner, the Girl Scout Promise and Laws. After this Scout Dorothy Nichols played a piano solo and Scout Helen Bowley, gave a talk on "Camping." Lieutenant Conn sang some songs and the broadcast ended with Taps.

The Auburndale Girl Scouts will give an entertainment at the Auburndale Club on Friday evening, May 6th, at 8 p. m. There will be movies, fancy dancing and a concert by the Newton Girl Scout Bugle and Drum Corps. Notice of yet another Girl Scout entertainment has come to us and this is what is what:

Girl Scout Benefit Movies! Auditorium Theatre, Newton Upper Falls, May 4th, at 8 p. m. The very best show you ever have seen. Will be held by Troop 7 and Troop 17. The "Wizard of Oz." Will act for the cause; An up to date tang Will be found in "Our Gang." Fine cartoons of Health Will point you to Wealth. And if you want more The Newton Drum Corps With the clear Bugle's ring Will make the place sing. There'll be candy for sale. Do come! Without fail!

10 Girl Scouts of Troop 13, Newton Centre, and 4 officers went on a very successful camping trip to Camp Mary Day over the week end. Troop 19, Newton Lower Falls, sends in a splendid report of their cake sale held on Saturday afternoon on the lawn of the D. A. R. Chapter House on Washington street. The money which was raised will be used to buy uniforms for the troop as well as a troop flag.

Two official delegates and 5 interested spectators from Newton attended the annual meeting of the Metropolitan Division held at Cedar Hill on April 22nd. The delegates were the assistant director for Newton, Miss Mildred Lovejoy, and the chairman of the Newton troop committee, Mrs. Hodges. Among other local reports a most interesting and comprehensive account of the work of the past year in the Newton Local Council was given. In the afternoon the Girl Scouts of the All Boston Council repeated the Health Pageant which had been part of their spring rally.

AN INDIAN OF ST. MARY'S

At the 10:45 a. m. service at St. Mary's Church, Newton Lower Falls next Sunday, May 8th, Mr. William Jacobs (Crazy Bull) a speaker of ability, will make the address during the sermon period. He will appear in the full Ceremonial Regalia of his tribe and will sing an Indian hymn to the Great Spirit. He is the grandson of Sitting Bull; a graduate of Haskell Institute; a student in Kansas University; an Indian Scout, a member of the 114th Cavalry, Troop C, the only Indian Cavalry Troop in the world. He will receive a cordial welcome from St. Mary's congregation and the public generally is cordially invited.

DEATH OF MRS. STONE

Mary Sanborn Stone, the wife of Mr. George M. Stone of Walnut street, Newton Highlands, died last week Thursday at the Massachusetts Homeopathic hospital in Boston after a brief illness. Mrs. Stone was the eldest daughter of the late Solon H. and Hannah Sanborn Brickett and was 75 years of age. Besides her husband she is survived by one daughter, Mrs. Warren Robbins of Hudson, Mass. Funeral services were held Sunday. Rev. Dr. Edward M. Noyes of the First church of Newton Centre and Rev. John S. Moses of the Church of the Redeemer at Chestnut Hill officiated. The interment was in the Newton Cemetery.

Nash 7-bearing crankshaft takes longer to build—costs more

It takes longer to build a 7-bearing motor than it does to build one with only 3 or 4 main bearings.

Obviously, it costs more in time and money to build the Nash 7-bearing crankshaft.

There are at least 3 more bearings to hone and polish. (Nash has considerably more bearing surface than other six-cylinder motors in the Nash price field with 4-bearing crankshafts.)

Why then does Nash build it, when other manufacturers still use engines with fewer bearings?

The answer is that Nash owners have come to expect Nash to be definitely better than any other car they could buy at the Nash price.

There are at least 3 more bearings to align. And there are at least 3 more bearings to check for proper clearances.

And 7 bearings alone produce superlative power-smoothness and power-quietness.

But the Nash 7-bearing crankshaft eliminates the "whip" which loosens bearings and piles up expensive shopwork on motors with fewer crankshaft bearings.

Before you select your new motor car, drive a Nash and see how smooth it is at high speeds, how powerful and effortless its pick-up at every speed.

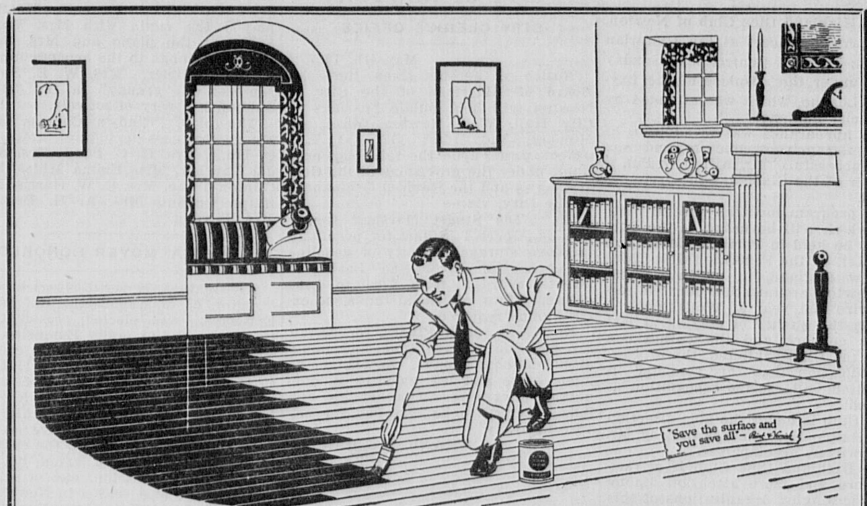

[The Nash Price Range on 26 Different Models Extends from \$865 to \$2090 f. o. b. factory]

NEWTON GIRL SCOUTS

Over Four Hundred Visit The Charlestown Navy Yard And Are Reviewed by Admiral Andrews

Over 400 Newton Girl Scouts paid a visit of the Charlestown Navy Yard on Saturday, where they had the joy of exploring 3 of the battleships now in port besides being reviewed and inspected by Admiral Andrews and his staff. They also had a close-up view of "Old Ironsides," where she is undergoing repairs in drydock. The girls came from all parts of Newton and were transported to and from the South Station in private trains on the Boston Elevated. A guard of police escorted them from City Square to the Navy Yard, where they all lined up by troops while Troop 14 of Waban presented a bouquet of spring flowers to Mrs. Andrews, surrounded the while by a large throng of reporters. Then led by their Bugle and Drum Corps all the Girl Scouts passed in review before the Admiral and his staff. Every Girl Scout from the drum major of the corps to the littlest tenderfoot in the ranks was in full Girl Scout uniform, and they were an inspiring sight as they marched past with flags flying and band playing. Following the review the troops were drawn up at attention and were inspected by the Admiral and his aide and Captain Freeman and his aide. They then marched to where the Frigate Constitution is lying in drydock and here the money raised during the winter for her preservation was given to Admiral Andrews, who accepted it with a graceful speech of thanks. Formalities were now over and the girls were taken aboard the light cruisers, "Raleigh" and "Detroit" where they were given a royal welcome by the sailors and were shown the guns and the galleys and all manner of other nautical things, including the menagerie of pets that had sailed north from Guantanamo. The trip came to an end with a visit to the super dreadnaught, "Florida," and here the girls had an opportunity to see what a truly large fighting ship looks like. The great difficulty was that the time was all too short for everyone to see everything and as the girls marched out of the Navy Yard gate they were saying one to another, "Let's come again in a small group and stay all day."

The Red Cross Life Saving Course given at Lasell Seminary was ended on Friday evening. The following

BOY AND GIRL LIFE IN NEWTON

Newton Central Council, at Its Annual Meeting Hears Interesting Reports on the Subject of Child Delinquency

The Newton Central Council held its annual meeting at the Newton High School in Newtonville on Thursday evening, May 5. Supper was served in the Cafeteria to the delegates and their friends at 6 o'clock, after which the business of the evening was transacted. Mrs. Irving O. Palmer, president of the Council, presiding. Mr. H. W. Bascom gave the annual report of the clerk, and Mr. J. N. Eaton that of the treasurer. Dr. J. Mace Andrews, chairman of the Health Division, reported on the work of the division, which had limited itself, he said, to a definite project this year, that of launching a series of clinics for children about to enter school in the fall. These clinics are now being held in different villages of Newton by the Health Department of the city. Mrs. Louis H. Marshall, chairman of the Welfare Division, told of the various meetings of that division, held at the Peabody Home, the District Court, the West Newton Community Centre, the Y. M. C. A. and other places, at which many important subjects were discussed, particularly the control of cancer in the State and in Newton, and the Big Brother and Big Sister movement. Mrs. Marshall spoke of the committees which had been formed to carry out the Big Brother and Big Sister idea in Newton. Miss Louise Peloubet, secretary of the Council, spoke of other activities, some of which were carried on under the auspices of the Welfare Division, such as the Christmas Clearing House, a study of child-placing in Newton, and the present study of boy and girl life. She also told of the informational and publicity service of the Council, and of the Volunteer Service Bureau carried on in co-operation with the women's clubs.

A member of the audience was then asked to write a short message which was handed to a scout who used a signal flag to send it in Morse Code to another Girl Scout sitting in the rear of the hall. There was great excitement then to see if the message sent corresponded with the original sentence.

Once again the audience was asked to supply imagination while two Girl Scouts rescued a drowning friend by joining their scout ropes, fastening them to a tree, tying the proper knot in the end and throwing the line to her before her frantic cries had ceased.

A very effective ending to the meeting came when all the Girl Scouts in the school formed a circle on the platform and sang "Taps," which was echoed from the doorway by the bugler who had opened the demonstration.

Miss Freeman presented the Admiral with a bolt inscribed "From the Newton Girl Scouts to Save Old Ironsides" which is to be used in the reconstruction of the ship.

At a quarter to 8 o'clock a well attended open meeting was held in the Auditorium of the High School. When the closed curtains of the stage were drawn aside rows of girls in khaki suits and hats were disclosed, a vivid picture of youthful life. This was the volunteer chorus group of Girl Scouts, led by Mrs. Thomas D. Ginn. Songs which are to be given at the State rally next Saturday were by special permission sung for the Council delegates and their guests. The most popular song was perhaps "The Cuckoo Clock," the girls nodding their heads in unison like the cuckoo in the clock.

Mr. Sanford Burs, a resident of Newton and Commissioner of Correction of Massachusetts, was the first speaker at the open meeting. Certain methods of handling criminals and delinquents have been adopted for good, Mr. Burs thought. These methods

are: (1) Probation, the principle of which was passed on by our State to the Federal Government and to England; (2) Parole, which is "not leniency but supervised release"; (3) the Indeterminate Sentence, which makes discrimination possible; and (4) the Classification of Prisoners. Under this system there are now all kinds of State and county institutions suited to the needs of various ages and types. Psychiatrists, Mr. Bates said, were criticized for too lenient an attitude toward the criminal. The truth is that they are trying to find out what kind of treatment is most for the public interest—and to make it a constructive treatment. This has resulted in the permanent segregation of certain personalities which are detrimental to society. There are now 180 young men at Bridgewater on permanent commitment as defective delinquent boys. Mr. Bates instanced a very interesting case of a deaf and dumb boy who was for ten years in a school for the feeble-minded. It was found at Bridgewater that he was not a mental defective at all, and he is now released, and likely to become a useful citizen.

Mr. Bates spoke of crime reduction as a community problem and prevention as the keynote. The recently organized Advisory Council of Crime Prevention has collected a mass of statistics, and they are basing their conclusions on the examination of 35,000 individuals. They are trying to find out what is the lack in the community, and what are the general principles on which treatment should be based. The commissioner explained that, like all else, crime has a cause, and that now is the time to find it, which is what this examination is helping to do.

In regard to prevention, Mr. Bates had several practical suggestions: (1) The elimination of the revolver from the community, a weapon too easily hidden, and not needed for legitimate purposes. (2) The influence of the modern newspaper should be placed on the side of the prevention of crime. The press is too apt to paint the criminal as a hero and a martyr. Some newspapers are refusing to feature sordid and sensational cases, and others are willing to tell the unvarnished truth about criminals, which seldom makes them heroic or attractive. (3) The right utilization of the spare time of youth. The zero hour comes when a boy or girl is his own boss. The line between play and crime is a mighty thin one, but to pass it is often fatal.

Mr. Irving J. Fisher, chairman of the Nominating Committee, submitted the following report, which was unanimously adopted, and the officers and delegates elected: President, Mrs. Irving O. Palmer; vice-president, Mrs. Ellis Spear, Jr.; clerk, H. W. Bascom; treasurer, J. N. Eaton. For elective members of the Executive Committee: Mrs. Louis H. Marshall, Grosvenor Calkins, Rev. Ray A. Eusden, James Kingman, Mrs. H. H. Longfellow, William H. Rice, Leon B. Rogers, Mrs. J. Porter Russell. For delegates-at-large: Rev. Timothy A. Curtin, Mrs. Irving J. Fisher, Charles B. Floyd, Louis Fried, Ernest G. Hapgood, Mrs. Virginia M. Hutchinson, Horace W. Orr, Herbert C. Parsons, Mrs. Bertrand E. Taylor, Miss M. Louise Walworth, Guy M. Winslow, Rev. Percival M. Wood. For the Nominating Committee for 1928: Albert M. Lyon, Philip W. Carter, Wickliffe J. Spaulding, Miss Ethel W. Sabin.

At a quarter to 8 o'clock a well attended open meeting was held in the Auditorium of the High School. When the closed curtains of the stage were drawn aside rows of girls in khaki suits and hats were disclosed, a vivid picture of youthful life. This was the volunteer chorus group of Girl Scouts, led by Mrs. Thomas D. Ginn. Songs which are to be given at the State rally next Saturday were by special permission sung for the Council delegates and their guests. The most popular song was perhaps "The Cuckoo Clock," the girls nodding their heads in unison like the cuckoo in the clock.

Mr. Sanford Burs, a resident of Newton and Commissioner of Correction of Massachusetts, was the first speaker at the open meeting. Certain methods of handling criminals and delinquents have been adopted for good, Mr. Burs thought. These methods

are: (1) Probation, the principle of which was passed on by our State to the Federal Government and to England; (2) Parole, which is "not leniency but supervised release"; (3) the Indeterminate Sentence, which makes discrimination possible; and (4) the Classification of Prisoners. Under this system there are now all kinds of State and county institutions suited to the needs of various ages and types. Psychiatrists, Mr. Bates said, were criticized for too lenient an attitude toward the criminal. The truth is that they are trying to find out what kind of treatment is most for the public interest—and to make it a constructive treatment. This has resulted in the permanent segregation of certain personalities which are detrimental to society. There are now 180 young men at Bridgewater on permanent commitment as defective delinquent boys. Mr. Bates instanced a very interesting case of a deaf and dumb boy who was for ten years in a school for the feeble-minded. Mr. Irving J. Fisher, chairman of the Nominating Committee, submitted the following report, which was unanimously adopted, and the officers and delegates elected: President, Mrs. Irving O. Palmer; vice-president, Mrs. Ellis Spear, Jr.; clerk, H. W. Bascom; treasurer, J. N. Eaton. For elective members of the Executive Committee: Mrs. Louis H. Marshall, Grosvenor Calkins, Rev. Ray A. Eusden, James Kingman, Mrs. H. H. Longfellow, William H. Rice, Leon B. Rogers, Mrs. J. Porter Russell. For delegates-at-large: Rev. Timothy A. Curtin, Mrs. Irving J. Fisher, Charles B. Floyd, Louis Fried, Ernest G. Hapgood, Mrs. Virginia M. Hutchinson, Horace W. Orr, Herbert C. Parsons, Mrs. Bertrand E. Taylor, Miss M. Louise Walworth, Guy M. Winslow, Rev. Percival M. Wood. For the Nominating Committee for 1928: Albert M. Lyon, Philip W. Carter, Wickliffe J. Spaulding, Miss Ethel W. Sabin.

At a quarter to 8 o'clock a well attended open meeting was held in the Auditorium of the High School. When the closed curtains of the stage were drawn aside rows of girls in khaki suits and hats were disclosed, a vivid picture of youthful life. This was the volunteer chorus group of Girl Scouts, led by Mrs. Thomas D. Ginn. Songs which are to be given at the State rally next Saturday were by special permission sung for the Council delegates and their guests. The most popular song was perhaps "The Cuckoo Clock," the girls nodding their heads in unison like the cuckoo in the clock.

Mr. Sanford Burs, a resident of Newton and Commissioner of Correction of Massachusetts, was the first speaker at the open meeting. Certain methods of handling criminals and delinquents have been adopted for good, Mr. Burs thought. These methods

are: (1) Probation, the principle of which was passed on by our State to the Federal Government and to England; (2) Parole, which is "not leniency but supervised release"; (3) the Indeterminate Sentence, which makes discrimination possible; and (4) the Classification of Prisoners. Under this system there are now all kinds of State and county institutions suited to the needs of various ages and types. Psychiatrists, Mr. Bates said, were criticized for too lenient an attitude toward the criminal. The truth is that they are trying to find out what kind of treatment is most for the public interest—and to make it a constructive treatment. This has resulted in the permanent segregation of certain personalities which are detrimental to society. There are now 180 young men at Bridgewater on permanent commitment as defective delinquent boys. Mr. Bates instanced a very interesting case of a deaf and dumb boy who was for ten years in a school for the feeble-minded. It was found at Bridgewater that he was not a mental defective at all, and he is now released, and likely to become a useful citizen.

Mr. Bates spoke of crime reduction as a community problem and prevention as the keynote. The recently organized Advisory Council of Crime Prevention has collected a mass of statistics, and they are basing their conclusions on the examination of 35,000 individuals. They are trying to find out what is the lack in the community, and what are the general principles on which treatment should be based. The commissioner explained that, like all else, crime has a cause, and that now is the time to find it, which is what this examination is helping to do.

In regard to prevention, Mr. Bates had several practical suggestions: (1) The elimination of the revolver from the community, a weapon too easily hidden, and not needed for legitimate purposes. (2) The influence of the modern newspaper should be placed on the side of the prevention of crime. The press is too apt to paint the criminal as a hero and a martyr. Some newspapers are refusing to feature sordid and sensational cases, and others are willing to tell the unvarnished truth about criminals, which seldom makes them heroic or attractive. (3) The right utilization of the spare time of youth. The zero hour comes when a boy or girl is his own boss. The line between play and crime is a mighty thin one, but to pass it is often fatal.

Mr. Irving J. Fisher, chairman of the Nominating Committee, submitted the following report, which was unanimously adopted, and the officers and delegates elected: President, Mrs. Irving O. Palmer; vice-president, Mrs. Ellis Spear, Jr.; clerk, H. W. Bascom; treasurer, J. N. Eaton. For elective members of the Executive Committee: Mrs. Louis H. Marshall, Grosvenor Calkins, Rev. Ray A. Eusden, James Kingman, Mrs. H. H. Longfellow, William H. Rice, Leon B. Rogers, Mrs. J. Porter Russell. For delegates-at-large: Rev. Timothy A. Curtin, Mrs. Irving J. Fisher, Charles B. THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

NEWTON 6, RINDGE 3

Newton high won its second Suburban league victory by defeating Rindge Tech, 6 to 3, on Claffen field last Saturday afternoon. Coming from behind in the eighth inning with a four-run rally and snatching victory from defeat was the feature of the game.

In the first inning with the bases full Andres was hit by a pitched ball and the first run forced over. The visitors took the lead in the first of the third when a free ticket, a fielder's choice and an overthrow of first accounted for two tallies.

Sam McCleary tied the score in the last of the third with a home run over the canvas. No one was on base at the time.

In the eighth Rindge again took the lead when Sullivan singled, went to third on Andres' overthrow of second and came home on Slider's double.

With determination written on their faces the Newton batters strode to the plate and promptly filled the bases. Spain connected for a two-base hit, clearing the sacks. Later he came home himself making the final count, 6 to 3.

The game was Bennett's first appearance in the box for Newton and for five innings he pitched a good game, fanning five and then turning over the job to Linquist.

McCRUDDEN WINS HALF

James McCrudden of the Newton high track team is looked upon as one of the fastest 880 yard runners in schoolboy circles. To prove this claim he won the half-mile run at the Worcester academy interscholastic meet last Saturday in 2 minutes and 6.15 seconds without being pushed. Ebelhane, with a third in the high jump, added two points to Newton's total with a leap of 5' 8".

Reed brought Newton's total points to eight by placing fourth in the 220. The only local school to finish ahead of the orange and black runners was Brockton high which counted 19 points.

SPORT NOTES

Pals Win Over North Weymouth

The Newton Pals defeated the North Weymouth A. A. last Sunday afternoon, 6 to 2 at North Weymouth. Schleiparker was in the box for the Pals and twirled a fine game, allowing but seven scattered hits. The Pals scored twice in the first inning, three times in the fifth and added another counter in the seventh.

Allen School Swamped

The Mitchell Military Academy nine swamped the Allen school baseball team, 22 to 10, at Billerica last Saturday afternoon. Mitchell's wrecking crew netted a total of 17 hits off the deliveries of the Doyle brothers. These blows, aided by ten Allen errors, were too much for the local private school team to offset.

Henrich Third Twice

Bill Henrich of the Harvard junior class placed third in both the hurdle events at the intramural track meet in the Stadium last Saturday afternoon. In the 120-yard low hurdles, for the C. G. Krogness cup he ran from scratch while in the 220-yard low hurdles for the W. F. Garcelon cup he had a six yard handicap.

Cronin Wanted by Big Leagues

It is said that John McGraw, manager of the New York Giants and Jimmy Callahan, scout for the Washington Senators, are bidding against one another for the services of William "Crungy" Cronin, Newton lad now with the Providence team of the Eastern League. In 1926 Cronin was taken South with the Braves but lack of experience caused his failure to make the grade. He had a good season last year and has started off well this season.

DeWitt Clinton Loses Twice

The DeWitt Clinton track team lost to the Concord High runners last Saturday, 53 1/2 to 30 1/2 at Concord and to the Lexington high team on Monday, 36 to 30 at Lexington. Captain Warren of the DeWitt team was high scorer of both meets with 18 points against Concord and 16 against Lexington. Concord had little difficulty in winning. Lexington on the other hand had a close battle of it. The meet was decided by the last event, the relay. Capt. Warren gained rapidly upon the Lexington anchor man who had a long lead at the start, but collapsed when 10 yards from the finish line.

McQuiston Wins Three Fifts

Walter McQuiston, former Newton high athlete, was the star individual performer of the Dartmouth freshman University of New Hampshire freshman track meet last Saturday at Hanover. He won first place in the 100-yard, 220-yard dashes and the broad jump.

Country Day On Short End

The Country Day school nine lost a hard-fought private school league game to the Browne and Nichols team last Friday at Nichols field, 9 to 6. White, who has been called upon to pitch quite frequently for the local private school team, was effective but was not given outright support.

Allen School Goes Hitless

Bill Prendergast, star pitcher of the St. Charles school nine, turned back the Allen Military school nine last Friday afternoon without a hit or a run for seven innings. The game was called at that time with St. Charles winning, 12 to 0. Prendergast had 14 strikeouts.

Holbrook a Fine Prospect

Spring football practice at Harvard ended last Friday afternoon. Five Harvard punters were given a final period of practice under Vic Kennard. Guy Holbrook was one of the five who are also considered as the most likely looking prospects to fill the punting berth vacated by Captain Clem Coady.

Dummer Golfers Tie Newton

The Newton High golf team had to be content with a 2 to 2 tie with the Dummer academy golfers Monday afternoon at South Byfield. The matches were played in a light rain. Caruso and Cady won their matches, the latter being forced to play 19 holes while Gianferante and Manning succumbed to the shots of their opponents.

Vaughan's Hitting Wins

Yale shut out Columbia Tuesday afternoon at New Haven by a 6 to 0 score. The game was runless until the seventh inning when Vaughan singled scoring a teammate on third. In the eighth Yale went on a rampage scoring five runs with Vaughan hammering out a triple netting two runs. Incidentally the Newton lad hit safely four times out of four trips to the plate.

Newton

—Mr. James R. Hodder has purchased the Angier farm of 65 acres at Framingham for a home.

—Miss Jean Warring of Jewett street has returned from the Newton Hospital and is recovering from an operation for appendicitis.

—Mr. and Mrs. Alfred F. Allen of Chicago where they have been visiting Mr. and Mrs. F. O. Burkholder.

—Mr. and Mrs. George M. Wilmar of Charlestown road will have the sympathy of their friends in the death last Sunday of their infant daughter.

—Mrs. Louis Rowland Root of Braintree road entertained Mrs. Arthur Church and Miss Clara Louise Conant with a luncheon at the Hotel Bellevue and theatre, last Friday.

—Mr. Theodore C. Chandler of 21 Belmont street has returned from a three months' trip to Cuba and Nicaragua and will leave again on June 1, for a year's trip to European countries.

—The wedding of Mr. Arnold Barker of Hyde avenue and Miss Katharine Kising, the daughter of Mr. and Mrs. Frederick C. Kising of Newton Centre, will take place tomorrow evening at the First Church, Newton Centre.

—Invitations have been issued by Dr. and Mrs. Frank Raymond Stubbs of Centre street for the wedding of their daughter, Miss Eleanor Dow Stubbs and Mr. William F. Hessler, to take place Saturday, May 28, at Eliot Church.

—Dr. and Mrs. David T. Parkinson who have just returned from the University World tour spent the week-end with Mrs. Parkinson's sister, Mrs. J. West Thompson of Wesley street, and left on Monday for their home in Wichita, Kansas.

—On next Tuesday afternoon in the garden of Mrs. John F. Sherman, 124 Vernon street, a pageant under the direction of Miss Bessie M. Stratton, director of religious education of the Eliot Church, will be presented for the members of the Women's Association by 50 children and young women of the church school. The pageant to be given is entitled "The Striking of America's Hour."

Few Are the Changes

Run on Literature

The end of a tale told by Glump, the Neolithic Bard, "way back B. W. O. H. ("Wells' Outline of History"):

"And so Og-og married Ug-ug, and they lived happily ever after."

The end of a tale told by Hassan Ali, the Bedouin story teller before the days when all the Arabs migrated to Hollywood: "And so Ramieh took Fatima in marriage, and they lived happily ever after."

From the well known ode of Vichy, the bubbling troubadour: "And then, amid high rejoicing and welkin-ringing, did Sir Paddlegrip, high Sir Grifledap for short, wed the fair ladye Yaobel, high five feet two inches; and the taylor tells that forever afterward they lived happily."

The end of the novel by S. O. Stush, the famous Victorian romance writer: "The sacred words were said. They were man and wife. Happily, happily did they live forever after."

From "Garlic" by the realistic novelist, Arsenic L. Bite: "And so Pete, the stockbroker, undertook to pay the bride debts of Annabel, the gay flapper. And they lived happily until they got into the trap on their honeymoon and she found that he had purposely left her airdale at home."—Kansas City Star.

Lonely Island Might

Have Been America's

By only a small margin did the State department at Washington miss having the worry of the helpless island of Tristan da Cunha added to its cares, for it was once claimed by an American. The island, a lonely British possession in the South Atlantic, had a measure of prosperity in the early years of the Nineteenth century when the whale enticed men and wooden ships into the region. It was a haven for sailing ships from Salem, Gloucester and Boston. A Salem man named Lambert and a companion took up their residence on Tristan da Cunha and Lambert declared himself sovereign and sole possessor of the island. "On the rational and sure ground of absolute occupancy," his hope was to develop what might be called a "filling station" for whaling ships. But Lambert and his partner were drowned two years later in the tempestuous seas for which the island is infamous. Still the island has some things to recommend it. There are no laws, and when it was proposed to give the people a constitution, they regarded such a document as superfluous, so the few inhabitants living there manage their affairs without the complication of written covenants.—National Geographic Society Bulletin.

Niagara Falls Receding

Besides being the source of tremendous amounts of power, Niagara falls is a sort of gigantic clock by which scientists estimate time. From repeated annual measurements it has been found that the catract is cutting back at the rate of two feet a year, says Popular Mechanics Magazine. At this rate, it has taken it at least 30,000 years to recede from its original site at Queenstown, 60,000 feet from the present location. Another check on time is afforded at the Mississippi delta. By measuring the sediment in a quart of water at different seasons of the year and figuring the total volume, an estimate is made possible as to how fast the land is wearing away.

Changing Lake Level

A seiche is a sudden change of atmospheric pressure on one part of a large lake which causes changes of level everywhere. If the pressure is increased in one place, the surface of the water there is lowered, and elsewhere correspondingly raised. If the change is one which lessens the pressure locally the water surface beneath the lessened pressure rises while it falls elsewhere. Once these changes are set up, there is some pulsation of the water level before equilibrium is established again.

Remorse!

A few weeks ago an Englishman drove up to the town hall of Rouen, France, handed the mayor 3,000 francs for distribution among local charities, and explained: "I was a motor driver in the army during the war, and in 1916 I ran into a French woman and smashed her umbrella. I did not stop to compensate her for the damage, and the fact that I didn't has preyed on my mind ever since. Will you please accept this as some sort of recompense?"

Easy to Love

The score was 27 to 0 in favor of the visiting eleven at the end of the first period, yet the fair young fan who had announced she had placed a stake on the home team did not seem disheartened.

"You shouldn't have bet on our team," consoled her girl friend. "Everybody knew they would lose." "I knew it myself, dearie," agreed the other. "I was betting kisses."—American Legion Magazine.

Reminded Her of "Mudder"

Jane was spending the day with Mrs. W. while her mother attended to some business in a neighboring city. Jane was given many play dogs, but Mrs. W., coming into the room, found her gazing sadly out of the window. "Why don't you play with these pretty things, Jane?" Mrs. W. asked. "Everything I play with makes me think of my mudder," Jane answered disconsolately.—Boston Herald.

Records **BRUNSWICK** Phonographs

We have been appointed BRUNSWICK dealers for Newton. We can provide you with any BRUNSWICK record. See the new BRUNSWICK Portable, only \$10. When enclosed in carrying case with 6 records, measures but 10 1/2 inches square, 2 1/2 inches thick, and weighs but 8 pounds. A practical machine.

NEWTON BUSINESS ASSOCIATES MEET

The regular meeting of the Newton Business Associates was held Tuesday evening at the Hunnewell Club. President Harold Moore presided and the speaker of the evening was Mr. T. C. Baker of Brookline, a well known automobile dealer, and President of the Brookline Board of Trade. Treadwell's Orchestra with Larry Fredericks played, and "Eddie" King was as entertaining as usual with his popular songs. The new members announced at the meeting were Pierre Vuilleumier, John Chant, Manuel Bloomberg, Clifford Hunting, James Heffron, Jr., Earl Harrington, and Richard Wilson.
Richard Dwyer of the Garden City Garage introduced Mr. Baker as an old friend and told of their association in the early days of the automobile business. Mr. Baker explained the methods being used by the Brookline Board of Trade to induce residents of that town to trade at home. He told of the efforts put forth by his organization which have resulted in improvements having been made in our neighboring municipality. The Brookline merchants apparently have had the same experiences with canvassers and program advertising solicitors as Newton business men have had, and steps have been taken there to eliminate so far as possible this large item of expense. One thing that the Brookline association has protested against is any transfer point at or near Kenmore Square, which will necessitate Brookline patrons of the Boston Elevated charging cars while enroute to Boston. The Brooklinites want direct transportation to the big city.

Mr. Baker was asked: "Have the apartment houses in Brookline brought an appreciable increase in trade to the merchants of that town?" He replied "that while naturally the great increase in the population of Brookline occasioned by the erection of apartment buildings there, has brought some additional business, the increase in trade has not been proportional with the increase in population, as many of the dwellers in apartments do light housekeeping, and do much of their eating in restaurants. Alderman Fred Hawkins reported that the Public Utilities Commission would hold a hearing Thursday afternoon at the State House on the matter of the proposed bus line from Newton Corner through Newton Centre to Woburn. As no opposition has developed against the new line, it is expected that the hearing will be perfunctory, and that the busses will be in operation within a couple of weeks.

A short discussion was held on traffic regulations at Newton Corner. Among other suggestions were—the erection by the city of the long deferred traffic tower in Nonantum Square, lessening of some of the parking restrictions at Newton Corner and the prohibition of parking on the north side of Centre place.

HEALTH RALLY DAY

Health Rally Day was observed in the Underwood School on Friday afternoon, May 6th, with appropriate exercises in the school auditorium. The children marched in wearing badges with different colors. A yellow badge with the letter "W" denoted satisfactory weight, a green badge good posture, and a blue showed that the teeth were in good condition. Children who wore three badges were decorated with purple arm bands and all those who had no defects or whose defects had been corrected carried American flags.
An original health play, written and directed by Miss Higgins, with a cast of sixty children, was most artistically presented. Betty Lloyd, a charming Health Queen, attended by her Maids-in-waiting, Flowers, Butterflies, and Birds, Julia Dwight as the Health Fairy, Malcolm Murray as King Milk, accompanied by eight small "Milk Bottles," and James Naylor as the Herald, were the leading characters. Groups of children in costumes representing fruits, vegetables, milk, sleep, bath, toothbrush and out-of-door play, led by Thelma Cutter and Lois Chase as Sunshine and Fresh Air, delighted the audience with their songs and dances.
Miss Childs' class, dressed in costumes of long ago, with powdered wigs, danced a stately minuet in a most graceful manner. All the children of the first grades sang a group of health songs while the whole school sang one, the words of which were written by the pupils of Miss Coyle's first grade.

After the singing of "America, the Beautiful," Miss Bragg took charge of the Recognition of Health Achievement, calling in turn on those children who stand up for their badges for the different health achievements. These, coupled with the three rousing cheers given by the whole school for Miss Bragg for her untiring leadership in the health work, were the most thrilling moments of the rally.
Then followed a march around the hall and across the stage of all the children who carried flags—a most inspiring sight.

An interesting exhibition of hand-work along health lines was on display in the lower corridor including posters, health charts, books of health rhymes, etcetera.

Much enthusiasm has been shown by the children in earning their badges, one little girl in the first grade being so eager to win one for good teeth that she came to school with a cavity in her tooth stuffed with cotton, declaring that it was filled. It is interesting to note that in all the Underwood School of over five hundred pupils, there are only eleven who are under weight.

LASELL

"The Charm School" will be presented at the Auburndale Club by members of the Senior Class for the benefit of their endowment fund on Friday and Saturday evenings, May 13 and 14.
Mr. John Patten Marshall, Professor of Music at Boston University, will give an organ recital in Bragdon Hall on Sunday afternoon at 4:15.
The concert by the combined orchestra and glee clubs will be given at the Auburndale Club on Saturday evening, May 21.

INTERESTING REPORT

Building Commissioner Cecil Chadwick has submitted to Mayor Childs an instructive report of the recent conference at Chicago of Building Officials of the United States and Canada. One hundred and thirty-five Building Commissioners and department heads were in attendance at the sessions, which lasted for an entire week.

Some of the important topics explained and discussed were: A uniform building code for Pacific Coast cities which has been in the course of preparation for two years; lessons learned from the results of the hurricanes in Florida and other Southern districts, which proved that poor construction and insufficient inspection accounted for the collapse of many buildings. The subject of plans and specifications for public buildings being prepared by Building Departments of cities received considerable attention. It was shown that in many cities where this method is used, considerable saving in time and expense has been accomplished.

From figures tabulated during the past year, showing conditions in one hundred cities of 50,000 or more population, Newton averages well in comparison of its Building Department organization, and the salaries paid here are as good as the average. The system used in the Newton Building Department is practically identical with that used by the Building Department of Washington, D. C.

It was the almost unanimous opinion of the conference that a charge should be made for the issuance of building permits, and that means should be devised to prevent buildings being left only partially completed, stand as eyesores to neighborhoods. Detroit has already taken measures to prevent this nuisance, and Mr. Chadwick intends to take action on this matter, as in this city are a number of uncompleted structures which are depreciating the values of surrounding properties.

It was the verdict of the conference that building codes must undergo continual changes and revisions in order to meet advancements in building materials and construction. Such changes should be made under the supervision of the Building Commissioner or Inspector of each city or town. On this subject the Building Code Committee of the Department of Commerce of the United States said: "Careful study of building codes in practice leads to the conclusion that they should be brief, including so far as practicable only fundamental principles, and that the administrative authorities should be empowered to interpret or extend the application of these principles when necessary, by published rulings; these rulings being subject to review by public hearings or other orderly procedure."

A subject to which a great deal of study and time has been given by the different building departments of the country on the proper inspection and construction of buildings, without undue hardship or cost on the cities or towns, was finally concluded this year by using the City of Boston method and was presented to the conference by Mr. Louis K. Rourke, Building Commissioner of Boston, it being the only city that requires a licensed mechanic to be in charge of all construction work. This was determined some time ago to be the only safe and economical method of assuring the public of a safely constructed building. Therefore, Mr. Rourke was required to present the method and the results of licensing of the men in charge of building construction in Boston. There is no doubt that it met with the unanimous approval of the membership of the conference that this was the final and best method to be used. As Mr. Rourke stated, he has in fact, in addition to his force in the Building Department, four thousand other inspectors in Boston, as licensing of these men in charge of the work comes under his department and he has the power to revoke licenses and stop construction on the buildings. Mr. Chadwick recommends that such a method as this be instituted in Newton.

BIG COLLEGE DEBATE AT NEWTONVILLE

Marking the end of the most successful year in Boston College debating history, the senior-junior debaters of the Fulton Debating Society will cross swords with the Crusaders representing the B. G. F. debating society of Holy Cross College Sunday night, at Newton High School auditorium, Newtonville, at 8 o'clock.

Greater Boston has made up the Boston College team with William J. Killion '28, Roxbury; Joseph B. Doyle '28, Newton, and Frederick A. McDermott '27, Allston, as the speakers. Holy Cross will be represented by William J. Butler, '27, Montclair, N. J.; James J. O'Brien, '27, Lowell, and William P. Griffin, '27, New York City. The debaters will appear in this order. The subject will be "Resolved: That the Filipinos should be granted immediate independence." Boston College will have the affirmative and Holy Cross the negative.
Hon. Edwin O. Childs, Mayor of Newton will preside at the debate and the judges will be Hon. Alonzo R. Weed, Judge, Superior Court; Hon. Harold Williams, Brookline, Judge, Superior Court, and Hon. Joseph M. Coole, Dedham, Judge, Probate Court, Norfolk County.

Previous to the opening of the debate the Boston College orchestra will play. During the program Arthur Hagan '29, the leading tenor at Boston College and Thomas Laffin, Holy Cross, '26, former leader of the Glee Club will sing.

Newton Council, K. of C., are acting as sponsors for the debate and will award a large silver trophy to the winning team. The winning team members will receive solid gold fobs. It is the first time in the score of years of debating between the two teams that any organization has adopted such an activity. It is in keeping with Newton Council's policy of co-operating with Boston College in many educational and social activities.
The Knights of Columbus war slogan "Everybody welcome, Everything free" applies to the debate. The

Only One Glass Plant

In the whole of Mexico there is only one glass factory of any importance. This factory is at Monterey and confines itself largely to the manufacture of beer bottles.

D. A. R. MEET

The annual meeting of the Lucy Jackson Chapter, D. A. R., was held at the Chapter House, Newton Lower Falls, on Monday, May 9th. This was the annual all-day meeting.

Members met in the morning to work for the disabled soldiers and brought many contributions to be used at Ellis Island in the D. A. R. work there among the immigrants.
At one o'clock work was put aside and a box luncheon was enjoyed the hostesses of the day furnishing coffee and dessert.

In the afternoon the annual business meeting was called to order by Mrs. John N. Eaton the Regent. After listening to reports the following new officers were elected: Mrs. Livernus H. Howe, 1st vice-regent for two years; Miss Emily F. Jordan, corresponding secretary; Mrs. Warren D. Thompson, recording secretary; directors, Mrs. Arthur S. Tucker, Mr. Arthur C. Danmore, Mrs. John W. Byers, Mrs. Charles N. Fitz, Mrs. Joe W. Gerity; chairman nominating committee, Mrs. Chas. R. Lynde.

It was voted to contribute \$10 to the Red Cross fund for the Flood sufferers and the amount was more than doubled by voluntary subscriptions.

At the close of the meeting Mrs. Eaton made an informal report of the D. A. R. Congress held last month in Washington.

Commonwealth of Massachusetts, Middlesex, ss. Probate Court. To the heirs-at-law, next of kin, creditors, and all other persons interested in the estate of

Martin J. Hickey late of Newton in said County, deceased, intestate.

WHEREAS, a petition has been presented to said Court to grant a letter of administration on the estate of said deceased to Mary H. Hickey of Newton in the County of Middlesex, without giving a surety on her bond.

You are hereby cited to appear at a Probate Court to be held at Cambridge in said County of Middlesex on the first day of June A. D. 1927, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And the petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day, at least, before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this eleventh day of May in the year one thousand nine hundred and twenty-seven.

LORING P. JORDAN, Registrar.
May 13-20-27.

Notice is hereby given that the subscriber has been duly appointed executor of the will of Edward Hickey, late of Newton in the County of Middlesex, deceased, testate, and has taken upon himself that trust by giving bond, as the law directs. All persons having demands upon the estate of said deceased are hereby required to exhibit the same; and all persons indebted to said estate are called upon to make payment to

JOSEPH A. WALKER, Executor.

SHOWER FOR MISS PUCIARELLI

Miss Helen Puciarelli, who for a number of years has been employed as assistant to the Overseer of the Poor, was tendered a surprise shower last night at the home of Mrs. Ray Taffe, 11 Wiltshire road, Newton. She is soon to resign her position to get married, and about 30 of her girl friends who are employed in the different departments at City Hall "showered" her with kitchen utensils. Miss Combs of the Forestry Department, and Miss Kimball of the City Clerk's office gave recitations and a collation was served.

Thoreau's Tribute to

Wonders of Nature

Nature has taken more care than the fondest parent for the education and refinement of her children. Consider the silent influence which flowers exert, no less upon the ditcher in the meadow than the lady in the bower.

When I walk in the woods I am reminded that a wise purveyor has been there before me; my most delicate experience is typified there. I am struck with the pleasing friendships and unanimities of nature, as when the lichen on the trees takes the form of their leaves. In the most stupendous scenes you will see delicate and fragrant features, as slight wreaths of vapor, dewlines, feathery sprays, which suggest a high refinement, a noble breeding, as it were. Bring a spray from the wood, or a crystal from the brook, and place it on your mantel, and your household ornaments will seem plebeian beside its nobler fashion and bearing. It will wave superior there, as if used to a more refined and polished circle. It has a salute and a response to all your enthusiasm and heroism.—Thoreau.

"Sissy" Names Make No

Hit With Modern Boy

"Curious thing about names," remarked the professor at the close of a lecture. "The names that today we regard as 'sissy' are really the names of heroes of other days. Then, too, why should one combination of letters convey a different significance from others?"

"Most boys resent being called Albert, though Bert or Al will always pass muster with the gang. Percival is strictly taboo in the younger set. Even the small children seem to sense this state of affairs, as I had occasion to observe through the medium of a four-year-old friend of mine, who hates to be called 'Willie'."

"One day the next door neighbor, holding a piece of candy in her hand called 'Willie, Willie, Willie,' over and over again but although the little fellow was close by, he did not answer. Finally I said:

"Why don't you answer Mrs. Hastings? She has some candy for you."

"I know it," blubbered Willie, with tears in his eyes, "but my name's Billy, an' I won't come when anyone calls me Willie, even if they has a whole bag of candy."—Los Angeles Times.

Swimmer Had Choice

of Death or Agony

To be attacked by a shark is, to my mind, one of the most terrifying ordeals imaginable, says a writer in a South African paper. And of all the shark stories I have heard, this grim adventure on the coast of North Queensland is among the most dramatic.

A newcomer swam out from the beach during hot weather to an iron buoy about a hundred yards from the shore. He found that the buoy was too hot to hold, and turned back to the shore—turned and saw a man-eating shark a few yards away. On to the burning buoy he scrambled, dancing in agony as his feet touched the hot surface. The shark swam round, eyeing him.

After a minute on the buoy, he jumped into the water to cool himself. In a moment the shark was dashing towards him. He returned to the buoy.

This ghastly business was repeated a dozen times until some one on the beach came out with a boat and rescued the swimmer.

Formation of Petroleum

The geographical survey says the organic theory of the origin of petroleum is most generally accepted. Crude petroleum of paraffin base is believed to be formed of vegetable debris and petroleum of asphaltic base is believed to be formed of organic matter containing a large proportion of animal matter. Substantially the same products are obtained from petroleum of either base except asphalt, which is obtained from asphaltic petroleum only, and paraffin wax, which is obtained from paraffineous petroleum. Paraffineous petroleum contains a larger proportion of kerosene, gasoline and other high gravity products than asphaltic petroleum.

Just a Little Loan

She was waiting for a friend outside a telephone booth. A fashionably dressed young woman approached her. "I wonder if you could let me have a nickel," she said. "I want to telephone and can't find one in my bag."

She handed the nickel to the stranger.

"I don't see how I can pay you for the loan," the young woman laughed, "as I don't know you or where you live."

And she went into the booth to talk, finished and smilingly came out and nodded a good-by.—New York Sun.

Built for Tuberculous

The stone houses in Mammoth cave were built almost a century ago by sufferers from tuberculosis who believed living in the cave would cure them. Another story is to the effect that miners who took saltpeter from the cave for powder making during the War of 1812 built the houses, but while such mining did take place, it is probable the miners lived outside the cave. The fallacy of the underground cure theory for tuberculosis was soon demonstrated, and some of the stone huts remain unfinished.

Looks Count

The psychology of looks, contrary to a trite saying, is decidedly more than skin deep. It is rooted in one's very soul. Many of life's dismal failures could be directly traced to the day the individual discovered he or she was losing hold, because of unprepossessing appearance! I have been given too many confidences to discredit the flippant statement that "looks don't count." Looks do count! Looks are the first consideration, whether or not we acknowledge it to ourselves.—Beauty Culture.

Odd Doll Customs

Because of the antiquity of the doll it is natural that various customs and traditions should develop about it in various parts of the world. In Orange Free State in Africa every Fingo maiden receives upon maturity a doll that she retains until she becomes a mother. Then her mother gives her a new doll, which she carefully preserves until a second child is born. These dolls are held sacred and the owner never voluntarily parts with them, says the New York World.

MORTGAGE MONEY

There is a distinct advantage in having home mortgages held by home institutions. More favorable treatment is natural when the applicant deals directly with the Bank

SCHOOL NOTES

Mason School

The pupils of the Mason School are to give a program in recognition of Health Week in their Assembly Hall on Friday, May 13, in the forenoon. Captain Miller of the Red Cross gave a very interesting and helpful talk on "Life-Saving" to the pupils of the three upper grades in the Mason School.

Hyde School Notes

Several classes in the school have enjoyed trips to the Children's Museum at Jamaica Plain. To the seventh grades was given a study of the different types of trees around the museum. The fifth grades took a trip to the sun and moon, and the two fourths listened to a bird talk and noted the specimens there. Further trips are being planned for other classes.

The baseball team has made an enthusiastic beginning this year under Captain Richard Hennessy and Manager Warren Colby. Practice games with Waban and Newton Centre schools have been won. Also two league games were won with the following scores: Hyde 3, Burr 0; Hyde 32, Waban 7.

An instructive talk on life-saving was given to the upper grades last Monday by Mr. Miller of the National Red Cross Service at Washington, D. C. After explaining the methods of saving a drowning person, he demonstrated the process of resuscitation.

The eighth grade recently held a class meeting to decide on their class gift. It was voted to buy two pictures and to place any remaining money in the Hyde School fund.

The Memorial Day program this year will be in charge of the seventh grades under the direction of Miss Tabor and Miss Prentice.

Preparations are being made for a health rally next Tuesday, which will be a recognition of the work done in health by pupils and teachers. Badges will be worn by those meriting them for good teeth, posture and weight.

The program will include several plays, one of which is "The Quest for a May Queen," presented by children in the upper grades. There will also be a display in the corridor of health achievements of various classes.

Ralph Waldo Emerson School

Mr. Robert Miller, American Red Cross life saving expert from Washington, D. C., was a visitor at the Assembly on Monday morning. He addressed the pupils of the grammar grades in the interest of the coming summer playground program of teaching at Crystal Lake the art of swimming and life saving.

"Recognition Day" for the review of achievements made in the direction of bodily growth, care, and general good health will be observed on next Wednesday forenoon at 10:30 o'clock. A program in the Hall will be presented.

A 3-bus party of pupils of grades five and six, consisting of over eighty pupils, made a visit to the Jamaica Plain Museum recently. The party was received by Miss Mildred E. Manter, a former Emerson school teacher, the present acting superintendent of the Museum. Besides viewing the collection of museum articles, the pupils enjoyed a lantern lecture on the "Life Story of the Frog."

William Terry has been elected captain and Harold Strombom manager of the Emerson school baseball team. The team is being coached by Neil Mahoney, playground director. Seven members of Miss Dow's class presented the "Story of Silk" with lantern pictures at the Assembly on May 2.

Seven pupils of Miss Locke's class gave a Mother's Day Play entitled "A Basket of White Carnations" at the Assembly on May 9.

The following pupils took part in a play, "Spring Fun," in the Hall given by pupils from Miss Kelter's class:

"Country Boy"—Richard Hoey.
Country flower girl—Ruth Batey.
Out door boy—Leo Geraci.
Studios girl—Alice De Michele.
Farmer's boy—Leonard Morgan.
Farmer's girl—Stella Yablonska.

The play showed the many ways in which a person can enjoy the spring days and bring happiness to others.

"The Magic Thrift Lamp" was given in the Hall with the following chief characters from the class of Miss Hardy:

"Jack"—Albert Billings.
"Sally"—Dorothy Duval.
"Thrift"—Tony Mazzone.
"Magic Genie"—Eric Bradshaw.

New lists of names of pupils on the Honor Rolls of grades eight and seven are out. They are as follows: Grade eight—Bronius Balkus, Nellie Herasfield, Clementina Panella, Esther Batey, Alice Mahoney, John O'Leary, Ruth Seligman, Josephine Simoni; Grade seven—Della Fisher, Margaret Allardice, John Romaszkiwicz, Lucy Batey, Harvey Preble, Stanley Wood, Catherine Wood, James Arbuckle, Mary Heilthy, Margaret O'Leary, Priscilla Sawyer, Antonina Yablonska, Francis Mahoney, Joseph Gustowski.

Three boys from Miss Smith's class gave an entertainment in the Hall on "Planting the Tree" at a recent Assembly.

NEW FIRE ALARM BOXES

A number of the fire alarm signal boxes in this city are being equipped with a new type door which has been devised by the Gamewell Company, make unnecessary the opening of the large door on the boxes and facilitate the ringing of alarms.

Waban

—Mr. and Mrs. Alfred Crampton (Hortense Lane) are at White Sulphur Springs, Virginia.

—Mr. and Mrs. George L. Anthony and family of Crofton road moved on May 4, to Trowbridge street, Newtonville. Mr. B. T. Stephenson of Brookline has purchased their home.

—In the general division made by the Ways and Means Committee of the Newton Welfare Committee, Waban was given \$750 as its quota. \$1317 has been received toward the Welfare Bureau Campaign for funds. It is confidently expected that Waban will come in, with other villages, to fill amount of the quota assigned.

AD WEST

Many Firmly Believe

in Influence of Moon

A supposed influence of the moon on plants and animals is found mixed with the religious ideas of nearly all primitive peoples. The moon, too, is blamed for interfering in the affairs of men, and such beliefs persist today in folklore and superstitions.

If we get into touch with primitive peoples, or even, nearer home, if we take country folk aside and ask them in confidence what they think of the personality of the moon and of its influence, many will give this sort of answer. They will tell us that the moon, wife or sister of the sun, shares with the latter the duty of lighting the world. Perhaps we shall hear further that for misconduct it has been banished to the night. One is said to see in the full moon the face of a man in penitence or others say, the image of a hare. And we shall be told that the moon affects innumerable activities of man from the most important, such as agriculture, to the most trivial, such as cutting the nails or hair.—H. Munro Fox in the Forum.

Plants Grow Rapidly
in Continuous Light
Experiments in the use of intensive illumination as an aid to horticulture were made recently with 1,000-watt gas-filled lamps equipped with large reflectors. In every case the progress of the plants was remarkable, says a writer.

The plants were placed under the light when buds were just beginning to form. Daffodils and Lent lilies, when placed under the light for six hours a night, flowered in four days, growing about an inch a day.

The rapid progress of vegetation in the Arctic regions, once the sun has reached a fair altitude, has already been noticed by travelers. This is most likely due to the fact that daylight is continuous, although the presence of an unusually high ultra violet content is probably an influential factor.

The same explanation may account for the rapid growth of wheat in regions such as Alberta, in Canada, where the whole process of sowing to harvesting has to be completed in five months.

Not Good Weather Sign

The weather bureau says that the position of the lunar crescent depends upon the angle that the moon's path makes with the horizon, and on any given date it is always the same in places having the same latitude. If this weather sign were trustworthy, the same kind of weather, either dry or rainy, would prevail on any given date throughout a belt of latitude extending entirely around the globe. Of course, there is no such uniformity of weather in relation to latitude. Near the equator the position of the young moon never makes an angle of more than 30 degrees with the horizon, and it is generally in an even more nearly horizontal position, so that in a part of the world notorious for regions of heavy rainfall, the moon is, according to the proverb, always a "dry" one.

Words Are Jefferson's

It was Thomas Jefferson, and not Washington, who in his first inaugural address spoke of "peace, commerce and honest friendship with all nations, entangling alliances with none." In Washington's farewell address, he said: "It is our true policy to steer clear of permanent alliances with any portion of the foreign world." It will be noticed that Washington spoke of "permanent alliance." In a speech to congress Washington said: "To be prepared for war is one of the most effectual means of preserving peace." This is frequently misquoted by omitting the words "one of."

Relics of "Good Old Times"

An oaken gibbet, from which men were hanged in public for sheep stealing up to the year 1500, is preserved over the main entrance of a bank at Rutlin, Wales, on the ruins of the old courthouse. Men, highly skilled in the delicate work, labored to weave this centuries-old relic into the masonry of the new building. The gibbet bears grim traces of frequent use. A deep hole is worn in the wood where the rope was fastened. A sinister-looking dungeon where the prisoners awaited their doom is the strong room of the bank.

English Water Courses

"The Broads" is the name given to the series of picturesque fresh-water lakes mainly in the English county of Norfolk, but extending into Suffolk. "The Broads" were great estuaries, now largely silted up. Some are in the course of rivers; others are connected with rivers by artificial channels. There are about a dozen large Broads, the largest being Hickling, with an area of 400 acres. There are 200 miles of navigable water in this district, famous for yachting, fishing and fowling.

Mice and Matches

There is a popular belief that fires are often started by mice gnawing on matches. Engineers connected with the Underwriters' laboratories in New York decided to make a test. They put several mice in a cage and gave them nothing to eat but matches. Not one of the mice would touch the matches. After a few days they had to be taken from the cage and released to prevent their starving to death.

BOY AND GIRL LIFE AT ANNUAL MEETING OF THE NEWTON CENTRAL COUNCIL

(Continued from Page 1)

Miss Cora E. Riley, visiting teacher in the Newton schools, told of the work of the visiting teacher in finding out what the home conditions are which often have an unfortunate effect on a child's mental and physical condition, and in endeavoring to correct them. Pupils are not thrown out of school nowadays, she said; they must be adjusted to school, studied and helped.

Professor Herbert C. Mayer, of the Boston University School of Religious Education, was the first of the speakers to tell what the community can do to guard boys and girls. He spoke for the church. Here, too, the tendency is toward more individual attention. Directors of religious education and assistant pastors in the churches are a sign of this. Institutional churches help provide for leisure time. The task of the church is to set standards for conduct, and to promote what is worth while in life, always striving to strengthen the spiritual motives.

Mr. Francis L. Bacon, in his capacity as chairman of the Boys' Committee of the Newton Rotary Club, spoke on the boy and girl organizations of Newton. He made clear the necessity for studying the causes which govern our choice of interests. He questioned: What are the interests of young people, when and how have they started, where do they lead? In a group of 2,000 persons studied, Mr. Bacon said, the interests carried into later life have been found to begin outside the regular school curriculum. We must remember that knowledge follows interest, not the reverse. In Mr. Bacon's opinion variety of interests is the test of true education. In the study of boy and girl life now being made by the High School with the co-operation of the Newton Central Council, there has already been shown to be much duplication, and sometimes a lack of constructiveness in the form which recreation takes.

Mr. Ernst Hermann, superintendent of Playgrounds in Newton, told of the benefits of supervised play. "The increasing artificiality of our daily lives tends to rob our boys and girls of their opportunities to enjoy the real privileges of childhood—to experiment, to explore, to discover for themselves pleasure in simple things." The statistics which Mr. Hermann gave about the Newton Playground Department were most interesting. Our playgrounds are used by 602,125 boys and girls during the season. Bathing counts 168,621 and skating 280,371. Every sort of sport is organized in the department, both for boys and girls of varying ages and for grown-ups.

Community singing is conducted, annual pageants and field days held. Children are taken on picnics, to the seashore and to museums. Of special interest were the plans for conducting a special course in life-saving this summer, through the generosity of the Newton Chapter of the Red Cross. Many needs are still felt, however, such as municipal gardens and recreation buildings, more outdoor swimming pools, toboggan slides and tennis courts. More playgrounds are needed, too, and full-time directors for all the villages.

LIMERICK CONTEST

One of the most interesting Limerick Contests ever conducted in this city has just been concluded. It was under the auspices of the Ruid Manufacturing Company, makers of the famous Ruid Automatic Gas Water Heaters. Advertisements concerning this contest were printed in the Newton Graphic and the blanks for entrants were obtainable at stores in the different sections of Newton. Hundreds of residents of this city sent in answers which were judged on Wednesday by Mayor Edwin O. Childs, Mr. J. W. Geddes, Boston manager of the Ruid Company, and J. C. Brimblecom, Editor of the Graphic.

Many excellent answers were received, and after careful consideration the first prize was awarded to Frank J. Kelley, proprietor of the Elm Spa, 1369 Washington street, West Newton. Mr. Kelley receives a Ruid Automatic Gas Water Heater valued at \$135. The second prize, \$10, was awarded to Mrs. Charles S. Ensign of 293 Franklin street, Newton. Third prize, \$5, was won by R. M. Packard of 229 Austin street, West Newton, and ten prizes of \$1 each were won by Women's Club, Newton Highlands; Albert S. Partridge, 152 Oakleigh road; Mrs. Grace Roach, 216 Winslow road; Mary E. Hyde, 22 Floral street; Mrs. H. S. Kimball, 31 Pilgrim road; George F. Henricks, 34 Summer street; Bill Reilly, 301 River street; Mrs. E. M. Noyes, 14 Crystal street; E. Minot Talbot, 119 Dedham avenue, Needham; Hazel Hopkins, 33 Aberdeen street.

SPORT NOTES

Crimson '30 Wins On Courts

The Harvard freshman tennis team defeated the Andover academy players Wednesday afternoon at Andover. Captain Hill of the Crimson team lost his singles match but paired with Winslow had little trouble winning in doubles.

Allen School Wins, 13 to 7

Wednesday afternoon at Allen field the Allen school nine defeated the Huntington school team, 13 to 7.

Lingham Wins Another

Phil Lingham, Brown freshman pitcher, added another victory to his list Wednesday afternoon by holding the Harvard seconds to four scattered singles, while his teammates came through with enough runs to win, 3 to 1. But for a poor seventh inning when Lingham hit the first two batters up and one of them scored on an outfield error the former Newton youth would have had a shutout. At bat Lingham came through with a double at an opportune time.

Newton At Brockton

The Newton high baseball team travels to Brockton tomorrow afternoon to play Coach Roberts' team. Next Wednesday the second round of the Suburban league gets under way with the orange and black appearing at Russell field, Cambridge, against the league leading Cantabs.

ARMSTRONG'S LINOLEUM

In the home or office means permanent, beautiful and satisfactory floors. Floors of this type to meet your individual needs or ideas are made possible from a large variety of linoleums, new designs of Embossed Handcraft Tile, Marbleized effects and Jaspes, plus our expert method of laying.

Without obligation, our representative will gladly call and give you full details, show samples and submit estimates.

Service

West Newton

—The Misses Gravett of Waltham street entertained at bridge last Saturday afternoon.

—Rev. Dr. Robert McDonald of Worcester will preach Sunday morning at the Second Church.

—Mrs. Frank S. Webster and daughter of Hillside avenue have just returned from spending a winter in California.

—There was an all day meeting of the Women's Guild at the Second church on Wednesday. In the afternoon Mrs. Stella Marek Cushing spoke on Czechoslovakia.

—Mr. and Mrs. Willard C. Warren have sold their house on Lenox street to Mr. Walter B. Warren of Warren Brothers Co. and will be at the Vendome in Boston for the present.

—West Newton and Newton have been racing each other in the Campaign for maintenance fund for Newton Welfare Bureau. To date—May 10—Newton has the lead. Quota for West Newton is \$2000, with \$1343 already contributed. Pledges to be paid during 1927 will be gratefully received.

—Mrs. Margaret Cannon of 9 Ryan court, widow of Michael Cannon, died on Saturday. She was a native of Ireland, 72 years of age, and had resided in West Newton for 40 years. She is survived by one daughter, Mrs. Mary McDonough of West Newton, one brother and three sisters. Her funeral services were held Tuesday morning at St. Bernard's Church and interment was in Calvary Cemetery, Waltham.

—The Opportunity Club of the Second Church meets Sunday evening at 6:30 when a light supper will be served. Miss Marion Fuller will speak on "Opportunities in Nursing" and Mr. Harold Ramee will speak on "Opportunities in the Professional Accounting Field." This is the third of a series of meetings designed to acquaint young people with the opportunities for service in the modern world. The meeting is open to all young people of High School age and over.

ABOUT TOWN

Our esteemed friend who conceals his identity under the pseudonym "Cabot Park," had something to say last week about parking conditions at Newton Corner. He wondered "how much paint had been used by the City of Newton, and how much money in overtime had been paid to the city artists whose duties it is to follow the dictates of the Chief of Police, decorating the streets, sidewalks, and sidewalks signs, arrows, pointers, etc., in the attempt to solve Newton's traffic problems? The Newton Graphic, for instance. One day we visit the square and find parallel parking prohibited. Tomorrow the signs have been painted over, and it is permitted. One day the sidewalks carry the legend "No Parking." Tomorrow it is gone." "Cabot Park" goes on to criticize the prohibiting of parking for a considerable distance opposite the house of Engine 1, and suggests that the firemen there practice more on the big ladder, so that "they will be able to turn around in less space."

It is with some trepidation that we dare to take issue with "Cabot Park." We freely admit that his knowledge is superior to ours concerning many things, but in all due modesty we believe we are somewhat better informed concerning Newton Corner and Nonantum Square than he. We have dealt in the GRAPHIC during recent months with the very topic he discussed. It is quite probable he did not read our articles. We resided for twenty-five years within a stone's throw of Nonantum Square; part of this time opposite the house of Engine 1, and also in one of the apartment buildings at Nonantum Square. Our labors of years kept us right at the square. We are in and around Nonantum Square for a considerable time each day. Without being egotistical, we are quite well informed concerning Nonantum Square, and the traffic problems there.

Referring to "Cabot Park's" remark concerning the amount of paint used on the streets and sidewalks at Newton Corner in connection with the parking lot there, we would inform him "that the City of Newton has expended very little money, either in paint, or in paying wages to artists who did the painting." Several times we have complained, both in print, and to the Traffic Committee of the aldermen, that Newton has been slow in doing its duty in defining the parking spaces at Newton Corner." Instead of keeping the parking spaces and crossings well defined, by painting them frequently, Newton has painted them only once a year or so, in most cases, and motorists have not enjoyed the same assistance in knowing where to park, that is given by cities which paint such parking spaces every week or two.

When the very unpopular, and impractical rule, which compelled much of the traffic using Nonantum Square, to circle the Trust Company Building, was changed, the Chief of Police, in his desire to make Newton Corner safe for pedestrians, issued certain orders compelling parallel parking at several places in and around Nonantum Square. Immediately such a storm of protest arose from the merchants affected, that the Chief modified this rule. The writer and others have been endeavoring to have him still further modify it. When the new parking regulations at Newton Corner were put in force by Chief Burke, he announced "that they should be considered merely as experimental, and might be subjected to considerable changing, until sufficient time had elapsed to show just what will be the best methods to regulate traffic at this section." To date, comparatively few changes have been made. More undoubtedly will be made.

We also take issue with "Cabot Park" as regards his suggestion "that the firemen lay Engine 1 out on the big ladder—so that they will be able to turn around in less space." We have observed the regular driver of Ladder 3, and his relief drivers, and we believe that they handle this huge piece of apparatus as skillfully as could be asked. Until the present obsolete quarters of Engine 1 and Ladder 3 will have been replaced by a modern firehouse on the site at the corner of Washington street and Centre Place, or elsewhere, the space in front of the stores opposite Engine 1 house must be restricted against parking of these stores have been unoccupied for the greater part of the time since they were erected. They proved to be poorly located from the first, long before parking was restricted in front of them.

In last week's GRAPHIC we lauded the town of Watertown for its progress in building modern highways. But there is one street within the confines of Watertown that reflects little credit on our neighbor. We refer to California street, which runs from the Newton line to Watertown street, a distance of about one-quarter of a mile. The surface of this street resembles a "scrap" in France, and in striking contrast to the fine condition of California street on the Newton side. California street is used by a large number of vehicles and pedestrians. Just over the Newton line from Watertown are a number of manufacturing concerns, including the Earnshaw Knitting Company. It is a severe handicap to these manufacturing concerns to have California street. It would seem that the authorities of the town across the Charles have taken the attitude, "We should worry about industries in Newton." Inasmuch as the considerable number of Watertown residents are employed by the Earnshaw Knitting Company, our neighbor to the North ought to have sufficient consideration for them to properly surface California street. Within the past year many dwellings have been constructed in that section of Watertown bordering California street. Their occupants also would like to have the street made more passable.

When Aldermen Heathcote and Hodgdon were complaining at a recent meeting of the aldermen about the alleged discrimination against the South Side of the city, we wondered what these two gentlemen would say if the Upper Falls, Waban or Highlands had within their confines a school house such as the Lincoln School on Thornton street, Newton. This school is so old that city officials do not know when it was built. The

land where it is located was purchased in 1854, so it is safe to assume that the school was erected in 1855. The best official information we could obtain about it was—that the building was constructed sometime prior to 1873. Long ago it was condemned as unfit for further use, but after some improvements were made in the sanitation and lighting there, it again passed muster, and is still occupied by a couple of classes. The Lincoln School is nothing to brag about. But it is far superior in construction and appointments to most school buildings throughout the length and breadth of this land. The parents of the children attending the Lincoln School have regard for the health of their little ones, but they are not unduly fussy. If these parents objected to the further use of the school, it is quite probable that the classes there would be transferred to the Underwood School. But they prefer to have their children housed in this school near home, rather than have them risk the menace of automobile traffic by travelling across many streets.

Most of us were not educated in school houses scientifically lighted where the heat was thermostatically controlled, the air washed and laundered, and numerous other modern precautions against the ill which children are susceptible to. Neither were there any facilities in our old schools for laundering us kids. But most of us managed to survive. We are glad to see the youngsters of today enjoying better advantages than we possessed. But, somehow or other with all the new fangled precautions, the kids of today still seem to get mumps, measles, chicken pox and whooping cough even as we did.

TRAFFIC IMPROVEMENTS

Several dangerous corners at various points throughout the city have been safeguarded by flashing safety beacons. Included among them are the corners at Boylston and Parker street, Page road and Lowell avenue, Cherry and River streets, Crafts and Washington streets, Commonwealth avenue and Homer street. The corners at Boylston and Parker streets, and at Cherry and River streets, have been the scenes of many accidents, and many favorable comments have been heard on the placing of the beacons at these places. More dangerous corners are to be safeguarded, including that at Centre street and Centre place.

FINED FOR RECKLESS DRIVING

In the Superior Criminal Court at Boston on Monday, Dr. Hamilton Perkins of Concord avenue, Newton, was fined \$50 for reckless driving. On February 17 his automobile ran into the horse of a mounted policeman on Audubon road, Boston, killing the animal and throwing Policeman Daniel Milligan twenty feet. The officer has not been able to return to duty since. Dr. Perkins was found guilty in the lower court of operating so as to endanger the lives and safety of the public. He appealed, but the jury in the superior court found against him.

JOHN F. GRIFFIN

The Middlesex Past Grands' Association, I. O. O. F., met in Lowell on May 8. E. L. Buell of Newtonville was elected first vice-president. The association will meet with the Odd Fellows of Newton in Odd Fellows Hall, West Newton, Nov. 13, 1927.

Garden City Encampment will celebrate its 40th anniversary and the 108th anniversary of Odd Fellowship on Monday, May 16, in Odd Fellows Hall, West Newton. The Grand Officers will be present and a good entertainment will be provided. All Odd Fellows with ladies are welcome.

John F. Griffin, an old and respected resident of Newton died at his late home, 1 Waban street on May 5 following a long illness. He was born in New York City 75 years ago and had resided here for 55 years. Mr. Griffin was a tinsmith by trade, and worked for many years for the late S. O. Thayer and E. E. Snyder. He officiated for a long period as an election officer at Precinct 2, Ward 1, and for 30 years was secretary of the A. O. U. W. at Newton Corner. He is survived by one daughter, Mrs. John Glancy, with whom he made his home since the death of his wife. His funeral service was held on Monday at the Church of Our Lady and burial was at Natick, Mass.

TWO DELIVERIES DAILY

THE ELIOT CHURCH

Newton, Mass.

Rev. Ray A. Eusden, Minister

10:30 Morning service of worship. Mr. Eusden will preach.

Thursday evening, 7:45, mid-week meeting of the church.

Newton Centre

—Mrs. H. P. Fessenden of Oxford road leaves Friday to visit friends in New York.

—At the recent State annual meeting of the Girl Scouts Mrs. Irving Marshall was elected treasurer.

—The Ladies' Aid of the Methodist Church held their last supper of the season on Wednesday at 6:30.

—Dr. W. E. Huntington and wife of Center street have returned from a several months' visit in California.

—At the annual meeting this week of the Women's City Club of Boston, Mrs. Lorenz F. Muther was re-elected president.

—Mrs. B. F. White and daughters, Virginia and Barbara, have returned from a vacation spent at Atlantic City and New York.

—Mrs. Frederick Gibson will entertain the Lads of the Order of Sir Galahad at her summer home in Hull next week Saturday.

—On Saturday Martha Miller, daughter of Mr. and Mrs. R. F. Miller of Pelham street, celebrated her 3rd birthday by a party.

—On Friday Mrs. W. A. Ogg of Montvale road gave a Charity Whist of 21 tables for the benefit of the Mississippi Sufferers.

—Mr. and Mrs. Allan Hubbard, Jr., are receiving congratulations on the birth of a son, born last Thursday at the Baptist Hospital.

—On Saturday, Miss Katherine Jones gave a luncheon for Miss Katherine Rising and her bridesmaids. Miss Rising is to be married on Saturday.

—On Friday, Mrs. M. R. West "Mother" of The Baptist Home on Center street left for a visit to her daughter in Springfield and her son in Clinton.

—Mrs. Ordway Tead (Clara Armstrong) and little daughter who have been visiting Mrs. Armstrong of Chesley road have returned to their home at Forest Hills Garden, Long Island, N. Y.

—The only time that Simmons' celebrated Beauty Rest Mattress has ever been sold for \$29.50. Regular price \$39.50. Segerson Bros., 1213 Centre street, Newton Centre, Mass. Advertisement.

—A meeting of the Flower Chapter of the Methodist Church was held Tuesday evening at the home of Mrs. Ralph Emery on Lake avenue, Newton Highlands. Miss Craig of Norwood avenue gave a talk on Friendship. A most delicious supper was served.

—Mrs. Geo. E. Houghton of Natick (formerly of Newton Centre) is visiting Mrs. M. B. Jones of Ledger road. Mrs. Houghton has just returned from a three months' visit to her son who is a student at the Berlin University, Germany. She also travelled through England, Belgium and Holland.

—At the annual meeting of the Woman's Auxiliary of Trinity Church last week, the following officers were elected for the coming year: president, Mrs. Charles E. Donison; vice-president, Mrs. Hubert A. Coan; Recording secretary, Mrs. Charles K. B. Nevins; corresponding secretary, Mrs. C. Arthur Dettelle; treasurer, Mrs. David W. Norton; directress of sewing, Mrs. F. Harmon Curtis; directress of surgical dressing, Mrs. Wallace M. Cutler; directress of knitting, Mrs. Loring B. Hall; auditor, Mrs. William B. Neal.

—The Boston Woman's City Club Mrs. Herbert H. Longfellow was elected secretary.

—Miss Dorothy V. Kellar has won the honor of being the valedictorian for the senior class at Boston University School of Practical Arts and Letters.

—Mr. Strabo V. Claggett of Washington street has joined the ranks of the Hole in One Club, having accomplished that feat at the 17th hole of the Toy Tavern course at Winchendon.

—A library and a club house to finance makes money raising increasingly difficult. But remember that a central family welfare organization must be financially able to help in every part of the city. The quota for Auburndale in the Welfare Bureau Campaign is \$500, and \$296 of that amount has been received.

—Mrs. Arthur F. Farley gave a musical on Sunday afternoon, May 8, at her home on Vista avenue. Mr. Nicholas Floninsky, pianist, played several of his own compositions and also accompanied Mrs. Farley, who, at the request of her friends, sang several groups of songs. Miss Adelle Hoos Lee of the Leland Powers School gave dramatic readings.

—The Continuation Club of the Woman's Board of Missions had a luncheon and meeting on Tuesday at the Walker Missionary Home. Over 80 members and friends were present and enjoyed the luncheon which was served by ladies from the Congregational Church. Mrs. Everett E. Kent of Newton presided at the business meeting and introduced the speaker of the afternoon, Miss Mary Uline, who told of her trip around the world and spoke especially of the missions in India and China.

—The Mother and Daughter banquet at the Congregational Church on Wednesday evening was a most social and delightful meeting. Supper was served at 6 o'clock. There was community singing during the evening and a musical program under the direction of Miss Ruth Ufford. Mrs. O. Carey responded to the toast to mothers and Miss Marion Young to the daughters. Miss Helen Wright of Wellesley was the speaker and her subject "The Quest of the Beautiful." All present voted it a most successful evening and are looking forward to next year's banquet.

—Qualifying words are death to sentiment—such as the observation of the young man who said: "I would die for you—if necessary."

CHAMBER OF COMMERCE

All arrangements have recently been completed for the annual meeting of the Newton Chamber of Commerce, to be held at the Newton Club, Newtonville, on the evening of Monday, May 23. The usual dinner will precede the meeting, to be served at 6:30 o'clock, after which there will be an interesting discussion of topics of special local interest, with prominent members of the City Government and others listed as speakers.

MRS. MARY LAWN

Mrs. Mary Lawn, the widow of the late William Lawn, and a resident of Newton for almost a half century, died on Tuesday at her late home at 470 Albemarle road, West Newton. She is survived by five sons and five daughters. Her funeral service was held this morning at St. Bernard's Church, West Newton. Interment was in Calvary Cemetery, Waltham.

Bean Boards

Bean boards is a new article which one of the mills in Dairen, China, recently started to manufacture. It is used for feeding animals and is chiefly exported to America. The boards are of rectangular shape, measuring 28 by 12 inches, with a thickness of eight-eighths of an inch. By submitting them to higher pressure than is applied in the case of beancake, they contain less moisture, rendering them less liable to become moldy in transit. The venture is still in the experimental stage, and its future is looked forward to with interest.—Scientific American.

MAYOR BAUER HERE

Mayor Ralph S. Bauer of Lynn was the guest and speaker at the meeting of the Newton Churchmen's Union held Monday evening in Immanuel Baptist church.

After an excellent supper, President Carl J. Thornquist presented Mayor Edwin O. Childs to introduce the speaker. Mr. Childs, as usual struck a happy note in his introduction and Mayor Bauer was given a hearty welcome.

Referring to Mayor Childs' introduction Mr. Bauer told of the Men's Fellowship class which he had organized in Lynn and said he had rather be the president of that class than governor of Massachusetts. Within four years, this class, which is undenominational and embraces Protestants, Catholics and Jews has grown from 37 to an average of 580 and last Sunday had over 800 in attendance. The class meets each Sunday morning at 9:30 and is over by 10:15. It has wonderful community singing and has made a great success in reaching men who do not attend any church.

Mr. Bauer then told of conditions in Lynn, which he said was not so "respectful" as Newton. He had lived there for 30 years, but had not taken an active part in improving conditions until some 12 years ago. He then told of the efforts made to make the ocean front at Lynn a public reservation, and of an eight years struggle to bring it about. He had then served six years as chairman of the Board of Trade and later had seen several similar organizations amalgamated into a Chamber of Commerce, and which in turn had brought 170 industries to the city during the past three years. He favored the community chest feature as saving duplication and waste in charitable work, and said that Lynn had already raised \$198,000 and expected to make its quota of \$210,000.

The Mayor then got at the real meat of his address, personal responsibility. He told of one election in which he had asked a neighbor about one of the candidates and was told he was the man to vote for. After election he turned out to be a "curbstone blather-skite."

Lynn was in a bad way, taxes going up and waste and extravagance being paramount.

The Mayor then explained how the increase of taxes added to the overhead of every factory and business in the city, requiring increased prices for the product and thereby raising the rents and the cost of living, all of which was passed on to the ultimate consumer. Boston, Mr. Bauer believed, could cut \$5,000,000 from its annual pay roll, give good service and discharge 4000 loafers from its pay roll. The General Electric Co., the largest corporation in the city, began to protest against these increased taxes and instigated the situation in Pennsylvania where all machinery utilizing labor was tax exempt.

Mr. Bauer then told of his candidacy for mayor, in the primary and subsequent election for which he did absolutely nothing for himself.

After election, he found many interesting facts and told of reducing the graft in the Poor department from \$328,000 to \$276,000 the first year; of conditions in the Street Department with 179 men kept on the payroll all winter with nothing to do. During his first year, he cut \$1,000,000 in the budget, cut the tax rate \$5 per \$1000 and returned an unexpended balance at the end of the year of \$368,000.

It was Mayor Bauer's belief that it was impossible to get 100 cents on the dollar in municipal work, and he had been able to get but 85 cents where in past years only 25 cents of the dollar had been utilized.

Mr. Bauer repeatedly called attention to the need of personal responsibility of the average citizen in the election of public officials.

In response to several questions the Mayor stated his belief that the 18th amendment can be enforced and said that the 300 speak easies in Lynn of past years had been reduced to 40 during his administration. To enforce the amendment he would begin at the top, not at the bottom. First he would require all the judges and the lawyers, all of whom, have taken an oath to support the constitution, to obey the law themselves and see that the law was obeyed by others. Second he would cut off the supply of the wealthy citizens who served liquor at the table. Third he would not only enforce the padlock law, but he would extend it to taking the flask from the hip pockets of the men and from the bags of the women.

RAILROAD NIGHT AT NEWTON K. OF C.

Newton Council, No. 167, K. of C., will stage their Fourth Annual Railroad Night in Elks Hall, Centre street, Newton, on May 17, 1927, when a cast of more than fifty performers including the Pullman Porter's Band, under the direction of Mr. J. H. Lee will present the annual version of their musical show.

Lecturer John J. Fitzpatrick of the Council, a conductor on the B. & A. will be the conductor on the "Knights Special." He is being assisted by Recorder Daniel F. Quinlan and they will be responsible for the entire show which will be the biggest in the history of the Council.

Among the guests of the Council who will be officials of the Railroad and who will be surprised to see what their men can do besides calling stations and picking up tickets, etc., are J. L. Truden, Gen. Supt., J. B. Hammill, Supt., Trainmasters, F. F. Williams and J. F. Lucas, General Yardmasters McOrnick and Morrison, Captain Rafferty of the Railroad Police, Mr. Baldwin, of the Pullman Co., F. T. Jantzen, M. D., Asst. Chief Surgeon of the B. & A., also F. S. Hobbs, Supt. N. E. Transportation Co.

ANNUAL RECEPTION

The Stone Institute and Newton Home for Aged People will hold the Annual Reception and Sale on Saturday, May twenty-first, at 277 Elliot street, Newton Upper Falls, at 2 to 5 p. m.

SURPRISE PARTY

On Monday evening, May 9th, the Ladies of the Women's Auxiliary of the Newton Master Plumbers Association tendered a surprise party to Mr. and Mrs. J. B. Davis, 40 Cross street, West Newton.

The occasion being the tenth anniversary of their wedding, also Mr. and Mrs. Charles Whitney of Watertown were tendered a surprise at the home of Mrs. Davis, the occasion being their 35th anniversary. A mock marriage, which was arranged by Mrs. Florence Landers of Waltham, occasioned much amusement. Mrs. Niels Jepsen played the wedding march, Mr. J. Harry McGourty made a charming bride, Mr. Niels Jepsen, the bridegroom, Mr. A. G. Kerr, the country parson. Mr. Chas. O'Neal gave the bride away.

The costumes of the wedding party were well gotten up. Mrs. Landers read a poem for Mr. and Mrs. Whitney. Mr. and Mrs. Davis were presented with a picture and various articles of tin ware. Miss Whitney articles of linen, also minor articles just for fun. Vocal selections were rendered by Mrs. Jepsen and Miss Irene Lazine presiding at the piano. Whist was also played. At eleven o'clock the company sat down to a bounteous collation. A large wedding cake was on the centre table decorated with a miniature bride and groom. The evening wound up with the cake walk by Mr. McGourty and Mr. O'Neal.

Newton Centre

The Newton Centre School Association will meet next Wednesday.

Mr. George Owen will speak at the Friendship Club meeting next Sunday evening at the First Church.

Mr. and Mrs. Charles Hyde of Nottingham street have moved to Woodward street, Newton Highlands.

Mr. George E. Squier is one of the incorporators in the Shawmut Plate and Manufacturing Co. of Boston.

The Mather Class will consider Mohammedanism and the Way to Mecca next Sunday morning at the Women's Club house.

Mrs. Sidney R. Porter, regent of Sarah Hull Chapter, D. R., is attending the D. R. convention at St. George Hotel, Brooklyn, N. Y., this week.

The Community Mothers and Daughters Banquet will take place this evening in the Baptist Church. Miss Margaret Slattery will be the speaker and Miss Rosanna McCleave will preside.

The wedding of Miss Katharine Rising, the daughter of Mr. and Mrs. Frederick C. Rising of Parker street, and Mr. Arnold Barker of Newton will take place tomorrow evening in the First Church.

With a quota of \$500, Chestnut Hill has \$305 to its credit, in behalf of the Newton Welfare Bureau Campaign for maintenance fund. Auburn-dale and Chestnut Hill are running close. Which of them will complete its task first?

Newton Centre

The B. L. U. E. Club held a supper last evening in the Baptist Church.

Mr. Thomas E. Newton, Jr., the popular proprietor of Newton's Market, accompanied by his father, returned this week from an automobile tour to New York City, Saratoga Springs and central New York cities. Their journey lasted two weeks.

As contributions have been received on account of the Newton Welfare Bureau Campaign for maintenance fund, Newton Centre stands third in total amount to its credit. Quota for Newton Centre is \$2000. Only \$923 has been received. Checks or pledges for future payment will be gratefully received.

Mr. H. P. Simmons, who has been at 7 Parker street for the past year, left Wednesday, May 4, for Chicago to meet friends and take up his business again. He made many friends while here and will be missed by all who had the pleasure of making his acquaintance.

POLICE NEWS

Friday, April 28, at 5:45 p. m., a collision occurred at the corner of Page road and Edinboro pike, Newtonville, between a truck driven by John McNeil of Watertown and a Ford car driven by Dana Yates of 151 Edinboro street. Yates' car was tipped over and the truck was badly damaged. Yates received injuries to his head and was taken to the Newton Hospital in the police ambulance.

Last Friday, April 28, at 2:45 an automobile driven by Emily Ransom of 29 North street, Newtonville, struck a post at the corner of Homer street and Commonwealth avenue, Newton Centre. William Pike of Islington road, Auburndale, an electrician, who was standing on the post, received a cut hand.

April 29, at the corner of Water-town and Eddy streets, West New-ton, a Ward Bakery truck driven by Philias Gendron of Dorchester, collided with a Ford truck driven by Maurice Gerner of 123 Norwood avenue, Newtonville. Both cars were damaged and Gerner was injured. He was taken to the Newton Hospital in the police ambulance.

Wednesday, May 4, at 2:20 a Buick sedan owned by Arthur Little of 198 High street, Wal-tham, and driven by Carl Nelson of 129 Parmenter road, West Newton, collided with the westerly wall of the Lewis terrace bridge at Newton. The car was reduced to fragments. Nel-son received a bruised face. Little suffered bad cuts on the head and face, and William Healy of 278 New-tonville avenue, who also was riding in the car, received bad wounds on the head and face. Little and Nelson were taken to the Newton Hospital by a passing auto, and Healy was taken to his home.

Last Thursday at 7:30 a Ford sedan driven by James Hodges of Chich-il street, Newtonville, and the back-er car driven by Clarence McAusland of Talbot street, West New-ton, collided opposite the Stuart Ga-rage at Newton. The Ford was badly damaged.

Arthur C. Fielding of 13 Parker ave-nue, Newton Centre, was arrested last Friday by Serg. Bannan for the Boston police. He was charged with a serious offence against a 14 year old Jamaica Plain girl.

The many friends of Lieut. Edward Desmond, who has been absent from duty for sometime, because of illness, will be pleased to learn that he re-turned to duty last Sunday.

James H. Pearson of 28 Emerson street, Newton, was arrested Friday night by Patrolman Foley for the Braintree police who held a warrant charging the young man with breaking and entering.

The rural district of Oak Hill seems to be the goal of many who steal au-tomobiles, and then abandon them. Early Saturday morning Patrolman Hammell found another stolen car in that section. It was lying wrecked in a brook which runs through the grounds of the Charles River Country Club. The car was the property of Harry Fine of Brockton, and had been stolen in Boston last Friday night.

Another car recovered Saturday night was one stolen in New Bedford on May 2nd, and found by Motorcy-cle Cop Larry O'Donnell at Common-wealth avenue and Irving street, New-ton Centre.

An automobile owned by Arthur Quinby of 79 Washington Park, New-tonville, was stolen last Friday night while parked on Walnut street.

The store at 173 Hicks street, West Newton, was entered Saturday night or Sunday, and a small amount of money and merchandise stolen.

Sunday evening someone stole all the peanuts out of a peanut vending machine in the doorway of the store owned by Frank Vincenzo at 241 Ad-ams street.

As Mrs. A. C. Stone of 1156 Common-wealth avenue, Boston, was passing the corner of Pearl and Thornton streets Saturday night, a thief came up behind her and grabbed her hand-bag. She struggled to retain it, but only succeeded in keeping the handle. Her cries attracted Joseph Burley of Gardner street, who made an un-succesful attempt to catch the thief.

In the West Newton court on Mon-day Daniel Saunders of West Newton was sentenced to one month in the House of Correction for driving while under the influence of liquor. On the same day Daniel Adshard of Everett was fined \$100 for driving in a soured condition, and James Joyce of Shan-non street, Brighton, accused of a sim-ilar offence, was also fined \$100, plus \$10 for drunkenness. He appealed.

Henry Burnham of Prairie avenue, Auburndale, was arrested Saturday af-ternoon by Officers Dowling and Mc-Mahon charged with driving while un-der the influence of liquor. He will be tried tomorrow.

Dudley Lewis, 18, whose home is in Honolulu, and who is a student at Cambridge, was arrested early yes-terday morning by Patrolmen J. B. Foley and Mardon charged with driv-ing "wutliol." He will be tried May 12th.

Yesterday Chief Burke preferred charges against Patrolman William Haley, who was in the automobile which was wrecked early Wednesday morning on the Lewis terrace bridge. According to the charges, the patrol-man is accused of conduct unbecom-ing an officer. It is alleged that "while off duty and in citizen's clothes, Ha-ley, while under the influence of liquor, permitted Carl Nelson to drive the car while under the influence of liquor." The charges were laid before Mayor Childs.

BOY SCOUTS

The organization of the Norumbega Council of Boy Scouts of America has been practically completed. Fol-lowing is a list of officers for the year ending December 31, 1927.

President, William T. Halliday; vice presidents, G. D.W. Marcy (1st); Rev. Fr. J. F. Haney, Frank J. Day, Maynard Hutchinson; treasurer, C. Clark Macomber; secretary, James R. Warren; commissioner, John M. Woodbridge, Jr.; executive, L. A. Bruce, Jr.

The executive board is composed of the officers and Dr. Cecil W. Clark, Edwin S. Drown, Philip W. Carter, Philip L. Warren, J. G. Barnes, C. H. Cobb, Arthur L. Shaw, W. S. Radway, A. P. Hartshorn and Paul Waters. Ex-officio members of the board are Julius Ramm, Duncan Wright, and G. Clement Colburn.

Committees are: Finance, W. T. Halliday, Frank A. Day, Maynard Hutchinson, C. Clark Macomber and C. H. Cobb; Camping, E. S. Drown, Frank A. Day, Arthur L. Shaw, Philip L. Warren, Civic Service, Dr. Cecil W. Clark, James R. Warren, R. H. Brown, Julius Ramm, Duncan Wright and G. Clement Colburn. Sea Scout, Philip W. Carter, Kenneth Kempton, secretary; Levi Libby, treasurer, W. S. V. M. Fawcett, D. Kenneth Dumore, Donald M. Hill and Prof. George Owen. Troop Organization, G. D.W. Marcy, Rev. Fr. J. F. Haney, W. S. Radway, Paul Waters, with four mem-bers to be added. Leadership and Training, M. Woodbridge, Jr., E. W. Bartram, F. W. Gilcrease and Donald MacLellan. Educational Pub-licity, A. P. Hartshorn, Talmadge Fletcher, (Editor of Norumbega Scout); Ernest L. Nichols, G. D.W. Marcy and Wm. V. M. Fawcett. In each of the above named committees, the first named is chairman, the second commissioner and executive mem-bers ex-officio, with the executive as secretary, unless otherwise spec-ified. Field officers are Deputy Com-missioners Everett W. Varney, Mar-shall I. Stone, F. W. Gilcrease and E. J. Ovington, C. H. Woodworth, E. Donald McLellan. Portmaster is Richard Brown. The honorary com-missioner of the council is James C. Irwin.

There were several troops well represented at "The Ohio" on Sat-urday, May 7th, engaged in passing outdoor tests and in cleaning up their camp sites. Marshall I. Stone was Officer of the Day in the absence of Camp Director Crosbie.

During the past week, Commission-er Woodbridge and Executive Bruce visited and inspected the following: 1. Scout Master A. M. Quimby; 4. Scout Master Frank Leichtenhaeler; 5. Scout Master William Creed; 7. Scout Master Underwood; 9. Scout Master Foster; 11. Scout Master Mac-Euen; 13. sea scouts, Skipper Harris; 10. Assistant Scout Masters Root and Rhodes. The balance of the troop and the council will probably be in-spected the coming week.

On Monday evening, May 9th, a meeting of the rally committee, Mar-shall I. Stone, was held at Council Headquarters, 259 Walnut street, Newtonville. The final plans were discussed and final list of officers announced. The rally will be held at Clafin Field on Saturday, June 4th at 3 o'clock. Parents and the gen-eral public will be invited.

On Tuesday evening, May 10th, a meeting of the sea scout committee was held to discuss plans and policies for the Sea Scouts. Norumbega Coun-cil has been invited to judge the rally of the Needham Council on Satur-day afternoon, May 14th. The following officers are going from here: Port-master Brown, Scout Masters Reed, Quimby, Deputy Commissioners Gil-crease and Varney, Assistant Scout Masters, Emery, Root and Rhodes.

Norumbega Council has also been asked to send judges for the first District Rally, the Boston Council, to be held on Friday evening, May 20. The following officers are going: Commissioner Woodbridge, Deputy Commissioners Gilcrease and Stone and Portmaster Brown.

The regular meeting of the council has been called by President W. T. Halliday for Wednesday evening, May 13th at 8:15 o'clock at the new high school. Reports will be made and acted upon and new by-laws, drawn up by a committee of which James R. Warren is chairman, will be consid-ered.

President William T. Halliday left here Tuesday evening to attend the Annual Meeting of the National Coun-cil of the Boy Scouts of America, in New York City, May 11 and 12.

A Scout Masters' Round Table has been called by the commissioner, John M. Woodbridge, Jr., for Wednes-day evening, May 25th, to discuss matters of importance to the officers and scouts. It will be held at Coun-cil Headquarters, 259 Walnut street, Newtonville.

A Meeting of the Camp Committee under Edwin S. Drown, chairman, was held in Boston on Thursday noon, May 12. Questions pertaining to "The Ohio" were considered. Camp Director George H. Crosbie submitted a list of suggested camp regulations for "The Ohio," which were consid-ered and adopted. Sanitary Engineer F. W. Gilcrease gave the committee information on the sanitary and water supply conditions at the camp. He recommends the digging of a council well at a central location, where there is no danger of pollution and this will be done as soon as possible.

Chairman Drown submitted a plan for dividing "The Ohio" into blocks and assigning a block to each troop to keep clean of undergrowth and the like. He also suggested that a flag be awarded monthly to the troop pass-ing the best inspection for neatness of cabin and grounds, such a flag to be held by the winning troop for a month. The first and highest prize was awarded during the first and second seasons of the camping year may be awarded a prize.

For fire protection Camp Director Crosbie recommends that the border of "The Ohio" be divided into boy-foet and each troop given a section, depending on the number of scouts in it, to keep clear of a fire lane. He also recommends definite fire fighting equipment, such as 2½ gallon pump tanks, brooms, shovels and the like.

COLLEGE NEWS

By Harold P. Carver, N. H. S. '26

Once again picking up the threads of the narrative concerning Skidmore and the Skidmore ties we again make note of the fact that there are three members of the sophomore class at the New York school whose home is in Newton. The first, Ann Schipper, we wrote about last week and the other two we will take up now. Bertha Appleby and Louise Tomlinson are the pair that are com-panions of Ann Schipper. Bertha came from Marycliff Academy late in the final rush for honors, and as a result, did not do very much in the way of activities at Newton. In the last term she was selected as one of the members of the Mathematics Club and rendered valuable service as a very active member of that large organization. Louise Tomlinson, by reason of her shifting of courses in the middle of her high school career was much the same as Bertha in that she had to become accustomed to different systems. She was very much athletic and the one major accom-plishment was that of being on the class volleyball team for two years.

The junior class at Skidmore raised itself by one member so that it had four delegates from the City of Gar-den and in that number two of the girls are among the very best that ever graduated from the High School. The first one of these budding seniors, is Margaret Williams, one of the most popular girls, and most deserving of that position at the college. "Mar-mie" while at Newton charmed every-one by her manner and personality, and the step from high school to col-lege was a gap that she easily bridged in as much as she was able fitted to take responsibility and carry it through with flying colors. Not only popular in a social way, but also be-cause of her keen mind and eager search for newer and better methods in government, she dominated her class at Newton in a way that has seldom been equaled. Naturally, she was a busy person and a chart of her activities would show the amount of energy that she put into all her acts. "Marmie" started out as if she were intent upon establishing a record in athletics, and in a way she did, for she was most versatile, inhabiting al-most all the fields of the girls' sports. She was in vogue at Newton. Her first year she made the freshmen team in basketball and baseball, starting more particularly in the former. At the same time she was the outstanding player on the greenie's hockey team, and kept it up by playing all her years at school on the class team, being captain for three of the years. In this same sport, she made the varsity for two years, playing such a brilliant game that she was chosen as manager her senior terms. In an academic way "Mar-mie" also had her role to fill. She was elected for three years to the English Club, then the dominant body in the school, and with her election to the Vice-President's seat in her final season she was automatically looked upon as the leading girl of her class. She made the Glee Club for the same number of years as she did the Eng-lish organization, and was a prime mover in the affair of better or-ganization of its schedule. Her ex-ecutive ability was soon marked and used by her classmates throughout all the terms that she attended high school. Her first position was that of sitting on the Student Council, and after four years' experience, her words were listened to with respect as they usually were the wishes of the girls of the school. Her class duties took the role of chancellor of the exchequer for her first three years and then she became the Vice-President of the graduating class. The final honors that "Marmie" won were in the field of acting, where she made a decided hit in the annual presenta-tion of the Senior Play of 1924. At college this girl has continued her stardom, winning the confidence of her classmates and in every way liv-ing up to her previous record. She has been a class officer all her terms at New York, has played on the hockey squad, is a member of the musical clubs, and according to all re-ports is one of the most respected people on the Skidmore campus. As a fit companion for "Marmie" is a classmate of hers, Marjorie Weare, who comes from that part of the New-tons known as Newtonville. This girl, as near as it is possible, was a person of much the same calibre as "Mar-mie," for Madge was into almost everything that was on the boards and managed to do a little more than was there. She, too, held down a po-sition on the class hockey team for four years, playing a stellar game as one of the final defense. Her junior year she was a member of the squad and in the final effort she made the team with an ability that was marked at times by genius. She also had the honor of leading her class on the bas-ket ball court, and played at the job or-ward for three years, being the main cog in the high scoring machine that this class had for three years. She, naturally enough, was a member of the varsity team for two years and was one of the reasons that the team with such constant success all through the season. In her final years she was elected to the French Club, and also became a member of the Chorus which was just then mak-ing its debut under the new system inaugurated by the music depart-ment. Since leaving Newton, Mar-jorie has been an unqualified success in all departments. Much the same as "Marmie" Williams she has a pleasant personality and a power to make and to hold friends. As a re-sult, she has been elected at college to many offices, and is one of the most predominant figures on the campus of the institution. The other two members of the junior division at Skidmore are Muriel Bassett and Miriam Huss. The former comes from Newtonville, while the latter is an-other of the Newton Centre clan. In her freshmen year Muriel Bassett was a member of the field hockey team, but after that she gave up her liking for sports turning to academic affairs as more interesting. In her last year she was one of the leading members of glee club, taking part in all the concerts, and having a leading role in the selection numbers. Therefore, when the Chorus was formed, Muriel became a certain candidate and did such a splendid piece of work that she was unchallenged when it came

WARNING!

Do not place your rings on the stand when washing your hands. Do not take a servant without calling up the person who signs her references. Do not inform stray visitors that "there is nobody else at home." Ask gamblers, telephone repairers, etc., to show you their badges. Do not take a taxi-cab with two men on the box. If you are attacked, be sure to get a good look at your assailant's face. Lock your windows, especially those leading to fire-escapes. Change the lock on the door when you move to a new apartment. Do not put notice on hall bell or dumb-waiter that you are out. Do not hide money or jewelry under carpet, in vases, or in bureau drawers. These are the first places searched by a thief. Do not advertise the fact that you are going out by pulling down the window-shades.

Keep a final lock, no matter in how great a hurry, before you leave home, to see that all windows and doors are fastened. Keep a light burning in your apartment at night if you are out. A burglar never attempts to enter such an apartment.

to the choice selections. She also was a member of the French Club, when that group was working very hard to try to put the language before the school in such a manner that all would be interested. Her work and suggestion were two of the outstand-ing reasons why this project succeed-ed and with such rapidity, that the next season saw the French Club in a powerful position due to its appeal to the pupils as something really worth while. The last two bits of work that she turned in were the role on an actress in the Senior Play and another role, that of being an editor of the Newtonian which was a marked success that year. The other girl, Miriam Huss, was a member of the hockey club in her junior year, putting up a fine game for one as small as she is. And in her sen-jor year she was one of the leading members of the Dramatic Club which under Mrs. Mills direction turned out some ingenious original plays. On our next trip to Skidmore we will turn over the pages to the staid and sober seniors that are parading to Chapel with time honored cap and gown.

Have you ever made good on one job.. for 39 years?

THE extra mileage you get from Dunlop tires starts with the fact that Dunlop has had thirty-nine years of tire-building experience—more than any other tire-maker.

Each part of each Dunlop is built right. Dunlop owns its own cotton mills to spin selected long-fibre cotton into the special Dunlop cable-twist cords.

These cords mean extra strength—an added factor of safety against constant load and pounding of roads—longer life and greater mileage.

They mean extra "stretch"—so the tire carcass will give under blows, and come back to its original shape without the slightest injury.

Every Dunlop you buy has extra miles built into it because Dunlop knows each part of its job. That is why we recommend you put Dunlops on your car.

FALSE ALARM RINGERS FINED

In the Newton Court last Saturday the gang responsible for the many false alarms pulled in this city of late appeared before Judge Bacon. Their apprehension was due to clever and persistent work on the part of Sergeant Richard Bannan and Patrolman William Riley, who for over a month sleuthed to obtain evidence which would convict those responsible for the orgy of false alarms on the night of March 22nd, when seven such alarms were pulled within an hour and a half. On that night every piece of apparatus in this city was running on wild goose chase to outlying sections, and apparatus from outside places came into Newton to assist in answering the many alarms. The whole city was without protection for an hour or so, and had any real fire occurred no protection would have been available for lives or property.

Those appearing before Judge Bacon were Arnold B. Baker, 20, of Brown street, Waltham; Lawson Gassett, 20, of 43 Linden street, Upper Falls; Daniel Calnan, 18, of 1103 Beacon street, Newton Centre; Dennis Cronin, 17, of 123 Garland road, Newton Centre; Oscar Spear, 19, of 16 Anita Circle, Upper Falls; Everett Walton, 16, of 1244 Beacon street, Waban; Henry Furdan, 15, of 1050 Beacon street, Newton Centre; Harold Mayo, 16, of 1105 Beacon street, Newton Centre. Baker and Gassett have been employed at the Socony gasoline station at the corner of Beacon and Walnut streets, Newton Highlands, and these two, according to the police, instigated the wholesale ringing of the false alarms, and drove the younger members of the gang around to the boxes.

Serg. Bannan and Patrolman Riley had observed that Box 711, located on Beacon street, near Beethoven avenue, in a thinly settled neighborhood just west of the filling station, had been pulled a number of times. They also had observed members of this gang, which hung around the station, present near the boxes after alarms had been pulled on them. Acting on these clues they gained evidence against the suspects, and finally obtained confessions from them.

According to these admissions on the night of March 10th, Baker drove Calnan to Box 711, which was pulled at 10:05; one hour later Gassett drove Calnan to Box 92, at Parker and Dedham streets, Oak Hill, and Calnan pulled this. On March 18 Gassett drove Calnan to Box 921, also in the Oak Hill district and another false alarm was pulled. On the night of March 22nd four of the youths, Furdan, Walton, Calnan and Mayo walked to the corner of Walnut and Duncklee streets, Newton Highlands, and pulled Box 62 at 8:50. They returned to the filling station and started on a tour of the city. Calnan and Walton rode in a coupe driven by Baker and two boxes were pulled by this combination. Furdan and Mayo got into Gassett's car, with Spear as driver, and sounded false alarms from Boxes 663, 622 and 68. Returning to the filling station, Baker took Cronin to Box 711 and the last false alarm of the night was pulled from this box.

An attorney representing two of the culprits asked that the case be allowed to plead nolo, but Judge Bacon refused this request. He imposed the following fines:—Baker \$125, Calnan \$100, Cronin \$50, Spear \$100, Gassett \$50, Walton \$15, Furdan \$25, Mayo \$25. The fact that members of the gang had no prior court records saved them from jail sentences.

"OLD IRONSIDES" SOCIETY

The annual meeting of "Old Ironsides" Society, C. A. R., was held at the Lucy Jackson Chapter House, Newton Lower Falls. The officers for the coming year are James T. Dewing, Junior President; Richard Schofield, vice president; Alice H. Chapin, recording secretary; Barbara Webster, corresponding secretary; Henry S. Newhall, treasurer; Barbara Rodman, registrar; Janet Kendall, historian; G. Stanley Parker, William Macurda, color bearers.

Robert B. Chapin, Jr., retiring Junior President, opened the meeting and turned the office over to James T. Dewing. Janet Kendall, the new historian, taking Charles Stuart's place. The second color bearer is a new officer necessitated by the winning of the beautiful C. A. R. flag, made and given by Mrs. Mary H. McDowell, state director for the largest number of new members from October to March.

Plans were started for next winter's activities. Reports were given by all the delegates and alternates who attended the national convention. The reports showed that each one had absorbed a great deal of enthusiasm from attending the meetings. Money was voted to be sent the local red cross to be forwarded to the workers in the Mississippi Valley.

Papers were read by Louise Burchstead on June 17th and by John Woodbury Lane on the Declaration of Independence July 4th. Bradford Greene and Janet Greene, both played piano solos. "Old Ironsides" Society is to have a picnic at Gloucester early in June, through the kind invitation of Mrs. Alexander. A letter from Rear Admiral Philip Andrew, U. S. N., was read thanking us for a splendid poem on Old Ironsides written by Alicia Jones.

SPORT NOTES

The Bowdoin tennis team fell easy prey to the racket-wielders from Boston University last week when Captain Martin and his paddle-pushers took them into camp by a wide margin. Martin played at the very top of his game, winning his singles match handily, then teaming with his partner in such a way that the Polar Bear representatives never had an opportunity to get started. A repetition of the type of game that he flashed in these sets will put Martin in a position to be a major contender for the clay court championship of Boston, a position that he held some years ago while yet a novice at the game.

Hill again was the leading feature of the Harvard freshman tennis team when they swept through the slight opposition that the Milton Academy tennis team afforded them. His stroking has improved to such an extent that he is a very hard man to pull out of position, and with all the court experience that he has had, he is too crafty to let himself become tired out, or out-manoeuvred very often.

In the track meet between Tufts, Northeastern and Boston University, which the engine won, two Newton men ran well for Boston University. Freddy Onthank picked up a second in the middle distance run, just barely being nosed out at the tape by the superior speed of the engineer racer. In the dashes Johnny Buswell raced against some of the best sprinters in the state and ran the high in each event, but since he is a freshman he has plenty of time to make up for it. The third Newton man was reliable Tommy Thompson who collected four points toward the Boston University score. He raced to a second place in the low hurdles and then turned around and ran the high in an event that he picked up a third. Thompson has been one of the most valuable men on the Intown college's track team, for he can always be relied upon to come through in his event and often times has picked up extra points in the high jump, which was his old stand-by when student at Newton.

When the young Indians from Hanover overcame the track team representing the freshmen from New Hampshire State University, two Newton men had their scheduled places in the scoring. Gallagher running the low hurdles placed third in his event, which was run in extraordinarily fast time. But the big fireworks as usual were when Wallie McQuestion stepped out to do his stuff. Wallie simply accounted for some fifteen points tallying in the broad jump, and the two dashes. Right now he would be a valuable addition to the varsity track team and when next year rolls around there is little doubt but that he will be one of the mainstays of the Big Green. His broad-jumping is of varsity calibre since he is getting out anywhere from twenty up to twenty-two feet, and the times in the dashes have not been very slow either.

The great Mount Holyoke Field Day was held last week. This is the time when the whole college turns out to revel in all types of athletic encounters and here it is that the stunts secretly worked up in the winter hours in the gym are turned off in a fashion that delights a true lover of well trained drill. The various classes of the college have captains selected by vote, and to be captain of your class team is practically the same as saying that you are the best athlete in your class. As for the Newton led the junior class into the fray, a position befitting one of her ability in the ranks of sport. While at Newton she was into almost all the sports, with particular regard to the game of tennis, holding down a regular position on the championship team in her first year.

At the recent game that Cushing played against the Dartmouth freshmen Bo Hemen took the section of the outfield to the left and that was about all he could do, since the Green's hurler pitched the Cushing aggregation into submission, allowing them only two hits. Hemen has been fielding in a fine fashion, but he evidently is finding trouble in getting his eyes on the ball, although it was no disgrace to go hitless in that particular game.

Buster McCullough put on his hitting togs when Exeter played the Harvard freshmen Saturday, and as a result was batting for 500 when the matinee ended. If he has at last decided to shake off the slump that he has been in, he will easily be one of the outstanding prep school fielders, for he is a most capable fly snatcher and his arm is very good. Although Exeter went down to defeat before the Crimson yearlings, Mac certainly made fine showing and as a result the bottom part of the Red and Gray's batting order made a decidedly fine showing against the hurling of La Rue, the premier thrower of the frosh.

The pitching of Lingham for the Brown freshmen has not been very much on paper, but as a matter of fact the team has been supporting him miserably and on top of that, the pitcher for the Holy Cross freshmen is one of the best in the college circles. Lingham has developed a curve ball that pulled him out of a number of tight places, and has begun to hit, too, all of which seem to point to the fact that he is going to have a good year, if the team will only settle down and play good ball behind him.

The playing of Captain Eddie Stimpson featured the matches played between Williams and Harvard on Saturday at the Weston Country Club. He shot a sweet 72 for that tough course, and was the best man on the links as far as scores went, although MacKenzie won all his matches. Stimpson should be one of the leading golfers of this part of the country if this is any criterion of the shots that he has in his bag for the coming season. Last year he ended up in a blaze of glory, taking all sorts of prizes until the national event where he did far better than was expected of him. He is one of the leading players on the Commonwealth team, playing number one man usually, and winning the majority of his matches. Graduating this June from Harvard, he will probably become attentive to business but his golfing ability will keep him before the eyes of the golfing elect at any rate for some time to come.

DEATHS

HANNEY; on April 30 at 115 Freeman street, Auburndale, Michael Hanney, age 93 yrs.

SHEPARD; on May 2 at 18 Winona street, Auburndale, Mrs. Julia Shepard, age 65 yrs.

MARSH; on May 2 at 28 Walnut place, Newtonville, Walter P. Marsh, age 69 yrs.

WILSON; on May 1 at 207 Auburn street, Auburndale, Mrs. Flora L. Wilson, age 59 yrs.

MOREHOUSE; on May 4 at 98 Court street, Newtonville, Mrs. Mary Morehouse, age 79 yrs.

DOGS STILL CAUSING TROUBLE

The restraining order on dogs expired April 29, but if complaints continue to come in about dogs attacking persons, it is not unlikely that another restraining order will be passed. Wednesday William McKenzie of 439 Washington street complained to the police that he had been bitten by a dog owned by C. D. Weather of 742 Commonwealth avenue, Newton Centre. Dr. Boutelle will examine this canine.

Monday Charles Burgess of 59 Cornell street, Lower Falls, reported that he had been bitten by a dog owned by John Collins of 18 Neal street, that village. This dog was ordered restrained and will also be examined by Dr. Boutelle, City Veterinarian. Other dogs ordered restrained are those owned by Mrs. Schultz of Cleveland street, West Newton, and Mrs. J. W. Rice of Carleton street, Newton.

LEGION AUXILIARY

The American Legion Auxiliary to Newton Post No. 48 will hold their regular monthly meeting on Wednesday, May 18, at 7:30 o'clock, at the Elks Hall, 429 Centre street, Newton. As this will be their first meeting in these attractive rooms it is to be made a festive occasion at 8:30 o'clock, to which have been invited Mayor Edwin O. Childs, members of the American Legion, Post No. 48, the Auxiliaries of Waltham, Watertown, Wellesley and many friends, to join in a house warming.

An entertainment of a one-act play is being arranged by Mrs. Cunningham. A moving picture will be shown by H. P. Hood & Sons Company. Refreshments will be served.

The Auxiliary in the future is to meet the third Wednesday of the month in Elks' Hall.

On Monday, May 23, at noon, there will be a group attendance at luncheon in the unique "Food Craft Shops" recently opened at 234 Boylston street, Boston, by Miss M. E. Forbes, an interesting hostess, where friends may meet to chat, eat and remain to amuse themselves, and be instructed and informed of the "last word" in food values and domestic equipment, with much of interest to all home-makers or dwellers in apartments.

On Sunday evening, May 22, at the grand concert to be given at Norumbega Park by the American Legion of Newton, the Auxiliary members are to have the privilege of selling candy for the benefit of their treasury.

Editor's Note. All the Annual Meetings are coming in the same few weeks, so that in order not to make this Column the entire edition of the Graphic, and in order, too, that adequate reports of each may be given, rather than a mere cut and dried list of officers printed, it is necessary to carry over some meetings to a later edition than would be usual.

STATE FEDERATION Annual Meeting

May 17, 18, and 19, are the three days for the business and pleasure of the State Federation in its Annual Meeting at New Ocean House, Swampscott. The first session convenes at 2 o'clock on Tuesday, the 17th. The Credentials Committee will be on duty Tuesday from 11:30 to 2 o'clock, and from 4 to 5:30 o'clock. In order to vote delegates must register before 11:30 on Wednesday morning the 18th.

The New Ocean House is reached from Boston by trolley or train from North Station to Lynn or Swampscott; trolley from Lynn to Swampscott passes the entrance to grounds almost beside the convention hall. For those who do not stay at Swampscott there is great saving in the purchase of a twelve-ride book of tickets from Boston to Lynn for \$2.10. Arrangements have also been made for transient delegates for various combinations of meals at the New Ocean House, unless they desire to go back to Lynn, where there are several excellent restaurants and "coffee houses," or "soda fountain buffets." Luncheon or dinner in the regular dining-room may be had for \$3, and tickets must be secured in the morning. Luncheon and dinner may be had for \$4, and breakfast, luncheon, and dinner for \$5. A "modified" luncheon may be secured in the Tea Room or Grill Room, at \$1 and dinner at \$1.50.

The wonderful musical pageant, over which all have been dreaming, has had to be called off—evidently it turned from a beautiful dream of ours to a nightmare for its undertakers. Anyway, it is in the latter hands! The committee, consisting of the Federation Council, the Music Chairman, representatives of the district directors and the pageant director, announce that the "mechanics and structure of the Pageant have been completed. It has been the idea of the Music Committee to use every district in the State. The response, owing to the difficulties of rehearsals and financial conditions, have necessitated this decision. It was hoped that the individual clubwomen of the east could finance themselves and it was not the intention or desire of the Council or the Music Committee that the clubs of the State be taxed in order to produce this Pageant."

In place of this the Tuesday evening program will be a musical program by the Boston Woman's Symphony Orchestra, Mme. Ethel Leginska, conductor. They will play Overture, Les Preludes, Liszt, and Marche Slave, Tchaikovsky. Besides this the Federal Chorus of 250 voices, conducted by Arthur B. Keene, and made up of Club Choruses from Swampscott, Reading, Medford, Brockton, Manchester, Melrose, Danvers, and Lowell, with Wellington Smith, baritone, as soloist, will render entertainment.

On Wednesday afternoon, at 5 o'clock, in the hall room, the University Double Quartet, Joseph Lautner, director, will give a program from the repertoire of the famous Harvard Glee Club. These "tea time musicals" were most popular last year, and decidedly restful and soothing after the day of earnest concentration upon the reports of the convention.

That evening, the 18th, at 8 o'clock, Mme. Claire Maentz, soprano, will assist in the program offered by our own Grace Morrison Poole, who will give an address on "A Quest for Peace" (and Grace has been a continuously active clubwoman for years—what is the inference!) and Sir Herbert Ames, who will give an address on "The New Spirit in Europe." The reception which follows is always the crest of sociability, and in marked contrast to

the business procedure of the sessions. The blossoming forth of wonderful flowers, alpines, and cactuses, not to mention midnight parties, is yet another story, and—alas—may not be told by half in a Club Column!

For the benefit of those Club women who may not be planning to attend all sessions, but would like to hear certain favorite ones, there is given here with the day upon which reports of departments will be made. On Tuesday afternoon, the president's address of welcome, reports of the clerk, assistant clerk, corresponding secretary, treasurer, auditor, Federation Pin, Meetings, Headquarters, five directors of districts, and first report of Resolutions Committee. Tuesday evening, besides the musical program, five directors report. On Wednesday morning, meeting opening at 9:30, reports of Nominating Committee, Art, Music, Literature, five directors, general Federation, Federation of Peoples, Social and Industrial Conditions, Cooperation with War Veterans, Credentials Committee, and second report of Resolutions Committee.

This is the day of the Press Lunch-
eons!

At 2 o'clock, reports of Mothercraft and Child Welfare, Public Health, and Education, President's Questionnaire, presentation of the new Clubs, Junior Clubs, Press and Publicity, Community Service, Conservation, American Home, and International Relations.

On Thursday morning, reports on Legislation, Civil Service, Endowment Fund, Shannon Fund, President's Address, final report of Resolutions Committee, Elections Committee, presentation of new officers, and minutes of the meeting, adjournment.

Mrs. Frederick S. Davis, treasurer, reports to date, April 14th, \$27,033.88 to the Helen A. Whitier Memorial Fund. In connection with this fund, Mrs. Frank H. Stewart, the State Art chairman, has had a most happy idea, as a means to adding to it, and at the same time giving to Clubwomen a useful and beautiful article. At her booth in the hotel foyer, at Swampscott, there will be found for sale boxes of charming ivory candles, with the State Seal of the Federation. These will not only be reasonably priced, but will be offered for sale nowhere else. Clubwomen, it may be prophesied, will vie with one another to secure these before the supply is exhausted, and feel that in their enjoyment of their beauty and unusual Seal, they are at the same time adding to the Fund for a former State President's honor-
ing.

The Art chairman, too, is promising a most attractive and instructive and altogether worthwhile exhibit of Arts and Crafts at her booth—or possibly the exhibits sent from the many Clubs may demand special space—with specimens of Italian Cut-work, and other needlecraft that many who have travelled in these realms of talent abroad declare can not be rivalled even in their native heath! Clubwomen will be interested to view the talent of their fellow members of the State Federation.

And Mrs. Stewart, the originator of the two above appealing ideas, belongs to Newton—aren't we glad, and proud!

Press

COMING EVENTS

Newton Upper Falls Woman's Club

The Newton Upper Falls Woman's Club (and husbands—kindly note this advantageous condition!) presents "The Adventure of Grandpa" in the Annual Dramatics to be given in Emerson School Hall on Monday evening, May 16th, at 8 o'clock. This announcement is sure to create a ripple of excited interest and anticipation, for the various appearances of the cast have quite placed their ability beyond the amateur stage, and their professionalism, together with the mirth of the play, ensures a delightful evening, for those who will attend. Beyond the inducement of the Club talent—AND THE HUSBANDS! don't forget that!—there is the further fact that music will be furnished by the orchestra of the famous "Smilers," whose broadcasts from WNAC have given so much enjoyment, and there will be home-made, and other, candy for sale by attractive and beguiling vendors.

Don't forget the date—May 16th—and everybody come, is the slogan of their publicity.

Shakespeare Club of Newton Highlands

The Shakespeare Club of Newton Highlands enjoyed its mixed business and play day, Annual Meeting, at the home of Mrs. William Forrester Pillsbury, of Berwick road, Newton Centre, as the guest of Mrs. Mary Blakemore of Newton. Mrs. Pillsbury, who is the niece of Mrs. Blakemore, opened her home for this hospitality of her aunt's, and members of the Club had the rare opportunity of viewing many beautiful and unusual treasures that have been collected by Mrs. Pillsbury on her various trips abroad. Mrs. Blakemore provided lavishly with delicious refreshments, including all kinds of sandwiches, cakes, ice creams and candies. The members not only enjoyed the many treasures for over seas, but the informality of such a "party" brought about the telling of amusing and interesting "stories." Plans were also made, with great anticipation, for the annual event, the June outing, which always is the invitation of a Club member, Mrs. H. W. Drew, who opens her summer home at Crow Point, Hingham, and five attrac-

tive cottages on the water front, for the pleasure of the Club. Here, on a date to be set for the middle of June, the members will gather for an all-day outing, to end with one of those delightful summer sports, a shore dinner, with lobster, and fish, and chicken, and a multitude of appetizing dishes.

After reports and the usual routine of annual meetings, the same list of officers as has served for the past year were re-elected: President, Mrs. Bernard Early; vice-president, Mrs. C. H. Keeler; secretary, Mrs. W. E. Moore; and treasurer, Miss Edith McCann; executive board, Mrs. H. W. Drew, chairman, and Mrs. A. L. Pratt, and Mrs. W. E. Moore.

The choice for next year's study of Shakespeare's works was made, with Macbeth, as the tragedy; King John, as the historical play; and Twelfth Night, as the comedy; this being the plan to have one of each type play presented and analyzed during the year.

This Club, while thought of, no doubt, as strictly a study Club, accomplishes so much of interest other than this worthwhile aim, that, possibly is not realized by Clubwomen, that the report of the secretary, Mrs. W. E. Moore, given at the annual meeting, is quoted in part:

In the thirteen regular meetings held during the season 1926-27, the Club has welcomed new members, and the return of valued ones absent for awhile, and the attendance has been exceptionally good, in spite of the extended southern trips that lured a few away. The largest meeting was held with Mrs. Stratton, when all members were present, besides several guests. Mrs. Stratton opened her home on November 19th for a Whist Party to raise money for philanthropies, and its success financially—not to mention socially—is attested by the following gifts \$5 to the Newton Y. M. C. A.; \$2 to the Newton District Nursing Association; \$10 to the Welfare Bureau; \$10 to the Red Cross; \$5 to Mothers' Rest; and \$5 to John A. Andrews Home.

A splendid advantage to all in the Highlands was the gift of \$15 toward a set of books on Shakespeare's works to be put on the shelves of the Newton Highlands Branch Library for use of all interested in the study of Shakespeare, and the gift of two books "How to Pronounce Names in Shakespeare," by Theodore U. Irbine, and "Life of Shakespeare," by Joseph Quincy Adams. The civic spirit in this educationally helpful gift for all citizens is what makes of Clubs, or of any organization, the value and joy of service.

Another delightful project of the Club is its giving of its first prize—\$10—with the thought that this is to be an annual affair—to the freshman or sophomore in High School who did the best work in Shakespeare during the school year. This effort to stimulate interest among youth for Shakespeare, and for all the better reading, is decidedly worthwhile, and even the larger Clubs—whose membership is many, many times the number of this one—have nothing more to their credit.

Another method of stimulating interest in the drama of this master is shown in the theatre parties to Macbeth and Midsummer Nights Dream, preceded by luncheons in town that so make for friendly understanding.

The social side of the Club has been shown in the many invitations accepted from fellow Clubs in Newton for visits of the president and secretary, including the Auburndale Woman's Club, Newton Community Club, Newtonville Woman's Club, Social Science Club, and Waban Woman's Club. The Club president invited the whole Club to attend a play written by herself and given by the West Newton Women's Educational Club—all invitations that have left many happy memories.

For the work of Club life, with co-operation with the big Club movement, the Club has kept in touch with the Newton Federation and the State during the year, with faithful representatives on Social, Civics, Education, and Legislative Committees.

In the plays studied during the year—Othello, Taming of the Shrew, and Timon of Athens, every member has prepared her work with great care, and the interest has been well sustained throughout, some of the reviews being rich in comparisons and comprehension so that all have broadened and deepened in the experience—a worthwhile year, indeed, for a Clubwoman, and no Club can say more, whatever its size or financial status.

Newton Centre Woman's Club

"The most beautiful thing I ever saw." With these words is summed up, probably for all who saw it, the Pageant, "The Quest of the Holy Grail," given by members of the Newton Centre Woman's Club on Friday evening, April 29th. In twelve reproductions of Edwin A. Abbey's famous paintings, with tableau and pageantry, under the direction of Maud Nichols Lyon, and with musical numbers that were a joy to hear, while eye was delighted with the quaint old world costumes, and the heart touched by the spiritual significance of the picture, Mrs. Fred L. Morgan, general chairman of the pageant, achieved a work of art, indeed!

The entrance of the novices was achieved to the chorus of Macdougall's "King Alfred's Hymn"; the entrance of characters, to the orchestra accompaniment of Mendelssohn's "Priests' March from Athalia," and Flemming's "Interger Vitae"; "He who is upright, kind and free from error. Need not the aid of arms or men to guard him; Safely he moves, a child to guilty terror, strong in his virtue."

Reading of the Prologue and Story was by Flora Bosson. Panel 1, entitled, "The Vision," with orchestra accompaniment of "Angels' Serenade"; Panel 2, "The Oath of Knighthood," with Chorus accompaniment from "Panis Angelicus," with solo by Marion H. Hitchcock, and violin by Jennie L. Farnum; Panel 3, "The Round Table of King Arthur," with orchestra, Grieg's "Solweig's Song," and a solo, Scott's "Love Divine," by Marcia R. Wilder, and violin by Miss Parmelee; Panel 4, "The Departure," with El-

When the Clock Strikes Six!

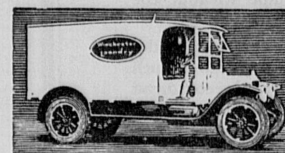

Everything is waiting for the return of the man of the house. The dinner is prepared and ready to serve at the sound of his familiar step.

These are his hours of relaxation, and he will enjoy even the simplest meal more if the table looks its best, and the linen is spic and span. And, too, this will have the effect of inspiring the younger members of the family to better manners.

FLAT AND FLUFF DRY SERVICE

makes it a simple and economical matter to insure a perfectly laundered cloth, whether it is the every day variety or the finest of embroidered linen.

Ask our salesman about this service as he calls at your neighbor's door.

WOMEN'S CLUBS

(Continued from Page 12)

and a soprano solo, Bizet's "Agnus Dei," by Ruth Pearson, and violin by Miss Parmelee; Panel 11, "Galahad the Deliverer," orchestra in Wagner's "Pillgrims' Chorus," from Tannhauser, and a contralto solo, Gault's "Eye Hath Not Seen," by Mada E. Lemont; and Panel 12, "The Golden Tree," with orchestra accompaniment of Verdi's March from "Aida."

Chorus director was Freda H. Nissen, and accompanist was Marie P. Mather, and the orchestra director was Belle Yeaton Mahn. The Chorus of Novices included Mesdames Stanley F. Barton, Karl M. Bowman, E. R. Brackett, H. A. Coan, Chas. Copeland, Elmer W. Davis, W. N. Donovan, A. R. Draper, H. F. Friedman, G. G. Goldie, W. L. Harlow, A. B. Hitchcock, Karl F. Jackson, S. M. Kimball, A. E. Lemont, M. D. Liming, John Merrill, Frank N. Nathan, Wm. C. Noetzel, John R. Perry, Chester C. Raush, A. H. Shannon, D. W. Tibbott, Allan S. White, S. W. Wilder, Frank H. Wright, and Miss Beatrice Eastman, Miss Marcia Eddy, Miss Marion Haskell, and Miss Ruth Pearson.

The Cast of Characters, in the order of their appearance in the procession: Two Herald, Mrs. Albert R. Spear, and Mrs. Ralph E. Stuart; Bearer of the Grail, Mrs. John Briggs, Jr.; Sir Galahad, Mrs. James Watson; The Nun, Miss Ruth Underhill; Sir Percival, Mrs. E. C. Winslow; Sir Launcelot, Mrs. Ellis Spear, Jr.; Sir Bors, Mrs. E. A. Andrews; King Arthur, Miss Elizabeth P. Bartlett; Jester, Mrs. Wm. J. Hodges; Page to King, Miss Virginia Davis; Amfortas, (the President) Mrs. Willard Dairymple; Blanchefleur, Mrs. Geo. F. Richardson, Jr.; Spirit of Joseph, Mrs. Wm. D. Rising; Bishop, Mrs. F. J. Blake; Attendants to Bishop, Mrs. Cyrus T. Schirmer, and Mrs. F. S. Smith; Daughter of Herodias—with golden dish bearing head of John the Baptist—Mrs. John Whittesay; Knight with Bleeding Spear, Mrs. Arthur L. Lewis; Knights with Seven-Branded, Candelsticks, Mrs. F. B. Weston, and (president elect) Mrs. F. M. Gibson; High Priest, Mrs. Geo. W. Taylor; and Keeper of the Gate, Miss Mary E. Steeves.

The Knights of the Round Table were Mrs. E. H. Bill, Miss Margaret Copeland, Mrs. F. Harmon Curtis, and Mrs. Robert E. Hayden. The Nuns were Mrs. E. B. Bishop, Mrs. John J. Harman, Mrs. Chas. K. B. Nevin, Mrs. Willis E. Pattison, Mrs. S. B. Rowe, and Mrs. Harry M. Sutton. The Angels were Miss Rhoda Bollinger, Miss Louise Johnson, Miss Adelaide Lincoln, Miss Betty Murphy, Miss Betty Pratt, and Miss Esther Winslow. The Maidens were Mesdames Howard S. Bartlett, Wm. H. Brackett, T. A. Carlson, Douglas B. Francis, F. W. Gilcrease, J. Herbert Johnson, Merrill C. Nutting, B. F. White, and E. B. Widger, and Miss Doris B. Lee, Miss Erville Shannon and Miss Muriel Shannon.

Surely, enough has been given of the unusual opportunities, with whose beauty and charm all are familiar, to prove that this Pageant held a loveliness that was breath-taking.

Newton Circle, Inc.

The 13th Annual Meeting of the Newton Circle, Inc., was held on April 29th, at 2:30 o'clock, at the new Florence Crittenton Home, 10 Perthshire road, Brighton, this meeting place having proved of special interest for this past Club year, with the president, Mrs. John T. Lodge in the chair. Many members and friends were present, and enjoyed the tea, and the interesting inspection of the Home. Reports given for the year showed that the Circle has had a most successful year, the assistant treasurer, Mrs. Job E. Gaskin, reporting a membership of 438. Written reports from the president of the Juniors, Mrs. Harry E. Pearsall, and of the work on probation before the Newton District Court, by Mrs. Celia Wellman, are on file for the information of members. Proposed changes in the by-laws were read, to be voted on May 27th, at the meeting at the Community House, Newtonville at 10:30 o'clock on that date.

The president introduced Mayor Edwin O. Childs who expressed appreciation for the constructive work done by the Circle and by Mrs. Wellman, and was, as always, an inspiration and delightful, as well, in his remarks and wit. Mrs. Wellman's report, also, was in the nature of an address, and most informative and interesting.

The report of the Nominating Committee was accepted, and the secretary was instructed to cast one ballot. Many of the officers were re-elections, including the president, Mrs. John T. Lodge, of 332 Commonwealth avenue, Boston; vice-presidents, Mrs. C. Peter Clark of Newton Centre, and Mrs. Edwin P. Brown of Newton; recording secretary, Mrs. William J. Champion of Waban; corresponding secretary, Miss Kate Potter of Newton; and treasurer, Mrs. D. Morley Lodge of Chestnut Hill. Miss Mabel Hull of Ivanhoe street, Newton, was elected

assistant treasurer; Mrs. George Brown of Kenilworth street, Newton, was elected president of the Juniors; and Mrs. Job E. Gaskin, Mrs. Charles R. Lynd, and Mrs. Ralph Lewis were elected new directors.

Christian Era Study Club

The Club year of the Christian Era Study Club drew to its close on Monday, May 2nd, with the Annual Meeting, at which there was a large attendance. Mrs. Dean Walker of Hancock street was the hostess. Reports of the year's activities, which included a most pleasurable study of the early days of America, in its securing of independence, was followed by election of officers. Miss E. B. Smith is again president, attesting her place in the affections and confidence of her fellow members; Mrs. Waldo Hutchinson, vice-president; Mrs. Edward P. Allen, secretary; Miss Blanche M. Noyes, once more treasurer; and other officers are: Federation delegate, Mrs. Harry Perkins; Civics chairman, Mrs. E. B. Case; Education chairman, Mrs. Edward T. Edmonds; and Social chairman, Mrs. Ernest F. Drew.

After explaining the history of "Building the Government of these United States," which is to be the general topic for study next year, Miss Smith, president, distributed the slips bearing the specially assigned topics to each member.

The day closed with enjoyment of refreshments, and a social time.

Newton Mothers' Club

On the same date, May 2nd, the Newton Mothers' Club held its delightful Luncheon and Annual Meeting at the home of Mrs. S. M. Bolster, 29 Exeter street, West Newton, the luncheon being served at one o'clock with 49 present. The officers as reported by the Nominating Committee, Mrs. Joseph N. Lovell, chairman, were unanimously elected to serve for the coming year: Mrs. S. M. Bolster, the new president; Mrs. Carl E. Pickhardt, vice-president; Mrs. W. E. Crosby, secretary; Mrs. W. B. Phelps, treasurer; and Mrs. Irving Fisher, chairman of Club programs; and Mrs. Edward W. Whorf, chairman of Charity Committee.

C. L. S. C. of Newton Highlands

The Newton Highlands C. L. S. C. carried out its program for the final meeting on May 2nd, in spite of showers, when 17 members proceeded to Arnold Arboretum in four automobiles, and by special permit were allowed to drive through the grounds, adorning after this view of blossoming gardens, to the home of Mrs. Sanford Thompson, where box luncheons were partaken of.

At the Annual business Meeting which followed these officers were elected for the coming year: President, Mrs. Ernest Hagood; vice-president, Mrs. Andrew Wright; secretary, Mrs. Emory Clark; assistant secretary, Mrs. Adelaide Webster; and treasurer, Miss Mary Hyde.

Next season the Club will devote six meetings to the study of China; four to "The World's Great Thinkers," by Will Durant; and other days will be reserved for special subjects.

Newton Hospital Aid Association

The annual meeting of the Newton Hospital Aid Association was held in the Newton Center Women's Club House on May 3rd. The Association greatly enjoyed the hospitality so generously tendered them by the Women's Club and the expressions of appreciation and admiration for the delightful public spirited club were heard on all sides.

At 10:30 Mrs. George Talbot called the meeting together for the transaction of business. The reports read showed the very vital condition of the Association and the gracious address by Miss Allen, superintendent of the Newton Hospital, proved the wide-reaching value to the hospital of the Association's support and activity. So quietly is the work of the organization carried on that the general public has little idea of the sums spent to supply equipment and luxuries end come for the Hospital that can not be afforded by the regular Hospital funds.

It was voted to change the financial year of the Hospital Aid Association from May to January.

In years past the Association gave some large function, generally a card party, each year, to extend the possibilities of the income. A year ago the board voted to open a thrift shop, known as the Benefit Shop, to act as a mutual help to the Hospital, to poor people who are enabled to buy good things at a low price, and to the home makers of Newton as a clearing house for their unwanted articles. Mrs. C. Peter Clark, of Newton Centre, who has for the past year been chairman of the Shop committee, and who deserves great credit for this splendid work, read a very interesting report of the year's activity. Summed up into figures, which never lie, the Shop has earned and turned over the Hospital Fund \$5,000 in less than a year. They have decided to take a little cottage of 5 rooms at 5 Washington terrace, Newtonville, and keep on the work on a larger scale in more convenient quarters. On the recommendation of Mrs. Clark it was voted to have an Executive Committee with chairman, treasurer, and secretary, and one representative from each section, to direct the shop's activities with a manager to run the shop. The list voted on was as follows: chairman, Mrs. George Talbot; treasurer, Mrs. C. Peter Clark; secretary, Miss Eleanor Leatherbee; Mrs. John Coward, from Newton Upper Falls; Mrs. Pitt Drew, from Newtonville; Mrs. Dana Dutch, from Waban; Mrs. Bernard Early, from Newton Lower Falls; Mrs. J. N. Lovell, from West Newton; Miss Rose Loring, from Newton; Mrs. Leverett Saltonstall, from Chestnut Hill; Mrs. E. G. Swift, from Newton Highlands; Mrs. George S. Armand, from Auburndale; Mrs. N. F. Van Hosen, from Newton Center; and Mrs. Wiswell, from Wellesley. The Shop Manager chosen was Mrs.

Francis H. Williams of Newton Center, tel. C. N. 1425, and Collection Manager, Mrs. Van Hosen, C. N. 1898-W.

The speaker, Dean Lucy J. Franklin, dean of women for Boston University, spoke in her usually entertaining and masterly way on "The Psychology of Youth," giving much sage advice, and arriving at many sagacious conclusions. Her presentation of the real meaning of a "liberal education" is worth pondering. Amusingly she told of a college student who, when asked what she thought was meant by a liberal education, replied "a smattering of everything." She reminded us of what we knew, but may have forgotten, that this phrase came from the early days of Grecian culture, when only the free man was educated, and so his education became that of the liberal, or free man. Carrying forward the meaning of this phrase under such circumstances—a cause for rejoicing in the opportunity of him who was not a slave—it becomes evident that liberal education today should stand for all that is cultural and of value and joy to those who are privileged to gain this standard of progress and culture in the making of fine minds and of fine understanding and appreciation. When this realization comes to all its aim will be accomplished. Dean Franklin broadened outlook in the statement that education today is going forward to the point where mother and daughter sit side by side in classes, so have opportunities come into being for all, not only for the younger generation, as in the days when the twenties closed the doors upon further college study. This, in itself, should serve to bring into closer understanding the various ages.

Speaking of the ability and capability of the young people, Dean Franklin admitted she thought this had grown over former generations, as to self protection, but she bravely stated, also, that the spiritual development and understanding had retrograded, and here, the older generation could be of infinite aid.

After the program a delicious luncheon was served in the banquet room. Mrs. Fred Hardy of West Newton, heading an efficient luncheon committee, assisted by the daughters of the Association members.

No changes were made in the very efficient and faithful staff of officers of the Association except to add a 4th vice-president. The ballot unanimously voted was as follows: president, Mrs. George Talbot; 1st vice-president, Mrs. J. N. Lovell; 2nd vice-president, Mrs. William Flanders; 3rd vice-president, Mrs. W. V. Taylor; 4th vice-president, Mrs. Chester Spring, Wellesley; treasurer, Miss Florence Tower; recording secretary, Mrs. Frank Anderson; corresponding secretary, Mrs. Francis Williams; and auditor, Alonzo Weed.

Newton Community Club

The members of the Newton Community Club have been invited by Mrs. Le Roy Guion to spend Tuesday, May 17th, at her summer home in Ashland. This will be during Apple Blossom week and should appeal to all club members. Bring your lunch and hot coffee and cocoa will be served by our hostess. Meet at Post Office at 9:45 a. m. for electric to Framingham. Those desiring to drive out will be directed by calling Mrs. Guion, N. N. 4357.

DATES OF NEXT MEETINGS

May 16 Newton Upper Falls Women's Club, Dramatics.
May 17 State Federation, at Swampscott.
May 24 Newton Federation, Board Meeting.
May 27 Newton Circle.

Sarah Hull Chapter, D. R.

Rummage Sale

Opportunity for bargains, for "finds" and "treasures," is offered to the people of Newton in the Annual Rummage Sale of Sarah Hull Chapter, Daughters of the Revolution, on Friday and Saturday, May 20 and 21. There is the delightful spirit of "chance" appealing to all humanity that makes a delight of searching through any assorted collection, and, fortunately, so many times things that have been a "white elephant" for someone are just the desired and coveted possessions of another. Those who wish to donate articles for the splendid patriotic work, carried on by the funds raised at this sale, may do so by calling Mrs. Sidney Porter, regent, or Mrs. Daniel Goodridge, who will be glad to arrange to call for articles, or they may deliver these at the store on May 19th. Mr. Haynes, of Haynes and Hernandez, has most kindly and helpfully given the use of his newly-renovated store at 352 Centre street, Newton, for this sale.

The response to the opening of the Thomas Dalby Co. Retail Store in selling Women's, Children's and Infants' underwear in irregulars and samples has been so good that they will not only be open during business hours but Friday nights until eight o'clock and one o'clock on Saturdays at the Chase Building just off Watertown square.—Advertisement.

LAND COURT

To the City of Newton, a municipal corporation, located in the County of Middlesex; and said Commonwealth; Peter Shumpher, Bridget D. Keans, of said Newton, Simon D. Acouin, of Waltham, Nelsie M. White, of Belmont, Christie Henderson, of Somerville, in said County of Middlesex; Mabel E. Chadwick, and Andrew J. Lamphier, of Boston, in the County of Suffolk; and said Commonwealth; Thomas J. Burke, now or formerly of said Boston, Michael McDonald now or formerly of said Newton, and Eugene M. Curran, residence unknown, or their heirs, devisees, or legal representatives; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Henry A. Brown, of said Boston, to register and confirm his title in the following described land:

A certain parcel of land with the following description, to-wit: in said New-

Register.	May 6-13-20.	bandings ton, boun
-----------	--------------	-----------------------

Northerly by Grant Street, 100 feet; Easterly by Foster Street, 50 feet; Southerly by land now or formerly of Bridget O'Brien, 100 feet; and Westerly by land now or formerly of Frank E. Day, 50 feet.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

You are hereby cited to appear at the Land Court to be held at Boston, in the County of Suffolk, on the thirty-first day of May A. D. 1927, at ten o'clock in the forenoon, to show cause, if you have, why the prayer of said petition should not be granted. And unless you appear at said Court at the time and place aforesaid your default will be recorded, and the said petition will be taken as confessed, and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this fourth day of May of the year nineteen hundred and twenty-seven.

Attest with Seal of said Court.

A black and white photograph showing three men in military uniforms standing with a horse. The man on the left is holding the horse's bridle. The man in the center is standing next to the horse, and the man on the right is standing slightly behind it. They are all wearing dark uniforms with caps. The horse is dark-colored and has white wraps on its lower legs. They are standing in front of a building with a doorway.

LAST NEWTON CORNER SMITHY
GONE

One of Newton Corner's old landmarks is disappearing, and one of Newton Corner's best known and best liked horsemen is disappearing. It is the romantic trade which poets have dedicated rhymes to, and artists have depicted. The razing of the old buildings used as carriage-smith and vehicle painting shops by P. A. Murray and his sons in the early century ended the career of the last blacksmith at Newton Corner, and Tom Delaney, one of the best horsehoers who ever shaped the iron shoes at an anvil had shod the last horse in the familiar old shop on Brook street. When the new building was first arrived in Newton, a husky lad of 18, who had learned his trade in his native town of Cashel, County Tipperary, Ireland. A big framed, big hearted, dark skinned youth, Tom's infectious laugh and ready wit soon made him well known and well liked at Newton Corner. He entered the employ of Murray & Farrell, and when this firm was dissolved a few years later, Tom formed a partnership with Henry Leland and the late "Bob" Hewitt. These three men, who were all bred to the trade at their trade and their business soon grew until it was the largest in this vicinity. Not only did horse owners of Newton patronize them, but steeds from other places, whose masters or owners were unable to find a competent smith at the old firm of Delaney, Leland & Hewitt. Mr. Leland later left the firm and some years after Mr. Hewitt died, leaving Tom to carry on the business alone. The gradual replacement of horses by motor cars has caused the horsehoiering trade to suffer, and in late years Tom

**MORTGAGEE'S SALE OF
REAL ESTATE**

By virtue of the power of sale contained in a certain mortgage deed given by F. Eugene Belden and Grace May Belden, his wife, to the Newton Free Press, dated February 12, 1926 and recorded with Middlesex South District Deeds, Book 1841, for and in pursuance of the conditions of said mortgage deed and for the purpose of foreclosing the same upon the public sale of the premises hereinafter described on Tuesday, May 24, 1927 at ten o'clock in the forenoon, all and singular the premises therein described by said mortgage deed and therein substantially described as follows:

One certain parcel of land with the buildings thereon situated in Newton, Middlesex County, being the Northernly part of Lot No. 3, being the land of Granger, August 1, 1847, recorded with Middlesex South District Deeds in Book 1841, and being more particularly described as follows: Northeasterly on Saratoga Street, as shown on said plan, now Newton, one hundred (100) feet; Southeasterly by Lots No. 3 and No. 4, now or late of Eggleston, one hundred (100) feet; westerly by the other part of Lot No. 19, now or late of Charlotte C. Park, one hundred (100) feet; and northeasterly by the other part of Lot No. 19, now or late of Freeman one hundred and twenty (120) feet. Containing twelve thousand (12000) square feet of land, and conveying the same premises conveyed to said Grace May Belden

equine, or when they harked to sweet tones of the coach horn.

Few horses now are used in ton. Working horses are used some of the coal and ice companies. The likelihood of the declining to these animals because have learned that horses are superior to automobiles in their part of lines of business. An automobile cannot be taught to stop and start hundreds of houses on a route. Few horses in Newton are few far away. Mr. Charles E. still keeps a couple of them. Mount Ida School has a number saddle horses. And a few lucky are the proud owners of equine. One of these youngsters, John J. Jr. of Thornton street, is showing a fine painting picture. The man wearing the coat Horrigan, for 12 years employed a carriage-smith by P. A. M. and for many years Foreman of lot 1, when the Newton Free Press was manned by call men. The study figure wearing a female dress, apron and hat is Tom Delaney, he stood out his smifthy before he closed it for the last time.

by Mary Blanche Shelley, by deed date July 24, 1922, and recorded with Middlesex South District Deeds, Book 4540, Page 122. Said premises are conveyed subject

To a first mortgage of \$7500, held by the Brookline Savings Bank, dated July 1st, 1925, and recorded with said Deeds, Book 100, Page 10.

Said premises will be sold subject to said prior mortgage, all unpaid taxes, tax title assessments or other municipal liens.

\$200.00 in cash will be required to be paid at the time of sale, and the balance to be paid in ten 10% days from the date of sale at Room 329, 18 Tremont Street, Boston, Mass. Other particulars made known at the time of sale.

SUSAN L. DUFF, Assignee.

For further information apply to Augustus T. Crowley, 18 Tremont Street, Boston, Mass.

Apr. 29-May 6-13.

Commonwealth of Massachusetts.

late of Newton in said County, deceased.

WHEREAS, a certain instrument purporting to be the last will and testament

of said deceased has been offered to said Court, for Probate, by Jesse M. Caldwell, who presents the letters of administration with the will annexed may be admitted to said office, and may collect on her bond, or to some other suitable person, the executor named in said will.

You are hereby cited to appear at a Probate Court, to be held in said County, on the eighteenth day of May A. D. 1927, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

The said petitioner is hereby directed to give public notice thereof, by publication in some newspaper published in said County, three successive weeks, in the *Newton Graphic*, a newspaper published in Newton, Massachusetts, and by mail, to each of the persons named in the citation, at least, before said Court, and by mail, citation to all known persons interested in the estate, seven days, at least, before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this twenty-seventh day of April, A. D. 1927, at the County of Middlesex, State of Massachusetts, one hundred and twenty-seven.

EDWIN P. FORDAN, Register.

Apr. 29-May 8-13.

Prof. James P. Berkeley of New Bedford, and Prof. H. C. Mayer of Barnstable are on the program of the 1st State-wide Conference for Teachers of Religious Education in Massachusetts, to be held on Sunday, May 14, at 14 Beacon St., Boston. Prof. Berkeley has a paper on "The Needs of Young People." Prof. Mayer's topic is "Meeting the Needs of Young People through Inter-communication."

Miss Lulona Barker, Executive Secretary of the Norumbega District Day School Association, is chairman of the committee in charge of the conference, and will be the speaker at the morning session. Hayden L. Stright of Newtonville is a member of the committee. The conference is under the auspices of the Board of Christian Education of the Massachusetts Council of Religious Education.

has had hardly enough business to warrant continuing the old forge when the building where he clanged the anvil since his arrival in Newton over two-score years ago was sacrificed to make way for a modern automobile service structure. Mr. Delaney decided not to move to another location.

Twenty-five or thirty years ago, Tom's shop was a busy place, six or more smiths and shoers lining to care for all the steeds brought to this establishment. Three floors of the building were a shop, a few in all directions as the shoes were shaped for all sizes and descriptions of equines. Tiny little shoes for diminutive Shetlands, big, heavy shoes for the Percherons, delicately formed and carefully weighted for the lighter breeds, the paces, or any shoe that the community required, used on delivery wagons. Frequently during the winter months Tom and his fellows would work 36 and 48 hours at a stretch to sharpen steel so that horses could keep their "feet" during the winter. Tom and his fellows were thoughtful of them. Newton, the old days contained some of the best pleasure horses in Massachusetts. The late Hon. Henry E. and J. Cheney Potter kept handsomely well matched stables for their country. Charles L. Lancaster, E. W. Benson, W. P. Pease, J. W. Pease, Louise E. Smith, Hon. H. E. Harvard, John T. Langford, F. A. I. T. Burr, William Kimball, Simpson Brothers, later Joseph and Jagan, all maintained large stables, vied one with the other in possession of the best horses. Some of the coachmen employed by these, and other Newton gentlemen, indulged in warm rivalry for supremacy in displaying the best groomed horses and the finest harness. Those prancing animals all, long ago departed for the homes of their owners. Newton men who owned them, and the men who cared for them, have, with exceptions passed into the Great beyond. Then, but comparatively few could afford to maintain horses for pleasure. Now, almost everyone can afford to own a automobile. A trip of a score, miles has been considered sufficient for a horse and vehicle. Now, a journey of several hundred miles by motor-car is commonplace. The automobile has enabled the millions to travel along highways. But it has ended the romance that there once was. One can appreciate a good motor car but one could love a good horse, many of those whose hair has silvered, long with a certain degree of sadness for the days of yore when they held the reins over a responsive pair of legs, and heard the sweet tones of the coach horn.

Few horses now are used in ton. Working horses are used some of the coal and ice companies. The bakeries and milk concerns cling to these animals because they have learned that horses are superior to automobiles in their number and lines of business. An automobile cannot be taught to stop and start hundreds of houses on a route. The horses in Newton are few and far between. Mr. Charles E. Smith still keeps a couple of them. Mr. J. M. Schell has a number of saddle horses. And a few lucky are the proud owners of equine. One of these youngsters, John J. Jr., of Thornton street, is shown in the accompanying picture. The man wearing the overcoat is Mr. J. M. Schell, who has been a carriage-smith by P. A. Mumford for many years. Foreman of line 1, when the Newton Fire Department was manned by call men. The sturdy figure wearing the familiar leather apron of the "smokey" is John J. Jr. He closed his smitely before he closed his eyes for the last time.

The writer has known Tom as he can remember. We have cherished him as a "real he-man," mislabeled him as an unselfish friend. And now, that Tom has departed from the smithy, where we often enjoyed a hearty laugh at his remarks, quips, and where we strived to do our utmost, as he, with well felt gravity, would precipitate an argument among hangers-on, and get into a red-hot debate on any subject from prize-fighting to philosophy; that the new order of things supplied the old, and the cheery laugh of the anvil, and the jovial sound of Tom's voice, will be longed for at the blacksmith's forge, along with all his legion of friends, with him a well earned rest, and years of happiness in the eventful life.

NORUMBEGA DISTRICT PROCEEDINGS

Prof. James P. Berkeley of New Centre and Prof. H. C. Mayer of Norumbega are on the program of the State-wide Conference for the Directors of Religious Education in Massachusetts, to be held on Thursday, May 12, in Boston, 14 Beacon St. Prof. Berkeley has a paper on "The Needs of Young People." Prof. Mayer's topic is "Meeting the Problem of Young People through Inter-activity."

Miss Luliona Barker, Executive Secretary of the Norumbega District Day School Association, is chairman of the committee in charge of the Conference and is the presiding officer at the morning session.

Hayden L. Stright of Newtonville is a member of the committee. The conference is under the auspices of the Young People's Committee of the Massachusetts Council of Religious Education.

White Enameled Woodwork

Carmote White High Gloss Enamel goes on easily—gives woodwork and furniture a smooth, lustrous surface as white as swansdown—yet tough and wear-resistant. If soiled, a damp cloth will restore its radiant whiteness. Also made in ivory, and in eggshell finish if desired.

Y. W. C. A. DANCE

On May 21st the last Y. W. C. A. dance of the season will be in charge of the girls of the Blue Triangle Club. Preparations are under way to make this the best dance of the year. The proceeds of the dance will be given to the club to help defray their conference expenses.

The Girl Reserve play, "Patty Makes Things Hum," netted over \$100 for the girls. The girls are very grateful to their patronesses, to their coach, and to all others who helped make this play such a success.

The members of the Blue Triangle Club who presented the play, "Mr. Bob," in February at the Y. W. C. A. rooms are to give the same play in Newton Centre Congregational Church, May 11th. This will be a part of the fair being arranged by the ladies in their church, and the proceeds will go to them. Newton Centre has been so generous in its co-operation with the association that it is a pleasure to be able to render some service in return.

The last meeting of the children's gymnasium class was held May 12th. The class was combined with the Triangle Club for younger girls. Several minutes and dances were given by the girls as typical of the lessons throughout the year. Refreshments were served, and an exceedingly pleasant afternoon spent.

The last meeting of the adult gymnasium class will be May 31st.

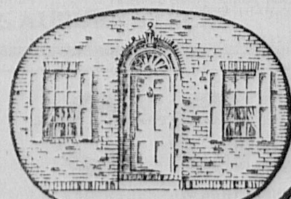

DOGS STILL BITING

George Considine of Fayette street, Newton, reported to the police on Saturday that as his auto truck was passing through Newton Highlands dogs owned by E. F. Rockwood of 35 Lakewood road, and R. F. Briggs of 21 Saxson terrace had leaped onto the truck and bitten him on his knee and elbow. The dogs were examined by Dr. Boutelle.

Another attack by a dog was reported by Thomas Francy of 2048 Commonwealth avenue, Auburndale, who was bitten by a dog owned by Fred P. Cleveland of Chaaske avenue.

FIRE RECORD

A new house under construction at 102 Warwick road, West Newton, was badly damaged by fire just after midnight Monday morning. The alarm came in from Box 34 at 12:20 a. m., and according to the police it was of incendiary origin. The building is owned by L. Berberian of 66 Highland road, Somerville.

ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

It has been part of my daily routine for several weeks to read over many of the communications sent to Gov. Fuller in connection with the Sacco and Vanzetti case. The fact that I have the opportunity to observe them in their original state—their here they are copied for the newspapers—adds interest to the task. One of the things that has impressed me is the vast amount of spare time that some people seem to have for writing such documents. However, that is clearly a personal matter and one to be settled by the individual.

The readers of the GRAPHIC know enough about the Gov. to appreciate the thoroughness with which he is certain to handle this problem. It seems that no Gov., at least not for a period of years, has been compelled to consider such a large number of important as well as trying subjects as has Gov. Fuller. Two capital cases, in which great public interest is displayed, would be enough to upset most anybody. Added to these are the regular duties of the State Government, plus the Legislature. It is handling the Chief Executive a big order, but Massachusetts has a Gov. equal to the job or jobs.

In the present instance the Gov. finds a great deal demanded of him. There are numerous State appointments to be made, many of them where the term of office has expired. These the Gov. wisely put over until after the General Court has progressed. Candidates for the places are numerous and their friends are more so. Every hour of the day there are delegations on hand to indorse some applicant for a State position. All have to be seen and the interviews consume the Gov.'s time, if not his patience.

I think that those of us who are in closer touch with what transpires in the office of the Gov. feel that it is crowding him just a bit to pile high on his desk letters, telegrams, cablegrams, radiograms, etc., containing gratuitous advice as to how he should proceed in the Sacco-Vanzetti matter. Of course this is only an opinion, but as a friend of the Gov. I know no better way of displaying that feeling than by restraining all impulse to advise him. Again I may say that every citizen has a right to do as he pleases in such a matter and far be it from me to curb personal liberty.

Just an instance that was told me by the head of one of our universities. We had not met for some time and so took occasion to exchange more than a mere "howdy."

Trying my best to be genial, I said: "You seem to be one of the few college heads who hasn't written to the Gov. telling him how to dispose of the Sacco-Vanzetti case. Have you been too busy?"

"I'll answer that with a story—a true story," he replied. "The other day in an elevator in one of our larger office buildings downtown, there were several men talking about the Sacco-Vanzetti case. One said, 'I've made up my mind. Not until last week did I know whether they were guilty or not so I sat down and read the stenographic report of the evidence.'"

"At this point," the elevator boy, who had been following the conversation, turned to the man and asked, "Who appointed you judge?"

"Now," continued my academic friend, "there's a whole lot of sense in that elevator boy's question. Who has appointed you or me or anybody else as the one to sit on the trial and advise the Gov. what to do?"

My only reply was, "Nobody."

Of course the members of the Board of Aldermen who claim to believe it economy to keep unfit horses drawing city wagons are not serious. Apart from the humane side of the question, the matter of veterinarian's bills is to be considered. To pay out money regularly for patching-up decrepit horses is not a wise or sound investment. Maybe these aldermen do not realize that a horse like anybody else, even an alderman, can outlive his usefulness. In that event, it or he or they should be retired. I would not suggest merciful destruction for any but the horses.

I do not for a moment believe that any member of the board is cruel or heartless. It is just a case of a layman's feeling that he knows more than a scientifically trained man. That comes of course from dipping into too many subjects. Such a practice, which cannot be avoided if one must serve his city in the capacity of alderman, is certain to lead to a superficial knowledge on which one bases snap judgment. The psychiatrist call it the superiority complex and that sounds reasonable.

It will take a great deal of evidence to convince me that the City of Newton is permitting lame and unfit horses to be worked on hard or even light hauls. If I thought for a moment such was the case I wouldn't waste a minute arguing with anybody at City Hall but I would put it up to the county prosecuting authorities. A city can be haled into court as quickly as anybody else. The head of a municipal department would be made defendant and if he turned the blame upon his superiors they would be made co-defendants. No amount of political influence would save them—and think of public opinion!

But we are not going to see any such spectacle in Newton. Publicity will do for the worn-out horses what some aldermen seem disinclined to do. I am sure these horses will get a rest. My confidence is based on the fact that if such a rest is not accorded them the Board of Aldermen will never be allowed a rest, and you can't make an alderman believe he isn't overworked.

Those who read in this column that the last performance in Players' Hall by the Players themselves had taken place are entitled to know of the decision on the part of the club to give another series. Next week there will be five performances of "The Show-Off," beginning Monday night. This special production is part of the program to obtain funds looking to the building of the Players' own theatre. It will furnish, undoubtedly, a sufficient sum to have plans prepared, etc.

Should the hopes of the Players in the matter of their own theatre be fulfilled it will certainly prove an surprise in which the entire city

should have an interest. The growth of amateur dramatics throughout the country has been marked and many cities are claiming credit for furthering little theatre movements. We, in Newton, are well aware that Newton can rightfully boast of one of the oldest amateur dramatic organizations in the country. Therefore, it seems quite fitting that after forty years it should have its own theatre.

I should like to say a few words of commendation for the manner in which the police handled the city government's order for the restraining of dogs throughout the month of April. In my opinion the gathering-in of all stray dogs, their removal to the pound where they could be identified by their owners, was a splendid solution of a vexatious problem. I can recall when similar orders were promulgated from city hall and many fine canines were laid low by the bullet from a police revolver for no other reason than that they had no collar or the owner had failed to claim them after 24 hours waiting.

There are many things in which the application of a little intelligence works wonders. How much more orderly and sensible to have empounded the wayward pups and their future provided for through restoration to owners or the agency of the Animal Rescue League. The plan was ready to shake hands with the person or persons who evolved it.

May I recommend to those who have not yet visited the State House to see the new painting of the regiment receiving decorations from the French Government that they make the trip at their first opportunity. The painting will be found on the third floor at the entrance of the Secretary of State's office. It will repay the readers of this column to see this splendid representation of our countrymen who served in the World War.

In my opinion it would be interesting to see some of our Newton women in the coming municipal campaign. Other cities have elected women to public office and as far as I have been able to learn no regrets have been expressed. It is idle for me to point out that Newton has among its voters many women thoroughly qualified to serve in the city government or in any branch of the State or National government.

If you have followed the actions of the Republican State Committee you will see how eagerly they seized upon the services of women for high positions. Is there any reason that Newton should not have women among those foremost in the political activities? I know of none.

Very well then, here is the opportunity. A municipal election next December for the choice of a Mayor and 14 aldermen. Who says that it will require courage for a woman to enter the field? Encouragement will do just as well. Nobody wants to run for office without assurance of strong support at least from an earnest group. I believe the idea would appeal. After all, the rule of a city is akin to housekeeping and a woman who runs her own household well is fully as able to tackle city problems as a man who conducts his private business successfully.

It may be that there will be those who will express amusement at the idea. When it was urged, not so many years ago either, that women be accorded the privilege of voting there were many guffaws. But that laugh has long since ceased. Now that "Votes for Women" is an actuality let us sound the slogan "Office for Women."

NEWTON LEAGUE OF WOMEN VOTERS

Throughout the year the Newton League of Women Voters has had meetings of excellence and of unusual interest. This held true on Wednesday evening, May 4, when Miss Rhoda Zeigler, acting president, introduced Miss Gutterston, Field Secretary of the State League of Women Voters.

Miss Gutterston told of the valuable work done by that organization and what an influence it has in Legislative affairs. This address though short was very stimulating and brim full of information.

Mrs. Helen Talbot, Special Representative of the League of Nations Non Partisan Association, who has recently been in Geneva, had extremely interesting things to tell her appreciative audience. She was brilliant in her responses to questions on the Economic Conference, the World Court and its five reservations. Treaties of Arbitration and International Affairs. Her fund of knowledge seemed limitless, her charming personality a delight to all.

BIRTHS

FULLER: on May 1 to Mr. and Mrs. Joseph Fuller of 33 Fountain street, a son.
SMITH: on May 1 to Mr. and Mrs. Hollis Smith of 68 Crafts street, a daughter.

LODGES

Rt. Excellent Charles E. Hatfield will make an official visit next Tuesday evening to Newton Royal Arch Chapter.
Next Monday evening Newton Chapter, Order of De Molay, will work the degrees at Maynard, Mass.

because of Dependability, Fine Appearance and Economy — now the world's most Popular Gear-Shift Truck!

In every section of the country Chevrolet Truck sales are breaking all previous records — establishing Chevrolet as the world's most popular gear-shift commercial car.

This decisive preference for Chevrolet is based on a matchless combination of dependability, economy and fine appearance — plus the public's confidence in a product of General Motors.

Chevrolet dependability under every condition of usage has long been traditional; yet recent improvements in the powerful Chevrolet valve-in-head motor — improvements typified by a new AC air cleaner and AC oil filter — have made Chevrolet Trucks even more dependable, with even longer life, greater operating economy and more satisfactory performance.

With a cab inclosure that matches passenger car design in comfort and beauty — with sweeping crown fenders and bullet-type headlamps — the Chevrolet Truck is one of the handsomest haulage units seen on the highways.

If you use trucks in your business — come in! Learn for yourself why Chevrolet performance has proved so satisfactory for every type of user — from the single truck operator to the largest fleet owner!

REAL ESTATE

John T. Burns & Sons report that they have sold the Lancaster Block adjoining the Newton Public Library, numbered 396-408 Centre street. The property consists of a business block with apartments, containing five stores and four apartments, together with 20,150 sq. ft. of land and a large frame double house. This is one of the largest areas of land to be transferred in the heart of the business district of Newton Corner for some time, and it will probably be developed in the future with a business building of some kind. The property was purchased by Louis Fabian Bachrach for investment, and is valued at \$75,000. The Newton Estates Trust, Roland F. Gammons, Treas., was the grantor.

Burns and Sons also report a very successful auction sale for the Estate of Blanche M. Learned at 14 Oak Ridge in the Lasell Seminary district of Auburndale. The real estate was sold at public auction to George N. Malcolm for \$14,100. The property consists of a semi-modern home of ten rooms and three baths with frame stable and 41,000 sq. ft. of land. At the same time the entire household effects were also sold at public auction.

MARRIAGES

JAMES-McKINNON: on April 30, at Somerville, by Rev. F. L. Beal, George James of Medford and Ida McKinnon of 77 Kirkstall road, Newtonville.

CRAMPTON-LANE: on April 27, at Waban, by Rev. F. H. Touret, Alfred Crampton of Brookline, and Hortense Lane of 55 Windsor road, Waban.

MEMORIAL BRIDGE

The John W. Weeks memorial bridge spanning the Charles river as a connecting link between the Graduate School of Business Administration of Harvard and the university proper, will be dedicated with formal exercises on tomorrow afternoon. More than 4,000 invitations have been sent out and it is expected that the ceremony will be one of the most impressive of its kind ever conducted in New England.

The bridge will be presented to the university by Henry Hornblower on behalf of the donors, all of whom were business associates and close friends of the late secretary of war, President A. Lawrence Lowell, on behalf of the president and fellows of Harvard University, will deliver the bridge to the commonwealth, through its representative, Gov. Fuller. The principal address will be given by Secretary of Labor James J. Davis.

Many of the country's leaders in business, professional and political life will be present. On the Cambridge side of the river, grandstands are being constructed, and large amplifiers will be used to broadcast the program to both banks of the river. There will be a band concert between 2:30 and 3 o'clock and the army, marine corps, coast guard and national guard will participate in the ceremony before and after the formal program.

Four memorial tablets are to be unveiled. The Rev. Paul S. Phalen will offer prayer and benediction. The Harvard Glee Club will give several selections.

The donors of the bridge are: Henry Hornblower, James J. Phelan, James H. Wainwright, Edward L. Geary, John W. Prentiss, Henry N. Sweet, Charles T. Lovering, Ralph Hornblower, James A. Payne, James S. Dunstan, Herbert C. Sierck, Paul B. Skinner, Percy W. Brown, Alfred R. Meyer, and Ovington E. Weller.

A FRATERNAL VISIT

Kiwanis Club Entertains The Rotary Club of
Newton

Tuesday noon the Rotary Club of Newton assembled with the Kiwanis Club at the Abnurdale clubhouse. In the absence of President Clem Colburn of the Kiwanians, who is in New Hampshire, recuperating from his recent illness, Vice President Earl Harper presided and greeted the Rotarians. President Cecil Clark of the Rotary Club expressed his pleasure at the "get together" of the two clubs, and invited the Kiwanians to return the visit. He said "that these service clubs promote friendship; friendship begets fellowship; fellowship brings understanding; understanding creates good-will, and eliminates strife." During the dinner Harold Schwab of the Lasell Seminary faculty entertained with piano solos, and the 126 Rotarians and Kiwanians present sang their club songs, with Mr. Schwab and Louis Haffermehl as accompanists. Rev. Earl Harper, following the dinner, introduced Rev. Garfield Morgan, D.D., of the Central Congregational Church of Lynn, as the speaker.

Dr. Morgan took as his subject, "The Art of Living Together." He told his listeners "that this art is the zenith of human achievement. Most men have not learned it. It is essential in family life, if homes are to be happy. The world is beginning to see the need of it, and service clubs such as the Rotary and Kiwanis are teaching it. Too many men live isolated existences, hemmed in by narrowness and bigotry, but when they become members of these clubs they realize that first of all they are members of human society and find a new world by helping to serve their communities. We are here not for selfishness, but for sacrifices. The world of industry is also learning the 'Art of Living Together.' Formerly employers and workers were belligerent; now, both groups are seeing the light and many large corporations are endeavoring to build up good will. The late great coal strike, and general strike in England was occasioned by a demagogue, Cook, and nearly ruined that nation. Men should strive to find the bonds that enlist the largest amount of sympathy, the ground that will hold all together. Educators cannot be Czars. To have morale in the schools over which they preside, they must respect the personalities of the students.

Dr. Morgan told of the Bible Class at his church in Lynn, where every Sunday morning at 9:30 from 500 to 600 men of all Christian faiths, and also Hebrews, assemble, having learned the 'Art of Living Together,' and realizing that all are human beings, created by the same God. He referred to the fact "that 50 years ago church members of one denomination would have denounced any proposal to have a minister of another denomination occupy the pulpit of their house of worship." He alluded to the intolerant

spirit displayed towards Unitarians and Universalists by those in charge of a Y. M. C. A. drive at Lynn even as late as 25 years ago. "Real lovers of God and mankind," said Dr. Morgan, "are forgetting narrow doctrines. It is not any particular church, but the humanity that God has put in us that counts. The 'Art of Living Together' must be learned through international relations. Beginning with the individual, it must extend through the family, neighborhood, community, state and country, until it will have embraced the whole world, and make humanity typical of heaven. We must outlaw hate and bitterness which have caused so much bloodshed and tears. America can and must lead the rest of the world in finding this Divine Art." Dr. Morgan concluded his address by quoting Burns' poem, "A Man's a Man for A' That."

MOTHER AND DAUGHTER BANQUET

The third annual mother and daughter banquet of the Newton Methodist Church was held Tuesday evening in the church parlors, with Mrs. Charles Smith as chairman. About one hundred and twenty-five mothers and daughters enjoyed the delicious dinner and the social evening which followed.

The parlors were beautifully decorated with spring flowers and the tables were most attractive with rose petals and gladioli. Mrs. Helen Eager Sweet was toast mistress and introduced Anna McPhee who answered to the toast "Mother and I." Dorris Hubbard replied to introducing Mother. Mrs. Florence Watson Blackett to This is My Daughter and Mrs. Margaret Bauer to "Elastic Apron Strings." Mrs. Florence McKenzie Mansfield was the song leader. Bertha Carter Flinn, Contralto soloist, sang "When Spring Comes to the Islands," and Florence Ferguson Houston was the violin soloist. Jane Louise Mesick, Dean of Simmons College, was the speaker of the evening and her subject, which she treated in a most delightful manner, was "Mothers and Daughters."

FACULTY PLAYS

The presidents of the various Federated Woman's Clubs are acting as patronesses for the High School Faculty Plays to be presented Saturday evening at the school. These plays are causing much comment because of their style and treatment. The lighting effects and the costuming of each will be unusual and of great interest. Although seats have been in great demand, some will be on sale at the Assembly Hall Saturday evening.—Advertisement.

NEWTON HOSPITAL

Week ending May 7: Patients in hospital, 140; patients paying as much as cost of care or more, 47; patients paying less than cost of care, 92; free patients, including babies, 31; patients treated by out-patient department, 178; by eye clinic, 7; accident cases, 10; babies born, boys 7, girls 4; social service calls at homes, 6; patients transferred by social service car, 6.

Of the 11 babies born at the hospital last week four were twins, one pair were boys, the other a boy and a girl. Four of the accident cases treated last week were due to automobiles—one was abrasions on the head and leg, a second lacerations over the eye, on the nose and on the upper lip, the third had a lacerated left hand, and the fourth a wrist broken while cranking a car. An adult fractured a rib by falling off a staging, and a child lacerated its chin in a header from a bicycle. One patient was treated for dog bite, and a child who had been playing in a sand pile had to have some of the sand removed from one of its eyes. One fractured finger was set.

The 178 cases reported by the out-patient department sets a record; also note that the number of patients in the hospital went to 140. One day there was a lull, but before the officials were more than aware of it demands for rooms flowed in and those in charge were trying again to accommodate all who wished to enter the hospital.

Several of those at the hospital attended this week's meeting of the Middlesex County Nurses' Association at the Charlesgate Hospital in Cambridge.

The hospital has received as gifts several magazines, glasses of jelly and a bath robe for use by men in the men's ward.

Dr. C. Macfie Campbell, director of the Psychopathic Hospital in Boston, was the speaker at Monday evening's meeting of the Newton Medical Club. His subject was "Psychotherapy for the General Practitioner."

The hospital has now opened its department of physical therapeutics, with Dr. Franklin P. Lowry of Newton as director, assisted by Miss Lucia Upton, a graduate of Dr. Sargent's School of Physical Education and from the department of physical therapeutics at the Walter Reed Hospital in Washington, D. C. The clinics of the department will be held from 10 to 11 on the mornings of Tuesday, Thursday and Saturday. These clinics are for those who cannot afford to go to a private physician and any patient in the hospital may be treated on prescription for a nominal charge.

FIRE RECORD

Box 911 at 1:37 p. m. Sunday was for a fire on land owned by Dr. William Lenox at Dudley road, Newton Centre. The flames partially consumed a fence.

Saturday afternoon Box 617 was pulled at 5:30 for a fire in an automobile on Boylston street. The car was owned by the Stilphen Motor Company of Dorchester.

POLICE NEWS

Due to persistent work on the part of Patrolman Charles Cody, two boys were hauled before the juvenile session of the Newton Court last Friday charged with breaking expensive stained glass windows at the Channing Church, Newton Corner. Martin Cummings, 12, of 296 Washington street, was sent to the Lyman School. Francis McArdle, 14, of 287 Washington street, was given a suspended sentence to the same institution, and ordered to make restitution to the amount of \$50.

NEWTON GIRL SCOUTS

Enthusiastic Meeting of Waban Troop and Presentation Of Eagle Badges to Three of Its Members

Over 200 citizens of Waban, Boy Scouts, Girl Scouts, parents and teachers, met together at the Church of the Good Shepherd on Friday evening for a banquet and joint get-together. Inspiring talks were given by a number of prominent speakers, and the crowning event of the evening was the awarding of the Golden Eagle to three Girl Scouts of Troop 14. These were Eleanor Burnham, Janice Upham, and Marjorie Whitaker. The party was arranged by a committee chosen from the troop members of the Boy and Girl Scout troops in Waban. The dinner was cooked by a group of interested mothers, and was served by Boy and Girl Scout waiters.

Bishop Frank H. Touret, former missionary bishop of Idaho, and present rector of the Church of the Good Shepherd, Waban, opened the meeting with a really brilliant speech of welcome. Mr. Sanford Bates, commissioner of correction for Massachusetts then took over the meeting as toast master. Mrs. James J. Storrow of Lincoln, deputy commissioner of Girl Scouts for Massachusetts brought greetings from the national president of the Girl Scouts, Dean Sarah Louise Arnold, who was too ill to attend the meeting. Miss Caroline L. Freeman, local director for Newton, gave a short talk on the true significance of scouting to boys and girls. Mr. Liscomb Bruce, the new executive of the Norumbega Council of Boy Scouts explained what a first class Boy Scout council can do for a community. Mrs. Moseley, commissioner of Girl Scouts in the Boston Metropolitan Division, talked about the ideals of scouting, and Mr. Harlan Crowell, former principal of the Angier School, Waban, spoke most affectionately to his old pupils, who did him the high honor of cheering him to the last echo. The other honored

guests at this meeting were Mr. Halliday, president of the Newton Boy Scout council, and Mrs. Halliday, Mr. Carl Penny, present principal of the Angier School and Mrs. Penny, Mr. John Woodbridge, commissioner for boy scouting in Newton, members of the Boy and Girl Scout troop committees and the officers of the Waban scout troops.

Following the speeches the Boy and Girl Scouts marched into the hall and while Troop 14 stood on the stage with the other troops at attention on each side of the room, the Golden Eagle, the highest award in Girl Scouting was given to Eleanor Burnham, Janice Upham and Marjorie Whitaker, by Mrs. Moseley. The Girl Scout hymn was sung and the meeting was closed with taps, sung by the scouts and echoed and re-echoed by two Girl Scout buglers.

The annual meeting of the Newton Girl Scout Officers Association was held at Camp Mary Day, on Wednesday evening, May 11th. Supper was served by officers of Troop 15, West Newton. The following officers were elected for the season of 1927-28:—Chairman, Mildred Moore of Newton Highlands, Troop 11; vice-chairman, Mrs. Paul Mosser of Waban, Troop 4; secretary, Mildred Lovejoy of West Newton, Troop 22; treasurer, Isabel Skipwith of West Newton, Troop 13; chairman of the supper committee, Dorothy Fairbrother of West Newton, Troop 10; chairman of the program, Margaret Gould of Newton Upper Falls, Troop 17.

The speaker for the evening was Mr. Harry Jordan the Maine guide and woodsman who is teaching woodcraft at Cedar Hill, the Massachusetts Girl Scout camp in Waltham.

The Massachusetts Girl Scouts State Review was held at the Boston Arena on Saturday, May 14th. 3000

NEW CITY HALL

Aldermen Approve Report of Committee and Assign Hearing on June 6th on Taking Land at Commonwealth Avenue, Walnut and Homer Streets for a Site

The report of the Special Committee on the New City Hall, printed in this issue of the Graphic, met with the approval of the Newton Board of Aldermen at their meeting on Monday night. Alderman Baker, Chairman of the Committee, explained to his colleagues some of the reasons which had influenced the selection of the "triangle" site, and the recommendation that definite action be taken at once on the first steps of the building of the long proposed structure.

"The committee," he said, "realized that the need for schools, streets, fire protection improvements and other things has been and will be pressing. It is easy to conclude we can get along with the Old City Hall for an indefinite period. But the old building is inadequate, there is great danger there to the city records from fire, and should these records, particularly those of the City Clerk's and Engineer's Departments, be destroyed, a chaotic condition would result. The city is growing rapidly, and this growth must be provided for. The population of Newton is double what it was 30 years ago, and the expenses of running the city three times as great. Newton should have a City Hall of architectural merit, and one which will provide safe storage for the city records. The matter of building a new City Hall was considered seriously ten years ago, and then abandoned. If we turn away from this project now, it may be delayed another ten years. The recommendation that construction work on the building be commenced in 1929 is merely to give definiteness to the matter, enable necessary legislation to be passed, allow for the arranging of the financing, and the completion of the plans.

"In 1898," said Mr. Baker, "the net debt of the city was \$4,293,000, or \$132 per capita; on January 1st of this year the net debt was \$4,142,102, or \$80 per capita, a decrease of 60% per capita. Compared with the other cities in this State, Newton has a lower per capita debt than 24, and a higher than 14. Newton's net debt is fairly light. One thing in its favor is the fact that Newton has the highest valuation per capita of any city in this State, except Boston. Of the 39 cities in Massachusetts, 7 have a lower tax rate than Newton, and 31 have a higher tax rate, some with a rate of over \$40. We must maintain a safe borrowing capacity, and make adequate provision for new schools, but Newton will be justified in asking for permission to borrow \$500,000 outside the debt limit to assist in financing the New City Hall. The balance of the cost can be handled inside the debt limit, or raised through the tax levy.

"Everybody, outside the Board," said Mr. Baker, "has opinions as to where the new building should be located. The committee considered every aspect of the situation. If the New City Hall will be built in West Newton, more land must be acquired. Such land would cost nearly as much as the entire 'triangle' site. The site at West Newton would contain about 100,000 square feet; that at the 'triangle' will contain 400,000. If we sell the land at West Newton, the proceeds would cause the 'triangle' to cost but a moderate sum. The latter site is in the geographical center of the city, and as most of the future development of Newton will be at the South Side, the 'triangle' will eventually be at the center of population as well. It will afford a more dignified setting for a City Hall, and sentiment is almost unanimous that it be acquired for some municipal purpose. Putting City Hall on the 'triangle' will have a tendency to unify the city. Those who live at a distance from West Newton

do not have much interest in city affairs.

"We were not unmindful," continued Mr. Baker, "of the gift of the church property at West Newton for City Hall purposes, nor were we ungrateful. This property, given ten years ago, will revert to the donors, but its value has increased several times. One danger in taking the 'triangle' will be the temptation to extravagance. We hope this will be resisted, and that we will build a dignified structure that will fit our needs. At the outset I was in favor of the site at West Newton, but as arguments of weight poured in, I was convinced that the scales tipped towards the 'triangle,' and I now join in recommending that site. The committee has conferred with the 14 citizens who acted as an advisory committee, and the 12 members of this citizens' committee, who were present at the joint meetings with the special committee, were unanimous in approving that a City Hall shall be built forthwith, and that the city should borrow outside the debt limit to assist in financing the project. On the question of a site, seven of the citizens' committee were in favor of the West Newton site, and five favored the 'triangle.' We have conferred with the Mayor, and he apparently sees nothing in the report to object to.

"We recommend immediate action," said Mr. Baker, "because we have information that 180,000 of the 233,000 square feet of land on the 'triangle' (not including the parcel west of Lakeview avenue) can be acquired at once without litigation, and at a fair price. We believe it is proper to have Police Headquarters at the New City Hall. The District Court has not been induced because it is not proper for the city to appropriate for the use of Middlesex County, and the court would not be desirable in City Hall. The old buildings at the rear of the present City Hall should be removed. They are used for the storage of supplies and constitute a grave fire menace." He moved that at the next meeting of the Aldermen, on June 6, a public hearing be held on the taking of the parcels of land at the "triangle."

Alderman Hodgdon called attention to the fact that the first recommendation

tion on the report of the special committee, relative to the taking of the land and buildings at the "triangle," did not specify that the property will be used for a City Hall. The Ward 5 Alderman evidently suspected that "there was an Ethiopian gentleman in the fuel supply." Alderman Baker assured him that the committee had no desire to begot the issue, but acknowledged that the point was well taken, and moved that the words "as a site for a City Hall" be inserted in the report.

Alderman Leahy inquired, "Has the present Board the right to ask the Mayor to seek legislation in 1928?" President Weeks informed him that it is legal to have the 1927 Board ask for the petition to be sent in this year, but 1928 was mentioned as the Legislature will not meet until then.

Alderman Earle moved that the old buildings at the rear of the present City Hall be torn down at once, and his motion was carried.

Alderman Heathcote, who usually hurls verbal brickbats at Alderman Baker, surprised the Board by complimenting the Ward 3 member. He said, "The report of the Special Committee on the New City Hall shows the tremendous amount of work it has put in. No chairman could have been fairer, or more impartial than the chairman of this committee (Mr. Baker). Few realize the amount of work he has put in on this matter. I move that the Board express its appreciation of the chairman and of the committee."

Alderman Noonan, evidently mindful of Mr. Heathcote's remarks made at a meeting a couple of months ago, anent the fact "that although he had been a member of the special committee on the New City Hall last year, he had not been reappointed this year," waxed facetious, and amended Mr. Heathcote's motion by moving that the Aldermanic appreciation be extended to those members who had served on the committee last year. Alderman Leahy suggested "that the appreciation was a little premature, as it is customary to wait until a committee has concluded its work, before extending a vote of thanks to it."

MANY IMPORTANT QUESTIONS

Aldermen Discuss Parking and One Way Streets—William C. Holbrook Elected a Member, Vice Flavinger, Deceased

The meeting of the Board of Aldermen on Monday night was one of the most important held in years. The Special Committee on the new city hall, through its Chairman, Alderman Baker made an exhaustive report which is printed elsewhere in this paper. The Aldermen, as a result of this report, voted to hold a public hearing on June 6, at 7:45 p. m., on the matter of taking the land in the so called triangle, bounded by Commonwealth avenue, Homer and Walnut streets.

The first matter considered on the docket was the hearing on the petition of the Stuart-Marshall Company for a permit to increase the capacity of the gasoline tanks at the station corner of River and Lexington streets, West Newton, from 2000 to 4000 gallons. Mr. Albert T. Stuart explained that this increase is necessitated because of the different grades of gasoline now sold. No opposition appeared against the petitioners and the permit was granted.

On the petition of John Finelli for a permit to install a 250 gallon gasoline tank and pump for private use at 45 Ashmont avenue, Newtonville, for private use, Attorney James P. Gallagher appeared to protest for Bernard Mullen who lives on the opposite side of Ashmont avenue. He stated "There is a peculiar aspect to this petition. The petitioner is an attorney at law and drives a Ford coupe. The necessity for such a tank and pump is not enough to warrant issuing the permit. Once granted it is made part of the property. Subsequent owners of this property might seek an extension of use which will be a detriment to the neighborhood."

No persons appeared to oppose the petitions for permits on the following:—George B. Kimball, greenhouse at 350 Chestnut street; Edison Electric and New England Telephone Companies, joint pole locations, Daniel street, 7 poles; Walter street, 7 poles; Rockland street, 2 poles; Ridge avenue, 8 poles; Glen avenue, 1 pole; Pelham street, 1 pole.

The Public Works Committee recommended that leave to withdraw be

given to the petition signed by Benjamin Rich and others asking for the widening of the corner at Centre and Pearl streets. The Finance Committee reported as inexpedient the appropriation of \$6000 for tennis courts at Victory Field, Cabot Park, and Auburndale park. Chairman Earle of the Public Works Committee disapproved of this report. He said, "When the Public Works Committee made its tour of the city last week, the one thing especially asked for by the Mayor was this work on the tennis courts. Last year land was donated adjoining Victory Field to provide tennis courts. If the city does not intend to build courts on this land, after having accepted it for such a purpose, we should say so, and return the land to the donor." He asked that this matter be referred back to the Finance Committee for further consideration, and his request was granted.

The Committee on Street Traffic, through Chairman Grebenstein, recommended that parking be prohibited on the north side of Centre Place; on the east side of Walnut street from Washington to 254 Walnut; Central avenue, east side from Washington to Court. The committee also recommended that Ward street be made a one-way from Hammond street to Commonwealth avenue. Mr. Grebenstein asked that the recommendation on Central avenue be referred back to the committee as residents want another part of this street to be included in the restricted parking. Alderman Earle suggested that the matter of Ward street be referred to the Public Works Committee. The city owns land for much of the distance between Hammond street and the avenue, and according to Mr. Earle, it will be better to widen the street than to make it a one-way road.

Alderman Ball placed in nomination the name of William C. Holbrook of 25 Pilgrim road, as Ward alderman from Ward 5 to succeed the late Charles L. Flavinger. He explained that Mr. Holbrook, who is President of the Waban Improvement Society, was the choice of the majority of the residents of that village. Mr. Holbrook

"Our OWN Home"

The family that can fondly refer to "our own home" has something to be proud of. And they wouldn't go back to "living in rent"—just ask them.

You can come into home ownership on the "installment plan" and you have this advantage over most installment plans. The home is usually worth more when it is all paid for than it was in the beginning, and no other investment yields quite such dividends in family happiness.

THE WEEK IN NEWTON SPORTS

Edited by WARREN R. BRIMBLECOM

MEDFORD TRACK TEAM WINS

Medford high track team was the victor over the Newton high team last Thursday afternoon at Medford, 44½ to 36½. The double victory of the Medford sprinter Moore in the 100 and 220 and a thrilling high jump duel between Ebelhah of Newton and Chalmers of Medford featured the meet. The winners clinched the meet with the final event, the 220, when Moore led Fullerton of Newton to the tape by inches. Ebelhah won his duel with Chalmers at 5 ft. 11 inches when the latter failed to clear the bar. McCrudden, as was expected, led the field in the half. Competition was keen in every event except the shotput. Fullerton was high scorer with 11 points.

The summary:

120-Yard Hurdles—Won by Fullerton, Newton, second, Medford, second; Marshall, Medford, third, Time, 15 1-5s.

100-Yard Dash—Won by Moore, Medford, second, Newton, second; Van, Medford, third, Time, 10 3-5s.

220-Yard Dash—Won by Moore, Medford, second, Newton, second; White, Medford, third, Time, 23 3-5s.

440-Yard Run—Won by Andrews, Medford, second, Newton, second; Cassidy, Medford, third, Time, 54s.

880-Yard Run—Won by McCrudden, Newton, second, Medford, second; Adams, Newton, third, Time, 2m. 8s.

Shotput—Won by Marshall, Medford, 48ft. 5in.; De Leo, Medford, second, 39ft. 1½in.; McGuire, Newton, third, 39ft.

Pole Vault—Won by Spinney, Medford, 10ft.; E. Marshall, Newton, second, 9 ft. 11in.; E. Marshall, Newton, third, 8ft. 6in.

Running High Jump—Won by Ebelhah, Newton, 5ft. 11in.; Chalmers, Medford, second, 5ft. 10½in.; Hammond, Newton and McGuire, Medford, tied for third, 5ft. 7in.

Running Broad Jump—Won by Brown, Newton, 20ft. 1½in.; McGuire, Medford, second, 20ft. 1in.; Cole, Newton, third, 19ft. 1½in.

Y BOWLING TOURNEY ENDS

The Boston pin bowling tourney at the Y. M. C. A. ended last week with team 4 on top with a record of 23 matches won, 13 lost. The team was captained by T. Rodden and included C. Pierce, Harwood, S. Thayer, and Norris. Team 10 which finished second was captained by Gardner and included Russell, Abbott, Young, and Robinson. Each member of these two teams was awarded a beautiful trophy. The cup for the high average was won by Cooper with 105 who had three points over both Crouse and Tucker, tied for second. Phil Lane won the high 3-string prize with a total pinfall of 361. He was also closely followed by Crouse, with 348 and Tucker with 342. Lane made the highest single string of 147 but as the tournament rules specified but one cup could be taken by a single individual the prize for this went to Crouse with a mark of 135.

NEWTON RUNNERS WIN

The relay, the final event of the dual track meet between Newton and Concord high school track teams Tuesday afternoon at Concord, was the deciding event in a closely contested meet the final score of which was Newton 51, Concord 44. Prior to the relay Newton had but a slim margin of two points but the relay team came through with a win and the meet.

The summary:

100-Yard Dash—Won by Davis, Concord; Fullerton, Newton, second; Cole, Newton, third, Time 10 3-5s.

220-Yard Dash—Won by Fullerton; Newton; Davis, Concord, second; Cole, Newton, third, Time, 24 3-5s.

1-Mile Run—Won by Ricker, Concord; Robinson, Concord, second; Hession, Newton, third, Time, 4m. 47s. (new school record).

Running High Jump—Triple tie for first place between Driscoll, Concord; Ebelhah, Newton, and Hammond, Newton, Height, 5ft. 8in.

Shotput—Won by Asbjornson, Concord, 44ft. 10½in.; Tompkins, Concord, second, 41ft. 4 3-4in.; McGuire, Newton, third, 38ft. 7¼in.

Running Broad Jump—Won by Cole, Newton, 19ft. 4½in.; Brown, Newton, second, 19ft. 4in.; Fullerton, Newton, third, 18ft. 11½in.

Pole Vault—Tie for first place between Tompkins, Concord and Splaine, Concord, 10ft.; Marshall, Newton, third, 9ft. 3in.

120-Yard Low Hurdles—Won by Fullerton, Newton, 14 4-5s.; Cole, Newton, second, 15 1-5s.; Kelley, Concord, third, 15 4-5s.

Relay—Won by Newton (Brewer, Cole, Reed and Fullerton); Concord (Johnson, DiCicco, Asbjornson and Davis), second, Time, 1m. 19s. for 704 yards.

NEWTON WINS IN ELEVENTH

Playing its smartest baseball of the season the Newton high nine triumphed over the Brockton high team last Saturday at Brockton 4 to 2, in eleven innings. Spauld and McCleary were the orator and black stars. The former playing a wonderful game at short, scoring two runs and getting two timely hits one of which was a double. McCleary, the colored pitcher, held the home team to five hits, all singles, scored Spain twice in the regular game and deMille in the eleventh.

Brockton was the first to score, getting two runs in the fourth frame. In the sixth Newton got its first when Spain singled and rode home on McCleary's triple. In the eighth the same pair tied the count on the former's double and the latter's single. In the eleventh deMille and McCleary counted the winning runs.

SPORT NOTES

Phelps Gets Gold Charm

Among the members of the Williams college swimming team who were recently awarded gold charms by the athletic council of that college was William Phelps, former Newton high athlete. The Purple team won the so-called Little Three title in addition to New England honors. Phelps was a second man on the relay team.

Thompson and Onthank Score for B.U.
Tommy Thompson and Fred Onthank of the Boston University track team counted five points between them last Saturday at Durham, N. H., in the dual track meet with New Hampshire University which the latter won. Thompson took second in the 120-yard high hurdles and third in the high jump while Onthank was third in the quarter.

Ebelhah and McCrudden Score
Ebelhah and McCrudden were the only two Newton high school athletes to score in the Yale interscholastic track meet at New Haven last Saturday. Ebelhah's leap of 5 feet 10 inches in the high jump was good enough to get him into a tie for second place while McCrudden picked up the other point by placing third in the half-mile.

Adams Punts For Winners
Bowdoin College won the annual State of Maine intercollegiate track meet last Saturday at Orono. Bob Adams, former Newton athlete, tossed the javelin 152 ft. 2½ inches which won him third place in the event.

Pals Win Another

Two big innings were enough for the Pals to clinch a 7 to 3 victory over the St. Peter's nine last Saturday at Victory field. With the exception of the first inning when the visitors scored all their runs Jakey Pass turned the opposing batters back without much trouble holding them to four safe hits. The Pals connected for ten bingles and fielded well, making but one error. Three runs in the third inning tied the count and four in the eighth put the game on ice.

Murphy Twirls Good Game

Eddie Murphy, Newton youth at Andover, took the mound last Saturday against the Dartmouth freshman nine on the Andover field and held them to four hits and one run while his teammates collected seven runs on seven hits and three Green errors. The Green cubs coupled two hits with a pass in the eighth inning to score their only run.

Henrich Third In Hurdles

Bill Henrich, Harvard hurdler, placed third in the high hurdle event at the Harvard-Dartmouth dual meet last Saturday. In his heat he placed second to Monty Wells, Dartmouth star. In the low hurdle race the Andover youth followed the Green star to the tape in the first heat but was shut out in the finals by a teammate.

Leo Crowley Victor Over Lowell

Leo Crowley, Newton Upper Falls lad, pitching for the Northeastern University nine had little difficulty in turning back the Lowell Textile school team last Friday at Brookline, 10 to 3. Crowley was found for nine scattered hits and he issued five free tickets but ten strikeouts helped him out of several pitfalls. Although Neil Mahoney, another Newton youth, went hitless in five trips he got on base and counted two runs for the Huskies.

Vaughan's Lucky Hit Helps

Yale defeated Cornell, 2 to 1, last Friday afternoon at New Haven. The Blue counted both its runs in the fourth inning. The first man up drew a pass, the next man singled. Dick Vaughan, Newton Centre lad, hit to the shortstop. Just as the fielder was

about to get the ball it took a crazy hop over his head and one run was in. The other run came in on a deep sacrifice fly.

Johnson Wins Title Again

Henry L. Johnson, playing under the colors of the New Preparatory school of Cambridge, won the final match in the Yale interscholastic tennis tourney held at New Haven the past week-end for the second time. His victory was over the Roxbury school star, Alonzo Smith, in a hotly contested five-set match. The Waban youth took the first set, 6-2, and lost the next by the same score. The third set went to Johnson, 6-2, and the fourth to Smith, 6-1. During this set it looked as though Smith would be the ultimate winner but Johnson came back strong in the fifth and final set to win, 6-1.

West Newton A. A. In Tie

In its first game of the season the West Newton A. A. nine was held to a 7-7 tie last Friday evening in a twilight game on the West Newton common by the Watertown Hobos. Hatton and Cunningham were the West Newton battery. Hatton allowed but five hits in the six innings played before darkness set in while the local team collected six safeties.

Ellison Hits In Pinch

Bill Ellison, Harvard outfielder, hit safely in the 10th inning of the Harvard-William and Mary game last Friday afternoon at Cambridge in vain. The visitors had gone into the lead in the first of the tenth by scoring one run. With one out in Harvard's half Ellison singled to left field but was taken out for a faster runner who advanced on a balk. The next batter hit a liner to the shortstop which he had to go into the air for and he easily doubled the runner off second to end the game.

Souther Triples

The Dartmouth freshmen went on a batting rampage last Friday afternoon against the Huntington school team and won a free-scoring game, 20-2. Hartwell Souther, Waban youth with Huntington, played in left field, right field and at second. In four times up he pounced out to safeties, one a triple, made one putout and had two assists. His triple scored O'Brien with one of his team's two tallies.

BUS LINE TO WABAN

On Monday morning the Middlesex and Boston Street Railway Company inaugurated a new bus service between Newton Corner and Waban passing through the villages of Newton Centre and Newton Highlands.

On week days there will be a half hour between 7 a. m. and 10 a. m. leaving Newton at the hour and half hour and Waban at 7 and 37 minutes past the hour, followed by an hourly service between 10 a. m. and 4 p. m. then resuming half hour service until 8 p. m. and hourly until the last car leaves Newton at 11 p. m. and Waban at 10:37 p. m.

On Sundays there will be an hourly service from 8 a. m. to 11 p. m., leaving Newton on the hour and half hour and Waban at 7 and 37 minutes past the hour.

**A cheap tube
can cost you
10 times its
price**

THIRTY-NINE YEARS of tube-
building experience has proved
to Dunlop that "cheap tubes" do
not pay.

That is why Dunlop tubes are
made casing shaped. It costs a
little more than to build them on a
straight pole, as cheap tubes are
built.

But a casing-shaped Dunlop tube
is strong everywhere. The outside
edge is not weakened by excess
stretch. The side next to the rim has
no wrinkles to crack with age and
blow out. A Dunlop tube protects
your casing, because it fits. And
your casing is worth ten times the
cost of the tube.

*We strongly recommend a Dunlop
tube for every casing*

FOUNDERS OF THE PNEUMATIC TIRE INDUSTRY

ROTARY CLUB

The Rotary Club was honored at its Monday luncheon at the Woodland Golf Club by the presence of Mr. Garret Beneke, the well known artist. Mr. Beneke, who took for his subject, "Art in Business," spoke for nearly an hour and held the close attention of every one present. Mr. Beneke believed that good art was good business and he told of many incidents connected with his work as an artist in one of the large industrial plants in Cleveland. Some of his epigrams were as follows: "mordid thinkers and miserable workers." "You must sell man to himself first." "You can bring out good or bad by pictures." Mr. Beneke compared the old relations of capital and labor as a bar of steel with capital at one end and labor at the other. "Turn this bar into a ring and weld it together and you have mutual understanding and helpfulness."

His talk was illustrated with many stereopticon views of his own and other familiar paintings, all of which emphasized the idea of art in work and in the worker.

These committees were appointed: Program—Ed Mellus, Chairman, Ed. O. Childs, Arthur M. Ellis, Wilson Ross, John Brimblecom, Bill Halliday.

Fellowship—Roy Randall, Chairman, Frank Perry, Carl Switzer, Jim Senior.

Rotary Education—Charley Ansley, Chairman, Guy Winslow, Walter McCammon.

Boys Work—Francis Bacon, Chairman, Harry Bascom, Horace Orr.

Publicity—Frank Lucas, Chairman, John Brimblecom, Bob Evans.

Business Methods—Fred Howe, Chairman, Archie Osgood, Fred Burnham, Dick Dwyer.

Attendance—Mack Noble, Chairman, Bill Sullivan, Geo. Edmonds, Fred Bond, Henry Watters, Fred Spring, Bill Carroll.

Classifications—Tom Goodwin, Chairman, Frank Richardson, Bun Paul.

Golf—Bun Paul, Chairman, Arthur LeBaron, George Martin.

SCHOOL NOTES

Mason School

The pupils of the Mason School held exercises in recognition of Health Week in their Assembly Hall last Friday. There were originalingles and plays based on health and those pupils whose weight, posture and teeth were good, wore a blue arm band decorated with white letters and a gold star.

The annual meeting of the Newton Centre School Association was held in the Mason School Hall at 2:45 on May 18th.

The Mason School Baseball Team won the opening game of the Newton Grammar School Baseball League when it defeated the Bigelow School 5-2.

George Howley, captain and pitcher of the Mason's, was easily the star of the game. Besides striking out sixteen of the Bigelows, he held his team with a long triple, the best hit of the game.

Timmins, the Bigelow pitcher, showed honors with Howley by striking out sixteen of the Mason players. The Mason School lost its first league game Tuesday when it was defeated by the strong Pierce School team 24-0.

The Mason School Juniors had an easy game with those of the Bigelow School whom they defeated 23-2.

Philip Giles and Jim McSweeney were the Mason stars.

The Mason School Juniors won their game with the Clafin School 11-5. Another victory will make the Juniors, champions of their district.

The Mason School Girls Captain Ball Team defeated the Hyde School team 15-4.

BOY SCOUTS

A court of Honor meeting was held at the Clafin School last Friday evening with about forty Scouts present. The Court was presided over by Deputy Commissioner Gilcrease, who had fourteen assistants to give the tests. Every Scout was examined and the Court closed shortly after nine o'clock.

Deputy Commissioner Gilcrease and the Scout Executive inspected Troops 14 and 18 on Thursday last. Appearance and discipline were found good.

On Saturday afternoon, the following officers of the Norumbega Council took part in the Needham Rally, to which they were invited by President Gourd of the Needham Council; Portmaster Brown, who acted as Adjutant, Recorder and Announcer; Deputy Commissioner Gilcrease, Clerk of Course; Deputy Commissioner E. W. Varney, Chief Judge; Scoutmaster Breed, Chief Inspector; Assistant Scoutmasters Rhodes and Root of Troop 10, Waban and Emery, of Troop 5, inspectors and judges. Sea Scout Dutton acted as aide.

The Rally was organized and conducted by these officers at the invitation of Mr. Gourd, who thanked them heartily afterwards for their excellent services in running the Rally off in the good time of 2 1/2 hours. Pleasant relationships were thus established with the Boy Scout Neighbors in that Council.

Deputy Commissioner Varney has been appointed Chairman of the Merit Badge Board of Examiners.

President William T. Halliday has returned from the meeting of the National Council of Boy Scouts with many plans for the work of this Council.

On Saturday afternoon, May 14, Troop 18 christened the lean-to at the Ohio which it has just completed. Scout Master Ohler, Assistant Scoutmasters Dalrymple and Corey, Troop Committee members Pickersgill and Rev. Chester Wood, recently returned from China, with Deputy Commissioner Varney and the Executive enjoyed an old New England supper of baked beans and frankfurts, cooked over campfires.

Troop 10, Waban, had several Scouts at the Ohio over the last week end, under Assistant Scout Master Douglas. Troop 4, under Scoutmaster Lichtenhaeler, had a patrol at Camp overnight. Troop 1, under ASM Richard Hunt, had several Scouts there over Friday night.

On a recent week-end trip at The Ohio, so Deputy Commissioner Stone reported to Headquarters, Scout Master Frank Lichtenhaeler and his Scouts were responsible for saving woodland near the Ohio from a disastrous fire. This same Troop recently planted 150 additional trees at the Ohio, bringing the grand total of trees set out at camp to over 2,500 since April 15th.

Scouts Warfield and Bonner of Troop 4 proved last Saturday that they knew woodcraft. The Scoutmaster challenged them to build a fire in the pouring rain, out of doors, with all fire material soaked. They took him up, went into the pine grove near the cabin of Troop 4 and soon each had a blazing camp fire defying the downpour of rain.

Deputy Commissioner Gilcrease, who is the Sanitary Engineer of the Ohio for the Camp Committee and Mr. Arthur L. Shaw, a member of that Committee, went to the Ohio last Monday evening, to check over sanitary conditions and to investigate the result of rainy weather on the water supplies of the Camp.

The Rally Committee, under Deputy Commissioner Marshall I. Stone has practically completed plans for the Norumbega Council Rally on Saturday afternoon, June 4th, at 3 o'clock. Following are the officers:

Commissioner Woodbridge in charge; Adjutant and Announcer, Assistant Deputy Commissioner Richard Cotton; Clerk of the Course, Deputy Commissioner Gilcrease; Recorder, James R. Warren, Secretary of the Council; Chief Judge, Donald North, Executive Boston Council; Judges, Deputy Commissioner Varney, Newton; F. P. Abbott, Executive Cape Cod Council; Kenneth Canfield, Executive Quincy Council; Gilman Rankin, Executive Medford Council; Hank V. Kudlich, Assistant Executive, Boston Council; Walter K. Munroe, formerly with Greater Boston Council; Commissioner Mann, Needham; Starter, Ed. S. Roche, Assistant Executive, Boston Council.

Many Scouts of the Norumbega Council are interested in going to Scout summer camps, and many of them have expressed the hope that in the near future the Council will have its own summer camp so that they can all be together during the summer and get to know the other Scouts of the Council better. In the meantime, the Camp Committee, under E. S. Drowne, has recommended Camp Wanocksett, at Jaffrey, New Hampshire, as a good Scout camp to which parents might send their boys. A Scout Camp on Cape Cod is also available and one at Amesbury. Both of these are also highly recommended and full details about them are available at Headquarters. The cost is about eight dollars per week.

Mr. Frank A. Day is taking the Commissioner, John M. Woodbridge and as many members of the Camp Committee as can go to inspect Camp Wanocksett at Jaffrey and to talk with the Director of the Camp, on Sunday, May 22nd.

One of the boats manned by a crew from Sea Scout Ship 13, under Mate Gilmore, attended the opening ceremonies of the John W. Weeks Memorial Bridge last Saturday. The neatness and efficiency of boat and crew drew many favorable comments, which led the Council to hope that the Sea Scout Department will represent the Council in many affairs where there is a water program.

No Bargains

No man ever got a dollar's worth of experience for 98 cents.—Boston Transcript.

QUOTA FILLED

Newton Raises Over \$12,000 For the Red Cross

It is with pleasure that the Newton Chapter of the Red Cross announces that the Newton Mississippi Flood Fund has grown until the minimum quota of \$12,000 has been reached. The people of Newton have once more acted with understanding and generosity in a national crisis. Additions to this Fund will be gladly received by the Newton Chapter of the Red Cross, 12 Austin street, Newtonville, and sent to the Central Committee for Flood Relief.

Mr. Hoover has said that the worst of the flood disaster should be known this week and until then it will be impossible to estimate the damage done and the extent of the relief problem. The spirit of co-operation among the skilled relief workers has been noble and they have been given power to act by the staunch support of the American people.

Flood peril continues and each day is crowded with its pathetic incidents. Even now new refugee camps are being constructed as additional areas are flooded. Acts of heroism that will never be recorded are performed every hour. The flood crest is not expected to pass into the Gulf of Mexico for three or four weeks.

SCHOOL NOTES

Bigelow School

The Health Exhibition of the Bigelow School was held on Wednesday morning, May 18, at the regular assembly period. An interesting and varied program was presented. A short play entitled "The Quest for a Health Queen" was given by members of the sixth grade, Helen Jane Vibbert of Grade eight, who has been chosen as the most healthy girl in the school, taking the part of the health queen. Other members of the cast were as follows:

King—Robert Laverty
Ladies in waiting—Mary Hill,
Virginia Marshall
Pages—Richard Boyer, Robert Sproat
Colonel Health—Richard Francis
Sergeant Food—Harry Goff
Captain Exercise—James Morrissey
Captain Rest—Milton Copp
Privates—Billy Foster, Harold Reed, William Thomas
Nurses—Mary O'Toole, Elizabeth Barba, Alberta Fradsham, Roxanna Martin

After the play, Winnifred Clark of Grade six gave a recitation entitled "The May Queen." This was followed by short Health stories and poems by various members of the school, an essay on tobacco by Ernest Lucas, and mimetic exercises and dances by gymnasium groups.

Miss Bragg then came to the platform for the recognition of health achievements. She spoke very enthusiastically of the progress made by the children themselves, of the assistance of the school nurse, and the co-operation of parents and teachers. During the period of seven and one-half years in which the health program has been carried on in Newton, the number of those in the red or underweight group has decreased from 24.9 per cent to about 4 per cent.

The closing feature of this program was a posture parade in which all having a mark of A or B in posture participated.

Among the guests were Dr. Champion, chairman of the Hygiene Department of the State Board of Health, and Miss Wilkinson of the School Department, Rochester, New York.

Newton

—Miss Helena Herlihy has been engaged as a solo dancer in the Harmony Five, now on the Keith-Albee circuit.

The present campaign for funds for the Newton Welfare Bureau satisfactorily completed, every effort will be made to establish a permanent endowment fund, which, with memberships, will cover all maintenance in future.

EDITORIAL

While we are proud of the fact that Newton has filled its Red Cross quota for the Mississippi sufferers, let us by no means be satisfied with even 100% but go after \$5000 more which will surely be needed. When we realize that the flooded area in the Mississippi valley is nearly as large as the entire state of Massachusetts we get some idea of an idea of the extent of the flood.

While there are some rumors that opposition will develop against the confirmation of the re-appointment of Chief of Police Bernard F. Burke, we feel sure that when the aldermen carefully investigate the situation, the Chief will be promptly and unanimously sustained.

The dedication of the Memorial Bridge to the late John W. Weeks was worthy of the man it honored. It was a wonderful tribute to his memory.

We fail to understand and are quite impatient over the attitude of the city

government towards important and necessary street widenings. This was first shown in its indifference, if not hostile, position regarding the widening of St. James street and has cropped out again in a refusal to widen Elm street at Washington street, West Newton, where it is proposed to tear down the present buildings and erect something substantial. In both of these matters, contemplated building projects make it imperative to take immediate action, and it is a most peculiar policy that refuses to do so. An investment of \$5000 to \$10,000 annually in widening streets like St. James and Elm streets will pay for itself many times over in the not distant future.

Now that the order restraining dogs has expired, we trust the police will not relax their efforts in enforcing the law requiring all dogs to be licensed, with special emphasis on the elimination of all stray curs. Mad dogs cause a tremendous loss each year in this country besides the pain and anguish occasioned by the fear of rabies. The danger of rabies can be reduced to small proportions by relentless warfare on the strays and strict regulations compelling owners to keep their pets within enclosed spaces. The Houston Post goes so far as to say that "the dog has little or no place in the modern city."

SPORT NOTES

Cambridge Wins, 8-1

Cambridge Latin had little trouble defeating Newton High, 8 to 1. Wednesday, at Russell Field, in the start of the second round of the Suburban League schedule. Neither Linquist, Reilly, Bennett or Wilson could stop the Cantab hitters.

Linquist started and lasted for three frames, when home runs by Temple and Horan chased him from the box. Reilly replaced him and stayed until the seventh, Cambridge scoring twice in the fifth and three in the seventh. Bennett took the mound but was wild. He passed one, hit two and uncorked a wild pitch. Wilson replaced him before the inning closed and finished the game.

Newton scored its run in the seventh.

Suburban League Standing

	Won	Lost	P. C.
Cambridge	6	0	1.000
Everett	4	2	.666
Somerville	2	3	.400
NEWTON	2	4	.333
Rindge	1	5	.166
Brookline	0	5	.000

Allen School Loses

In a free-hitting game on Allen Field, Wednesday afternoon, the Mitchell Military Academy nine emerged victorious over the Allen School team, 18 to 10. Costly errors aided in the downfall of the losers.

Vaughan's Double Beats H. C.

A ringing two-bagger by Dick Vaughan, Yale shortstop, scoring two runs, was the deciding factor in the Yale-Holy Cross game at New Haven Wednesday afternoon, which the Blue won, 2-1. The game was a pitchers' battle, with hits few and well scattered. Holy Cross scored its run in the fourth and that run looked bigger and bigger as the game went on. In the seventh, with two on and one out, Vaughan came through.

Ramsden Gets Numerals

John Ramsden, former Newton High athlete, was awarded "1930" numerals at B. U. this week for his playing on the Terrier yearling football team last fall.

Tie Game At Newton Highlands
The Highland Athletics and the Somerville Carlises played a 6-6 seven-inning tie game at Newton Highlands, Wednesday evening. Burke and Billon were in the box for the locals, with Herring on the receiving end.

Newton Golfers Win

The Newton High golf team shut out the Our Lady High team 3 to 0 Wednesday afternoon on the Arlmont course. Three two-ball foursomes were played, with Newton winning each, three up.

NEWTON CENTRE MAN ARRESTED

Fred H. Thompson of 150 Pleasant street, Newton Centre, was arrested at his home Wednesday by Inspector Good charged with being a fugitive was arrested at the behest of Her from justice in New Hampshire. Hebert W. Rainey, prosecuting attorney of Merrimack County, New Hampshire, who accuses Thompson of grand larceny.

It is alleged that Thompson, who is an employee of the Boston Post, went to Concord, New Hampshire, several weeks ago and persuaded a watchman at the Rumford Printing Company in that city to give him two copies of Governor Al Smith's reply to the letter of Charles C. Marshall of New York. This reply was to have been printed in the "Atlantic Monthly," and this publication has entered suit against the Boston Post for \$400,000 damages, because of the alleged pirating of the Smith reply by the Boston newspaper.

Thompson was held in \$1000 bail for his appearance in the Newton Court yesterday, at which time the case was again held over until next Tuesday pending the filing of extradition papers.

Newton Centre

—Representative Leverett Saltonstall has been appointed a member of the House recess committee on taxation.

—Miss Marjory Taylor of Grant avenue leaves Friday for New York where she will lecture on Saturday at The Russell Sage Foundation.

—Miss Harriet E. Smith, who resides with her sister, Mrs. M. B. Jones of Grant avenue, left Tuesday to visit friends in Westbury, N. Y.

—Miss Virginia Williams of Centre street was one of the courtmen in the May Day pageant this week at Skidmore College, where Miss Williams is a sophomore.

—Rev. Dr. Edward T. Sullivan, rector of Trinity Church, will preach the sermon on June 19 at the baccalaureate service of the senior class of Northeastern College.

—Mrs. Sidney R. Porter of Tarkenton road has returned from Brooklyn, N. Y., where she was a delegate to the annual convention of the General Society, Daughters of the Revolution.

—Mr. Louis V. Haffermehl, while spending the week-end at Harlow Camp, Potter, N. H., carried for three quarters of a mile a 13-year-old boy who had seriously cut his foot with an axe.

—Rev. George Lawrence Parker of the Unitarian Church will make an address next Thursday morning at the annual meeting of the Unitarian Sunday School Association, held in Unity House, Boston.

—The last meeting of the Mather Class for the season will take place next Sunday morning at 9:45 at the Woman's Club house. Professor Mathew will discuss Hindu mysticism and the trend towards unity.

—At the annual meeting of the New England Woman's Club this week Mrs. Lillian Folger of Ridge avenue was elected chairman of the work committee and Mrs. Henry S. Arnold of Warren street was elected a member of the nominating committee.

—If you have become interested and know details of the good work of the Newton Welfare Bureau, tell your friends, and make your story so interesting that they will take out their check books and send contributions toward the much needed Maintenance Fund.

Newton Highlands

—Mrs. Emily Prescott will entertain a few friends at bridge on Friday afternoon.

—Mrs. Frederick J. Elliott will entertain friends at bridge on Wednesday next.

—Mr. Edwin C. Johnson has been re-elected a director of the Boston Chamber of Commerce.

—Mr. Rolfe Cobleigh is the delegate from the Congregational Church to the meeting next week of the National Council in Omaha, Neb.

—Funeral services for Mr. Henry A. Spear of Caryville, Mass., formerly of this village, took place Wednesday. The burial was in the Newton Cemetery.

At the Congregational Conference this week at Worcester, Rev. Dr. S. H. Woodrow was elected a trustee and Rev. John J. Walker was elected secretary of the Missionary Society.

—The only time that Simmons' celebrated Beauty Rest Mattress has ever been sold for \$29.50. Regular price \$39.50. Segerson Bros., 1213 Centre street, Newton Centre, Mass. Advertisement.

—Rev. Dr. S. H. Woodrow of the Congregational Church was the moderator and Mr. Appleton P. Williams was a delegate at the Congregational Conference of Massachusetts held this week at Worcester.

—Mrs. Nina Mae Forde, soprano soloist, and a member of the Professional Women's Club, sang a group of delightful songs at the May Breakfast of the Club given Tuesday in the Hotel Statler Ballroom.

—Mrs. Katherine R. Geyer of 1658 Centre street announces the engagement of her daughter, Miss Edna Mae Geyer to Mr. Harrison Thacher Annable of Waban. No date has been set for the wedding.

—Next Sunday Charles Ward Post, No. 62, G. A. R., will attend the morning service at the Congregational Church. They will be attended by Sons of Veterans, Spanish War Veterans, Woman's Auxiliary and others.

—The new bus line operating between this town and Newton Corner passes the Florence E. Rand Hat Shop, 433 Centre street, Newton. You are cordially invited to visit this exclusive and up-to-date shop.—Advertisement.

—What a pity that in this city of beauty and wealth a few people should be obliged to give so much time to gather in the \$10,000 needed to support the work of the Newton Welfare Bureau, in ministering to the sorrows and living problems of people in all parts of Newton.

—Last Sunday afternoon and evening from 4 to 9 the annual exhibition of the Congregational Church School was held in the parish house. The work of pupils in the Primary, Junior and Intermediate departments, together with interesting facts regarding the school, was displayed in an attractive manner.

NEWTON SAVINGS BANK

"The Place for My Savings"

Auburndale

—Mrs. Ralph Weston of Groveland street is spending two weeks at her summer home on the Cape.

—Miss Lucille Dewing has been engaged as a solo violinist in the Harmony Five now on the Keith-Albee circuit.

—Rev. Dr. and Mrs. Robert Hume, Mrs. Lucius O. Lee and Mrs. William H. Medlicott will attend the National Council of Congregational churches next week at Omaha, Neb.

—The annual banquet of the Church school of the Congregational Church will be held May 24th with Prof. James P. Berkeley of Newton Centre as the chief guest and speaker.

—The spring party of the Candle roll of the Congregational Church will take place next Wednesday afternoon. The Lasell Glee Club concert will be held tomorrow night at the Auburndale Club.

—Mr. and Mrs. T. Henry Wilson of Norwich, New York, are receiving congratulations on the birth of a daughter. Mr. Wilson is the son of Mr. and Mrs. Wm. H. Wilson of Kapasia street and a former resident of this village.

The engagement has been announced of Miss Marian Alchin of New York and formerly of the Missionary home this city, to Mr. Paul Roland of Japan. The marriage will take place this month and Mr. and Mrs. Roland will make their home in Japan.

At the annual meeting of the Acquaintance Club on Tuesday at the home of Mrs. Bryant Nichols, officers were elected as follows: President, Mrs. Bryant Nichols; vice-president, Mrs. Walter Amesbury; secretary, Mrs. Charles Hutchinson; and treasurer, Mrs. Rufus Estabrook.

If you should "sit in" with the Conference or "Case" Committee of the Newton Welfare Bureau you would marvel at the breadth of the Bureau work—and you could not avoid wanting to help with the various problems, and to go here or there as a "friendly visitor." And you would realize the urgent need of money to supplement the care and advice which is given.

The Professional Woman's Branch of the Auburndale Woman's Club met on Monday for organization. By-laws were drawn up and chairman chosen. Miss Eleanor Moir is chairman; Miss Cora Mackenzie, assistant chairman; Miss Adrienne Smith, secretary; Miss Edith Fuller, treasurer. The program committee has Miss Nan Strang as chairman and Miss Mary Butler will be in charge of sports.

MORE "SPEEDERS" FINED

That the squad of motorcycle "coops" of the Newton Police Department is on the job is evidenced by the many drivers being haled into court. Another batch paid fines yesterday morning. Marion Becker, a Smith College student was assessed \$20; Marion had been "hitting" 40 along the avenue. Calvin Campbell, another student, not from Smith, but from Cambridge, paid \$15. Thomas Cummings of Natick, George Woolley of Hyde street, Newton Highlands, and Herbert Hatch, Jr., of 390 Waverley avenue, Newton, each was fined \$10. Francis Brophy paid \$5.

Martin Cain of Medford pleaded "nolo" on the charges of driving without his license in his possession, and without proper lights. His cases were placed on file. James Lewis of Brookdale road, Newtonville, charged without having his license in his possession while driving, also pleaded "nolo," and also had his case placed on file. Harrison Royce of 336 Wol-

CENTRAL CHURCH NEWTONVILLE

9:45 A. M. Regular departments of the Church School.
11 A. M. Rev. Dr. Ellis will preach.

Newtonville

Ruane, the florist, has a beautiful bed of tulips in front of his greenhouses on Walnut street.

Miss Barbara Farnum '30 took part in the annual May Festival at Wheaton College on Tuesday.

Rev. Dr. Willard E. Strong has been elected a trustee of the Hartford Theological Seminary foundation.

The Men's Club of St. John's Church will give a burlesque on Rob-in Hood next Thursday evening.

Fred Lafayette has purchased the land on Bowers street opposite the railroad station and has plans for an attractive block of stores.

Miss Dorothy Filene, a junior at Skidmore College, was one of the courtmen in the May Day pageant which took place this week.

The Ladies Aid of the Universalist Church will hold a food sale in the Parish House, Washington park, Saturday, May 28, from two until five o'clock.

Mrs. Percy E. Woodward has been appointed a delegate from the Newton League of Women Voters to the convention to be held next week in Worcester.

Mr. Ernest L. Miller was the delegate from Central Church to the meeting this week at Worcester of the Massachusetts Conference of Congregational Churches.

Rev. Dr. Arthur M. Ellis, pastor of Central Church will attend the National Council of Congregational Churches, of which he is a member, to be held next week at Omaha, Neb.

James J. Donovan of 340 Lowell avenue died Monday. He was a foundry worker by occupation and had resided here for the past year. His funeral was held Wednesday and burial was at Salem.

Captain Frank L. Nagle of Kirkstall road was elected to fill the unexpired term of the late Colonel J. Payson Bradley as Trustee of the Permanent Fund of the Ancient and Honorable Artillery Company of Mass.

Miss Jane Grant, the nine year old daughter of City Clerk Frank Grant, was one of the solo dancers on Wednesday evening at the May festival given in the Repertory Theatre, Boston, by the pupils of Miss Lulu Holbrook.

Newton

On Saturday of last week Madame Chanzel with many of her friends and pupils, was delightfully entertained at the home of Mrs. F. E. Harwood on Willard street. Madame Chanzel, dressed in an Algerian costume, told in French of the life and customs of the people in that country.

Rev. Dr. C. H. Patton, representing the American Board, Mrs. Everett E. Kent, representing the Prudential Committee of the American Board, and Rev. Ray A. Eusden, representing Elliot Church, will attend the National Council of Congregational Churches to take place next week at Omaha, Neb.

Miss Helen Martin, 93 Charlesbank road, lost a black leather purse containing \$25 and \$1.50 in change and a bunch of keys Monday night at Newton Corner. The purse was left in a telephone booth. When she returned a few minutes later it was gone.

RAILROAD TALENT

The "Railroad Night" given by Newton Council K. of C. at Elks Hall on Tuesday evening was attended by several hundreds of members and guests. Most of those who participated in the long entertainment were railroad employees. The Pullman Porters troupe displayed much talent as "jazz musicians," dancers and comedians. A number of children from Auburndale, pupils of Mary and Joe Sullivan, were clever in dance numbers. Many local and out-of-town vocalists sang. Following the entertainment, refreshments were served. The affair was in charge of Lecturer John J. Fitzpatrick of Newton Council.

Newton Centre

Mrs. Parmelee of Berwick road entertains at bridge this afternoon.

Mrs. C. N. Burghardt of Homer street has been spending the week in New York.

Mr. and Mrs. W. M. Merrill of Lake terrace have returned from Pinehurst, N. C.

Mrs. Wilbur H. Russell of Sumner street will entertain friends at luncheon Monday next.

Mrs. S. B. Phillips of Oxford road poured tea at the Harvard Dental School Annual Meeting.

Mrs. J. F. Capron of Elmore street gave a house party at her summer home in Falmouth over the week end.

Mr. and Mrs. John McKey and their children will spend their summer at the cottage at North Chatham, Mass.

Mr. E. F. Goodwin of Cypress street was operated upon on Monday p. m. at the Newton Hospital for appendicitis.

Rev. Francis L. Cooper was the delegate from the First Church to the Massachusetts General Conference held this week in Worcester.

Rev. Dr. Edward T. Sullivan preaches next Sunday at Groton School. Rev. Herman R. Page will preach at Trinity Church.

The only time that Simmons' celebrated Beauty Rest Mattress has ever been sold for \$29.50. Regular price \$39.50. Segerson Bros., 1213 Centre street, Newton Centre, Mass. Advertisement.

A new bus line operating between this town and Newton Corner passes the Florence E. Rand Hat Shop, 433 Centre street, Newton. You are cordially invited to visit this exclusive and up-to-date shop. Advertisement.

A conference of pastors and delegates of the Boston West Association met in the Baptist Church Wednesday afternoon for the purpose of ordaining Mr. Jutaro Yokoi to the ministry. The formal ordination will take place this evening.

Mr. and Mrs. James W. Dowd announces the marriage of their daughter, Miss Agnes Gertrude Dowd, to Osborne Edward Brown. The wedding recently took place at Minneapolis, Minn. After June 1 Mr. and Mrs. Brown will make their summer residence at Weymouth, Mass.

Mr. and Mrs. Lawrence Black of Cambridge are receiving congratulations on the birth of a son, Frank Stewart Black, on Monday, May 16th, at Phillips House, Boston. Mrs. Black was Caroline E. Stewart, daughter of Mr. and Mrs. Frank H. Stewart of Montvale road, whose marriage took place two years ago.

TWILIGHT LEAGUE STARTS

Newton's big baseball attraction, the Twilight League, was unable to start off this week as scheduled, because of the rainy weather, some of the games being postponed. The season was officially opened on Tuesday evening, at the West Newton Common when William Halliday, President of the League, the Rev. Dr. Lyons of the Playground Commission, Hugh Devine, retiring President of the League, and Ernest Hermann were present. The five and drum corps of the Knights of the Holy Cross of St. Bernard's parish played before the opening of the game. The contesting nines were those representing the Newton Catholic Club and the Newton Centre A. C. The boys from West Newton were too fast for the team from the South Side, and won by a score of 7 to 1. The only other game played on Tuesday evening was at Victory Field, where the Earnshaw Knitting Company nine defeated the Corpus Christi team from Auburndale, 3 to 2.

On Wednesday evening at the Y. M. C. A. field at Newton, the Upper Falls team outclassed the home nine, winning 7 to 1. On the same night, the Pals got away to a good start by winning from the colored ball tossers of the West Newton A. C. in a well fought contest. This game was played at West Newton. The Pals made 6 hits off Cunningham, while Hawkes held the West Newton boys to 2 hits. McLean caught for the Pals and Heustan was behind the plate for West Newton.

Everything points towards a very successful season for the league. Much interest was aroused last year by the fight for the city championship, and the nine teams which will strive this season to win the GRAPHIC cup, which must be captured three times, to be retained permanently, promise a long series of hotly fought games which will furnish ample opportunity to residents of the various Newtons to enjoy the national game. The teams which will try to wrest the cup from the possession of the Newton Catholic Club, winners of the pennant last year, are Newton Upper Falls, Newton Highlands, Newton Pals, Earnshaw Knitting, West Newton A. C., Newton Centre A. C., Newton Y. M. C. A., and the Corpus Christi nine from Auburndale.

The Y. M. C. A. aggregation will have Seth Wood, Barnes and Hokanson for pitchers, Phil Forsyth at short, the Varley brothers and MacPherson, formerly of Newton High, in the outfield. To assist in straightening out arguments which may arise, and thus create harmonious relations in the conduct of the league, an Arbitration Committee is to be appointed. The regular staff of umpires has not been decided upon, but those serving temporarily include "Buck" Donahue of West Newton, John FitzGerald of Newton, Richard Mella of Newton Highlands, and James Stanton of Upper Falls.

Last night at Newton Centre the West Newton A. C. played Newton Centre A. C. The colored boys played a good game behind Lomax, but not quite good enough to overcome the clever twirling of Leahy, losing by a score of 2 to 1. At Victory Field the Catholic Club continued its onward march by defeating the Pals 6 to 0. The Pals could not connect with Shea's curves, while the city champions bunched enough hits off Pass to cross the plate six times.

Tonight, if weather permits, the team from Newton Highlands will play Corpus Christi at Norumbega Park, and the Earnshaw Knitting will play Upper Falls at the grounds of the latter.

The Second Church West Newton

10:45 Morning Worship.
Sir John Adams will preach.
9:30 A. M. Church School.
All Seats Free at Every Service

West Newton

Mr. Benjamin G. Rae of Otis street is nursing a broken rib.

The Score Club will be entertained at luncheon on Tuesday by Mrs. John Dow at her home in Quincy.

Sir John Adams of the University of London will preach next Sunday morning at the Second Church.

The many friends of Bob Sartwell will be sorry to learn of his illness at his home on Watertown street.

Mr. Harry S. Gibbs and daughter, Mrs. Richard Cook, are returning this week from a two months' European trip.

Alexander Bennett, station agent at the West Newton depot, has returned from a two months' visit to California.

Yeats' play "The Land of the Heart's Desire" is being given tonight at the Misses Allen School. A large number is expected.

The inauguration of Rev. J. Edgar Park, D.D., former pastor of the Second Church, as president of Wheaton College will take place tomorrow.

Mrs. Charles Swain Thomas of Highland avenue, after four months in the Corey Hill Hospital at Brookline where she was being treated for arthritis, has returned home.

Mrs. Clarence Glazier of Waltham street is registered at the New Ocean House, Swampscot, where she has been attending the Convention of the State Federation of Women's Clubs.

The only time that Simmons' celebrated Beauty Rest Mattress has ever been sold for \$29.50. Regular price \$39.50. Segerson Bros., 1213 Centre street, Newton Centre, Mass. Advertisement.

Robert Leo Cohen, a graduate of Newton High Class of 1925, now a sophomore at B. U., has been elected Business Manager for the season of 1927-1928 of the "Syllabus," the year book published by the students of C. B. A. Mr. Cohen is also on the Dean's list of scholars and a member of Phi Sigma Delta Fraternity.

Contributions are coming every day, toward the \$10,000 maintenance fund which the Newton Welfare Bureau must have. The number of new contributing members is very satisfactory. But with all members, new and old, the total membership is below one-tenth of what it ought to be. Do not let the opportunity slip to send your check, to help bring the campaign to a successful end.

Neighbors of Miss Helen Pucciarelli tendered her a shower on Tuesday evening at the home of Miss Gertrude Welch on River street. The outstanding features of the evening's entertainment were the presentation of Irish folk songs and dances by Mrs. Catherine Shea and Mrs. Molly McDermott of Auburndale avenue, assisted by Miss Dorothy Cunningham at the piano, and soprano solos by Miss Mary Rycroft of Alden place. A collation was served. Miss Pucciarelli was given a large number of very desirable gifts.

Newton Upper Falls

Mr. Stephan Krusz of Maryland is visiting his mother on Chestnut street.

There will be a vespers service next Sunday evening at the Methodist Church.

Little June Murphy of Chestnut street has had a minor operation and is convalescing.

The annual reception and sale of fancy articles will be held at the Stone Institute on Saturday.

The Boy Scouts of this village held a very fine musical entertainment at Parish Hall on Thursday evening.

The annual party for the children of the Methodist Church will take place next Thursday afternoon at 3 p. m.

The Rev. Fr. Joseph Meredith who was ordained on Friday will celebrate his first mass at ten fifteen at the Catholic Church next Sunday.

We budget our incomes—set aside this amount for pleasure, that for travel, another for luxurious clothing. Do you think of the many homes where budgeting must be figured to make pitifully few dollars cover necessities of life—perhaps debts to pay, with not one penny to spend for clothing. Such help to make both ends come somewhere near meeting, the Welfare Bureau is giving.

ELECTRIC CAR AND TRUCK CRASH

Wednesday noon a car of the Middlesex & Boston, and a Clearing House Parcel Delivery truck collided on Commonwealth avenue near Rowe street as the truck was crossing the tracks in front of the car. The car was operated by Ralph Ticehurst of 161 Chapel street, Newton, and the truck was driven by Timothy Kinsella of 43 Boyd street. The truck was tipped over and Kinsella was slightly injured. He was taken to the Newton Hospital.

MORE PERSONS BITTEN BY DOGS

The 30 day restraint of dogs in this city apparently did not produce the desired results. More persons have been attacked and bitten by dogs in Newton during the past two weeks, than before the restraining order went into effect. The latest victims include A. J. Dulac of 4 Highland terrace, bitten by a dog owned by Dr. Barrow of 9 Highland avenue; Joseph Stokes of 55 Green street, bitten by a dog owned by Michael Shea of 30 Middle street, Newton; Maud M. Gary of 30 Beechcroft road, bitten by a dog owned by George Maloney of 270 Park street.

MORTGAGE MONEY

There is a distinct advantage in having home mortgages held by home institutions. More favorable treatment is natural when the applicant deals directly with the Bank and establishes intimate friendly relations than can be expected if he deals with those who are practically strangers.

Our service is friendly, courteous and efficient, and our terms on mortgage loans are reasonable.

West Newton Savings Bank

WEST NEWTON, MASS.

Independent of any other bank in Newton

Open Saturday evenings 6:30 to 8:00

NEWTON CENTRAL COUNCIL

The last meeting of the season of the Welfare Problems Conference will be held at the Pettee Inn, 77 Oak street, Newton Upper Falls, on Wednesday, May 25.

Election of officers and a review of the year's work will precede a short talk by Miss Frances B. Mayer, Extension Secretary of the Massachusetts S. P. C. C.

Miss Ethel W. Sabin will tell us about welfare work in a big industrial plant and will then conduct us about the Saco-Lowell Shops. An opportunity will be given to see the building of cotton machinery from the melted iron up to the finished machine.

ROYAL SOCIETY OF WABAN

Edmund F. McLaughlin of West Newton was elected president of the Royal Society of Waban at its annual meeting on May 5, held at the house of Mr. Edward Pitts of Newtonville. John N. Meisner of Waban was elected vice-president; Donald W. Bliss, formerly of Waban, now of Newtonville, secretary; and H. Arthur Shute of Newton Highlands was re-elected treasurer.

The next meeting will be held also at Mr. Pitts' home.

FOREST GROVE, ON MIRROR LAKE SUMMER HOME SITES

QUALITY AND DISTINCTION

One of the most beautiful lakes in all New England, with three million square feet of water surface and two miles of nicely wooded, high and dry shore frontage. Just the ideal spot to erect a Summer home and enjoy many seasons' outings. The best of boating, bathing and fishing in sparkling, clean, clear water. Giant pine and oak trees. Special reservation for family parties.

Free parking space. Located in the towns of Norfolk and Wrentham, about midway between Boston and Providence, reached by the State highway (Auto Route No. 1) and North Street in Wrentham about two miles north of Wrentham Square and one mile south of the Vesper Duck Inn. First time ever offered for public sale. Now open for inspection daily.

If you wish for something out-of-the-ordinary in a Summer home site, attend this sale early and secure the very choicest parcels out of the three hundred sites that are for sale. Moderate prices and easy terms will prevail at the beginning and will be graded upward as the growth of the community warrants during the season. An artistic photo folder souvenir will be mailed to you on request, giving detailed information regarding this new development. Come to the property early in the morning, and stay all day.

SCHOOL NOTES

Hyde School

A recognition Health Day was enthusiastically enjoyed by our school on Tuesday of this week. Corridors were made bright by exhibits of posters, illustrated stories, and charts, all concerning health. Children were seen proudly wearing colored badges and arm bands, and waving flags. These badges were awarded for satisfactory weight, good posture, and sound teeth. The banners were given to pupils with no physical defects.

At 8:30 the pupils, as well as parents and friends, rallied in the hall where the following program was presented:

Song, "America," and Flag Salute, School. Folk Dance, Grade I, Miss Greene; Dance by Ada Merriam, Grade I; Health Fairies, a dance, Grade I, Miss Lewis; Health Play, Grades II, Miss Bryant, Miss Dow, and Miss Knowles; Recitations and Songs, Grade III, Miss Smith; Health Play, Grade III, Miss Jewett; Health Pledge and Song, Grade IV, Miss Barnard; Original Health Song, Grade IV, Miss Sampson; Drill for Good Health, Grade V, Miss Greene; Health Songs, Grade V, Miss Ryder; "Quest for the May Queen," a play, by Grade VI, assisted by Grades VII and VIII, May Queen, Elizabeth Drown; King, Albert Robinson; Posture Poem, Lomira Mason, Grade VII; Mimetics, Grade VIII.

The last feature was an acoustic by Miss Jewett's third grade. The letters together spelled "Miss Bragg," who was applauded as the leader in health work in the Newton schools. Miss Bragg then gave a characteristically happy talk, and commended the health achievements shown by the children. The program was concluded with the singing of "America the Beautiful."

Lasell

The annual Field Day was held on the Recreation Grounds on Wednesday afternoon. There were contests between the classes in the following events: 50 yard dash; 60 yard hurdle; shot put; javelin throw; basketball throw; running broad jump; running high jump and interclass relay race. The class scoring the highest number of points will have their name engraved on the silver cup which is left at the school. The members of the golf club tried out for first place in the following three events: hitting for distance; approach from 50 feet and approach from 100 feet. At the conclusion a baseball game was played between the junior and senior teams with Katherine Paige, captain of the junior team, and Pauline LeClaire, captain of the senior team.

Woodland Park, the junior department of Lasell, also participated in the events: 50 yard dash; basketball throw; high jump and broad jump. The seniors served a picnic lunch at the field for the benefit of their endowment fund.

The Glee and Orchestra Club's concert will be held at the Auburndale Club on Saturday evening, May 21, at eight o'clock.

Rev. Ray E. Eusden, pastor of the Eliot church, Newton, will have charge of the Vesper Service in Bragdon Hall on Sunday evening, May 22, at 6:15 o'clock.

Stearns School

The Opportunity Class is painting the Kindergarten chairs. A good example of co-operation.

The girls of Grades 5 and 6 are eager to be first on the playground each recess so as to share in the baseball games which are being played under the direction of Miss Lewis.

Grade III, Mrs. Goddard's room, is making a "Health House."

The foundation is made of apricots and prunes cemented together with beans. These good things, with the oatmeal walls, graham cracker roof, shredded wheat door, lettuce curtains, and milk bottle chimney, make one feel hungry about recess time. The soap steps are a reminder that cleanliness is a necessary step toward health.

This house is in a large yard surrounded by a macaroni fence. The beautiful white walls are made of rice. The head of the "Lady of the House" is an egg.

For several years the D. A. R. has offered prizes for the three best patriotic compositions from the upper grade pupils of this district.

The prizes were: 1st, \$2.50 gold piece; 2nd, \$2.00; 3rd, \$1.00.

These are usually presented about the time of our Memorial Day exercises.

The Sixth Grades have been hard at work preparing these papers. The subjects this year are "America, Land of Opportunity," and "What My Flag Means to Me."

A committee, chosen by Mr. Winslow, from the teachers, will be the judges.

All of the teachers and children are making preparations for "Recognition Day" which is Tuesday, May 24, in this district.

Dances will be given by the Eliot School children, a Maypole dance by the Kindergarten, while the grades in the Stearns building and portable will give "The Crowning of the Health Queen." Each room is represented.

The Stearns baseball team played their league game with the Horace Mann team last Tuesday and lost by the score of 12 to 13.

It was the first game for the Stearns and, not having a coach, they had no practice. They were, however, good losers, a most important point.

Rice School

The children of the Rice School gave a short health program last Friday during which they crowned as Queen a little girl who was in perfect physical condition and who also had a perfect attendance record.

The children were weight and teeth badges and an arm band for posture and carried a banner, inscribed Newton.

CELEBRATES FIRST MASS

The Rev. John J. McKeon, for many years a resident of this city, celebrated his first Solemn High Mass last Sunday, May 15th, in the Church of Our Lady, Newton. The other officers of the Mass were Rev. Conrad J. Quirbach, deacon, Rev. Robert M. Mantle, subdeacon, Rev. Walter J. Roche, master of ceremonies, and the Arch-priest was the Rev. Russell T. Haley. In the sanctuary was Rev. Lawrence W. Slatery, the pastor. An eloquent sermon was preached by Rev. Edward O'Brien, S. J., Professor of History at Boston College. Fr. O'Brien's fame as a preacher has spread throughout the diocese through the many novenas he has preached to the Little Flower. He is considered one of the most eloquent Catholic preachers in New England. In his sermon he compared the life of a priest to the life of Christ. Tracing each step in the life of Christ from Bethlehem to Nazareth through the public ministry to Gethsemane, to Calvary, to the Ascension, he showed that each priest has the same road to travel, the road from the crib to the cross, from Bethlehem to Calvary, and thence to the Mount of the Ascension. He concluded by wishing the newly ordained priest "God-speed," hoping that his years in the priesthood would be teeming with the fruits of a zealous, sincere priest, a faithful follower of His Master.

A fine musical program was presented. Gounod's Mass of St. Cecilia was sung by the choir of the Church under the direction of Mrs. Ellen L. Passananti, organist. Solos were rendered by Mr. J. Walter Kearns, Mrs. Frances Desmond, Miss Irene Caine and Miss Julia Tobin. The offertory (Juravit) was sung by Miss Tobin. The trio for Benedictus was sung by Miss Tobin, Mr. John Barwise and Mr. Kearns.

Many relatives and friends of the young priest attended the Mass. Twenty-five Sisters of Charity of Convent Station, N. J., were also present. The blessing was given after Mass.

Fr. McKeon was educated in the Newton public schools, Epiphany College, St. Joseph's Seminary, Baltimore, Md., and St. Mary's Seminary, Emmitsburg, Md., and was ordained by the Rt. Rev. A. J. Brennan, D.D., at Richmond, Va., May 8th. He will report for duty there June 1st.

NEWTON HOSPITAL

Week ending May 14—Patients in hospital 134; patients paying as much as cost of care or more 52; patients paying less than cost of care 56; free patients, including babies 26; patients treated by eye clinic 15; accident cases 7; babies born, 7 boys, 6 girls; social service calls at homes 10.

There are a number of children at the hospital as patients, the number including those suffering from fractures, pneumonia and mastoiditis. One of the children, a boy of three, was the heart of the nurses because of his activity. He takes an interest in everything about him and in all the other young patients in the ward. If not watched he manages somehow to pull his bed alongside of some one of the other children with whom he would like to play or talk. All the children in the ward are bright and interesting and seem to enjoy being in the hospital.

Miss Bertha W. Allen, the superintendent of the hospital, was elected president of the Middlesex County Nurses Association at its meeting in Cambridge last week. Miss Ruth I. Humphrys, once assistant superintendent at the hospital and now superintendent of the Framingham Hospital was elected one of the councillors of the association.

Dr. Geo. L. West is on a fishing trip in Maine so that he had to miss last Monday evening's meeting of the Know More Kokki Klub.

Dr. and Mrs. H. F. Keverer are in Washington where the doctor will attend the meetings of the American Medical Association.

The members of the graduating class attended the senior pupils' night at the Massachusetts League of Nursing Education at Unity Hall in Boston this week.

A man who had been hit on the golf links over the eye and on the lip was one of the accident cases treated last week. A man who fell off a bicycle was examined to see if he had received any serious injury and a man who was thrown from a motorcycle was treated for possible fracture of the skull. Two children were treated for broken left arms, one fell off a cellar wall and the other fell against a fence. There was one case of a sprained right wrist due to cranking a car. The seventh case was that of a neurosthenic who called at the hospital late at night, tumbled into the hospital when the door was opened and declared that he was suffering from an accident.

An examination showed there was nothing the matter with him but he was tucked into bed and spent the rest of the night in sound sleep. He had in his clothes cards making appointments at different Boston hospitals. He was one of the peculiar cases who show up every now and then at hospitals, men who may have something the matter with them nervously but who are sound physically. Some of them are nothing more or less than plain humbugs who use their wits to secure free board and lodging at hospitals.

MAYOR REAPPOINTS CHIEF BURKE

Mayor Childs has reappointed Chief of Police Burke for another year. Chief Burke reached the age limit, 65, last year, but, according to law the Mayor may reappoint him from year to year, subject to the confirmation of the Board of Aldermen.

All Newton Music School

The closing exercises of the All Newton Music School will be held on Friday evening, May 27th, at 7:45 o'clock at the Assembly Hall, New High School Building, Newtonville. The Honor Roll will be read and certificates and diplomas will be awarded.

GIRL SCOUTS

(Continued from Page 1)

Girl Scouts from all parts of the state took part in the opening exercises which included a salute to the flag, the singing of the Star Spangled Banner and the repetition of the Girl Scout Promise and Laws. Lieut. Governor Allen attended the review and was escorted across the hall by an honor body guard of Girl and Boy Scouts. Mrs. Alvan T. Fuller, Honorary Commissioner for Massachusetts took a prominent part in the ceremonies. Girl Scouts from Newton were to be found in the State Song group of 1000 voices, in the pageant of the compass points, in the Bugle and Drum Corps and in the trumpeters chorus. Newton officers assisted in ushering and managing traffic.

The dedication of the John W. Weeks' memorial bridge took place on the same day as the State Review. 25 Newton Girl Scouts went over to Cambridge to take part in the dedication service.

Be Prepared! The Greatest Show on Earth is coming to town! June 11 is the magic date that the Newton Girl Scout Circus will pitch its tents on Claffin Field. Watch our Girl Scouts column in the Graphic for our next installment all about the Big Show!!!

BIRTHS

LAROSSE; on May 7, to Mr. and Mrs. Conrad Larosse, of 226 California street, a daughter.

MANDILE; on May 14, to Mr. and Mrs. Anthony Mandile, of 575 Boylston street, a daughter.

SALTONSTALL; on May 14, to Mr. and Mrs. Leverett Saltonstall, of 240 Chestnut Hill road, a son.

QUINTILLIAN; on May 7, to Mr. and Mrs. Orazio Quintilliani, of 14 Cook street, a son.

DORSEY; on May 9, to Mr. and Mrs. Andrew Dorsey, of 6 Dennis Place, a son.

DUNLOP; on May 10, to Mr. and Mrs. James Dunlop, of 370 Wolcott street, a son.

BUFFUM; on May 11, to Mr. and Mrs. Erving Buffum, of 33 Hillside road, a son.

JERAULD; on May 11, to Mr. and Mrs. Albert Jerauld, of 40 Neshobe road, a daughter.

QUINN; on May 11, to Mr. and Mrs. Owen Quinn, of 48 Warwick road, a daughter.

FIRE RECORD

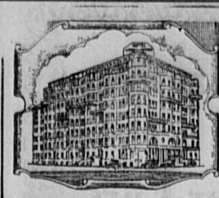

Box 15 at 10:09 p. m. Monday was for a fire in the boiler of the Brook street garage. The cause was an overheated gas heater.

Box 281 at 11:50 p. m. Sunday was a false alarm. Another false alarm was pulled at 3:04 p. m. Wednesday on Box 314. Apparently simply flaring culprits will not stop the practice of ringing false alarms.

Saturday at 4:10 p. m. Box 61 was for a fire in the garage of Seward Jones at 49 Columbus street, Newton Highlands.

LODGES

NASH

Leads the World in Motor Car Value

NASH has the power you need on the HILLS

Every Nash owner notices that he has very little gear shifting to do on hills, no matter how steep the grades may be.

Nash is a very powerful motor car. There is nothing half-hearted or sluggish about its response—the motor never "talks back" at you—even though you are climbing mountains.

One reason is the more than adequate power designed into every Nash motor car. Nash engineering has provided reserve energy for situations that tax the resources of other cars, and extend their engines to the point of strain.

Another reason for the powerful performance of Nash is 7 bearings. 7

bearings in every Nash model, instead of 3 or 4, means that power is not thrown away by crankshaft "whip." Proper bearing support conserves energy that older motor types waste.

Quick acceleration—powerful responsiveness—such as Nash provides, is a safety factor you cannot overlook. It is invaluable on the hills, very handy in traffic.

When you select your next car, be sure to see how unfavorably the power and pick-up of other cars compare to Nash, before you decide! There are 26 models priced from \$865 to \$2090 f. o. b. factory.

POLICE NEWS

Last Friday morning at 1 o'clock, Alfred Dabney of 939 Boylston street, Boston, was arrested by Serg. Moan and Patrolman Stanton, charged with driving "while under the influence of liquor." His case will be heard on May 23rd.

Another alleged "wutiol" driver arrested last Friday, was Jeremiah Keating of Westboro, corrailed by Officers Kilmain and Hammell. His case was continued for a week.

Last Friday in the Newton Court, a number of those gentry who endanger the lives and safety of the public by "speeding" autos on the highways, were assessed by Judge Bacon. Those fined \$10 were—J. Chasley Stewart, 164 Huntington avenue, Boston; John Goldberg, Lynn; Alfred White, Spruce street, Waltham; Lawrence Anzolino, Columbus avenue, West Newton; Thomas Hilland, Atherton road, Newton Hlds.; Charles Calish, Blue Hill avenue, Dorchester; Samuel Young, Worcester; Harold Talbert, Worcester; Charles H. Clark, 1488 Commonwealth avenue; Samson Fineberg, 424 Commonwealth avenue, Newton Centre; Olaf Helgeson, 34 James street, West Newton; James Dezotell, 65 Allison street, Newton; Grace Garcelon, 35 Church street, Newton. John Hayes of Farrington avenue, Allston, and Theodore Westland of 64 Eddy street, West Newton, were fined \$15 each.

In court the same day, Conrad Ravili of Waltham, who picked out the wrong house at West Newton when he went to visit his sweetheart, and who could not be convinced at that time that he had made a mistake, was fined \$20 for trespass, and given a suspended sentence of 30 days to the House of Correction for making threats. Antonio Lima of 833 Boylston street, Dorchester, was fined \$5 for driving after his license had been revoked. Mike Deprosio of Chestnut street, Upper Falls, was fined \$15 in court on Monday for committing assault and battery on one David Shuman. Mike and Dave got into an argument which reached a climax when the Latin threw a shovel full of dirt on the cranium of the Semite.

Gideon Thibault of Waltham was fined \$100 by Judge Bacon on Wednesday for driving so as to endanger the lives and safety of the public. Recently Thibault was teaching his son how to drive an auto, and the latter while attempting to turn the dangerous corner at Cherry and River streets, West Newton, drove the car onto the sidewalk and injured two persons. This fine should act as a deterrent to those persons who foolishly think that the proper way to teach beginners to drive motor cars, is to take them on streets where there are traffic hazards.

In court on Wednesday, Arthur Baker of Crafts street was found not guilty on the charge of drunkenness and also on the charge of driving while under the influence of liquor. Louis Shiro of 6 Colonial avenue, Newtonville, was arrested on Monday by Inspectors Good and Conroy for committing assault and battery on his wife. According to the testimony of the latter, Shiro has been quite "catty" during the 13 years of their married life. She claimed it has been a regular morning practice of his to spit in her face.

Serg. Seaver and Patrolman Connelly on Sunday recovered bicycles stolen from Henry Ball of 1025 Walnut street, Fred Cole of Tarrington road, and Edward Upham of 165 Collins road. A Lower Falls boy was the person who had stolen the wheels.

LOST AND FOUND

POCKETBOOK FOUND Wednesday at Nonantum square containing small sum of money. Owner can have by proving property and paying for advertisement. See Street Patrolman at Nonantum square. 1t

"One Hundred and Fifty Years Combined Experience"

NEWTON HIGHLANDS GIRL SCOUTS

The Spring activity of the Girl Scouts of Newton Highlands will take place in the Congregational Parish House at 8 o'clock on Saturday evening of this week when Troop 21, Seniors, will present a Musical Comedy in two acts entitled "Miss Caruthers Returns." The lead is taken by Jean Manning and solo numbers by Louise Hawkes, Barbara Nichols, Elizabeth Skelton, Martha Thompson, and a dance by Little Ada Merriam. Girls of the chorus are Misses Collins, Cudworth, Egan, Gallagher, Haladay, McMullin, Melver, Norton, Oakes, Ogden, Thompson.

The Operetta is under the direction of Mrs. Harry Forte.

The Community has always shown much interest in the Girl Scout activities and Troop 21 is hoping that this interest may be continued in this first dramatic effort.

The Junior Troop under the direction of Captain Moore is in charge of the tickets, and will also sell candy at the entertainment.

The proceeds are to be given to the Newton Girl Scout Camp Mary Day.

MRS. MARY GALWAY

Mrs. Mary Galway of Riverdale avenue, Nonantum, one of that district's oldest and best beloved residents, died Wednesday afternoon at the Newton

Hospital. She was the wife of James Galway, for many years employed by the Saxony Worsted Mills and the Nonantum Worsted Company, who survives. Mrs. Galway, who was born in Belfast, Ireland, was a woman of strong religious character and noted for her charity. She was very active in the affairs of the North Congregational Church.

She came to Newton 47 years ago and before her marriage was employed by the family of Mayor Edwin O. Childs. Mr. Childs characterized the deceased as a woman whose influence accomplished much for the community. Her funeral service will be held on Sunday afternoon at 2:30 in the North Congregational Church; Rev. Robert Rae officiating. Burial will be in Newton Cemetery.

ROBERT KIRK

Robert Kirk of 29 Eden avenue, West Newton, died suddenly Wednesday at his late home. He was born in Galloway, Scotland, 74 years ago, and had resided in this city for 35 years. He was formerly in the employ of the American Express Company. Mr. Kirk is survived by three daughters, Mrs. Chauncey A. Stinets, with whom he had made his home; Mrs. R. M. Copeland of Revere, and Mrs. Agnes Campbell of San Diego, California. His funeral services are being held this afternoon at his late residence and burial will be in Newton Cemetery.

TWO DELIVERIES DAILY

Waban

—Mrs. B. D. Miller is spending the week in New York.

—Mr. Joseph W. Bartlett is spending the week-end at Hanover.

—Mr. and Mrs. Henry C. Short spent the week-end at Kittery, Maine.

—Mrs. Marjorie Mason will entertain friends at bridge on Tuesday next.

—Mr. Gifford LeClear has been elected a director of the Boston Chamber of Commerce.

—Mrs. Charles W. Brooks of Pilgrim road is entertaining friends at bridge this evening.

—The graduating class of the Angier School will present 2 plays on Friday afternoon and evening.

—Mr. and Mrs. H. S. Kimball have as their guest, Mr. Kimball's cousin, Mrs. E. P. Hill of Los Angeles.

—Rev. Charles H. Cutler of Andover is to preach at the Neighborhood Club House next Sunday morning at 11 o'clock.

—Alfred Walker and a few of his friends celebrated his second birthday on Thursday afternoon at his home on Collins road.

—Mrs. Clifford H. Walker of Chestnut street entertained the Paulette Caron Club on Monday at its last meeting for this season.

—Mrs. Esmond Rice of Carlton road gave a bridge party on Thursday evening in honor of her aunt, Mrs. H. E. Rowe of Ellsworth, Maine.

—Mr. and Mrs. E. J. Shiland entertained the "East and West Club" on Monday evening. This is to be its last getting together for the season.

—Mrs. Gifford LeClear, who is choir mother at the Church of the Good Shepherd, entertained the members of the choir at dinner on Tuesday evening.

—Mrs. Dana B. Jefferson entertained the Friday Bridge Club yesterday at her home in Marblehead. This will be the last meeting of this club for the season.

Pupils of the eighth grade of the Angier School give a play called "Jim in a Jam" at the School Assembly Hall last night, the money thus raised to be used for a class gift.

—Mr. and Mrs. Howard M. North celebrated the 21st birthday of their son Mr. William North by entertaining a group of his friends at dinner at the Copley Plaza after which they all attended the "Pops."

—The new bus line operating between this town and Newton Corner passes the Florence E. Rand Hat Shop, 433 Centre street, Newton. You are cordially invited to visit this exclusive and up-to-date shop—Advertisement.

—Mr. and Mrs. Walter J. Meadows are attending on May 21st the banquet at Hotel Statler of the Bellingham High School Ass'n of Chelsea. All who attended that school before it was burned in the fire of 1908 are eligible as members. Among the graduates are noted business and professional men and women.

—Come to the Newton Welfare Bureau one day. "Sit in" with the Conference Committee. Listen to the cases most difficult to adjust. Trouble which has come to fathers and mothers of families through no fault of their own. You will be glad to send what you can to carry on the work of encouragement and relief.

—Mr. and Mrs. Wilfred O. White were "at home" to their friends on Sunday, in honor of Mr. and Mrs. Percy Owen and the Misses Aileen and Evelyn Owen of Melbourne, Australia, who are making their home at Alden Park Manor for the next few months following an eighteen months' trip around the world. Mrs. Owen is the sister of Mr. White.

—"Outward Bound" was presented at the Waban Neighborhood Club House on Friday and Saturday evenings of last week. In the cast were Mrs. Walter A. Huxley, Miss Louise Bentley, Mrs. R. W. Morse, Jr., and Misses Carl Grove, H. L. Andrews, George Walker, James D. Seaver, E. P. Upham and Arthur Soule. The play was given under the skillful direction of Mr. George N. Roberts and reflects great credit upon him and upon any member of the well chosen cast.

DEATH OF MR. WILCOX

Mr. Edwin C. Wilcox, a resident of this city for thirty-six years, died suddenly Monday night at his home on Lowell avenue, Newtonville. Mr. Wilcox was among the best known insurance men of Boston, having been with the Penn Mutual Life Insurance Company for 37 years, and previously was with the Connecticut Mutual and Aetna Life.

He was the son of the late Elijah D. and Adalida Scott Wilcox of Bellingham, where he was born April 6, 1860. He attended Dean Academy and was a graduate of the Mowry and Goff School, Providence, R. I. He is survived by his widow, Anne-gene Eddy Wilcox.

THE ELIOT CHURCH

Newton, Mass.

Rev. Ray A. Eusden, Minister

10:30 Morning service of worship. Mr. Eusden will preach.

Thursday evening, 7:45, mid-week meeting of the church.

Newton

—Call Airth's Express. Tel. Newton North 1339.—Advertisement.

—Mr. and Mrs. H. M. Bacon of Fairview street have returned from a trip to California.

—Miss Mary E. P. Sloan of Charlesbank road has moved to an apartment in the Warren.

—Mrs. F. E. Harwood of Willard street has been called to California by the illness of her brother.

—Mrs. Waldo W. Whitney of Copley street returned this week from a winter at Miami, Florida.

—Miss Emily Blaisdell, '27, and Miss Evelyn Feakes, '29, took part in the May Day festival on Tuesday at Wheaton College.

—Mr. Lewis Davis, student assistant at Eliot Church, has been called to Amityville, L. I., by the serious illness of his father.

—Mrs. George D. Burrage of the "Warren," Washington street, is moving the first of June to New Haven, Conn., to live with her sisters.

—The Ladies' Aid of the Methodist Church held their regular meeting Tuesday afternoon at the home of Mrs. Henry Urquhart on California street.

—Mrs. Walter G. Whitney of Ricker road returned this week from Brooklyn, N. Y., where she attended the convention of the General Society, Daughters of the Revolution.

—"Cocoons and Butterflies," a fantasy by Grace Evelyn Brown of Hollis street, is to be given at the Roxbury Practical Arts High School, Greenville street, Roxbury, Monday, May 23, at 8 P. M.

—At the annual meeting this week of the New England Woman's Club Miss Emma E. Walker was elected a vice-president and Mrs. John G. Godding was elected a trustee of the reserve fund.

—Mrs. Daniel M. Goodridge of Park street and Mrs. Adelbert Fernald of Elmhurst road have returned from Brooklyn, N. Y., where they were delegates to the convention of the General Society, Daughters of the Revolution.

—Mrs. John G. Godding of Centre street was a delegate to the meetings of the State Federation of Women's Clubs, held Tuesday, Wednesday and Thursday of this week at the New Ocean House, Swampscott, Mass.

—Miss Edith Boothby and Mr. John Graham of the Eliot Sunday School were the delegates to the Massachusetts Congregational Convention which was held in Worcester Monday, Tuesday and Wednesday of this week.

—The many friends of Mr. William Van Buskirk are pleased to learn that he has resumed his former position at Perry's, the newsdealer. For the past few years Mr. Van Buskirk has been engaged in the electrical business.

—Mrs. Annie Smith of 94 Elmwood street, died Tuesday as a result of a cerebral hemorrhage. She is survived by her husband and five children. Her funeral was held yesterday and burial was at Exeter, New Hampshire.

—Rev. Ray Anderson Eusden, Miss Bessie Stratton and Mrs. C. H. Patton were the official representatives from Eliot Church at the 125th annual meeting of the Massachusetts Congregational Conference, held at Worcester on Monday, Tuesday and Wednesday of this week.

—The alarm Monday night at 10 from Box 15 was for a fire in the boiler room of a garage at 14 Brooks street, owned by J. P. Grogan of Cambridge, and was caused by an overheated gas heater. The flames gave the firemen considerable trouble to prevent their spread through the cellar.

—Remember that success of the campaign for maintenance fund for Newton Welfare Bureau—the entire \$10,000 received—means health and comfortable living to hundreds of men and women and children. Failure to raise the required amount means proportionate disappointment, perhaps suffering.

ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

After all, what is local pride? By the way, this is not a question to test the extent of your fund of general information. I am really wondering if I have hit upon a sound answer to the question. Is local pride merely a feeling of intense satisfaction derived from the fact that our city is an attractive one, that it possesses many wonderful homes, churches, school buildings, etc.; that it is well governed and ranks high among Massachusetts communities?

Or is local pride the spirit which inspires us to take part in worthwhile movements, to give of our time and means to further good causes and to participate in attempts to raise funds that are to be applied to helping the less fortunate? In my opinion the men and women who want to do something for the city and its inhabitants and who do so without thought of reward are the only ones entitled to point with local pride at the city and its achievements.

It takes the courage of a patriot to go out and solicit contributions for any established philanthropy, and for that reason I think we should show a greater appreciation of the efforts of those who have undertaken to raise \$10,000 for the Newton Welfare Bureau. The only way to prove our gratitude to them is by making some contributions ourselves. By so doing we are not only performing a good deed but pushing forward an enterprise which is bound to react to the credit of our home town.

In the old days we used to hear of the Associated Charities. Today that uncomfortable word charity is forgotten. With its passing have disappeared the old-fashioned methods of distributing bodily nourishment among the afflicted. The work of the welfare bureau is broader. It covers the same ground as the associated charities, but it does so in a far pleasanter and more efficient manner. It isn't cold, but it is practical. Moreover, it prevents the overlapping of movements intended to alleviate the condition of those who have met with adversity.

Happily, the system of doing out funds to those in need is far different from what it used to be. Recipients are no longer the objects of public pity. They are not made to feel that anguish which must come to people who once had means and who for some reason or other must now receive substantial assistance from strangers. Conditions have changed and methods have changed with them. It is a good thing all round.

Now, then, to get back to local pride. Here is an enterprise the value of which no one disputes. Furthermore, we find it employs preventive measures, which is quite as it should be. When a number of our most earnest citizens combine their efforts in this direction there is no doubt as to the position the rest of us should assume. It is our place to be recorded as indorsees.

Intelligence in giving has been developed, not through chance but through the efforts of men and women of sympathy and understanding. They have been closer to the problems of the poor and are prepared to answer perplexing questions which we, who sit on the sidelines, do not seem to comprehend.

Every dollar contributed to the Newton Welfare Bureau gives to the donor a share in the local pride of this city. Incidentally, it reduces the amount of money the city has to appropriate for the Overseers of the Poor, it shows a willingness to help those in trouble and lifts the whole social plane to a level from which we may look up at higher things and not down at things disagreeable and sad.

Occasionally I feel that I am doing a friendly turn to allow a correspondent to express his feelings concerning something of which the public has a few ideas. Therefore, I am willing to print the following:

"Dear Lev—You seem to know a good deal about trolley-riding. Have you ever had a desire to be a conductor? No? Well then, I have. I would take the job and ask no salary if I could be sure that all the passengers would be conductors that have used me in the past. That may seem funny, but what I mean is this: I want to get back at the fellows who close the door of the car just as I am about to step on board."

"I leave it to you—is it any fun to chase a car, or run to get at the white post before the car starts, and then get there just in time to have the conductor give the door a slam and leave you in the street? Not all conductors have a mean disposition. In the subway, though, they bang the door and nothing will persuade them to open it. There are some of them who have a yellow-feeling for a passenger, and these I want to thank. But the guy who doesn't get my goat."

"I wish you'd write a piece for the paper and make 'em nervous. It is about the only thing I know that might do any good. Thanking you for letting me get this off my chest, etc."

If there is anybody who thinks national prohibition is a dead issue let him arrange a debate on the subject, with able speakers on both sides. When the Roosevelt Club held its debate last month between Senator Borah and Dr. Butler there were crowds unable to gain admittance to Symphony Hall. The interesting part of the whole thing was that not until two days before did the greater rush for seats begin.

I am told that when the officers first suggested broadcasting the proceedings—it was some time in March that the idea first occurred to them—one of the larger companies told them politely that it was not worth giving so much time, that people wouldn't want their radio enjoyment interrupted by a talk on prohibition, no matter who gave it. Well, it appears that this company changed its mind, but too late, and when it came around and offered unlimited facilities for sending the debate all over the country it was too late. Another and smaller station had obtained the contract.

There were many newspapers outside of Boston which waked up at the

last moment and star reporters were rushed from New York and other cities. Columns upon columns were devoted to the affair, not only hereabouts but in distant places. So much for proof that prohibition is a live issue.

Now, then, to tell of a recent local debate between one of the prominent men who talks for the "wet" over the radio and in other places, and a man who favors prohibition because he believes in it and asks no compensation. The "wet" adherent had contradicted the assertion of the "dry" speaker that United States, because of prohibition, is solvent and the only country that is so blessed.

"My friend is in error," said the "wet" speaker. "England is solvent."

"She wouldn't be," interrupted the "dry" speaker, "if she paid us what she owes us."

This apparently upset the "wet" speaker. He shuffled his notes, and said, "I cannot proceed, Mr. Chairman, if I am to be interrupted. Let me see, where was I?"

"You were in London," called a voice from the back of the hall, and the crowd roared.

It happened to be my privilege to meet America's popular humorist, Will Rogers, and to enjoy the pleasure of his reminiscences and experiences. Many Newton people no doubt attended his entertainment in Boston last week. At any rate most of us are familiar with his delightful stories, philosophical utterances, grinds on people and events, and his witty comments on things in general.

To think of Will Rogers is to laugh at the recollection of something he has said or written. That, I am sure, is the attitude of mind of nearly everybody. Since my talk with him I find myself even stronger in my admiration. He is thoroughly genuine, not a bit artificial as are many stage folk, and a deep thinker. He has an outlook on life that is as comprehensive as it is broad.

Now, it seldom occurs to us that a maker-of-fun can be deadly serious. We know that such a man must be, but we just can't imagine when that moment may be. Let me tell you that Will Rogers is a hard-working man that he reads the newspapers the first thing every morning—not for the scandal and big news events alone, but to keep himself informed as to what is going on in all parts of the world. He then sits down at his typewriter and turns out the copy for his newspaper and magazine articles and keeps at it until it is time to keep whatever engagement he may have made. He eats sparingly, has never in his life tasted tobacco or intoxicating liquor and keeps himself in the finest physical condition as his exacting labors permit.

But to get back to his seriousness. What most impressed me was his deep feeling for the unfortunate victims of the Mississippi floods. He insists that we have no idea what ruin and disaster have come upon the people. He is familiar with their manner of living and says, although they needed help before the flood, they certainly need more of it now. You cannot listen to him without experiencing a desire to give to the cause. And Mr. Rogers is one of those who practice what they preach. He didn't mention the fact himself, but an intimate friend of his informs me that Will Rogers' gifts have run up to many thousands and that he is still giving liberally to this and other causes.

As yet I am unable to see the value of any conference or council of the cities and towns of the Metropolitan district. Assuming that the promoters of the latest form of this unification of effort have no thought of annexation, what is the idea anyway?

Suppose Boston and its neighboring municipalities get together through able representatives and pile all their troubles on the dining table—I feel sure there will be luncheons whenever they meet—what is to come of it? As I read the thoughts of the leaders they are going to take it to the Legislature.

Maybe that is the best thing to do after all. But who is to receive first attention? Which problem, Boston's or Newton's or Arlington's or Saugus' will be thought to be most vital? Until there is an agreement that one thing shall be straightened out at a time it doesn't look to me as if much would be done.

I am tempted to go further into this whole thing, but I believe that its materialization is too distant to justify such use of Graphic space. All I can say is that it is my opinion each community is better able to tackle its own problems and settle them, alone and unaided, than in any other way.

CITY OF NEWTON, MASSACHUSETTS

The Planning Board acting as a Board of Survey will give a public hearing at City Hall, West Newton, Mass., Tuesday, May 31st, 1927, at 4:00 o'clock p. m. for the consideration of the following plans:

1. Plan of Intervale and Edge Hill roads, Newton Centre "Proposed development of land of Vincent E. Squiers et als. H. F. Bryant & Son, C. E. March 25, 1927."

2. Plan of Leonard avenue and Greylock road, West Newton, "Proposed development of land of Haynes & Hernandez Inc., E. M. Brooks C. E. April 1927."

3. Plan of Caroline park, Waban, "Proposed change in grades as approved and shown on plan No. 20002 filed June 2, 1926." Revised plan, E. M. Brooks C. E. May 16, 1927.

WILLIAM P. MORSE, Clerk.

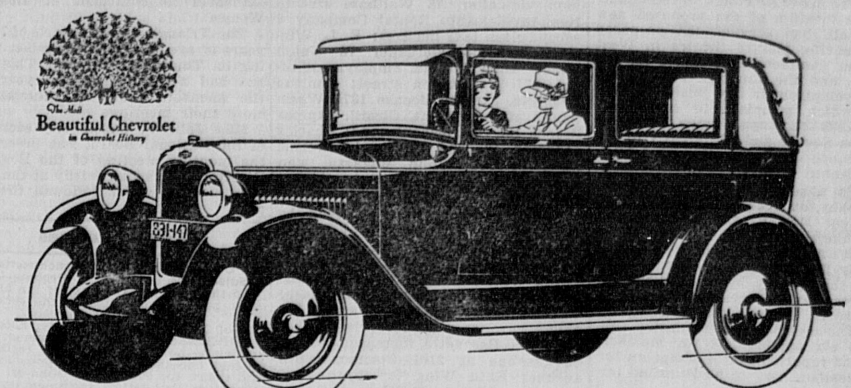

CITY HALL

Upon request of Gov. Fuller His Honor Edwin O. Childs designated Street Commissioner George E. Stuart and Chief of Police Burke to represent the City of Newton at the meeting of the Massachusetts Safety Council held at the Bancroft Hotel, Worcester, on Wednesday, when matters pertaining to the traffic conditions in Massachusetts were discussed.

The Imperial Landau

Specially-Built Fisher Body — Strikingly Beautiful Duco Colors—Elegantly Appointed —The Aristocrat of All Chevrolets

Again Chevrolet revolutionizes every previous conception of quality and elegance in a low-priced automobile by presenting the Imperial Landau—a new model whose distinction and smartness entitle it to comparison with the costliest custom-built cars.

Its specially-built Fisher body reveals all the masterly craftsmanship for which the Fisher name is famous. The finish is lustrous black Duco, with embellishments of brilliant chasseur red.

With oblong windows—with nicked-in-panels and landau bows—with vaulted roof, and with top and rear

quarter in mouse gray textile leather, this aristocrat of all Chevrolets is one of the most strikingly beautiful cars to be seen on the streets and highways.

And, of course, it has all the power, speed and smoothness—all the flashing acceleration, finger-tip steering and unfailing dependability that have brought to Chevrolet such world-wide fame.

This beautiful car is now on display in our showroom. Come and see it. You will be delighted to learn that a car so low in price provides such commanding individuality and style!

SEND FOR PRICE CARD

We endorse Barrett ROOFINGS

Ask any real estate man this question: "Does the roof make a great difference in getting the best price for a house?" He won't need to think twice. His only possible answer is "Yes."

You might say that a roof of Barrett Asphalt Shingles pays for itself. Handsome and rugged, a roof like this increases a house's value by much more than its cost. We've had wide experience in roofings... Seen all kinds... Tested them out. And we'll stand back of Barrett Roofings. They're handsome, rugged—rot-proof, rust-proof and fire-safe. Let us show them to you!

Mr. H.: "Congratulations! I hear you got a good price for your house."

Mr. K.: "Yes, and I guess I can thank the wife for it. She had me put on the new roof. That's what clinched the sale."

*Barrett Shingles add to the good looks and value of any house

GET TOGETHER

Fifty or more business men of West Newton attended the get-together dinner and meeting of the West Newton Business Men's Association at Village Hall on Monday evening. Following an interesting and inspiring address by E. Fred Cullen, President of the Johnson Educator Food Company of Cambridge, there was a spirited and extended discussion of various matters of special interest to West Newton. There included the location of the proposed new city hall, bus service, the proposed new moving picture theatre in West Newton, summer half-holidays for the stores, and the reported million dollar development in new business property which promises to completely transform the appearance and greatly to the importance of that section as a business center.

In the absence of President George P. Brophy, on account of illness, Vice President Max Kratzitz presided and kept things moving from 6:30 to 10:30 o'clock. At the former hour an exceptionally fine dinner was served, after which the address by Mr. Cullen was heard. A general discussion followed on matters of specific interest. The membership committee submitted six applications for membership and reported that a campaign for new members was to be launched immediately.

The address by Mr. Cullen was one that was especially appropriate to the occasion, being rich in inspiration and helpful suggestion for the comparatively new organization. Mr. Cullen's experience as a sales and business executive, augmented through several years of activity with the Boston Chamber of Commerce, made him well qualified to address a gathering of this kind. He expressed no difficulty in holding the close attention of his audience and offered much that will be helpful in developing further plans and activities of the new association.

While not a resident of Newton or conversant with local problems, Mr. Cullen inadvertently hit the West Newton Business Men's Association to strive for a new city hall. He had many complimentary things to say about the Garden City, and congratulated his hearers upon being residents of so desirable a city, but mentioned the present city hall as a straight from the take but little pride.

The suggestion by two or three of the present that the retention of City Hall in West Newton was not as important to the business interests of the village as many believed, started the firework and a straight from the shoulder discussion that resulted in an almost unanimous vote to adopt resolutions urging the Board of Aldermen to consider very carefully before reaching any decision to locate a new city hall elsewhere.

The report of the special committee appointed at a previous meeting to interview Mayor Childs, and present a petition for a permit for a moving picture theatre in West Newton, brought the fact that no hearing had been submitted at that time, nor had any official communication upon the matter been received by the association. The committee was again instructed to interview the mayor and the matter of summer half-holidays for the stores was referred to a special committee, comprising C. A. Stimets, David Fried, and J. B. Davis, to canvass the merchants and report at the next meeting.

REV. DR. NOYES HONORED

Rev. Edward M. Noyes, D.D., pastor of the First Church, has been honored by his selection as one of the ten Congregational ministers from the United States as a delegate to the Lausanne Conference to be held next summer in Switzerland. There will be 500 delegates, of whom 110 will be from the United States and only from the Congregational Church.

Dr. Noyes was graduated from Yale College in the class of 1879. He was appointed pastor of the historic First Church in Newton in October, 1894, and has served that church as pastor ever since. During the more than 30 years that he has been affiliated with the First Church he has done wonderful work.

This church was established in 1654, and is the mother of all the Newton churches. From its membership have been recruited presidents of both Yale and Williams and many men who distinguished themselves in business and in letters during this period.

Dr. Noyes is president of the American Congregational Association and is a member of the board of directors of the Congregational Extension Board. The degree of doctor of divinity was given to him by Middlebury College last Commencement. Dr. Noyes is recognized everywhere as one of the outstanding scholars in the ministry. His church members have shown their appreciation of his scholarly sermons by constantly increasing attendance during his long pastorate.

MORE TRAFFIC SAFEGUARDS

Chief of Police Burke and the Traffic Committee of the Aldermen, composed of Aldermen Grebenstein, Hinckley and Hodgdon, are co-operating to make the streets of this city safer for traffic. A number of changes have been made in traffic regulations, and others will be made in an effort to provide the greatest amount of safety and also cater so far as possible to the convenience of motorists. More flashing signal lights will be installed within a few days at these corners—Lewis terrace and Newtonville avenue, Lowell and Highland avenues, Lowell avenue and Otis street, Chestnut and Beacon streets, Chestnut and Woodward streets, Mechanic Bert Stuart of the Street Department is in charge of the installation work.

IN NEW QUARTERS

The Hospital Benefit Shop will be ready to welcome its friends in its new home, No. 5 Washington terrace, Newtonville, next week. The days of opening are to be the same, Wednesday and Friday, from 10 to 4 and Saturday nights 7 to 9.

PERMITS GRANTED

The permits granted by the aldermen on Monday night included—Newton Theological Institution, 3-car garage at 196 Institution avenue; James Scully, 7 car garage at 9 Wade street; Telephone and Edison Company, 2 poles on Hibbard road; Telephone Company 9 poles on Ridge avenue; Edison Company 3 poles on North street and underground conduit on Church street; Christian Schulz, common victualler, 75 Waltham street; Newtonville Auto Rental Company 6 second-class taxi licenses; E. L. Winslow, common victualler, 73 Union Street; Mary M. Mearns, employment office, 277 Washington street; Thomas Loughlin, express license 1375 Washington street; W. G. Girard, express license 132 Charlesbank road; Charles Johnston Jr., 2nd hand auto license, Hovey street. John Magazzu, who had applied for a gasoline station at 184 California street.

Petitions which were received by the aldermen and referred to various committees were—Vincent All for second-hand articles at 249 Centre street; Frank White, 3 Maple terrace, changing and class taxi license to 1st class; Thomas Molloy, 31 Emerald street, 500 gallon gasoline tank for private use; Archibald Parquette, increased storage of gasoline at 2101 Commonwealth avenue; Ruth Wing for injuries received at Commonwealth avenue and Ivernia road; Thomas F. Dolan for damages to automobile on Ward street; Mrs. L. W. Boswell, claim for damages to automobile, by publisher changing land at corner of Washington street and Quineboquin road from single residence to business zone; Alice Dunn and others that Hamilton School remain at its present location; E. H. Earnshaw for oiling Stafford and Chapin roads; Clara S. Stone for improving Dresser's Brook; Fred M. Lowe for widening northeast corner of Elm and Washington streets; Mrs. Annarella Damiano, for abatement assessments, 53 Hawthorn street, Ward 2; Frederick Plummer at all, sewer in Private Way off Auburn street, Ward 4; Margaret S. Mundy at all, sewer in Bolton road, Ward 2, Recommendation from Board of Health accompanying; J. H. Flynn, at all, sewer in Walden street, Ward 2, Recommendation from Board of Health accompanying; Henry E. Warren, sewer in Westminster road, Ward 6; Margaret S. Mundy at all, laying out, grading and acceptance, Bolton road, Wd. 2, under the General Law; Francis J. Whittier et al, laying out, grading and acceptance, Cloverdale road, Ward 5, under the Betterment Law; C. Raymond Roberts, at all, laying out, grading and acceptance, Oxford road, Ward 6, under the Betterment Law; Margaret S. Mundy at all, laying out, grading and acceptance, Walden street, Ward 2, under the General Law.

FACULTY PLAYS

The faculty of the Newton High School gave a series of four one-act plays at the assembly hall of the Newton High School last Saturday evening to a most discriminating audience. The plays were "The Lost Silk Hat" and "A Night at an Inn," both by Lord Dunsany; "Ever Young," by Alice Gerstenberg, and "Aria da Capo," by Edna Millay.

A splendid musical program was given by the High School orchestra under the direction of Charles B. Harrington before and at the various intermissions. The casts were as follows: "The Lost Silk Hat," Francis L. Bacon, Clifford L. Brownell, Charles H. Morgenstahl, Robert M. Keeney and George E. Shattuck; "Ever Young," Cora E. Riley, Blanche Bemis, Gladys M. Bigelow and Vesta A. Richmond; "A Night at an Inn," Paul E. Ellicker, Raymond A. Green, Abner H. Bailey, Daniel F. Koughan, Horace Kidger, Lester E. William, Maynard Maxin and Frederick O. Holmes; "Aria da Capo," Gladys E. Jones, Edith E. Newcomb, Maude M. Shippee, Alice L. Jones and Rosina C. Rathbone.

It should be noted that each play was given entirely by men or by women. Raymond A. Green was stage manager; E. Louise Richardson, chairman of publicity; and Mildred B. Hood was business manager.

Wallace C. Richmond was head usher and he was assisted by Carl P. Birmingham, Warren E. Blue, Francis J. Foster, Frederick Hussey, Arthur C. Johnson, Harry J. Patterson, Charles N. Peterson, James N. Potter, Walter H. Sears, John L. Sullivan, Herbert D. Thinker and David P. A. Willard.

MORTGAGEE'S SALE

By virtue of the power of sale contained in a certain mortgage given by Frank A. Charbonneau, Trustee, to the Mortgagee, the undersigned, a Declaration of Trust filed in Middlesex South District Deeds in Book 4823, dated October 14th, 1925, and recorded with Middlesex Registry of Deeds, Land Registration Office, as document No. 71957, Book 146 Page 489, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction at 11 o'clock a. m. on the seventh day of June, A. D. 1927, at 23 Eitchburg Street, Watertown, all and singular the premises described in said mortgage, to-wit:

The land with the buildings thereon situated in Watertown in the county of Middlesex and said Commonwealth bounded easterly by Lot numbered 76 on said plan, southerly by lot numbered 75 sheet 3 on said plan.

Said premises are shown as lot numbered 75 sheet 3 on said plan.

For a full description of the premises registered in the Land Registry Office for the South District Deeds of Middlesex County now standing in the name of Frank A. Charbonneau, Trustee, of the Franklin Realty Trust, Certificate No. 21852.

Subject to rights, easements, privileges, easements, and other rights and restrictions mentioned or referred to in said Certificate No. 21852.

Terms of sale: Five hundred (\$500) dollars deposit at time of sale, balance to be paid on date of delivery of deed. Other terms to be announced at sale.

CATHARINE B. BLANCHARD, Present holder of said mortgage.

c/o William J. Nolan, Auctioneer, 31 State St., Boston, Mass.

May 18, 1927.

May 20-27-June 3.

NEWTON Y. W. C. A.

There will be a dance in the Association rooms on Saturday, May 21, under the auspices of the Blue Triangle Club. This is to be the last dance of the season.

Judge Weston was the speaker at the meeting of this club on May 16. He gave a most interesting talk on "Law and Its Application to Everyday Life." The next meeting will be held at the home of Mrs. Arthur J. Mansfield, 579 Centre street. Mrs. Mansfield is chairman of Business Women.

The Triangle Club, for girls of 7 to 11 years of age, will hold their next meeting on Thursday, May 25. This club has had a most successful year and the members are very reluctant to close their meetings.

Miss Julia F. Capen, city secretary of the National Board, was present at the monthly meeting of the Board of Directors and spoke briefly at the business meeting which followed the supper.

Legal Notices

Commonwealth of Massachusetts. Middlesex, ss. Probate Court.

To the heirs-at-law, next of kin, creditors, and all other persons interested in the estate of **Amanda W. Burr**, deceased.

WHEREAS, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court, for Probate, by John M. Burr, who prays that letters testamentary may be issued to him, the undersigned, without giving a surety on his official bond.

You are hereby cited to appear at a Probate Court, to be held at Cambridge in said County of Middlesex, on the twenty-sixth day of May, A. D. 1927, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day, at least, before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this twenty-eighth day of April in the year one thousand nine hundred and twenty-seven.

Commonwealth of Massachusetts. Middlesex, ss. Probate Court.

To the heirs-at-law, next of kin, creditors, and all other persons interested in the estate of **Hobson Swallow**, deceased.

WHEREAS, a petition has been presented to said Court to grant a letter of administration on the estate of said deceased to Henry H. Swallow of Somerville in the County of Middlesex, without giving a surety on his official bond.

You are hereby cited to appear at a Probate Court, to be held at Cambridge in said County of Middlesex, on the twenty-fourth day of May, A. D. 1927, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day, at least, before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this twenty-eighth day of April in the year one thousand nine hundred and twenty-seven.

FAVORS NEW CITY HALL

Report of Select Committee Recommends Purchase of "Triangle" Site

Last fall the firm of Lockwood, Greene & Company, Incorporated, was employed to make a preliminary study of the question of a new City Hall and other municipal buildings.

The scope of the study included a survey of the present accommodations, a study of the West Newton site and the "Triangle" site, preparing preliminary plans and making appropriate estimates of the cost.

The report of the architects was received the first of January of this year and has been in the hands of the members of the Board for several months.

With this report before it your Committee entered upon further consideration of the question of a new city hall. The committee has assumed that its instructions are the same as the instructions to last year's committee.

Taking up in order the items of those instructions the Committee makes the following report:

1. On the question of whether it is expedient to build a new city hall, and, if so, when, the Committee is of the opinion that it is expedient to begin construction of a new city hall early in the year 1929.
2. On the question of whether the city government should petition the Legislature for permission to borrow outside the debt limit for the purpose of building a new city hall, the Committee is of the opinion that the City Government should petition the Legislature for permission to borrow five hundred thousand dollars (\$500,000) dollars outside the debt limit for the purpose of building a new city hall.
3. On the question of where the new city hall should be located the Committee is of the opinion that it should be located on a portion of the land bounded by Commonwealth Avenue, Walnut Street and Homer Street, commonly known as the "Triangle."
4. The Committee makes the following recommendations:
 - (a) That the land and buildings in the "Triangle" comprising the lot of land on the southwest corner of Commonwealth Avenue and Walnut Street, containing approximately 1,152 square feet, and the buildings thereon and the Morse, Welch, O'Brien, Standard Oil Company and Crowell properties, containing altogether approximately 233,865 square feet, and indicated in red on a plan of the City Engineer, dated May 4, 1926, be acquired at once, and paid for either from current revenue or from the proceeds of bonds issued inside the debt limit, or from both.
 - (b) That a hearing be ordered for Monday evening, June 6, 1927, at 7:45 P. M., on taking the land and buildings referred to in (a) by eminent domain.
 - (c) That the land in the "Triangle" bounded by Commonwealth Avenue, Homer Street and Lake

View Avenue, containing approximately 45,941 square feet and indicated in blue on a plan of the City Engineer, dated May 4, 1926, be acquired at once for purposes of a memorial to soldiers, sailors and marines, of all wars, and paid for from the proceeds of bonds issued outside the debt limit under Chapter 44 Section 8, Paragraph 7, of the General Laws.

(d) That a hearing be ordered for Monday evening, June 6, 1927, at 7:45 P. M., on taking the land referred to in (c) by eminent domain.

(e) That hearing be ordered at same time and necessary steps be taken to discontinue Lake View Avenue as a public way and to take this land as a part of the memorial tract.

(f) That the Mayor be requested to seek legislation in the Legislature of 1928 which will enable the city to borrow five hundred thousand (\$500,000) dollars, outside the debt limit for the purpose of building a new city hall.

(g) That the Mayor be requested to seek legislation in the Legislature of 1928 which will enable the city to acquire the remainder of the "Triangle" for such other municipal buildings or purposes as may be deemed desirable.

(h) That when the legislation recommended in (g) is obtained, the city acquire the remainder of the "Triangle" and pay for it either from current revenue or from the proceeds of bonds issued inside the debt limit or from both.

(i) That before January 1, 1928, architects be employed and plans started for a new city hall, including Police Headquarters, but not including quarters for the District Court.

(j) That when such plans are drawn for a satisfactory building at a satisfactory cost, and when funds are available for legislation recommended in (f) or otherwise, a new city hall be built and that the city government should aim to begin construction thereof early in 1929.

The Committee further recommends that the carriage sheds adjoining the present city hall and also the wooden building in the rear of said sheds be torn down at once and also that the recommendations of the Select Committee on City Hall accommodations for temporary quarters for certain departments in the old Congregational Church be carried out at once.

WILLIAM B. BAKER, Chairman.

JOHN H. GORDON

BENJAMIN S. HINCKLEY

NORMAN F. PRATT

AUGUSTUS L. WAKEFIELD

In my opinion the new city hall should be located in the West Newton site without acquiring additional land. If it is to be located elsewhere, I concur in the recommendations contained in the foregoing report.

JOHN C. MADDEN.

A Silver Tea planned by the chairman of the Ways and Means Committee of Minute Men Chapter, D. A. R., of which Mrs. Charles M. Wilford of Quincy is Regent, was held at the home of Mrs. George P. Sanborn, 320 Commonwealth Avenue, Boston, on Friday of last week. Mrs. Herbert E. Child of Newton Upper Falls, chairman of the Committee, was in charge of the affair. Mrs. Sanborn, who is a member of the committee entertained the members and guests with a talk on her trip abroad during the past summer. A very delightful account of her experiences which she spoke of as "Travel Tidbits" gave much pleasure to those present.

A social time and tea followed, the pourers being Mrs. Amos G. Jones of Medford and Mrs. Charles W. Johnson of Newton Upper Falls. Alice F. Gleason, Ch'm. Press Committee, Minute Men Chapter, D. A. R.

BUILDING CODE REVISION

At a meeting of the Board of Directors of the Newton Chamber of Commerce on Thursday of last week it was reported that Newton's proposed new building code—through which it is expected that local building laws will be greatly modified, building costs reduced, and perhaps the construction of apartment houses made feasible and probable in certain sections of the city—would undoubtedly be adopted before the Board of Aldermen adjourn for the summer. At least that is the expectation of Chairman John C. Madden and other members of the aldermanic claims and rules committee, which has been giving a great deal of time and study to this matter within the past few weeks.

As a matter of fact, with the exception of those sections of the code which may affect the apartment house question the work of the committee is practically completed.

While it is common knowledge that there is considerable opposition to any changes that will encourage or facilitate apartment house construction, there are many who believe this opposition is based largely on the general feeling that Newton should not be permitted to develop into an apartment house city. The suggested plan to create a new zone is one that was presented only recently and may perhaps prove a solution to the problem.

An important matter to be revived at this time is the effort to which the Chamber devoted much time to bring about a reduction in insurance rates. With various requirements of the National Board of Underwriters already met, it is believed the time may now be opportune for seeking to bring about the other needed improvements to insure a higher rating for Newton and the automatic rate reductions that would go with this accomplishment.

There was an extended discussion of the new city hall project as a result of which the board went on record as favoring the taking by the city as soon as possible the eleven acres of land comprising the so-called Commonwealth Avenue Triangle, at Commonwealth Avenue, Walnut and Homer streets, "for memorial and other municipal purposes."

LEGION CONCERT

Newton Post No. 48, American Legion, will conduct its Second Annual Welfare Concert at Norumbega Park, Auburndale, on Sunday, May 22 at 8:00 P. M.

As the local Post has voted not to conduct a Poppy Drive, this form of entertainment has been decided upon as a means to raise funds to carry on their work among needy veterans and their families, and also to assist in their Community Service Program. During the year 1926 Newton Post expended several hundred dollars in assisting veterans and for Community Service Work, and in order to replenish their funds the officers and members of the Legion will sponsor a concert this year in order that the public may witness a splendid entertainment, and at the same time be able to assist in a most worthy cause. This form of entertainment has been endorsed by Mayor Childs, Sinclair Weeks, President of the Board of Aldermen, leading merchants and professional men of Newton, and by various societies and organizations.

The program will commence at 8:00 P. M., Chairman Franey has secured several fine acts, and also one of the latest moving pictures, not previously shown in this vicinity.

Thomas Franey is the chairman of the committee, and is being assisted by William M. Cahill, Donald M. Hill, Edmund T. Dungan, Leonard Jackson, Irving House, Amos Oldfield, John Foran, and Francis J. Barry. Mr. William White, manager of Norumbega Park, is also assisting the committee to make this entertainment a success.

SPRING FETE

The Spring Fete given on May 11th and 12th under the auspices of the Women's Benevolent Society of the First Congregational Church of Newton Centre proved a gratifying success both socially and financially. There were a large variety of fancy and useful articles for sale, also an unusual assortment of rare pieces on the White Elephant Table and too a number of packages were delivered in the Parish Post section. The garden table with its many flowers and plants was most attractive.

The cake, candy and other foods met with ready purchasers, also the pop-corn and peanuts. The tea-room was enjoyed by many, both because it was so attractive and the home of such delectable dainties. The cafeteria supper served both nights was well patronized and enjoyed.

The children were well entertained with their grabs, toys and entertainment or play.

All the receipts are not in, but it is safe to say the sale netted about \$1500.

CHAMBER OF COMMERCE

The response to the notices recently sent out in advance of the annual meeting of the Newton Chamber of Commerce has been very gratifying and indicates not only a good attendance but also considerable interest on the part of members in the program, including "Newton's New City Hall—When and Where," will be considered by such well-informed speakers as Chairman Henry I. Harriman of the Metropolitan Planning Commission, Mayor Edwin O. Childs and Alderman William B. Baker.

Alderman Harry W. Fitts of the select committee on new school buildings, will talk on "Newton's School Building Program in its Relation to Other Municipal Needs," while representative Leverett Saltonstall will tell those present of the legislation passed by the 1927 General Court which will affect this city or should prove of special interest to its citizens.

The meeting will be at the Newton Club, Newtonville, next Monday evening, May 23, with a dinner at 6:30 o'clock.

N. H. S.

There will be a demonstration of the instrumental classes this evening in the High School auditorium at 8:14 p. m.

WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

Newton Federation

The Annual Meeting of the Newton Federation, held by invitation of the Newton Centre Woman's Club, in their Club House on May 10th, was a delightful day, with the morning meeting of bright, snappy reports of a year's work well-done. A delicious luncheon and an afternoon filled with a varied and entertaining program furnished by Juniors of the Clubs rounded out the day with pleasure. In the morning session, after the reading of the officers reports—secretaries and treasurer—Mrs. Ellis Spear, Jr., the president, called upon Mrs. G. J. Mitchell for the report of the All-Newton Music School; Mrs. Frank Anderson for the Newton Hospital Aid Association; and Mrs. Henry Ide for the Mothers' Rest Association. Mrs. Ide, besides her report, gave a cordial invitation to everyone to visit the Mothers' Rest on Sunday afternoon, June 3rd, after 3 o'clock.

Miss Carolyn A. Batters reported the year's work of the Welfare Bureau. Mrs. Spear read the report sent by the Junior Newton Circle. Mrs. J. Earle Parker reported for the Community Service Committee. Miss Florence Bridgman, corresponding secretary, read the report of the Conservation Committee; Mrs. Walter Van Paten Steiger for the Education Committee; Mrs. Spear reported verbally for the Legislative Committee; Mrs. B. Walter Goddard for the Program Committee; Mrs. Spear for the Red Cross; when she also announced the coming of a trained life-saving expert who will give free summer instruction in life saving; the secretary read the Public Health Committee's report, and the president told of the new work done by the Christmas Seal chairman, Mrs. E. B. Bishop; Mrs. George St. Amant spoke for the District Nursing Association; Mrs. Isaac Goddard for the W. C. T. U.; and Mrs. Charles D. Kepner for the Y. M. C. A.

After these reports the president called on the Club presidents, who gave interesting reports, either of their Club's general work, or of some special feature of it. Mrs. Amos Wells spoke for the Auburndale Review Club; the new president, Mrs. George F. Nudd, for the Auburndale Woman's Club; Miss Ella B. Smith for the Christian Era Study Club; Mrs. J. Porter Russell for the Newton Community Club; Mrs. William E. Thayer for the Newton Ladies' Home Circle; Mrs. Samuel N. Braham for the Social Science Club; Mrs. Frederick M. Gibson, the incoming president, for the Newton Centre Woman's Club; Mrs. Charles H. Keeler for the Newton Highlands Shakespeare Club; Mrs. Edwin F. Gibbs for the Newton Highlands Woman's Club told of the building undertaken by them for their new workshop; Mrs. Austin F. Decatur for the Newtonville Woman's Club; Mrs. Thomas E. Lees for the Newton Upper Falls Woman's Club; Mrs. Philip L. Warren for the Waban Woman's Club gave an interesting account of their Health Conference; and reports of the West Newton Community Service Club's interesting activities, and Mrs. Fred M. Blanchard's account for the West Newton Women's Education Club, completed the Club reports; while a short report of the Newton Y. W. C. A. and one by the press chairman, Mrs. Francis Williams, completed the year's resume.

Mrs. Herbert Child, chairman of the Nominating Committee then read the following ballot: president, Mrs. J. Porter Russell; vice-presidents, Mrs. Richard O. Walter, Mrs. Harry S. Wells, and Mrs. Joseph A. McDonald; recording secretary, Mrs. S. B. Townsend, Jr.; corresponding secretary, Mrs. W. L. Vosburgh; treasurer, Mrs. Alfred E. Vose; auditor, Mrs. Walter F. Stevens; and Nominating Committee, Mrs. W. J. Bicknell, chairman, Mrs. Charles L. Anderson, Mrs. Charles A. Andrews, Mrs. J. K. Hemphill, Mrs. Ralph E. Keyes, Mrs. Franklin E. Smith, Mrs. Ellis Spear, Jr., and Mrs. A. L. Wakefield. The ballot was approved, as shown by unanimous adoption of the meeting.

Mrs. Spear then introduced the new president, Mrs. Russell, turning over to her the gavel. Mrs. Russell responded as follows:

"The gavel of the Newton Federation of Women's Clubs is the symbol of an honor of which any woman may well be proud. Receiving that gavel from your hand, Madame president, brings with it much more than mere honor. During the past two years this symbol of the executive authority in the Newton Federation has been wielded with remarkable efficiency. You have met the responsibilities of your office with keen vision, profound comprehension, consummate tact. You release the office, bearing with you the sincere respect, awe, the admiration, affection and gratitude of all those whom you have served. To those worthy successors is my obligation and my opportunity. I thank you.

"May I take this opportunity to urge all Club presidents to send as soon as possible a list of Club officers, committee chairmen, and delegates to the new corresponding secretary, Mrs. William L. Fosburgh, 20 Kimball terrace, Newtonville."

The meeting adjourned for luncheon which was served in the Club banquet room, and was excellent. The afternoon session was opened by Mrs. Spear who introduced Mrs. Gibson, the president of the hostess Club. Mrs. Gibson welcomed her guests, and Mrs. Frank Stewart spoke as Art chairman

for the State Federation, urging a broader effort in art in the Clubs and committees in lines not confined to painting and sculpture, but in the wider sense of art.

Mrs. Joseph Congdon followed, speaking as director of the Twelfth District. The Juniors then gave a happy hour of entertainment and relaxation. The Junior Glee Club from the West Newton Women's Educational Club gave three songs delightfully, as the first number; next a song and dance in costume by Muriel Cowin, accompanied by Ruth Ufford. By special request Mrs. Irving O. Palmer repeated the clever toast she offered at a recent meeting of the Presidents' Club, entitled "Braids and Bobs." She kept her audience in happy laughter, and when a group of Newtonville ladies, in the head-gear of the eighties, filed out and up and down the aisles, the applause was deafening. A dance by Muriel Cowin as Raggedy Ann, with "Keelele Girls" accompanying her, Erisilla Dennett and Winifred Blackwell, followed, and the program was completed by a clever sketch of modern girls and past-generation grandma, entitled "Grandma Pulls the Strings," given exceedingly well by the Juniors of the Newton Centre Woman's Club.

The new chairmen appointed were Mrs. Harold O. Cook, Auburndale, Conservation; Mrs. J. Mace Amess, Education; Mrs. Ellis Spear, Jr., Legislative; Mrs. Ralph C. Henry, Program; Mrs. Frank A. Campbell, Social; and Mrs. Le Roy Guion, American Home.

One important piece of business was the Federation going on record as sponsoring for a three-year trial period the handling and managing of The Christmas Seal and Health Work. It was also suggested that the Women's Clubs have a course this next year fitting women to be girl scout leaders as in some districts there is a waiting list of scouts for want of more leaders.

The chair spoke of her belief in co-operation and urged all members to work for the best things in our community.

Executive Board

On Monday, May 16th, the Executive Board of the Newton Federation, with its newly-elected officers in charge, held their first meeting of the new year, to appoint chairmen of committees, and plan other work. Mrs. J. Porter Russell presided. The Board and delegates met at the Welfare Bureau, 12 Austin street, Newtonville, at 2:30 o'clock.

Newton Centre Woman's Club

It was Moving Picture Day on May 5th but not according to the usual commercial program. The Club ladies with their Annual Luncheon and reports of officers and chairmen, and the "Casting of the Ballot," made an interesting film. From start to finish, beginning with the Luncheon at one o'clock and ending with the acceptance of office by Mrs. Gibson at quarter of four, it was unanimously agreed that the day was a great success. Mrs. Edward C. Sands and her social committee shared with Mrs. Vincent P. Maloney and her hospitality committee the honors and the praise for a beautiful event most ably planned and most capably carried out. Surely the banquet room never looked more inviting, and the annual luncheon was never more enjoyable than was this one. If the ladies who sat at the tables with so much happiness had spent long hours in striving for a "picture effect" they could hardly have been more successful.

Upstairs, the stage was set for some to step out of the picture easily and comfortably, with lovely flowers and music. A long list of able chairmen gave brief and interesting reports, showing that the work of the Club has been done harmoniously and efficiently. It was gratifying to find that Newton Centre again leads the city in the sale of Christmas Seals. The Social Service work has been well-conducted at the Peabody Home and Bowen School. Miss Hazel Cox will enjoy the benefit of the Jennie C. Harwood Scholarship fund next year. These are only three of the many philanthropies in which the Club is deeply interested, and a large audience of gracious Club members were well entertained in hearing of many other donations that have been wisely made from the Club Treasury.

The Ballot for 1927 and 1928 was elected unanimously:—president, Mrs. Fredrick M. Gibson; first vice-president, Mrs. George H. Crossbie; second vice-president, Mrs. George W. Smith; recording secretary, Mrs. Alden H. Speare; corresponding secretary, Mrs. Robert F. Hayden; treasurer, Miss Elizabeth P. Bartlett; assistant treasurer, Mrs. George F. Richardson, Jr.; auditor, Miss Helen S. Tolman; directors—term expires 1930—Mrs. Albert M. Fowle, Mrs. Howard O. Winslow and Mrs. A. Oram Fulton; nominating committee, Mrs. Ellis Spear, Jr., chairman, and Mrs. Harry P. Bradford, Mrs. Frederick S. Woods, Mrs. Harold G. Giddings, Mrs. Ernest W. Dearing, Mrs. John F. Milner, and Mrs. John H. Underhill; and in accepting the gavel, Mrs. Gibson pledged herself to perform the duties of her office with the wholehearted devotion to its continued welfare. Her year opens auspiciously with a full membership, a large balance in the treasury, good credit at home and abroad, and no clouds on the horizon.

Newtonville Woman's Club

At the meeting of the board of directors of the Newtonville Woman's Club Wednesday, May 11th, it was voted to make honorary members the retiring president, Mrs. Austin H. Decatur, and the retiring corresponding secretary, Mrs. Charles A. Richardson. In addition to serving three years as corresponding secretary, Mrs. Richardson previously was on other committees so that her period of service to the Club extended over eleven consecutive years.

Newton Upper Falls Woman's Club

The Newton Upper Falls Woman's Club held a very successful Dramatic Entertainment on Monday evening, May 16th, at Emerson School Hall, staged under the able direction of Marion Drew Bassett. "The Adventures of Grandpa"—and they were really "some" adventures, even for these modern days of spicily events—presented, as might be supposed from the title many laughable predicaments, and the opportunities offered were effectively taken advantage of by not only "grandpa" himself but by all participants. The following cast played their parts so creditably that each added his or her full share to the mirth of the evening: Kenneth Newcombe, Joseph Murphy, Robert McLaughlin, Robert F. Sawyer, Elizabeth Meara, Eleanor Mills, Phyllis Plimchaugh, Frances Warren and Alice Evans.

STATE FEDERATION

Fair skies—only a few threatening clouds that amounted to nothing—gathering throngs of enthusiastic women, with attendant glad cries as friends met, bustling bell boys and porters, welcomed the 35th Annual Meeting of the State Federation of Women's Clubs at the New Ocean House, Swampscott.

Among the Newton women noted as delegates were Mrs. Thomas E. Lees, and Mrs. Robert McLaughlin—(in spite of the fact that she is newly-elected president, and her husband appeared in the Club play as the leading character the previous evening), of Newton Upper Falls; Mrs. Herbert E. Child and Mrs. Harry S. Wells, among the helpful ushers; Mrs. Corabelle Francis, Mrs. Florence G. Morse, Mrs. John G. Godding, Mrs. Edward H. Keach, and Miss Emma D. Coolidge, all of Newton, from various Clubs, and of course, State officers, Mrs. Frank Stewart, and Mrs. Joseph Congdon.

Speaking of Mrs. Stewart, her Art Exhibit was a beautiful affair, having one of the display rooms off the foyer, and fascinating glimpses drew women to view the hand-painted china, the lustre ware, the vases, dishes, linens, embroideries, pictures, etc., all the handwork of Clubwomen, through their Classes. Newton Centre Woman's Club was represented by many very lovely pieces, and Wellesley Hills also contributed some beautiful things. A needlepoint chair covering was very attractive, a Spanish galleon placed wisely in a window where the light brought out its lines aroused the imagination.

Mothercraft, displayed by Mrs. May Bliss Dickinson Kimball, would have delighted the hearts of small girls, as also would the dolls dressed in the various costumes of all countries displayed by the Americanization Committee. The huge flies feeding on sugar captured by the Conservation department—not for these purposes, but to show what are feeding upon the gypsy moth, and constantly should be "spared" the fly batter, called forth a group to marvel that any could escape massacre, for they seem frightfully enough to make any woman rush to and its existence!

The great convention hall blossomed forth in bunting around the walls, and a fresh layer of bright green paint beneath this row of decoration. Pinks, a huge bouquet of lovely pink carnations, a row of waving feathery white blossomed plants at the feet of the platform, made a fitting environment for the pleasingly gowned women who graced the platform.

After the singing of "America the Beautiful," the salute to the flag, and the repetition of the invocation, the president, Mrs. Arthur D. Potter, introduced Mr. James W. Santry, chairman of the Board of Selectmen of Swampscott, who gave the women cordial welcome. Mrs. Potter found it impossible to make the sound of the gavel heard in that vast hall upon the coveted gift of Quincy marble block for the purpose, and gracefully accepted the inevitable, using the table, after her efforts to silence conversation had failed.

Mr. Santry prophesied that next time we met at the New Ocean House we would be greeted by a Select-WOMAN of Swampscott, since women had made such amazing strides. (Surely men will never seem to cease to marvel that it is possible for mere woman to have attained anything!) His remark that he hoped we would have time to climb their hills, view their ocean, and other natural beauties, and otherwise, received a hearty, though silent, endorsement of the Clubwomen, though with the work planned, and the time necessary for so many to be served in the dining-room, gave scant promise of this hope fulfilled.

Mrs. Potter greeted the Clubwomen with the quaint remark that, of course we could guess how much we had been in her thoughts the past year, then bade us realize what we owed to those who had preceded us in Federation service, especially paying tribute to Julia Ward Howe. She asked us to headline happiness in our Club work, to welcome happiness and she urged that, since we have ideals, that each one assume responsibility of them.

Minutes of the Mid-winter meeting, rules of the convention, and reports of officers followed: Mrs. Ernest S. Brackett, clerk; Mrs. Winfield S. Ripley, assistant clerk; Mrs. Clinton A. Ferguson, corresponding secretary; and Mrs. Frederick S. Davis, treasurer.

Mr. Brackett's bare statement of her work showed the listener what an

The First New England Washday

Three hundred years ago on the shores of Cape Cod, a woman whose housewife instincts had suffered during a long sea voyage, hastily set up tubs brought from England, and washed the personal linen of one Myles Standish.

Soon that gentleman's illustrious shirt tails were waving in the brisk east wind, as millions of shirt tails have waved since, for thereby, Blue Monday was bequeathed to every New England woman as a hated inheritance.

In many homes Blue Monday is as much an antique as are other relics of those distant years, for modern housewives have found a new-New England Way that solves the problem.

Sending us all your laundry, or any of the more difficult parts of it, will put an end to the problems of keeping clean.

WOMEN'S CLUBS

(Continued from Page 12)

immense amount of faithful service she has quietly performed. She has sent out 3,170 credentials to State and Club delegates, 390 announcements of committee appointments, 460 calls to the annual meeting, prepared three voting lists, and "answered daily" all correspondence that has come to her, not to mention telephone calls. (And some can't write that one letter that should be answered!)

Mrs. Ferguson reported the addition of 13 new Clubs during the year, not the least, or most, bright of which was Bright Ideas of Boston. She said that every concern that had anything to sell, exploit, advertise, or distribute, sent them, or notification of them, to the State Federation!

The assistant clerk, Mrs. Ripley, gave an entertaining account of her task, the publication of the Manual, from the time when she sent out 125 postals to presidents whose questionnaires had not been sent in up to June 2nd; through a hectic period of quarantine for scarlet fever, lasting five weeks; to the reading of proof for 400 pages; and the mailing of several hundred of the 1200 copies of the finished volume within twenty-four hours of their receipt from the printer. A bit of heartwarming personal kindness was expressed in her thanks to Mrs. Potter and Mrs. Brackett through those trying days of illness who assured her they were not worrying about possible delays, and this confidence "steadied her hand and lightened her heart."

She told of the growing demand for the Manual from those who desire to interest Clubs in programs, and of the care she exercised this year, through requesting samples of circulars to be sent, that nothing could be construed as an endorsement by the Federation of any entertainer, although the desire is, of course, "to speed earnest and worthy persons on their way to earning a living." The amusing, nay oftentimes arrogant, demands for the Manual, which is patronizingly called "leaflet, catalogue, circular, list, brochure, and rostrum," by "mere men" who do not realize that this is a VOLUME of some 400 pages, and the naive little musician who sent six cents for it—whose price is \$1, plus postage—she told in a manner that convulsed the throng of women.

And her delicious bit of humor when she took a fling at the daily intelligence tests in saying that "questionnaires have at last come into their own, and for some months now no self-respecting Clubwoman has allowed a day to pass, in which she has not put one or more questions to a friend" so that in sending out "her two sets in April she did so quite gaily, knowing that she was in the height of fashion," was a clever variance of monotony of mere reporting.

Communing Singing, led by Mrs. Amy F. Burns, with Mrs. Otis Drayton at the piano, offered a few minutes rest.

Headquarters Committee told of Headquarters as a constantly growing and busy centre for Clubwomen, with three directors, Mrs. Carl Watson, Mrs. Henry E. Robert and Mrs. Hildreth, aiding the chairman, Mrs. Carl L. Schrader, and the office open daily, except Saturday, from October to July with a hostess there to assist. The chairman has prepared literature of immense value to Clubwomen, such as on building Club Houses, on Scholarship Funds, on Art—this recalls the exhibits of art loans, too—and calls attention to the gift of a handsome mahogany bookcase and books on Mothercraft donated by its "mother," Mrs. Kimball, to "At the

King's Pleasure" and "The Dreamer," written by Emma Downing Coolidge; to Health Surveys for 86 Cities from the Health Committee; to "The Dalton Plan," by Helen Parkhurst; "Schools of Tomorrow," by John and Evelyn Dewey; "The Heart of Emerson's Journals," by Bliss Perry; "Another Treasury of Plays for Children," edited by Montrose J. Moses; and various other books on vocational and other guidance of children, all of which gifts they value.

Other delightful gifts gratefully received were tables for the neoclassic, a tea table cover, brass candle sticks, four dozen tea spoons, and checks of five and ten dollars.

In January 296 visitors went to Headquarters, which shows Clubwomen something of the service rendered and looked for there.

Mrs. Schrader ended with these kindly words: "please remember that the Federation Headquarters is the workshop of all Federated Clubwomen," an invitation that sounds a sincere note of homely welcome!

Mrs. Howard A. Specht, Federation pin chairman, cleverly invited all Clubwomen to own pins, by saying that any Clubwoman is eligible, nay urged, to wear a Federation pin!

The outstanding pleasure of the afternoon was the report of Mrs. Emery D. Leighton, the Historian, who gave valuable information of early Club days, verbally. Her memory, her report of names and place of residence, of list after list who served in one way or another was amazing, and perhaps can be explained by the fact that these wonderful pioneers were more than names to her, being acquaintances and friends. Deafening applause expressed the Clubwomen's appreciation of her report. She recalled the first gathering of delegates in this country for the formation of a national organization of Clubs—in 1889 called by the Sorosis Club of New York, marking the 21st birthday of this pioneer woman's Club. Mrs. Leighton told us that one-seventh of the Club delegates at that gathering in 1889 were from Massachusetts! She told the names and residence of all delegates to that, one being Electa Walton, of our own West Newton Women's Educational Club, of whose distinction as one of the earliest of Clubs we of Newton are very proud.

Newton women, too, members of the New England Woman's Club, the disputes being the first Club for women with Sorosis, also thrilled at mention of its early famous women. A happy bit of information, and one that all will be glad to have, because today Mrs. A. A. Packard of Springfield, our first vice-president is so beloved and popular, is that her mother was the pioneer of that city and of western Massachusetts in forming women's Clubs in that section. No wonder the mantle is upon her shoulders, and we of today will glory to keep it there!

Civil Service was reported by Marion C. Nichols, who stated that due to the splendid co-operation of Clubwomen, organizations, and individuals, over 10,000 extra names were secured on the 5,000 necessary to bring the referendum on veterans' preference before the voters. The total vote in favor of lessening this preference was 352,796 or 48 per cent of the vote cast and the vote to retain preference was 381,895 or 52 per cent. Another measure to arouse keen interest was the question of reclassification of positions and salaries in the State Service. A private firm, Griffenhagen and Associates was retained in accordance with Legislative Resolve, and their recommendations were not acted upon by the Governor and Council, although His Excellency did advocate in his budget increases totaling \$600,000. State Employees petitioned for action on the Experts' Report. "The many amendments for salary increases accorded favored individuals and groups made it seem apparent that the smooth passage was given only because of knowledge of the rocks ahead in the shape of the Governor's veto which was easily sustained by the House." (This statement is a most significant commentary, and not one of individuals, who know the status of the employees' cause, to be proud of.)

Civil Service has been extended to the fire chief of Chicopee, the police chief in Salem, the city engineer in Everett and the city electrician in Gloucester, subject to referendum vote—all of which indicate improvement in the cause of justice and safeguarding of lives.

President Coolidge has signed the Green Bill providing for the creation of a Bureau of Customs and a Bureau of Prohibition, so separating enforcement of the Volstead Act from the collection of revenue; with all appointments made by Civil Service, a tremendous victory over political or greedy appointments.

Miss Nichols called attention to the wonderful public service given by silent even unnoticed change in weather forecasted protects our crops or craft; forests are guarded against fire and pest; ports against disease; in farm, home, school and factory, reports aid; the sick in mind and body are cared for; criminals, homeless, the cat-treed, a mysterious illness attacks a picnic group—we turn to our public service for help. This is the biggest and most prosperous business enterprise in the world the work of these United States of America!

Five-minute reports from five district directors who have served two years of their three-year term, brought out the inspiring things accomplished, in spite of their necessary brevity. Mrs. Joseph Congdon, of Waban, our own twelfth district director, reporting the Club movement as never dormant, told of the all-day conference on Vocational Guidance for Girls of High Schools, and formation of new Junior Clubs; of \$8,000 collected for Christmas Seals; of the aggregate given to charity in excess of \$12,000 with the largest single donation of \$2,400 being given by the smallest Club of 14 members; of welcoming the newest Club, that of the Auburndale Business Women's section with over 60 members; of the new Club House started by Newton Highlands; and of the Waban health program for children.

Mrs. Walter B. Leach, fourth district, amusingly said: "It is always difficult for a class that has to change teachers during the school year, and I am sure it has been equally trying for a district to change directors."

There are 25 Clubs in the district with about 3,365 membership. All but 6 belong to the General Federation, the largest has 630; and the smallest 19 members. She feels the smaller Club is doing just as good work as the larger, and that it is hardly fair to enumerate the splendid attainments of the larger. She caused a laugh by showing partiality in her statement that nothing would give her greater pleasure than to tell of the good work of her own Club, but she was sure she must not! One Club is supporting a home for ten old ladies where they may be as happy and comfortable as in their own homes. One Club is buying an old revolutionary house that would otherwise be torn down. There are several Mothers and Homemakers and School Centre Clubs in district, and they accomplish as much as any Club she knows; bringing sunshine into lives of busy hardworking women who have little time or money. She visited these and came away with a feeling of great satisfaction.

Mrs. J. H. Libby, second district, reported the inspiration of Conferences and Literature and Education Round Tables.

Mrs. Carl L. Watson, of the 6th district, reported their contribution of good works: Amount of Club gifts to date \$70,644; (Scholarships, \$2,185; Charity \$40,641; Education \$23,133; War Veteran \$4,180; Christmas funds, \$544.) Daughters of Maine started to raise \$100,000 for a home for Aged Men and Women in Maine. Fathers and Mothers Club own free and clear a Farm Home in Reading, contributing \$3,000 this season to support it. League of Women for Community Service serve 500 boys a week with soup, cocoa, and milk, besides gifts, Christmas dinners, and charities of \$500 more. The Ruskin Club gave \$1,000 to Harvard College for a scholarship. The Woman's Charity Club raised \$4,170 for Hospital at Parker Hill and many many more such splendid things amounting to thousands of dollars. South Bay Sorosis Club with only 50 cents dues, sews for the Children's Hospital. They took home and completed 20 nightgowns and 10 dressing sacks, the buttonholes being a work of art. Boston Harbor Woman's Club whose members are stationed at forts entirely dependent on Government boats, in order to hold meeting start at 8:30 and return at 6:30 a full day surely in Club causes.

Mrs. Edward A. Rice, fifteenth district, said quaintly, "East is East and West is West, and never the twain shall meet," is not true for the State Federation," for so much has been accomplished in bringing them together—perhaps even more since Mrs. Potter of Northampton is president and Mrs. Packard, of Springfield, the vice-president, that women of the east have ceased saying "out there."

The president's pages for the convention were Miss Mary Kennedy of Braintree and Mrs. Miller Dowling of Allston, and the Press page was Miss Louise Copley of Salem.

EXTRA. Press announcement of Wednesday of the prizes for the best News Stories! First prize to Belmont Woman's Club, Mrs. Alice E. Cate, writer, \$10; second goes to Southbridge Woman's Club, Mrs. Elsie G. Higgins, writer, \$5; and third goes to Melrose Woman's Club, Mrs. Frank W. Cambridge, writer, \$5. Honorable mention goes to the following, (with three of them Newton Clubs!): Auburndale Junior Club leading (Congratulations, Juniors!), Gardner, Reading, Agawam, New Bedford, Quincy, Springfield, Dorchester, Hyannis, Rockland, Auburndale Woman's Club, Berlin Tuesday Club, and West Newton Women's Educational Club.

(Continued next week)

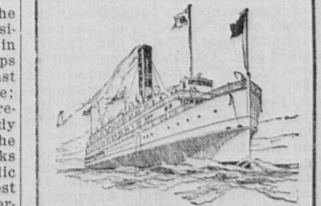

The response to the opening of the Thomas Dalby Co. Retail Store in selling Women's, Children's and Infants' underwear in irregulars and samples has been so good that they will not only be open during business hours but Friday nights until eight o'clock and one o'clock on Saturdays at the Chase Building just off Watertown square.—Advertisement.

CENSORED READING

On Monday evening, May 9, George L. Parker, minister of the Unitarian Church in Newton Centre, addressed the Monday Evening Club of the Women's Educational and Industrial Union of Boston on the subject, "Should Our Reading Be Censored?"

Mr. Parker said in part that a legal censorship was dangerous and almost impossible to put into operation. He suggested that voluntary censorship under the direction of university and college faculties might be both more useful and practical. He said: "If our universities want to render a real public service they might well take in hand this matter of censorship. They might well give more of their time and talent to creating a right taste and judgment in literature of our present newspapers, magazines and books instead of giving so much of their time to the lives and misdeeds of ancient characters. They might well send out to their graduates a monthly bulletin of the really worthwhile fiction that comes from our publishing houses. If bulletins were sent to our young people the boys and girls might have some pride in knowing that they were university readers, even if they might never become university students. We should learn how to handle books as a skilled workman learns how to handle his tools. It is now left too much as a matter of chance and accident."

"Another censorship is that which should be applied to publishers. The publisher who brings out one harmful novel should be corrected by the indignation of public taste and the refusal to buy. Also, the novelists themselves should be made to play fair. They have the right to present to us the ugly truths of life as much as the beautiful truths, but if their novel is for the sake of the ugliness instead of for the truths, public taste should drive such an author back into silence. The advertisement of books needs to be censored, for there is as much false advertising as of any other commodity that we know. As indefinite as these censorships seem to be they are the ones which, in the end, will lift our reading taste to a higher level."

PROF. ENGLISH DEAD

Dr. John Mahan English, professor emeritus at the Newton Theological Institution, died suddenly at the school in Newton Centre Tuesday forenoon while waiting for a class. He was 82 years old and one of the best known and most beloved members of the faculty. Although he had not been active in the institution since 1918, he still conducted one or two classes in homiletics and pastoral duties, which were his special field.

Dr. English was born at Tullytown, Pa., Oct. 20, 1845, and was the son of Abram G. and Caroline L. English. He was graduated from Brown University in the class of '70, and from the Newton Theological Institution five years later. From Brown he received his degree of D.D. in 1891. For two years he was teacher of Latin at Southfield Academy in Chicago, and teacher of Greek at Denison University for the succeeding two years.

Ordained to the Baptist ministry in 1875, Dr. English became pastor of the First Church, Gloucester, where he remained until 1882, when he was called to the Dudley Street Baptist Church, Roxbury, and there he remained until he became a member of the faculty of the Newton Theological Institution, where he remained in active duty until 1918.

He had been lecturer on homiletics at Andover Theological Seminary during 1895 and 1896, and at the Hartford Theological Institution during 1922 and 1923. He was a trustee of Brown University, president of the Northern Baptist Education Society, and in 1909 was president of Brown Alumni Association of Boston and vicinity. He was the author of "For Pulpit and Platform" and "The Minister and His Ministry."

In 1877 Dr. English married Frances Drake of Cincinnati, O., and she and one daughter, Lida Sydnam, survive him.

NORUMBEGA HYMN FESTIVAL

The Ninth Annual Music Festival of the Norumbega District Sunday School Association will take place next Sunday, May 22nd, at 4 p. m., in the Eliot Church, Newton.

An outdoor procession, weather permitting, will precede the Festival, at 3:45 p. m., at which time the boys and girls from a large number of Sunday Schools in the District will march across Parkway Park toward Eliot Church, starting from Channing and Grace Churches.

The Festival program consists mostly of hymns, chosen to represent the seasons of the Church year: Advent, Christmas, Lent, Easter and Trinity. A short talk, "A Little Prince," will be given by Dr. Laurens McLaughlin, Grace Church. Also a Junior chorus will sing the anthem, "Praise the Lord, O Jerusalem." This Junior chorus is composed of vested choirs from the following churches: Grace Church at Newton, First Congregational Church at Newton Centre, Auburndale Congregational, Auburndale Centenary and Waltham Asbury churches.

The director of the Festival is Mr. Charles N. Sladen, choirmaster at Grace Church for many years, a man of much experience in the leading of children and young people in singing. Parents and other interested adults will be seated at the rear of the church auditorium after the children have been seated.

APPROPRIATIONS BY ALDERMEN

Bond issues: sewers, \$120,000; streets, \$30,000; Cheese Cake Brook improvements in vicinity of Levi Warren School, \$49,000; drain Washington street between Thornton and Hovey streets, \$1340; drain Bowdoin street, between Forest and Lincoln streets, \$2680; drain Ripley street and Langley road, \$6944; sewer Prospect avenue, \$1587; sewer Oliver road, \$4031; construction of Carver road under bet. termment law, \$875; laying of new main on water reservation, \$5,340.35; Wales street bridge, \$18,750; pension Policeman C. J. Farrell, \$658.77; water mains in Angier circle and other streets, \$16,750.

ALDERMANIC MEETING

(Continued from Page 1)

brook was unanimously elected by the aldermen.

The Board voted to authorize the Mayor to sign agreements, contracts, etc., for a tunnel under the B. & A. tracks at Eliot. Alderman Ellis told of the many near accidents occasioned by persons walking across the tracks at this place, and stated that the danger would be greatly increased when a school will have been built there. The B. & A. will stand part of the expense of building the tunnel.

Alderman Hodgdon asked for action on the matter of making Ward street a one-way thoroughfare from Hammond to Commonwealth avenue. He intimated that the Public Works committee might take a long time to decide on widening this street. Alderman Gallagher said, "I sincerely hope such nonsense will get its just reward. This is not a small town. Why should I be forced to go into Brighton instead of being allowed to use Ward street when travelling in that direction? There are many streets in the city more in need of traffic relief than Ward street." Alderman Grebenstein replied that there is no "hokum" about the suggestion. The traffic committee has been over the street several times; when cars are parked on the street it is difficult to pass. Alderman Pratt stated "that he hoped this matter would be referred back to the committee as he had heard nothing about it."

Alderman Hodgdon, replying to Alderman Gallagher, said, "Some members of this Board think anything they do not agree with is nonsense. Alderman Hinkley favored the making of Ward street 'one-way,' and explained to Alderman Gallagher how one could return from the reservoir section without going to Brighton, even if Ward street is made 'one-way.' Mr. Gallagher retorted 'that he knew how to travel about in that section before Mr. Hinkley could say 'Goo Goo.' The former is but four years older than the latter, he must have been a precocious child. Alderman Baker criticised the practice of the administration in permitting Washington street to be cluttered with signs forbidding parking at places not specified in the Traffic Regulations. He said such signs have been placed at the behest of individuals who do not want autos parked in front of their properties; that these signs are legal, and this practice should be stopped."

At the request of Alderman Grebenstein the Board voted to prohibit parking on the north side of Centre place, and on Walnut street between Washington and 254 Walnut. He explained that the traffic committee has conferred with Chief Burke regarding the "No Parking" signs referred to by Alderman Baker, and that while the Chief has power to allow these signs to be used, he and the committee will have them removed if they are obnoxious.

Alderman Ball asked the Board to request the Mayor to look into the rates charged in Newton by the Edison Company. Newton pays 8 1/2c, whereas Quincy, after protesting recently, had the rate there reduced to 7 1/2c. He also wanted the Mayor to investigate the rates charged for gas in Newton as compared with other places. Alderman Baker stated, "that while he is not opposed to any effort that might reduce Newton's rates on light and fuel, he had recently done a little investigating on these matters himself, and found that such an investigation involved a tremendous amount of red tape and detail, and that he doubts if the suggestion of the Ward 5 alderman would be practicable. Mr. Ball replied "that if the aldermen or the Mayor do not take action on this matter, some group of citizens may." Alderman Hodgdon asked "Who will take this matter up with the Mayor?" President Weeks suggested that Alderman Ball and Hodgdon act as emissaries.

Alderman Heathcote recalled his suggestion made at a meeting two months ago "that the Newton Corner Waban bus line be operated along Beacon street to Washington, so that passengers can transfer at the latter point. He said that this line only runs to Varick road. Chairman Hinkley of the Transportation Committee explained "that Manager Hanson of the M & B considers it dangerous for the buses to make a turn on Washington street, but that if there is a demand for them to go to Washington street, they will be operated to that point." At Mr. Heathcote's request, Mr. Hawkins promised to ask the M & B management to extend the bus route to Washington and Beacon streets.

Alderman Baker made a detailed explanation of the various phases of the report of the Special Committee on the new city hall. Following the discussion occasioned by this report, President Weeks was of the opinion that the meeting was ready to adjourn, but chairman of the committee apparently not wishing to be completely overshadowed, started to tell of the activities of their committee.

Alderman Ball, for the special committee on water, told of the new pipe line which will connect the two large wells on the water reservation. The two wells and the conduit are expected to provide 5,000,000 gallons a day, which will suffice for present needs, except during the summer months. By building another well, perhaps, sufficient water can be had without drawing on the Metropolitan system. Alderman Earle explained the need of immediately making an appropriation for Newton's share of the cost of the new bridge over the Charles at Lower Falls. The State Treasurer is soon to assess Newton for its share in building this bridge, and the appropriation had to be made at once.

Alderman Hodgdon told of the crowded conditions in the house of Engine 1 Company, and asked if the special committee appointed to consider a new building for this apparatus and its crew have taken any action? Chairman Baker of this committee answered "that he has been so busy with the matter of the new city hall that he has not had much time to do a rough plan has been made of a new building on the land owned by the city at the corner of Washington street and Centre place. Alderman

Earle said "that more men cannot be accommodated in the house of Engine 1, unless two men will sleep in the same bed. The cots are now occupying all available space in the sleeping quarters at the old building."

Alderman Gallagher stated "that Chief Randlett considers the land where 'Poverty Block' stands, as the ideal site for the new fire station, but had no hopes of the city purchasing this land." According to the Ward 1 alderman, if the city sells the land it owns at the corner of Centre place, together with the property occupied by Police Station 3, it can use the proceeds to buy the "Poverty Block" site. He claimed that the site at the corner of Centre place is poorly located to afford safe egress for the big aerial ladder, and that if it is taken, another fire chief will be killed while driving out of a building there, as were Chiefs Bixby and Humphreys.

Alderman Ball stated "that the special committee on accommodations at Crystal Lake had requested the Mayor two months ago to appoint a citizens' committee to consider the matter of taking land at this popular bathing place, and erecting properly equipped buildings there, but that the Mayor has done nothing on this matter." The aldermen adjourned at 11 p. m. to meet on June 6th at 7:45. This meeting will take definite action on the new City Hall, and will have a number of other important matters to deal with.

NEWTON LODGE OF ELKS

On Thursday evening, May 12, Newton Lodge of Elks, at its meeting held at the lodge home, observed the annual affair of Mothers Day.

Plans were completed for the show and entertainment which is to be held at the Norumbega Theatre, under the direction of the Entertainment and Social Community Welfare Committees, on Sunday afternoon and evening, June 26th.

It is the intention of the Committees, and also William White, manager of the theatre, who is working in conjunction with the Committees, to stage a show which will be one of the best that has ever been shown in the city. The proceeds of the affair are to be used by the Social and Community Welfare Committee for charitable purposes.

The following delegates and alternates were appointed to the Massachusetts State Elks Association convention which will be held at Haverhill, on June 5th and 6th: All past and present rulers: J. Edw. Callahan, State Convention Committee; John H. Gordon, P. E. R., Credential; Thomas F. Copping, Social and Community Welfare Committee; George C. Walsh, Foreign Propaganda Committee; Edwin O. Childs, P. E. R., Chairman Big Brother Committee; Frank L. Wilcox, Wm. A. Noone, Leonard Jackson, Vincent M. Butler, Matthew J. Hanley, Clifford Haskell, Edw. N. Soule, Geo. King, Joseph Vachon, Arthur Hyland; Alternates: Walter T. Hannigan, Henry K. Rollins, John H. Doherty, Thos. F. Fitzgerald, Moses J. Hirschfeld, Augustus Heck, A. Leslie Moriarty, James Vachon, Wm. V. Fogwell, Ed. H. Powers.

The committee on Flag Day which will be held on June 12th was also appointed by the exalted ruler: Thos. Francy, Chairman; Wm. E. Earle, P. E. R., Leverett Saltzman, Sinclair Weeks, Thos. F. Hickey, Geo. Henrikus, Levi Libby, Dana Foley, Oswald J. McCoort, P. E. R., John J. Copping.

THAYER—BLACK

The wedding of Miss Dorothy Margaret Black, the daughter of Mr. and Mrs. Nathaniel S. Black, and Mr. Kenneth Gardner Thayer of Watertown, took place Wednesday evening at the home of the bride on Court street, Newtonville, which was attractively decorated with apple blossoms for the occasion. The ceremony, which took place at eight o'clock was performed by Rev. Albert D. Parker, pastor of the Newtonville M. E. Church.

The bride was in white georgette with lace edged veil and her cousin Miss Hazel Swan of Deerfield, as maid of honor, wore flesh georgette with ivory lace.

Mr. Robert Pierce of Newton was the best man and John W. and Stephen F. Black, brothers of the bride, were the ushers.

A reception followed the ceremony, Mr. and Mrs. Thayer being assisted in receiving by their parents.

After a wedding trip to Washington and Virginia, Mr. and Mrs. Thayer will reside at 36 Morse street, Newton where they will be at home after June 1st.

HIGH SCHOOL BAND ENTERED

The Newton High School band is entered in the annual musical festival to be held tomorrow on Boston Common and in which two bands will be selected to enter the finals to be held at Council Bluffs, Iowa, on May 27 and 28.

The contest will take place at 9 o'clock. It will be followed at 10 o'clock by a festival by bands not entered in the contest, and followed at 11 o'clock by an exhibition by the drum and bugle corps and the fife and drum corps. At 12:45 P. M. John Philip Sousa will conduct a massed band ensemble, which will be repeated at 1:30 P. M.

While the band contests are in progress there will be a similar contest at the Boston Arena for high school orchestras. The winners in both contests will be announced at 3 P. M.

THE CHILDREN'S MUSEUM

On Sunday afternoon at 3 o'clock, Mrs. Inez Scott Harlow, Curator at the Children's Museum, will tell a motion picture story on "Uncommon Birds at Home." The cameraman has been successful in catching them on their nests, feeding their young, hunting for food, etc., without arousing their fears. The Scissors-bill Bird, Black-necked Stilt, Band-tailed Pigeons, Blue Heron, and Peacock appear with introductory titles which make the subject unusually instructive and interesting.

WARNING!

Do not place your rings on the stand when washing your hands. Do not take a servant without calling up the person who signs her references. Do not inform stray visitors that "there is nobody else at home." Ask gasmen, telephone repairers, etc., to show you their badges. Do not take a taxi-cab with two men on the box. Lock your windows, especially those leading to fire-escapes. Change the lock on the door when you move to a new apartment. Do not put notice on hall bell or dumb-waiter that you are out. Do not hide money or jewelry under carpet, in vases, or in bureau drawers. These are the first places searched by a thief. Do not advertise the fact that you are going out by pulling down the window-shades. Take a final look, no matter in how great a hurry, before you leave home, to see that all windows and doors are fastened. Keep a light burning in your apartment at night if you are out. A burglar never attempts to enter such an apartment.

NEW CITY HALL

(Continued from Page 1)

Alderman Hodgdon added to the levity directed at Mr. Heathcote's display of amity by suggesting "that the appreciation be also expressed towards future members of the special committee on the New City Hall." The motion of the Ward 4 member, with the amendments, was put and carried.

It will be interesting to observe how much opposition, if any, will develop at the hearings on June 6. Undoubtedly many West Newton residents will dislike to see City Hall removed from that village. Some persons contend that to remove it will hurt business at West Newton. It is very doubtful if West Newton business men receive any appreciable amount of business from residents of other parts of the city, when these residents have occasion to visit City Hall.

It will also be interesting to observe the attitude which Mayor Childs will display on the recommendations of the Board of Aldermen. As he has advocated the necessity of a new City Hall in several of his inaugural addresses, and as he mentioned 1930 as the date when such a building should be completed, so that it would be ready for the observance of the 300th anniversary of the settling of Newton, it is doubtful if he will oppose the acquiring of the "triangle" site.

CLAPP—LEIGHTON

Spring flowers and calla lilies formed the background of a pretty wedding last Saturday evening at Central Church, Newtonville, when Miss Eleanor Leighton, the daughter of Mrs. Eugene Wilson Leighton of Preston street, Newtonville, became the bride of Mr. Winthrop Sayles Clapp of Lake Avenue, Newton Highlands. The ceremony, which took place at eight o'clock was performed by the pastor of the church Rev. Dr. Arthur M. Ellis.

The bridal gown was of French crepe beautifully embroidered in sequins of pearl and silver. She wore the conventional tulle veil, with head-dress of Duchess lace, with court train of heavy white satin. She carried a bouquet of gardenias and lilies and a shower bouquet of lilies of the valley.

Her sister Miss Elizabeth Leighton, was maid of honor and wore sea foam green crepe combined with coral chiffon, a head dress of pearls and an arm bouquet of spring flowers.

The Misses Barbara L. Potter of Springfield and E. Doris Parker of Preston, England, were in coral chiffon with head dress of sequins and carrying arm bouquets of spring flowers.

Mr. Lawrence C. Warren of Arlington was the best man and the ushers were Messrs. Roland Flier of Norbeth, Pa., Frederic Sears of Concord, N. H., A. Henry Thibault of Reedsburg, Wis., and J. Moret Greenman Jr., of St. Louis, Mo.

A largely attended reception followed in the church parlors. Mr. and Mrs. Clapp being assisted by the mother and sister of the bride and the parents of the groom.

After a wedding trip to the South Mr. and Mrs. Clapp will reside at 86 Highland avenue, Wollaston.

The bride is a graduate of Skidmore College, class of 1925 and the groom is a 1924 Harvard man.

GIRL SCOUTS

Making Attractive Plans For Field Day on June 11th

Parade will start at 2 p. m. and proceeds along Lowell avenue, Washington and Walnut streets to Elm street and Clafin Field.

The big show in the main tent starts at 3 p. m. Everyone in town will be there to see Webster's famous troupe of performing animals. Lily the leaping leopard from the banks of the limpid Limpopo River, Eliza the world's most intelligent elephant recently imported from Hoboken and parts East, and James the gentle giraffe, cleverest and kindest animal of its kind in captivity. Also Skipwith's Clown Corps of side splitting merrymakers, daredevil acrobats, breath taking chariot racers. Outside the big ring will be fun, food and frolic in all parts of the circus grounds. Side shows, pony rides, games of skill and action, the world's finest Punch and Judy show, a dog and doll show, pop corn peanuts AND PINK LEMON-ADE.

Supper served on the grounds to all and sundry. If the day is rainy we will all meet in the old gymnasium.

The annual meeting of the Newton Girl Scout Council was held on Thursday, May 19th at Camp Mary Day. Mrs. Frank A. Day, Commissioner for Newton presided over the meeting and reports were heard covering all phases of the year's work. Those who read reports were the chairman of the finance, education and court of awards committees, the captain of the Bugle and Drum Corps, the secretary of the Officers Association, the local director and her field captain, and the captains of all the Girl Scout troops and Brownie Packs. The following officers were elected for the coming year: commissioner, Mrs. Frank A. Day; 1st deputy commissioner, Mrs. Stanley Bolster; 2nd deputy commissioner, Mrs. Raymond Collins; treasurer, Mrs. Maynard Hutchinson; secretary, C. D. Meserve; chairman executive committee, Mrs. Albert Carter; Court of Awards, Miss Jeanne Kenrick; camp committee, Miss Sarah Hackett; officers association, Mrs. Walton Redfield, members at large, Mrs. Clinton Tyler. After the business meeting tea was served around the open fire. The center of interest was an enormous birthday cake in honor of the 10th anniversary of the founding of the Newton Council of Girl Scouts.

The next day Camp Mary Day settled down to a happy week end of care free camping. On Friday evening 14 Girl Scouts from Troop 14, Waban, celebrated Mary Stephens' 14th birthday with a party in the camp house followed by a night spent in the open. On Saturday afternoon Troops 6 and 16 of Nonantum arrived in camp for a picnic supper cooked in the council bowl, and hard on their heels came the Girl Scout Club of Radcliffe College, to spend the night on the porch and the next day in peaceful relaxation. While they relaxed, our local director was busily christening her cherished new cabin which has been built just across the tennis court from the Camp House. The Newton Officers are looking forward to a house warming celebration at the little house over the week end of the 30th of May.

MEMORIAL DAY

Charles Ward Post G. A. R. to Observe the Day in Usual Manner

Charles Ward Post, G. A. R., will, as usual, have charge of the official observance of Memorial Day next Monday.

Mayor Childs will again serve as chief marshal and has designated Frank L. Wilcox as adjutant general and Wilfred A. Wetherbee as chief of staff.

The orders of the day state that the various organizations taking part in the official parade will report at Newton Highlands square at 1:15 p. m. The line of march includes a detail of police, the chief marshal and aides, Co. C, 101st Infantry, Capt. Thomas F. Hickey; band; J. Wiley Edmonds Camp S. V., E. W. Robinson commanding; Charles Ward Post G. A. R., William M. Mick, commanding; Mrs. A. E. Cunningham Tent, D.V., Miss Frances M. Cahill, president; Thomas Burnett Camp, U. S. W. V., Henry Levey commanding; Newton Post, American Legion, Julius Ramm, commanding; Boy Scouts and past members Clafin Guards.

The parade will start at 1:30 and go through Walnut street to the Newton Cemetery where memorial exercises will take place at the Soldiers' monument. At the close of the exercises, the parade will reform and march through Walnut and Washington streets, to the state armory, making a detour to pass by the John A. Andrew home on Washington park. The chief marshal will review the column at the Truck house, Newtonville.

The general orders of the Post provide for decoration of the graves in the Newton Cemetery and Evergreen Cemetery in the morning followed by exercises at St. Mary's Church yard, Lower Falls.

The Post will attend services on Sunday, May 29, at the Newton Highlands Congregational Church.

Flowers are earnestly requested by the Post for decoration purposes and should be left at one of the following stations, on Sunday afternoon or evening:

Residence of the late John Flood, 21 Hovey street, Newtonville, Post Hall, Main Building; West Newton, Engine House; Auburndale, Hose House, Auburn street; Newton Upper Falls, residence of George H. Osborne, 117 High street; Newton Lower Falls, Old House, Grove street; Newton Highlands, Engine House; Newton Centre, Engine House; Waban, Rhodes Drug Store, Beacon street.

UPPER FALLS YOUNG MAN ORDAINED

Rev. Joseph D. Meredith of 145 Oak street, Upper Falls, son of Mr. and Mrs. James Meredith, was ordained last Friday at Holy Cross Cathedral, Boston, by Cardinal O'Connell. He was born in Newton Upper Falls, 27 years ago, and is a graduate of the Newton schools and Boston College. On Sunday morning at the Church of Mary Immaculate, Upper Falls, he celebrated his first high mass. Rev. Francis Murphy of Boston, a former resident of Upper Falls, officiated as deacon. Rev. Frederic Driscoll was sub-deacon. The sermon was preached by Rev. Dennis Donovan, pastor of the church. A largely attended reception was held Sunday afternoon and evening at the home of Fr. Meredith.

NEWTON CHAMBER OF COMMERCE

Holds Its Annual Meeting and Discusses the Question of a New City Hall With Mr. Harriman, President Weeks and Chairman William B. Baker

The annual meeting of the Newton Chamber of Commerce was held on Monday night at the Newton Club, Newtonville. Over 100 representative citizens of the city partook of an excellent meal and then listened to a series of talks on the matter of the proposed new City Hall. President G. Wilbur Thompson of the Chamber introduced Representative Rupert Thompson as master of ceremonies for the post-prandial session. The first speaker presented by Mr. Thompson was Henry I. Harriman, chairman of the Metropolitan Planning Board, and a former president of the Newton Board of Aldermen.

Mr. Harriman expressed his appreciation of the excellent work done by the special committee of the Board of Aldermen in connection with the proposed new City Hall. He stated that the problem of the new City Hall may be considered in two divisions. In the first division can be included the questions—"Do we need it? Can we afford it? Its relation to schools and other necessary municipal needs? How will we pay for it?" Mr. Harriman said, "I will not discuss these phases of the matter. It is better they be handled by city officials who are familiar with conditions in the city today."

"The second division of the new City Hall problem concerns its location," said Mr. Harriman. "At first I took little interest in this matter, but about six months ago in Greater Boston came to the Metropolitan Planning Board for advice regarding a new City Hall, and this aroused my interest in Newton's proposed new building." He explained to the gathering that Metropolitan Boston's population has tripled in the past 50 years, and will perhaps triple again during the next 50 years. Most of this increase will be in the suburban districts, and within the next half-century Newton will probably have a population of between 150,000 and 200,000. This will require better housing for the city of Newton.

Newton, according to Mr. Harriman, can be divided into three sections: The first, that part of the city lying north of Washington street, and containing about 15% of the population; the second, that part between Washington street and Commonwealth avenue, which contains 50% of the population; and the third, which lies to the south of Commonwealth avenue and contains 35% of the population. It is inevitable that most of the future growth of the city will be in the last section. Twenty years from now Commonwealth avenue will bisect the population of the city as it also bisects the city geographically. On it is the natural place for a City Hall, and the "triangle" is the most available site. The City Hall should act as an advertisement for the city. Beauty has its commercial value. The beautiful homes of Newton are of appreciable advertising value to it. The Town Hall at West Newton, admirably located, the civic center at Springfield, are assets to those two places. It is not possible to locate a dignified City Hall on the present site at West Newton. The "triangle" site will afford a beautiful setting. It will be seen by many more people as they travel through Newton along Commonwealth avenue, and will improve the impression of Newton. The decision of the Aldermen to locate the new City Hall there is most wise.

Mr. Harriman then considered the objections to the "triangle" site. The first he mentioned was "that this site will be more expensive than one at West Newton." He answered this objection by saying, "that if more land will be purchased at West Newton, there will be little difference in the cost." The second objection, the matter of transportation, was discounted by Mr. Harriman for the reason that the great bulk of persons travel by automobile today, so that the "triangle" will not be out of the way, with this form of transportation in use. The third objection, that the "triangle" site will be away from the homes of the City Hall employees, is but a temporary objection, according to Mr. Harriman, as the employees will eventually move to homes nearer this site. "It will be easy," said he, "to have a branch bank in or adjacent to the proposed new City Hall. The objections to the 'triangle' are only temporary conditions. Those Aldermen who at first favored the West Newton site, and then became converted to the 'triangle' location, showed real courage

when they set aside their local prejudice."

Sinclair Weeks, President of the Aldermen, said, "The Special Committee on the new City Hall has given unlimited time to this matter. It deserves the thanks of all citizens. We need a new City Hall. The departments housed in our present City Hall lack room to operate efficiently. The question of financing must receive careful consideration. The city has been under a stress during the last seven or eight years because of the necessity for new school buildings. Its borrowing capacity of \$4,000,000 was reduced to \$90,000 at one time last year. This is too low. We need a new fire alarm signal system, a new fire station, improved streets, and many other things. But, having progressed so far on the new City Hall project, we should ask permission of the Legislature to borrow a limited amount outside the debt limit. Otherwise we cannot build a new City Hall for five or ten years. We should consider the aesthetic as well as the practical side in building a new City Hall. The 'triangle' site is admirably adapted for this purpose. Seven years ago a War Memorial was proposed by the Aldermen of Newton. Ten years have elapsed since this country entered the war. This city has been lacking in providing a memorial for its citizens who fought in the various wars. I hope when the new City Hall will be placed in the near future on the 'triangle,' provision will also be made there for a memorial."

Alderman Baker, Chairman of the Special Committee which has been considering the matter of the new City Hall, was next introduced. His remarks, in substance, were practically the same as those made to the Aldermen at their last meeting, and were printed in last week's Graphic. He told of the lack of proper accommodations at the present City Hall, and the danger of the loss of the records of the city through lack of protection from fire. He said, "The building of a new City Hall has been postponed for ten years. Why postpone it for another ten years? He advocated the keeping of a safe borrowing cap-

acity by the city, and opined that we are justified in asking permission to borrow \$500,000 outside the debt limit for a City Hall which will serve the needs of the city for the next 75 or 100 years. Such a sum would not represent the entire cost. Land must be bought and graded, a brook must be covered, and the building furnished with equipment. He argued that if the new City Hall will be built at West Newton, the total investment would be almost the same as if the hall will be erected on the "triangle" site, and there would be but about 100,000 square feet of land at West Newton as compared with 400,000 square feet at the "triangle." The building of the City Hall on the "triangle" will tend to unify the city. He concluded by saying, "Now that we have put our hand to the plow, we should go on with the work."

Mr. Baker was followed by Alderman Flitts, Chairman of the Committee on Public Buildings. He referred to the argument advanced by some "that a new City Hall cannot be erected except by interfering with the building of needed new schools." He explained the manner in which the joint committee of School Committee members and Aldermen have planned to take care for the growth of the school population of Newton, and to make up for the failure to build any schools for a number of years during the War and after. The lapse of building during this period had to be made up, and the normal growth of the school population provided for. The new schools erected during the past seven years have provided for 3000 additional pupils, or more than enough for the total growth in school enrollment during those years. But distribution is the problem. While some sections of the city have more than enough accommodations for pupils, other sections are still overcrowded. The present program of building plans to meet the needs in the congested districts. The new grade school on the site at Ward street will be built this year. The congestion at Newtonville must be relieved. The new school at Lower Falls to replace the Hamilton School will

WELFARE MEETING

Interesting Conference Held at the Pettee Inn, Upper Falls

Twenty-five junior students from the Newton Hospital who are taking a public health course, were the guests of the Newton Welfare Conference at the last Welfare Conference of the season, held at the Pettee Inn in Newton Upper Falls on Wednesday, May 25. In all, forty-eight members of the Conference, including their guests, assembled at 12:30 for the luncheon served at the Inn.

Mrs. Irving O. Palmer, President of the Council, told the guests what were the purpose and activities of a federation of social agencies like the Council. Mrs. Louis H. Marshall, Chairman of the Conference, gave a resume of the year's work of the Welfare Division, emphasizing the effort to launch a Big Brother and Big Sister movement in Newton. Miss Louise Peloubet, Council Secretary, spoke of certain phases of the work, and Mrs. Louis S. Drake of the Y. W. C. A., told how the Big Sister work had already begun. When questioned, Mrs. Wellman of the Probation Department, said that she still had a long list of boys and girls who needed Big Brothers and Big Sisters.

Mrs. Marshall was again elected Chairman of the Conference and Mrs. Charles W. Bond, Secretary.

Miss Ethel W. Sabin, hostess of the day, gave a short account of her welfare work at the Shops. Feeling, as she said, that the guests had come to see rather than to hear, she soon led the group to the Social Room, maintained by the Shops for the benefit of their employees. The room is in a bungalow type of building opposite the Shops, pleasant and neat, with desks, chairs, and a chance for simple cooking. Here groups of men, women and children, Polish, Lithuanian and Armenian, gather for all sorts of purposes every day of the week. The room is also used for Americanization classes under that department of the Newton schools, and by groups of Boy and Girl Scouts, children of foreign-born parents from Poland, Lithuania and Russia. Parents are taught English, and their children to read and write in the language of the parents. Thus a link is formed between the generations which would otherwise be severed by lack of understanding.

The first Aid Room handles any accident which occurs in the Shops, and is kept busy because of minor accidents such as burns and lacerations, which can be adequately treated in this well-equipped hospital where a graduate nurse is in attendance and which is visited by a doctor every day. Miss Sabin told how one of the employees poked his head into her office the other day, and said: "Some women have brains." She felt that this

Ladies' Hebrew Society	10.00
Troop 15, Newton Centre	5.00

The contribution from the Newtonville schools was due to an individual effort with each pupil urging them to give something of their own money, earned by their own labor or saved from a customary luxury or amusement.

THE FULLER GARAGE

The long fought case of the Fuller Garage gasoline station was settled by a decision of Judge Carroll of the Supreme Court this week. He sustained the findings of the Newton Court and the Superior Court in finding that this station had been operating unlawfully. The station was established outside the garage building on a small triangular plot of land after permission had been refused by the aldermen and the plot had been ordered enclosed by a low wall.

ROSE WHIST

Wednesday, June 1st, at 2 o'clock on the beautiful grounds of the new Regis College for women at 71 Walnut Park, Newton, a Rose Whist is to be held in aid of the Library Fund. Mrs. T. Edward Sheehan is chairman, assisted by Mesdames Cornelius Spillane, Frederick Moore and John Roche. A large number of friends of the College, women of Boston and surrounding towns are acting as patronesses.

JUNE SHARES ON SALE

Plan 1. Regular Monthly Savings starting with \$1 to \$40.

This is the most popular plan. Each share costs \$1 per month and increases in value by the additions of savings and interest until it matures at \$200 in about 140 months; \$60 of this is interest. \$10 per month grows to \$2000, \$25 to \$5000, \$40 to \$8000.

Plan 2. Regular Monthly Savings starting with a lump sum.

If you have some money on hand, or which is not earning you 5 3/4% interest you can invest it in shares which are a few years old and continue on with the monthly payments. This gives you a high rate of interest on your original capital which is rapidly increased by the additions of savings and interest.

Almost any sum up to \$6000 can be invested this way.

DIVIDENDS ARE QUARTERLY AND SHARES MAY BE WITHDRAWN AT ANY TIME WITHOUT ANY LOSS OF DIVIDENDS CREDITED.

Get started right—Now is the time to look this matter square in the face. Our bank welcomes your account.

DOLLAR DAY

The success of the recent West
Newton Dollar Day in March was so
gratifying to both the buying public
and the merchants of that village that
the mercantile group of the New West
Newton Business Men's Association
has decided to conduct another sim-
ilar event on Saturday, June 11, pre-
parations for which are already well
under way. Practically every store-
keeper in West Newton is enthusias-
tically planning to eclipse his former
offerings both in variety and in max-
imum value to be given for a dollar,
with all advance indications prom-
ising an appeal to the public and op-
portunities for economical buying that
will as a whole far exceed the offer-
ings three months ago.

As a part of its program of activ-
ities, for the current year, the West
Newton Business Men's Association
voted to conduct a series of four mer-
chandising or business building events
during a twelve month period. While
it is planned to vary these in type,
and it was originally intended to have
but one Dollar Day in the series, the
success of the Dollar Day on March
19 was such that it was recently de-
cided to have one more Dollar Day
before developing a new form of ac-
tivity for the third event of the series
to be held in the fall.

D. A. R.

The annual meeting of the Lydia
Partridge Whiting Chapter, D. A. R.,
was held at the home of Mrs. San-
ford Thompson, Walnut street, New-
ton Highlands, on May 24. The fol-
lowing officers were elected for the
coming year: regent, Miss Marion
Dorr; vice-regent, Mrs. Chester Tud-
bury; recording secretary, Mrs. James
Hemphill; corresponding secretary,
Miss Frankie Hall; treasurer, Mrs.
Harris Langley; registrar, Mrs. Frank
Warren; historian, Miss Adelaide
Webster; custodian, Mrs. Stephen
Smith; chaplain, Mrs. William Cros-
by; auditor, Miss Harriet Ward.

Refreshments were served by the
hostess assisted by Mrs. J. E. Fos-
ter, Miss Madeline Foster, Mrs. L. F.
Elliott and Miss Annie S. Head.

THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

EVERETT WINS IN ELEVENTH

Newton high lost another tough ball
game to Everett high last Saturday
on Claffin field when the Coach Gil-
dea outfit pulled out a 5 to 4 win in
the eleventh inning. The orange and
black should have been the victor in
the regulation periods but Dame For-
tune smiled the other way.

With the visitors leading 4 to 3
when Newton came to bat in the last
of the ninth two errors and a single
by Spain tied the score and placed
the winning run on third. Captain
Proctor, who returned to the lineup
after an enforced absence of some
weeks, grounded to the pitcher on an
attempted sacrifice. McCleary, the
next batter, flied out to right for the
third out and Newton's rally was at
an end.

Everett counted the winning run
when Dragone, who was safe on a
slip, bunted the ball into the hands
on two infield outs and came home
on deMille's wild throw to third.

Newton scored first in the third
frame. After Linquist fanned Spain
drew a pass, and stole second. Pro-
ctor picked one he liked and pushed
into centre for a single, scoring his
teammate. McCleary singled and Pro-
ctor, who overran second, was boxed
and touched out. "Penny" deMille
was next up and on the third pitched
ball he swung his bat. The ball
dropped the far side of the canvas in
left field and he trotted around the
bases after McCleary. Three runs
were in and it was all Newton could
get until the ninth.

Everett, behind, plugged away and
scored two runs in the fourth and
two more in the sixth to take the lead.
Fisher and deMott each scored twice.
Linquist started in the box and
pitched a nice game until the sixth
when he began to get a little flighty.
McCleary relieved him but the dam-
age was done. The dusky lad fanned
seven batters in the five innings he
worked and was in tough luck to have
even a run scored off him in the extra
frame.

RUNNERS WIN, LOSE AND GET TIE

The Newton high track team has
had a busy time of it the last week.
On last Thursday they swept the final
event, the 440, in the meet with Mil-
ton academy to get into 45 to 45 tie.
Saturday the team was defeated by
the Brockton runners 53 2/3 to 32
1/3. Tuesday Newton went to
Quincy and nosed out the hitherto
undefeated Quincy high team 37 to
35 in another last minute dash.

The feature of the Milton meet was
as has been said Newton's sweep of
the quartermile with Reynolds, Reed
and Smith finishing in that order. Ful-
lerton was the high point scorer with
first in the 100 and 120 yard hur-
dles. McCrudden won the half and
Clark the javelin with Ebelhare and
Hammond being content with a tie in
the high jump after outjumping the
Milton athletes.

At Brockton Saturday Fullerton was
Newton's best with a first in the hur-
dles and seconds in the 100 and 220
yard dashes. Ebelhare won the high
jump and McCrudden the half while
the best Reynolds could do in the
quarter was a second.

Quincy proved a hard team to beat.
The meet hinged upon the outcome
of the final event, the 220-yard dash.
Quincy was behind, 33 to 30, at the
time and needed a second and third to
win but Brewer and Cole showed their
speed to the Quincy second best run-
ners and finished second and third.
Dunphy of the Granite City team was
first. Ebelhare and Hammond only
had to do 5 feet 5 inches in the high
jump to finish first. McCrudden
again won the half and Reynolds,
Reed and Brewer swept the quarter.
Hammond got a third in the broad
jump. McCrudden a second in the shot-
put, and McCrudden and Hession,
second and third in the mile.

SPORT NOTES

A Correction

In last week's issue it was stated
that Edward Ebelhare, star high jump-
er of the Newton High track team,
tied for second in the high jump at
the Yale interscholastics. Ebelhare,
with a leap of 5 feet 10 inches, won un-
disputed claim to second place.

Newton Youth Wins

Thomas Ferguson of Newton High-
lands was recently awarded the in-
signia of the rifle team at M. A. C.
Robert Rees of Newton was also a
recipient of the same honor.

DeWitt Clinton Team Swamped

Last Friday afternoon at Dedham
the Noble and Greenough nine
swamped the DeWitt Clinton school
team 20 to 6. Huntwell started off
well in the box for the losing team
but six hits, coupled with costly er-
rors in the third inning when the win-
ners scored six runs, proved his un-
doing.

Henrich Takes Spill

In the first heat of the 120-yard hur-
dles at the Harvard-Yale meet last
Saturday at New Haven the Crimson
had a bit of hard luck when its two
best hurdlers, Ballentyne and Hen-
rich, both were put out of the run-
ning when the former took a spill and
pulled his running mate over with him.

Four Newtonians On Harvard Alumni

Last Saturday afternoon the Har-
vard varsity and Harvard alumni
nines played a 3 to 3 nine inning tie
game. The game was called at the
end of the ninth to allow the Har-
vard varsity to start its game with
Waseda University. On the Harvard
alumni nine were four ball players
who formerly starred for the Newton
High team. George Owen, who al-
ways wanted to play the outfield while
at college, played centerfield, and bat-
ted third in the graduate lineup. Owen
had eight putouts, one of which was a
difficult catch. At the bat the former
star connected safely twice out of
four trips to the plate. Ex-captain
Henry Nash, star first baseman back
in 1912 at Newton High, held down

the initial sack. "Heinie" as he is
more familiarly known got one single.
Henry Bothfield, a teammate of Nash's
at Harvard, played at shortstop and
while charged with one error hand-
led several chances cleanly. He
also connected safely once and stole
second after getting on base. The
fourth Newtonian to appear in the
game was another 1912 Newton man
—Wilnot Whitney. Whitney was in
the box for the graduates for five in-
nings and he pitched nicely as well as
getting one hit himself. Whitney held
the undergraduates to five hits, four
of which were singles. Not until the
fifth inning did the Crimson come
anywhere near scoring and it was in
this frame that Zarakov, present Har-
vard captain, connected for a home
run with one on base. This put the
varsity ahead 2 to 1. In the ninth the
Alumni counted twice with Bothfield's
single and a wild throw helping con-
siderably but a pinch hitter who came
through with a needed hit tied the
count for the Crimson. Of the gradu-
ates' seven hits five were made by
former wearers of the "N." Bill El-
lison went to bat as a pinch hitter
in the ninth for the Varsity.

Ellison Wins Back Berth

Bill Ellison has won back his out-
field berth on the Harvard varsity
nine. Last Saturday against Waseda
University he played his first full
game of the year in rightfield. The
batting slump which Bill Jones, who
has had the call all season, has fallen
into has resulted in his replacement
by Ellison.

Newton Golfers On Way To Title

The Newton High golf team sails
merely on its way, upsetting all op-
position. Last Saturday morning they
defeated the St. John's high school
team of Worcester, 4 to 2, at the Brae
Burn links. To say that the team has
not been defeated is not quite correct
as they succumbed to the stroke of
the Exeter golfers the first part of the
month. But in schoolboy circles the
Newton team has the state title
claimed. Monday afternoon the team
added another victory to its rapidly
growing list by defeating the Swamp-
scot high school team, 4 to 1, at the
Tedesco links.

DeWitt Clinton Wins From Salem

The DeWitt Clinton school track
team defeated the Salem high run-
ners at Salem on Tuesday by a score
of 48 1/2 to 10 1/2. Captain Warren of
the local team was high scorer with
four firsts. Carr won the halfmile,
took second in the high jump and
third in the quarter.

Country Day Wins From Rivers

Country Day nine won from the Riv-
ers school team, 5 to 4, Tuesday at
Cabot field. Rivers took the lead in
the first with two runs but Country
Day came right back in the second
with four tallies to take the lead. An-
other added in the fourth proved to
be the winning margin. White was on
the mound for the winners and al-
though found for nine safeties kept
them well scattered.

Ellison Gets Triple and Double

Bill Ellison showed Coach Mitchell
of the Harvard varsity that his bat-
ting eye has not been altogether lost
during his stay on the bench. Tues-
day he again appeared in right field
for the Crimson against the George-
town team. Fine pitching by Barbee
shut the visitors out but it was Bill
Ellison's bat that aided the Cambridge
team to score. In the fourth he tri-
pled to score a base runner and later
counted himself. In the eighth he
doubled but was left on base. In the
field he had two putouts.

Racquet Wielders Win From Huntingdon

The Newton high tennis team won
from the Huntingdon school team last
Friday afternoon, 6 to 0. The vis-
itors won but sixteen games in the
entire play. Noble, Broughton, Par-
ker and Scott smothered their rivals
in the singles and Noble and Scott
and Broughton and Parker won the
doubles matches.

MISS HILLS ENGAGED

The engagement is announced of
Miss Katherine Hills, the daughter of
Mr. and Mrs. Frederick A. Hills and
Mr. Alfred C. Farrell of Framingham.
Miss Hills was graduated from Wel-
lesley College with the class of 1925.
Mr. Farrell is a graduate of the Uni-
versity of Michigan, where he was a
member of the class of 1920. He be-
longed to the Acacia fraternity. He is
associated with a well-known Massa-
chusetts paper manufacturing concern.

DEATH OF MRS. BARBOUR

Mrs. Josephine M. Barbour, widow
of Alfred L. Barbour, died Wednesday
morning at her home, 22 Perkins
street, West Newton, after an illness
of several weeks. She was born in
Cambridge on April 12, 1849, and was
the daughter of the late Elbridge E.
Smith and Sarah S. (Upham) Smith.

Mrs. Barbour's early life was spent
in Norwich, Conn., and in Dorchester,
where her father was principal of the
Dorchester High School. Since her
marriage in 1872, she had lived in
West Newton. She had been actively
identified with many Baptist organiza-
tions, including the Lincoln Park Baptist
Church at West Newton and the
Baptist Home for Aged People at Cam-
bridge, of which she had been a mem-
ber of the board of managers for a
number of years.

She is survived by two sons, Walter
F. Barbour of West Newton and Rob-
ert A. Barbour of Pittsfield; three
daughters, Miss Mary S. Barbour and
Miss Ethel S. Barbour, both of West
Newton, and Mrs. John Carley Davis
of Cincinnati, O. (Grace B. Barbour);
also two sisters, Mrs. Luther Leonard
of Hinsdale (Mary B. Smith) and Mrs.
M. Elmer Minard of Dorchester (So-
phie Smith), as well as two brothers,
Edward E. Smith of Boston and George
B. Smith of Dorchester.

Funeral services are being held
this afternoon in the Lincoln Park
Baptist church, West Newton.

GOV. JOHN A. ANDREW HOME

A pleasing incident took place at
the Gov. John A. Andrew Home at
92 Washington park, Newtonville,
Wednesday afternoon. A delegation
of children, under the direction of
their teacher, Miss Chapman, of the
Claffin School, visited the Home and
presented a Memorial Service which
was greatly enjoyed by the members
of the Home. In addition they gave
each member a gift of flowers and
also a handsome silk flag. It was an
occasion long to be remembered by
all who were present.

The Home was also the recipient
of a large bunting flag for out of
doors display from Woman's Relief
Corps 27, of Cambridge.

The attention of our readers is
again called to this Home, established
to care for elderly veterans of the
Civil War and their wives and wid-
ows. It is a worthy object and con-
tributions will be gratefully received.

INJURED IN AUTO COLLISION

Automobiles driven by George
Broussard of Cambridge and John
Piocone of Brighton collided at the
corner of Commonwealth avenue and
College road, Chestnut Hill, on Sun-
day afternoon. Mary McGurn of Cam-
bridge, a passenger in the Broussard
car, suffered a wrenched shoulder.

KIWANIS CLUB VISITS BROOKLINE

The Newton Kiwanis Club, 61 members strong, visited Brookline on Tuesday and held a joint meeting with the Brookline. A mixed quartet from Malden entertained with vocal numbers. Choral singing was indulged in by the members of both clubs, and a general good time enjoyed.

TIME not WORDS proves a tire's value

EVERY NEW TIRE LOOKS GOOD.

Dunlops not only look good, but they make good—over rocks and gravel, and ruts and sand.

Thirty-nine years of experience has shown Dunlop how to design a tread that gives maximum traction and slow, smooth wear.

This Dunlop tread is the toughest development of rubber known. And this same tough tread-rubber is carried clear around the sidewall to give maximum protection against rut wear.

You get the full benefit of all this extra tread-mileage because each Dunlop is built with the famous trouble-free cable-twist Dunlop carcass, to provide the high-strength and elasticity so vital to long tire life.

We recommend you put Dunlops on your car

FOUNDERS OF THE PNEUMATIC TIRE INDUSTRY

NEWTON HOSPITAL

Week ending May 26:—Patients in hospital 143; patients paying as much as cost of care or more 55; patients paying less than cost of care 57; free patients, including babies 31; patients treated by out patient department 138; by eye clinic 7; accident cases 8; babies born, girls 7, boys 10; social service calls at homes 16; patients transferred by social service car 6.

The hospital staff held its monthly meeting at the hospital Monday evening. Dr. Lowe presiding over the business meeting and Dr. Leonard conducting the remainder of the meeting.

Three children were among the accident cases last week, one had broken an arm by falling against a fence, a second also had a broken arm and the third a lacerated tendon in his hand due to a fall upon a broken milk bottle. The other cases included a broken left foot due to a collision between a truck and a street car, eyes burned by caustic soda and three lacerated finger cases, one an infected case caused by a scratch from a screen.

The festivities of the graduating class have already begun. This week on Tuesday evening the members of the class were entertained by Dr. Waters and Miss Anne Waters at their home in Newton Center. On Friday the members of the class will be taken by the alumnae on a bus ride to a destination unannounced. Sunday evening the Baccalaureate sermon will be preached in the Nurses' Home by the Rev. Dr. Edward T. Sullivan of Newton Center and there will be music by members of the school. On Tuesday evening, May 31, the graduating class will be entertained by the members of the school and a dance will follow. On Thursday, June 2, at four in the afternoon, in the “Big Tent on the Hill,” the graduating exercises will be held. The invocation will be by the Rev. Raymond Lang, of St. John's Episcopal Church in Newtonville. The address to the class will be by Prof. Kirtley F. Mather of Harvard University. There will be singing and instrumental music by members of the school.

THE MISSES ALLEN SCHOOL

The graduating exercises take place this afternoon when twelve young ladies are to be graduated. The exercises consist of an address by Mrs. Ella Lyman Cabot, wife of Dr. Richard Cabot of Cambridge. The School Glee Club sings several selections and musical numbers will be given by Miss Virginia Reynolds, Miss Elizabeth Liedhoff and Mrs. Carl Baesler.

Miss Lucy Ellis Allen, the principal, presents the diplomas to Barbara Crossley and Anne Harrington of Newton Centre, Muriel Hoyt of Wellesley Hills, Pearl Burnham and Clara Taft of Brookline, Virginia Jones of Boston, Esther Hollins of Winchester, Louise Gladding of Providence, Ruth Gunnert of Melrose, Janet Patrick of Elyria, Ohio, Virginia Reynolds of Waban and Anne Stone of Belmont. These are to enter eight different colleges. Miss Wheelock's school and Leland Powers Dramatic School.

A reception for the graduation and a social hour is enjoyed by parents and girls.

Last night the Seniors held their dinner at the Brae Burn Country Club.

Among the festivities of the week have been a house party in Cohasset for the Seniors, where Mrs. and Miss Peterson were the hostesses. Also a spread was given by the Juniors to the Seniors on Wednesday, and a delightful play and musical was given last Friday evening. The college girls return for ten days of intensive work before the College Board examinations.

CELEBRATES FIRST HIGH MASS

Rev. Charles H. Bryson, Jr., of 211 Adams street, was ordained a priest by Cardinal O'Connell at Holy Cross Cathedral, Boston, on last Friday. On Sunday at the Church of Our Lady, Newton, he celebrated his first high mass before a large congregation of relatives and friends. He was assisted by Rev. Conrad Quirbach, as deacon, and Rev. Robert Mantle, as subdeacon. The sermon was delivered by Rev. Fr. O'Brien, S. J., of Boston College. Sunday afternoon and evening Fr. Bryson received his friends at his home. Hundreds came to pay their respects to the new priest. For several summers, during his vacations from college, Fr. Bryson was connected with the Newton police force as a temporary patrolman.

NEWTON CENTRE SCHOOLS

At the recent annual meeting of the Newton Centre School Association these officers were elected: president, Mrs. Wm. H. Raye; vice-president, Mrs. Harold G. Giddings; secretary, Mrs. A. Maxwell Stone; corresponding secretary, Mrs. C. A. Ballou; treasurer, Mrs. Geo. J. Murphy; assistant treasurer, Miss Ruth Burgess.

Council to serve three years: Miss Tilla Lawrence, Miss Marion Cutts, Miss Marion Leavitt, Mrs. O. Beth, Mrs. V. P. Maloney, Mrs. A. W. Kirkpatrick, Miss Gladys Jenkins, Miss Ruth Drown, Mrs. Henry E. Ohler, Mrs. A. L. Fales, Mrs. H. B. Wilder, Mrs. Ralph Nickerson.

Nominating Committee for 1928: chairman, Mrs. E. W. Dearing, Mrs. Albert G. Hopkins, Mrs. Marshall Stone, Mrs. Robert F. Hayden, Miss Cora Swallow.

SERVICE MEDALS

An interesting ceremony took place recently at a meeting of Dalhousie Lodge of Masons, when eight persons were presented with Masonic service medals by the Grand Master. These service medals were awarded for fifty years or more Masonic membership. Fifteen members of the lodge were entitled to the medals, but only eight were present. The others will receive their medals in some other manner. Those entitled to the medals were: Frank B. Reed, Orrin A. Webster, J. Cheever Fuller, James B. Fuller, Charles M. Cook, Charles A. Moulton, John F. Davis, Wilfred A. Wetherbee, Frederic A. Wetherbee, Albert L. Harwood, John W. Fisher, Sidney G. Steeves, Isaac H. Snow, George G. Phipps, William W. Palmer.

SCHOOL NOTES

Stearns School

The nasturtiums and beans which the children planted in little pots have grown beautifully.

The orchestra has ten children in it. These were chosen because of their sense of rhythm and pitch.

These little people have been under dental supervision since the beginning of the school year. Most of them have been to the dental clinic.

The Opportunity Class has made some very attractive reed flower baskets which have been dyed green and some raffia utility baskets of pretty colors. They also have some health booklets entitled “What to Eat.”

The Fourth Grades have some interesting tables which are made in connection with their Geography. One is a map of the United States showing the chief products of each locality. The other shows the different forms of Transportation in the United States. A miniature Locomotive, Truck, Bus, Trolley Car and Aeroplane, delight the children.

Recognition Day. This is so called because those children who are near the standard in Weight, Posture, Condition of Teeth, and who have no physical defects, or are having them removed, are given something to show this.

Those meeting the weight requirements were given green sleeve bands having a white “W” upon it. Those who were A or B in Posture had an orange badge bearing a white “P.”

Many children wore all of these. They were quite proud of their appearance as they went to the hall for the exercises.

The Fifth School children gave their usually finished work with Miss Smith at the piano.

The “Crowning of the Health Queen” was given by the Stearns Building children, including those of the Portable. The attractive costumes, the stage and the excellent work done by the children showed that teachers and pupils had worked faithfully and diligently together for the successful performance which was enjoyed.

The cast was as follows: David Howe, Ralph Morrison, Amato De Santis, Francis Palmeri, Alfred Marzelli, James Womboldt, Albert De Santis, Ralph Barisano, Charles De Angelis, Dominic Bartolucci, Peppina Bucarri, John Bianchi, Edwin Frye, Earl Henry, Mary Schipani, Angie Mosca, George Longbottom, John Allen, Michael Baradise, Olive Benoit, Josephine Mucci, Marion Moran, Rita McMahon, Helen Allen, Kathleen Childs, Christina De Luca, Ruth Snell, Margaret Ridgeway, Mary McMahon, Lillian MacIsaac, Marjorie Howe, Eleanor Bergen, Irene Wellford, Nadine Morrison, Tomy Volante, John Leone, Beatrice Martel.

Two songs were learned by the children for this occasion. They were well chosen and beautifully sung. The songs were, “Prayer of Thanksgiving,” and “Song of the Flag.”

All enjoyed Miss Bragg's kind addition to the program. She had the attention of every one, as she always does.

Mason School

The girls' baseball team of the Mason School played the Angier School team on Tuesday at the Newton Centre Playground. The score was 29-15 in favor of the Mason team.

The three upper grades of the Mason School are preparing a Memorial Day Pageant which will be given in the Assembly Hall on Friday, May 27.

The three lower grades of the Mason School will present a Memorial Day Program, consisting of patriotic duets, dialogues and an original play. Mason School was well represented in the Juvenile Band which gave a concert at the High School on May 20. A sextette of trumpeters rendered “America, the Beautiful” in a very pleasing manner.

LASELL

Mrs. Etta Austin MacDonald, one of the trustees of Lasell Seminary, was the chapel speaker Wednesday morning, May 25.

The annual canoe races between the classes were held on Thursday afternoon, May 26. The line up was as follows:

1st Race—Senior II vs Junior II.
2nd Race—Sophomores vs Specials.
3rd Race—Senior I vs Junior I.
4th Race—Losers of first three races for rank of 4, 5 and 6.
5th Race—Finals. Winners of first three races for rank of 1, 2 and 3.

On Saturday afternoon, May 28, May Day was observed by an excellent program.

Dr. Ashley Day Leavitt, pastor of Harvard Church, Brookline, was the vesper speaker on Sunday evening, May 29, at 6:15.

Lasell Commencement

The closing exercises of the Woodland Park school and Lasell includes the following program:—

Wednesday, June first—2:30 p. m., Woodland Park School Recital and Closing Exercises; 8:00 p. m., Commencement Concert—Bragdon Hall.
Friday, June third—2:30 to 3:00 p. m., Swimming Exhibition, Swimming Pool, Carter Hall; 3:00 to 5:00 p. m., Art Exhibit, Studio, Bragdon Hall; 3:00 to 5:00 p. m., Home Economics Exhibit, Carter Hall; 4:30 p. m., Fashion Show, Carter Hall.
Saturday, June fourth—8:00 p. m., Principal's Reception to the Seniors, Former Students and Guests—Woodland Park.

Sunday, June fifth—10:45 a. m., Baccalaureate Sermon, Auburndale Congregational Church, William C. Gordon, Ph.D. 6:15 p. m., Commencement Vespers, Auburndale Congregational Church, D. Brewer Eddy, D.D.

Monday, June sixth—8:00 p. m., Class Night Exercises (Cards necessary), Bragdon Lawn.

Tuesday, June seventh—10:45 a. m.,

Commencement Exercises, Auburndale Congregational Church. Address by Charles R. Brown, LL.D.; 2:00 p. m., Reunion of the Alumnae and former students—Library.

MRS. NANCY M. WOODS

Mrs. Nancy M. Woods, one of Newton's oldest residents died Monday at her late home, 12 Channing street. She was born in Searsport, Maine, 92 years ago and had lived in Newton for about a half-century. She was the oldest member of the Newton Methodist Church. She was the widow of Henry J. Woods, who died several years ago. Her only son, Dr. Charles J. Woods, who died in 1925, acquired national fame as an agricultural expert. While a professor at the Maine State College at Orono, his work in improving the culture of potatoes in that state was largely responsible for the development of the potato industry in Aroostook County. Mrs. Woods and her husband were engaged in the millinery business in this city for many years, conducting a shop on Elmwood street. Her remains were taken to Belfast, Maine, for interment. She is survived by two grandsons, Harry M. Woods of Ellsworth, Maine, and Dr. William C. Woods of Kent, Connecticut.

POLICE NEWS

John Calabrese, whose present address is given as Waltham, but who has been somewhat of a traveler, was arrested Friday night by Inspector Conroy, charged with the larceny of three rings from Mrs. Dean Walker of 105 Hancock street, Auburndale. Recently Calabrese was employed at the Walker house cleaning windows. While he was working there, Mrs. Walker shook a portiere out of a window. A ring box containing three rings had become entangled in the cloth, and was shaken onto the ground. Calabrese saw the box, took possession of it, and pawned the rings in Boston for \$43. In court Monday Calabrese was given a six months suspended sentence to the House of Correction, and ordered to make restitution to the pawnbroker.

Alfred Dabney, of 999 Boylston street, Boston, was fined \$100 by Judge Bacon on Monday for driving while under the influence of liquor. Dabney was driving through Newton Centre in the early morning hours on May 23rd when his car ran out of gasoline. Serg. Moan and Patrolman Stanton who happened along, noticed that he was under the influence of liquor, and told him to take a taxi, which he had sent for gasoline, to his home, and not to drive his own car. Dabney refused to follow their orders and when he attempted to operate his car, was arrested.

NOTICE OF MORTGAGEE'S SALE OF REAL ESTATE

By virtue of a power of sale contained in a certain mortgage deed given by George A. Almsworth to Guaranty Mortgage and Securities Corporation, a corporation duly organized under the laws of Massachusetts, and having its usual place of business in Boston, dated May 20, 1925, recorded with Middlesex So. District Registry of Deeds, Book 4846, Page 65, which mortgage has been duly assigned to Julia B. Casey, said assignment being recorded in said Middlesex So. District Registry of Deeds, in Book 4850, Page 369, for breach of the conditions contained in said mortgage deed, and for the purpose of foreclosing the same will be sold at PUBLIC AUCTION, on the mortgaged premises, on Tuesday, June 21, 1927, at noon o'clock in the forenoon, all and singular the premises conveyed by said mortgage deed, namely:

A certain parcel of land with all the buildings thereon situated in that part of Newton in the County of Middlesex, in said Commonwealth, called Newtonville and being lot four (4) and a portion of lot six (6) as shown on a Plan made by C. J. Elliot and recorded with Middlesex South District Deeds at the end of Book 3489. Said parcel is bounded and described as follows: southeasterly by Washington Street, fifty-six and 48/100 (56.48) feet; northeasterly by lot three (3) as shown on said plan, one hundred sixteen and 78/100 (116.78) feet; northeasterly by land now or late of Waugh et al thirty and 22/100 (30.22) feet; southeasterly by lot six (6) as shown on said plan, twenty-nine and 34/100 (29.34) feet; northeasterly again by said lot six (6); twenty-four and 39/100 (24.39) feet; and southeasterly again by said lot six (6) and by lot five (5) as shown on said plan, one hundred three and 21/100 (103.21) feet; Containing 6108 square feet of land. Said contents or any or all of said measurements more or less or however otherwise the said premises may be bounded, measured or described. The building on said land is numbered 1015 in the present numbering of said Washington Street.

Together with all furnaces, heaters, ranges, gas and electric light fixtures, and all other fixtures of whatever kind and nature at present contained in said buildings or hereafter installed therein.

Said property will be sold subject to all unpaid taxes and other assessments and subject also, to a mortgage in the sum of \$7,500, held by the Widow Savings Bank.

Five Hundred Dollars will be required to be paid in cash by the purchaser at the time and place of the sale.

JULIA B. CASEY,
Assignee and present holder of said mortgage.

EDITORIAL

Governor Fuller is taking the right attitude in refusing to appoint a commission to review the Sacco-Vanzetti case. If Governor Fuller had a weak backbone and wanted to "pass the buck" to some one else, the commission plan would have given him a splendid opportunity. But the governor is not that kind of a man and we are sure that his decision will be according to the facts, as he finds them, and will not be determined by popular agitation or threats. Let us be prepared to support the governor whatever his decision may be.

The controversy over the name of Fitzpatrick or Pitts recalls the fact that for many years one of the leading citizens of West Newton, Mr. Thomas B. Fitzpatrick, was known for many years as Thomas B. Pitts. In middle life he changed his name back to its original patronymic of Fitzpatrick. A name that was good enough for such a high-grade citizen as Thomas B. Fitzpatrick ought to be good enough for the other members of that family.

The meeting of the National Council of Congregational Churches this week in Omaha, brings out the fact that this denomination has well over 6000 members in this city. May their numbers increase.

We hear numerous rumors that the hearing on a proposed new city hall will attract a large number of influential citizens. The aldermen may hear from their constituents on this question.

Newton gets nation wide notice as the home of Mr. Josef Cukoschay, otherwise known as Jack Sharkey.

DR. CLARK DEAD

The Father of Christian Endeavor
Passes Away at Newton

Rev. Francis E. Clark, D.D., "father of Christian Endeavor," died yesterday morning at his home in the Vernon Court apartment on Centre street, Newton. He was seventy-five years old and had been ill for several weeks.

Dr. Clark returned from Florida about a month ago after spending several weeks there in search of health. He had been living at Vernon Court since last fall, and up to the time of his going to Florida had been daily at his desk in the Christian Endeavor House on Mt. Vernon street.

Francis E. Clark was of New England parentage, although born in Aylmer, Quebec, Sept. 12, 1851. His father, whose name was Charles C. Symmes, was a civil engineer who, in 1853, while engaged in ministering to emigrants suffering from cholera, contracted the dread disease and speedily succumbed to it. When Dr. Clark was seven years old his mother also died. She was an earnest Christian worker, and a pioneer in religious efforts and it was from her that Dr. Clark largely inherited his Christian character and literary ability.

Upon the death of his mother the seven-year-old boy was adopted by an uncle, Rev. E. W. Clark of Auburn, Mass., whose family name he took, and there and in Claremont, N. H., Dr. Clark spent his boyhood. In 1869 he was graduated from the Kimball Union Academy. From there he went to Dartmouth College, graduating in 1873. Three years were spent in Andover Theological Seminary, and the young clergyman shortly afterward took charge of his first church at Portland, Me., the famous Williston Church, in which Christian Endeavor was born.

The first society formed in 1881 has grown into an organization world wide and with a membership of about 4,000,000.

He married at Andover, Oct. 3, 1876, Harriet E. Abbott, of that town. He is survived by his wife, three sons and a daughter, as follows: Professor Eugene F. Clark, of the faculty of Dartmouth College; Harold Clark, a headmaster of a school in New Jersey; Sidney A. Clark who is in the real estate business in Boston, and Mrs. William F. Chase of West Newton.

Dr. Clark made his home in Auburndale for many years.

Funeral services will be held in Eliot Church tomorrow afternoon at 2 o'clock.

Newton Upper Falls

—Mr. and Mrs. Frank Meacham of Hale street are in New York on a combined business and pleasure trip.

—Mrs. T. L. Ryder, librarian of the Branch Library, is spending the week with relatives in Provincetown.

—There will be a special service Sunday at the Methodist Church in honor of Memorial Day. A vesper service will be held at 7 P. M.

—The Women's Club in Waban gave a very enjoyable entertainment of musical and refreshments to the ladies of the Stone Institute on Tuesday afternoon.

—A farewell party was held in honor of Mr. Stephen Krusz at his home on Chestnut street, last Friday evening. Mr. Krusz left Sunday for his camp in Maryland.

—A miscellaneous shower was tendered Miss Elva Burroughs at her home last Saturday evening by her many friends. She was the recipient of many useful gifts and the evening passed merrily with games, singing and refreshments.

—George Bennett of 15 Champa street was presented with the second prize (a \$5 gold piece) at the Sixth Social Ensemble of the pupils of Gertrude Bowes Peabody. He played, as solo, the first movement of the Vivaldi Violin Concerto in A minor, and also took part in the numbers of the Ensemble Class.

—Miss Margaret Osborne of Chestnut street, Smith College '29 entertained a classmate, Miss Agnes Rodgers of Buffalo, N. Y., over the week end by motoring to Brunswick, Maine, with Mr. C. F. Osborne, for the New England Intercollegiate meet, where they were guests of her brother, David M. Osborne, Bowdoin '28, and manager of the Bowdoin Polo team.

—Mrs. Herbert E. Child of Chestnut street, who recently had the honor of being re-elected Treasurer of The Presidents' Club of Boston, has this week had other honors thrust upon her and was re-elected Vice Regent of Minute Men Chapter, Daughters of the American Revolution, of Boston. Mrs. Child's record for the past year as Chairman of Ways and Means Committee of the latter organization, caused her re-appointment for the coming Chapter year.

—At a meeting of the Sons of St. George, Kensington Lodge, held in Foresters' Hall on Monday evening, the exemplification of the first degree work was demonstrated by Past President John Frost. Visitors from Victoria, Sherwood and Commonwealth lodges attended in large numbers and were loud in their praise of the work done by Mr. Frost, who performed the whole ceremony himself. A good entertainment and delicious refreshments concluded the enjoyable evening.

POLICE NEWS

Another delegation of rapid drivers was in court on Wednesday, and each was assessed \$10. Included in the number were Cecil Quillen, 21 Gordon street, Allston; Nathan Stern, 117 Chauncy street, Boston; Norman Voight, Methuen; Charles True, 209 Warren street, Allston; Floyd Miller, 93 Boylston road, Boston.

In court yesterday Robert McCloskey of Providence paid \$5 for violating a traffic rule. Officer Taffie had Max Richman of Dorchester in court for parking longer than 30 minutes in Nonantum Square. Max had done this more than once and was fined \$5. John Pearson of Jamaica Plain, who refused to stop when signalled by Officer Taffie, also was fined \$5.

An Essex coach, the property of Dennis Murphy of Revere, was stolen on Wednesday night from the yard at 780 Beacon street, Newton Centre.

ABOUT TOWN

At the meeting of the Aldermen on Monday night, Alderman Gallagher of Ward 1 again advocated the selection of the "Poverty Block" site as the location for the much needed new quarters of Engine 1 and Ladder 3. This uninviting name was applied to the large wooden block when it was being erected about 50 years ago. So we were told by one of the carpenters who worked on it. It seems that one of the contractors engaged in building the structure became financially embarrassed, and could not pay his employees. The disgusted workmen, chagrined at not getting paid for their labor, gave the block the undesirable title. Most of the dwellers in this block for many years we have known, of known of, and none of them was impoverished.

POLICE NEWS

John J. Barry, a well known Newton resident and a member of the Boston Globe staff, would have made a good lawyer, had he not entered the field of journalism. Yesterday morning in the Newton Court, Mr. Barry, acting as his own attorney, was found not guilty by Judge Allen on the charge of violating a traffic rule. Barry had parked his car in front of the Charlton Building opposite Engine 1 House at Newton Corner. The street at this point had been closed to parking by Chief of Police Burke, at the request of the Fire Department. Patrolman Loughlin tagged Barry's car. Barry tore up the tag; it was found by Patrolman Teagan, and Barry was hailed into court. He displayed an intimate knowledge of the Traffic Ordinance of the City of Newton, and argued that the police have no authority to permanently restrict parking except when the aldermen specify such restrictions by ordinance. Judge Allen agreed with him. The point was then raised by the police "that Barry had torn up the tag." Judge Allen commented "that as far as the case was concerned, it made no difference if Barry had chewed up the tag."

UNDERWOOD SCHOOL

Sixty-five pupils of the Underwood kindergarten school of Newton took part in the annual May party at the school Thursday morning. Under the direction of Miss Florence Darling, head instructor, the children showed in exercises, games, songs, dances and recitations what they have learned this year.

In the Maypole dance the boys wore colored caps and the girls wore sun bonnets. They each held streamers to match their caps and bonnets.

Parents of 35 pupils were present. They were given souvenir sachet packages that were made by the kindergarten students. Each package had written on it in his own handwriting the name of the student who made it.

Miss Annie F. Darling, assistant instructor, accompanied on the piano.

DEATHS

GOODWIN; on May 19 at 153 Cypress street, Newton Centre, Edward F. Goodwin, age 61 years.

NEWTONVILLE

Services: Sunday, 10:45;
Sunday School, 10:45;
Wednesday evening, 8.

Reading Room, 255 Walnut St., Newtonville; weekdays, 10-6; evenings, except Wednesdays, 7-9; Sundays, 2-5.

All are welcome.

Newton Centre

—Dr. and Mrs. H. Coombs of Lake avenue are spending a week in Washington.

—Mr. and Mrs. F. S. Bond and Miss Hannah Bond are spending the week end at Franklin, N. H.

—Mrs. E. A. Andrews of Cypress street is entertaining Miss Jessie B. Harriman of Concord, N. H.

—Mr. and Mrs. E. R. Benton of Hobart road returned Saturday from several months spent in France and Italy.

—On Tuesday Mr. B. R. T. Collins of Athelstone road left for Cleveland, Ohio, where he will visit his daughter.

—On Saturday Miss Majory Taylor of Grant avenue will lecture at the Philadelphia Association of Occupational Therapy.

—The Young People of Trinity Church will give the three-act comedy "Fickle Fortune" next Wednesday evening for the Flood Fund.

—Mrs. F. C. Rising of Parker is entertaining a party of friends at her summer home on Webster Lake, Franklin, N. H., over the week-end.

—Mr. and Mrs. Everett Green of Center street entertained the teachers and officers of the Baptist Church School at an informal supper on Wednesday evening.

—On June 1st Miss Lottie Lamkin of Langley road and her sister, Mrs. A. D. Dowd of Boston sailed from New York to spend the summer traveling in Europe.

—The Newton Center Girl Scouts celebrated their 10th birthday on Wednesday eve at the Woman's Club. A large birthday cake was donated by Mrs. Guy Moses of Sumner street.

—John P. Desmond of 34 Cummings road, a resident of Newton for over 40 years, died Tuesday following a brief illness. He was in his 69th year. He was one of the most expert stone masons in this country. Surviving is one daughter, Miss Marguerite Desmond of Newton Centre, and one son, Michael A. Desmond of Brookline. His funeral service was held this morning at the Church of the Sacred Heart. Burial was in Holyhood Cemetery.

GARDEN PARTY

A garden party and dance will be held on the Reed and Eddy estates, Kirkstall road, Newtonville, on the evening of June 2nd at eight o'clock. It will be presented under the auspices of Central Guild of Central Church for the benefit of various projects, not the least of which is the installation of their new organ in 1928. At eight o'clock a program of aesthetic dancing and music has been arranged. The four charming girls who will entertain, include Miss Alma Murray, Miss Chellie Cook, Miss Virginia Maynard and Miss Sylvia Riley of May Festival fame. Mrs. Claude Blackley will accompany the dancers, as also Miss Edna Reid in her vocal numbers. Miss Reid, who is studying in Boston, has a most remarkable voice and the audience may be assured of a rare treat.

There will be a party for the children in the afternoon from two to four o'clock. The main feature of the entertainment will consist of magic stunts by a magician from town who will begin promptly at two o'clock. There will be free punch, grabs, balloons, lollipops and other forms of entertainment.

W. C. T. U.

The annual meeting of the Newton Women's Christian Temperance Union will be held with Mrs. Annie I. Eaton of 340 Lake avenue, Newton Highlands on Thursday, June 2d, at 2:30 p. m. There will be afternoon tea.

In Commemoration

At this season of commemoration we solemnly declare that those who gave their lives for their Country are worthy of the high honor of the Nation.

INTEREST BEGINS JUNE 10TH

NEWTON SAVINGS BANK

"The Place for My Savings"

Auburndale

—Mr. Scott Ryder of Grove street has returned from San Francisco.

—There will be special exercises Sunday at the Centenary M. E. Church.

—Mr. and Mrs. F. F. Davidson of Woodland road are on a motor trip to Vermont.

—Mr. Harold Dougherty of Central street has returned from an extended stay in Washington, D. C.

—Mr. and Mrs. Charles Edwards of Auburn street are receiving congratulations on the birth of a son.

—Mr. and Mrs. Carlton Bell of Auburndale avenue are being congratulated on the birth of a daughter.

—At the annual election of the Apollo Club of Boston, Mr. Charles A. Brown was elected vice president.

—At the recent election of the Browning Club of Boston, Rev. Amos R. Wells was elected a vice president.

—Mr. and Mrs. M. E. Beardsley of Crescent street are spending the week-end at their summer home, Provincetown, Mass.

—The young people of the Congregational Church are planning a strawberry festival for the afternoon of Saturday, June 4th.

—The Beardsley Concert Company entertained on Tuesday evening at the meeting of the Vesta Chapter, O. E. S., of Charlestown, Mass.

—Miss Mary Helen Cutler, the daughter of the late Rev. Calvin Cutler, died yesterday at Brookline, following a long illness.

—Harry A. Preston is convalescing at his home after being operated upon at the Newton Hospital for disease of the antrums and frontal sinuses.

—Miss Thelma Hubbard has been designated as one of the class angels of the Junior Class at Boston University. Miss Dorothy Kellar was designated as "Miss Clever."

—Little Jean Budding of Commonwealth avenue gave a solo dance, "Papillon," last night at the ball of the Boston Letter Carriers' Mutual Benefit Association at Mechanics' Building.

—Mrs. Neva McLellan of 367 Central street died on May 23. She was the widow of Albert McLellan and had resided here for 20 years. Her funeral was held on Tuesday and burial was at Winchester.

—The annual lawn party under the auspices of the Parish Council, Church of the Messiah, will be held on the church grounds, corner of Commonwealth avenue and Auburn street, on Saturday, June 4.

—Mrs. W. H. Meddlicott and Mrs. L. O. Lee are attending the Congregational Council this week in Omaha, Neb. Rev. A. E. Leroy of the Walker Missionary Association has contributed a number of interesting trophies to the feature exhibition of the Council.

—The spring party of the Cradle Roll of the Congregational Church, under the direction of Mrs. Ashley Robinson, was held Wednesday afternoon in the church parlors. In spite of the stormy day over thirty mothers and babies were present. Simple but delicious refreshments were served, and it was a delightful afternoon.

—On Tuesday evening the officers and teachers of the Congregational Sunday School, together with the Religious Education Committee, held their annual banquet. Supper was served at 6:30 o'clock. Following the supper annual reports were read. The speaker of the evening, Professor James P. Berkeley of the Newton Theological Institute, was introduced by Miss Seaman, director of religious education. His subject was "The Child's Idea of God."

OAK HILL REMONSTRATES

A delegation of residents of the Oak Hill district visited the meeting of the school committee on Monday night to protest against the condition of the school house in that section. The school there is housed in an old wooden structure which is not worth renovating or repairing to any extent. As there are but 18 pupils attending this school, because of the greater need for new buildings in other parts of the city, the school committee does not deem it advisable to attempt to build a new school at Oak Hill at the present. It offered to accommodate the 18 pupils at the Mason School, Newton Centre. As the children attending the Oak Hill School are small, belonging to the lower classes, their parents do not wish them to travel the considerable distance to Newton Centre. It is probable that a portable school will be provided for the Oak Hill district.

Alderman William Noone has sent out 300 cards to residents of the

Lower Falls to ascertain the feeling in that village regarding the popular site for the new Hamilton School. The Board of Aldermen voted to authorize the taking of a site at the Grove street playground for the new building, but a number of Lower Falls parents object to this location as it would be further removed from the homes of the pupils.

HIGH SCHOOL TRACK MEET

There will be an informal track meet for the seventh, eighth, and ninth grades, at the Newton Center Playground on May 31st, at 3 P. M. The Newton High School Track Team will act as officials.

Elimination contests should be held in each school prior to the meet and the best two boys selected as contestants for each event except the relay team. A boy will be allowed to compete in only one track and one field event.

There will be ribbon awards to winners.

AUGUSTUS F. ARNOLD DEAD

Augustus F. Arnold, for many years associated with the office of the Rollin H. Allen, died at the Deaconess Hospital on Friday, May 20. Mr. Arnold was born in Apopka, R. I. in 1850, but had spent the most of his life in or near Boston and was engaged in the real estate business. He was identified also quite prominently with musical interests. He is survived by a son, Norman A. Arnold, and a daughter, Mrs. D. Bradlee Rich of 193 Gibbs street, Newton Centre.

Funeral services were held on Monday afternoon at the residence of Mr. Rich, Rev. Dr. Edward T. Sullivan, rector of Trinity church, officiating.

The music at the services was sung by the Knickerbocker Quartet. Mr. Arnold's son, Norman A. Arnold, is a member of the quartet and he joined in the singing of two hymns, "Crossing the Bar" and "The End of a Perfect Day."

The Order of the Cincinnati was also represented by officers and members.

Burial was in Fairview Cemetery, Hyde Park.

DEATH OF OLD RESIDENT

Mr. William Lee Church, an old resident of the Oak Hill Centre, died Wednesday morning at his home on Warren street at the age of 77 years.

He was born on March 25, 1850, in Hamilton, N. Y., the son of Simeon E. Church and Mrs. Sophia F. (Buell) Church. For a time he attended Colgate University and was graduated from Rensselaer Polytechnic Institute at Troy, N. Y. He entered into an active life of mechanical and hydraulic engineering.

He was a member of the First Baptist Church of Newton Centre, a member of the American Society of Mechanical Engineers, of the firm of Westinghouse, Church & Kerr Company of New York, of Lockwood-Greene Company of Boston, and was president for some time of the Ambush Hydraulic Construction Company of Boston.

He was past eminent commander of Gothsemane commandery, past high priest of the Newton Royal Arch chapter and a member of Cryptic council, R. and S. M., and Dalhousie lodge, A. F. and A. M.

He is survived by a son, Burr Alden Church of Newton Centre, and by a niece, Dr. Buell, who was a member of his household.

Funeral services will be held from his late home tomorrow afternoon at 2:30 o'clock.

Frost, Fuller street, as companion and assistant. Her cheery disposition and thoughtfulness of others endeared her to all with whom she came in contact. She was a member of the Church of the Messiah, Ansburdale, The Newton Ladies' Home Circle and the Needham Grange.

CHRISTIAN SCIENCE LECTURE

Although the origin of Christian Science was in New England, it has spread all over the civilized world, and Old England has many talented exponents of its practice and teachings. One of these, Mr. John W. Doory, C. S. B. of London, England, is to give a lecture entitled: "Christian Science: The Revelation of God's Presence and Power," in Community Theatre, Newton, Sunday, June 5th, at 3:30 p. m. as

You and your wife at last agreed
It's further wiring that you need

AND you should know that
we are the folks to do it.
A complete job that shall prove
satisfactory to you before we
consider the work finished.

BOY SCOUTS

During Mr. Halliday's absence Mr. Grosvenor Marcy, 1st vice-president, will take over the work of president, and Mr. Maynard Hutchinson will take charge of the Finance Committee as vice-chairman of that group.

A meeting of the Sea Scout Committee was held last Sunday afternoon at Council Headquarters on the call of Chairman Philip Carter to discuss matters of importance to the Sea Scout division. Present were Donald Hill, Levi Libby, G. D. Marcy, James R. Warren and Postmaster Richard H. Brown.

A luncheon meeting was held Thursday, May 26th, at the call of Chairman Drown to discuss disposition of Newton Scouts who wish to go to summer camp and to make final plans for the "Ohio" program for the fall season. A great deal of difficulty is being encountered in locating Scout summer camps which can handle Scouts of this Council in groups of more than four or five. The Camp Committee, of course, plans to visit the Scouts of this Council wherever they may be during the summer, but complete separation of Norumbega Scouts is not considered advisable. The whole problem will be solved, so many connected with the Council feel, when there is a Norumbega Council camp where all Newton Scouts can be together. In this way they will get to know each other and a fine Council morale will be developed.

Mr. Frank Ashley Day reported to the Camp Committee the result of the inspection trip made to New Hampshire the last week-end to inspect a Council camp which was being considered for Newton Scouts. It was the sense of the meeting that a camp nearer Newton be procured and the Camp Committee therefore decided that it would recommend to parents any one of four camps which are located nearer this city, three being on or near Cape Cod and the other in Amesbury, on the Newburyport Turnpike.

F. W. Gilcrease, sanitary engineer for The Ohio, submitted a report on the sanitation at The Ohio and made the definite recommendations which the Committee adopted. Mr. Gilcrease has tested the water supplies at The Ohio and found them all safe water, with one of the three too unpleasant to drink, however. It is planned to have a Council well there as soon as a site for it can be determined upon. Difficulties in getting water are expected because of the height of The Ohio above the Charles River.

The Drum and Bugle Corps of Districts I and II, which are instructed by Mr. George Lee of Boston, held a joint rehearsal last Monday afternoon in preparation for the Memorial Day parade and for the Council Rally on June 4th. Richard Schroeder is the drum major of the Corps of District II, which meets at the Newton Center Playground House. Arnold Nichols is the drum major of the 1st District corps, which meets at the Eliot Church.

The Corps will lead the parade on Memorial Day and the Council on June 4th at the 7th Annual Rally.

Orders have been issued by Commissioner John M. Woodbridge for the Memorial Day parade. All scouts are to report in outdoor uniform, consisting of hat, shirt, preferably wool, breeches, stockings (official stockings only) and shoes, preferably low tan. Troops will report to Newton Highlands square on Memorial Day to Commissioner Woodbridge at 1:10 o'clock. All Scouts will be given refreshments with all the other paraders afterwards. Assistant Scoutmaster George H. Crosbie left recently for a two months' trip to the west. He is with Troop 5 and is the Camp Director at The Ohio for the Council.

The following Land and Sea Scouts took part in the tableau given at Norumbega Park on Sunday evening by the Newton Post of the American Legion:

Land Scouts Edward Schirmer, Emmons Brown, George Gibson, Donald Plouff, Robert Warfield, Walter Brandt (Eagle), Leslie Doten (Eagle), John Hitchcock (Eagle), Harry Colony (Eagle), Arnold Nichols (Eagle); Sea Scouts, James Ufford, Edward Appleton, Robert Cox, Lawrence Littlefield, George Hutchinson, Arthur Clark, Everett Fuller, Arthur Bulbulla, Waldo Hutchinson, all of whom were under the direction of Mate A. C. Dismore, assigned to duty by Skipper Morgan Harris of Sea Scout Ship 13.

The Legion wrote Norumbega Council expressing their thanks and appreciation for the work of the Scouts. Every Scout in the Council is looking forward to the 7th Annual Rally, which will be held at Claffin Field on June 4th. Final instructions were issued to the Scout Masters on May 25th and explained in further detail by Deputy Commissioner Marshal Stone, who is chairman of the Rally Committee.

A new plan of getting the Council on and off the field is recommended by the Committee and it is hoped that the opening and closing ceremonies will be much cleaner cut and shorter as a result.

It has also been decided to score points by Districts as well as by Troops and the honor of carrying and guarding the Council colors in all public events will be conferred upon the District which wins the highest number of points at the Rally.

Tickets to the Rally have been issued to the Troops and they may be obtained by applying to any Scout or Scout officer or the headquarters of the Norumbega Council, 259 Walnut street, Newtonville, any afternoon.

The May issue of the Norumbega Scout, the official publication of Norumbega Council is out, according to Chairman A. P. Hartshorn and has been issued to Troops and officers. Talma Fletcher, former Scout, is the editor and Mr. E. L. Nichols, father of an Eagle Scout, is the business and advertising manager.

Major A. B. Hitchcock, of Newton Center, and father of an Eagle Scout has been appointed the Merit Badge examiner in Cycling.

Mr. William Breed is examiner in Salesmanship.

WELFARE CONFERENCE

(Continued from Page 1)

was a dubious form of compliment, but it was doubtless well meant,—and there is no doubt that the women who do the welfare and first aid work at the Saco Lowell Shops have brains. There is a constant stream of men coming to both the welfare worker and the nurse with all sorts of troubles. Perhaps a man who speaks broken English and is terrified by the city wants Miss Sabin to go in town with him on some business matter which she can adjust for him. Always there are needs which must be met in helping these not yet acclimated Americans.

The Saco-Lowell Shops have had a history of over 75 years which is closely bound up with the history of Newton. They are known all over the world by those familiar with cotton machinery, which is their product. The name of the Pettee Inn is the only reminder of the founder of the Newton unit of the Shops, who was Mr. Otis Pettee. The visitors had the privilege of seeing the Shops when all the different processes were being carried on. Against the dark background of the room glimpses of liquid, scarlet fire, pouring from the furnaces,—being ladled into molds,—or gliding along the ceiling in the overhead cars, made a picture not easily forgotten. Great magnets which lift thousands of pounds of pig and scrap iron, fascinated the onlookers with their mysterious power. Room after room of human-like machines for finishing the parts to the necessary fineness, rows of machines set up for testing, only to be taken apart again for shipping, were viewed. The experimental room,—a diminutive cotton mill—where cotton is picked, carded, drawn, and spun, showed what the earlier processes signified. On this afternoon an experi-

ment in spinning asbestos was being carried on, presumably for some fire-resisting fabric.

CHAMBER OF COMMERCE MEETING

(Continued from Page 1)

not furnish increased sittings to any degree. In most cities one-third of the revenue is spent on schools. This percentage is closely applicable in Newton. The condition of our schools has materially improved in late years. All are now electrically lighted and have better sanitation. The school building program is not precluding all the other needs of the city.

More schools are required on the South Side. Two junior high schools must be erected there soon. These will relieve the congestion in several grade schools. We need proper streets, fire and police protection and cannot usurp these needs. We plan to produce buildings for schools fast enough to meet needs. "We will perhaps not have to take a greater proportion of the taxes for school needs," said Mr. Fitts, "proper co-operation must be had from all city departments, and we have always found the heads of these departments ready to assist. We cannot do all the things that all people want; we must consider demands according to their relative merits. By careful planning we can finance the new city hall and many other things the people want."

Representative Leverett Saltonstall told of the principal matters enacted by the Legislature during the last session which affected Newton. He dwelt on the failure of the passage of the proposed tax on gasoline, and the excise tax on automobiles, and the defeat of the proposed legislation recommending by Governor Fuller regarding the Boston Elevated. Referring to the extension work authorized on the Metropolitan Water System, which will involve an expenditure of \$50,000,000 in ten years, Mr. Saltonstall stated "that this great expense will double the cost of water in those communities using the Metropolitan System." He commented "that it will pay Newton to keep its own water supply." Comparing the far better showing made by the State since 1913 in keeping down running expenses, than municipalities in this Commonwealth have evidenced, he read figures to show that while the cities have increased their indebtedness 47% since 1918, the State has decreased its debt 50%, by its pay as you go policy. The taxes levied by the cities have increased 108% since 1918, and 159% since 1913. During these same two periods the State taxes have increased but 9% and 50%.

He contrasted the better financing of Newton as compared with Revere and other municipalities. Mr. Saltonstall disagreed with the other speakers regarding the proposed borrowing by the Chamber of Commerce outside its debt limit. He stated "that while he believes the Legislature will grant Newton permission to borrow this amount, and he will vote in favor of it, he would prefer to see Newton maintain its record of never having borrowed outside its debt limit."

Following the addresses on the question of the new City Hall, the business meeting of the Chamber of Commerce was held. Walter T. Hannigan, treasurer, reported the financial condition of the Chamber, and Clifton C. Mowry, secretary of the Chamber, gave a detailed report of its activities. The principal work of the Chamber during the past year included efforts to lower the insurance rates in Newton, improving the roadbed of the Boston Elevated at Newton Corner, organizing Dollar Days for the stimulation of trade in Newton, and the affording of a Credit Bureau to Newton merchants.

The present board of officers was re-elected. It is composed of G. Wilbur Thompson, president; Charles R. Cabot, George J. Martin, Ira Roe and Robert Vachon, vice-presidents; Walter T. Hannigan, treasurer; Clifton C. Mowry, secretary; directors, Hon. E. O. Childs, R. H. Evans, H. E. Locke, Henry J. Nichols, J. Earle Parker, Frank L. Richardson, Leverett Saltonstall, William P. Sullivan, Rupert Thompson, Charles E. Valentine and Walter C. Worth.

Our Infant Prodigies

Arly genius iz like arly cabbage; it don't apt to hed well.—Josh Billings.

MEMORIAL DAY

Again it is Memorial Day
The grasses are green, and the flowers are gay.
Flags floating in air, and beat of drums
Remind us that our heroes came.
Our hearts beat heavy as we gaze
Along the ranks of those we praise
For year by year, as we pass time
Their numbers dwindle, line by line
Until today, as they march along,
There are but a few to carry on.

They are out of step and they're old and bent
And life for them is almost spent
But why they fought and why they fell
Is the noble story we'll always tell—
To the youth of today, and those of tomorrow
We will tell it with joy intermingled with sorrow.
They fought for the freedom of those oppressed
And for what they believed to be honest and just.

May our boys of today, in time to come
March up the street to the beat of the drum
To tell us they step in the place of those
Who years before the Lord had chose
To lay down the sword and put on the crown
For Right and Freedom must never come down.
May they never shirk from duty's call
But guard our Country, One and All.
Beryl Parker Kimball.

MEMORIAL DAY SONNET

Scarcely a decade since the war—
And the deep wounds in earth and heart seem healed
Those smooth green meadows, fertile in the sun,
Were surely never blood-stained battlefield.
And those calm faces which we daily see,
Serene and smiling, never seem to tell
Of frowns and horrors faced unflinchingly
With every nerve strung taut by screaming shell.
'Tis only when we catch a saddened glance
From gold-starred mother's eye, or one quick tear,
Or glimpse the pain behind a smile by chance,
Or in white, stricken wards we almost hear
The words which cannot pass those lips, grief-sealed,
That the deep, lasting scars stand forth revealed.
Katherine P. Cowin,
West Newton

Ewing; entertainment, Mrs. E. C. Sands; library, Mrs. J. J. Harman; motor corps, Mrs. James Watson.

COMMENCEMENT PLANS

The 102d annual Commencement exercises of the Newton Theological Institution will be held from Sunday to Wednesday, June 5 to 8.

Pres. Dr. Everett C. Herrick will deliver the baccalaureate sermon on June 5 at the First Baptist Meeting House, Newton Centre. Tuesday, June 7, will be alumni day, when in the afternoon Chancellor Howard P. Whidden of McMaster University will deliver an oration at the First Baptist Church before the society of alumni on "Making the Material Spiritual." Following the annual business meeting of the alumni in Colby Hall Church, a dinner will be served at the Methodist Episcopal Church. Rev. James L. Barton, secretary of the American Board of Commissioners for Foreign Missions, will speak on "The Christian Church and International Relations."

The presentation of diplomas will take place on Wednesday morning, June 8, at the graduating exercises at the Baptist Church.

AGAIN A WINNER

Highland Glee Club Wins Second Prize at Portland

In the competition of the Federated Men's Glee Clubs of New England, at Portland, Maine, Saturday, May 21, the Highland Glee Club of Newton, Inc., repeated its exploit of last year by winning the second prize of three hundred dollars. The Club virtually tied the MacDowell Male Choir, of Springfield, for first place, the latter club winning by a very small margin with an excellent performance.

This is second time the local club has won the second prize, having been one of the winners in the contest at Quincy, last spring. Portland won the first prize in that contest, exchanging third place with Springfield this year.

Many flattering compliments were paid to the Newton Club for its rendition of the very difficult prize song, the City of Chow, by Granville Bantock. D. Ralph Maclean, the director, also received high praise for the training and conduct of the club.

The success of the Highland Glee Club has not only attracted many fine singers into its active membership but has greatly increased the interest of local people in the two concerts which it gives in Newton, each season.

CITY OF NEWTON

CITY CLERK'S OFFICE

Notice is hereby given that the Board of Aldermen will give a public hearing at City Hall on Monday evening, June 6, 1927, 7:45 o'clock upon Petition

No. 57974 Albemarle Golf Club, for permit for gasoline storage tank and pump at the corner of Albemarle road and Crafts street, Wd. 2, and to keep, store, and use gasoline in connection therewith. Tank of 550 gallons capacity to be installed for private use only.

FRANK M. GRANT,
City Clerk.

HIGH SCHOOL CONCERT

The third annual out-door concert with 735 players, directed by Edward N. Griffin will be presented in the quadrangle between the Technical and Administration buildings, June 3, at 8:30. In case of rain the concert will take place on the following evening. If at that time the weather is doubtful the concert will be given in the auditorium.

The combined orchestra and band composed of 135 musicians, and a chorus of over 600 will present a program of ten selections, three to be played by the orchestra, three by the band, three by the chorus, and one with all three combined. Floyd Sawyer, '27, will also play a xylophone solo.

Her funeral service was held on Monday morning at the Church of Our Lady, and burial was in Watertown. She is survived by her husband, six daughters and one son.

THE NEWTON ARCHERS

The Newton Archers are having regular Saturday shoots on the Archery Range at Newton Centre. The season has proved a good one for shooting.

Parker Williams of Newton Centre and Rosalind Moore, formerly of Newton Centre, are the newest young archers. Both show a good deal of promise.

Last month several men from The Newton Archers demonstrated shooting with the long bow at the Sportsman's Show at Providence, where they had an indoor range of about twenty-five yards. Interest in archery is on the increase everywhere.

Dr. Paul Crouch and Miss Dorothy Smith of Newton Centre, are practicing often to retain their prominent places on the archery list. Both intend to go to the Metropolitan tournament held near New York, where it is hoped they will capture the men's and women's open championships respectively, for Newton. The Metropolitan is a club of archers around New York, somewhat similar to The Newton Archers, but with a larger membership list and a greater financial backing.

Several of the men among the Newton Archers are planning a camping trip over the week end and Memorial Day. Bows and arrows will be taken for shooting in the woods, although no game will be bagged.

ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

This year there should be a more general observance of the Memorial Day. I trust I am not too optimistic when I express my confident belief that this genuinely patriotic occasion will inspire a greater feeling of loyalty to our veterans. Certainly the Grand Army, with its fast thinning ranks, should command the reverent attention of all citizens, young and old.

It is often said that we are a nation of hero-worshippers. There can be no dispute of this assertion. Unfortunately we prefer to worship the heroes of the moment, setting them up as high as we can and out of all sense or reason. Then we drop them and hunt about for their successors. I don't believe that we will ever mend our ways in this respect, although I sincerely wish that we might.

When it comes to hero-worshipping we can find heroes right in our midst. They are not the kind of heroes we worship, however, in fact, they resent it. But they are entitled to respect and I believe they have no objection to appropriate recognition of their deeds of valor performed while in military service.

Today these men are walking the paths of peace. They will march Monday in honor of their departed comrades. It will be a reminder to all of us of the sacrifice and patriotism of both the living and the dead. To me it appears that the least we can do is to stand up and be counted as among those who are grateful. Hats off then to the Grand Army, the Spanish War and World War veterans and to all men and women who gave everything to make our country what it is.

I wonder what become of that very useful and interesting individual the itinerant photographer? He may be in our midst and I do not know, but I have been unable to learn much of him recently. Perhaps the amateur with his snapshot has driven our old friend from the field. At any rate let us consider his passing with due sense of appreciation if not regret.

The other day I was shown a photograph of a well known structure which has already succumbed to the activities of building-wreckers and is soon to be supplanted by a modern industrial building. Despite the fact that I happened to be one of those who appear in this faded print I do not recall the circumstances. That, however, is not important as this is not a personal narrative.

Many of us, I am sure, can turn back to the days when the itinerant photographer appeared suddenly from out of a clear highway and planted the tripod and camera in an advantageous position. He would then approach his prospective subjects and remind them of the value of a "first class" picture of their establishment, whether it be store, factory or residence.

To listen to him was to be convinced that future generations were entitled to have history preserved for them pictorially as well as in written records. The process, you were told, would be a simple and painless one. Everyone would be summoned to take a position of naturalness (the more careless the attitude the better) and again the photographer would return to his camera. Then he would throw a faded black cloth over his head and study the scene through the lens.

Sometimes he would demand a rearrangement of the group, placing the shorter individuals in the front. His ideas of grouping were at least original. Although such was not a slang phrase in those days I believe he would admonish patrons to "be yourself" or something like that.

In those days some of the lawns were ornamented with pieces of so-called statuary, a fountain maybe such as the figures in iron of a boy and girl under an umbrella upon whom there fell a gentle stream and who looked a bit odd when the sun was shining. That was art in its time and certainly the abundance of clothing with which each figure was covered showed that the aims of artists had not yet reached the unclad limits that now obtain.

If a man owned a carriage and horse it was not inappropriate that these should be placed in the foreground when the photograph was made. Perhaps the beautiful little daughter of the household would be seated on the driver's seat, holding the reins and playfully suggesting her pretended skill as horsemanship. More often the members of the family would be clustered amicably on the front piazza. In any event it was a delightful picture or one that sought to impress upon the public the charm of "home sweet home" when it is nicely situated and resting beneath not too heavy a mortgage.

When they "took" a picture at places of business, "boss" and employees would line up, the men and boys with their arms folded and young women seeking to appear jaunty and trying to conceal their embarrassment. All would be staring at the camera, as if waiting for something to explode. Not until the photographer had announced, "that's all" would they be induced to disperse, and then it would be with query, "I wonder how it will come out?"

Today we go into attics or our storerooms and we dig out these old prints. At first we say, "How funny!" and laugh a bit. Then come more sober thoughts, some of them even tender, and our minds fly back over the years and we become thoughtful. It is good when we can do such things. And that is why I think that those of us who have been privileged to have met the itinerant photographer should remember him pleasantly and with gratitude.

The weekly prize of a hand-painted glass toothpick is awarded this week to the maker of automobile traffic regulations for the Metropolitan District Commission. His noblest achievement will be found by drivers on the Charles river boulevard when they are passing through Cambridge on the way to the West Boston bridge. The stretch between the Cottage Farm bridge and the temporary bridge at St. Mary's street reveals a master stroke of ingenuity.

All drivers know that in going east there is a stiff grade to be climbed just before one strikes the Cottage

Farm bridge. Not only this but plenty of cars are moving in several directions. Now then, if one has a mind for such things he may halt his car on the hill, tie-up traffic and study a sign that will tell him how to drive between that point and the temporary bridge. If he hasn't time for this and thinks that some consideration should be shown to other drivers he will not learn that which the Metropolitan District Commission expects of him.

There are three wide stripes of white paint on the surface on the boulevard. Heed them or you will be bawled-out by a surly Metropolitan "cop" who will tell you to "take the middle line on the hill if you're going straight ahead." In other words, the commission desires to encourage those who are to turn on to the temporary bridge to hug the curbing while those who are headed for the West Boston bridge remain in the center of the road. It's a great idea, like many another traffic rule, but only a great mind like the originator must possess can comprehend it. The ordinary individual cannot grasp it until he has been told in harsh and definite terms to "read the sign" and govern himself accordingly.

Here, then, is a regulation which completely upsets all the warnings of experts and urges drivers to monopolize the middle of the road, regardless of safety. How come? I'm sure I don't know, but long ago it was proved that traffic regulations are fearfully and wonderfully made.

Public service and those who perform it are frequently criticised. Sometimes they deserve it. Most all expect it and when it comes it doesn't worry some of them as much as it might. They take it for granted that either way they will be in wrong with somebody. Therefore, an opportunity to say something pleasant to make note of an improvement of conditions should not be overlooked.

The cheering thought that I seek to convey in this connection is the fact that within a decade the old system of overpaid recess committees for members of the General Court has passed into oblivion. To be sure there are recess committees but the members receive no compensation. Furthermore, the number of committees is by no means as large.

When there were paid recess committees the numbers were much larger. That is easily explained when one stops to think that each member received \$1,000 for his services, together with mileage. These men, or a majority of them, were overpaid considering the small amount of work they performed for the State. The situation became so serious that the Constitutional Convention, which met in 1917, 1918 and 1919, took hold and drafted an amendment which prevented recess committee members from receiving compensation. The voters promptly adopted it. Now we can see that there isn't the same incentive to hunt up subjects for investigation as there used to be.

Novelists, scenario-writers and dramatists find an unlimited theme in the eternal triangle. West Newton people, who think of moving city hall to Commonwealth avenue and Walnut street, speak eloquently of the internal triangle.

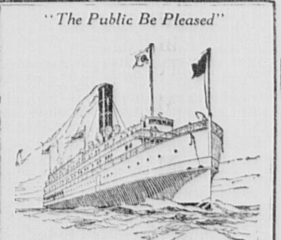

REAL ESTATE

One of Newton's fine old Colonial houses located at 85 Langley road, Newton Centre, has been sold to Thomas E. Strange for Violet J. Washburn. There is a beautiful piece of land of about 16,000 feet and a two-car garage. The estate is valued at \$16,000. Mr. Strange will occupy as his home.

At Auburndale, an attractive Dutch Colonial house with 5,000 square feet of land, 16 Ware road, has just been sold for Arthur P. Gay, Trustee, to Walter E. Duane of Auburndale. The valuation of the property is \$11,500. Warren P. Purdy has transferred to Della B. and William E. Flynn a frame house located at 859 Beacon street, Newton Centre, together with a two-car garage and about 8,000 feet of land; all valued at \$12,500.

At 16 Albion place, Newton Centre, an eight-room single house, has been sold to H. L. Sullivan. The Seller was H. G. Marlon, and the property is valued at \$7,000. The purchaser will thoroughly renovate the house.

Alford Bros. were the brokers in all these sales.

POLICE NEWS

William Wise of 116 Highland street, West Newton, reported to the police on Tuesday that a coral and gold necklace, a pair of silk stockings, and a pair of gloves, had been stolen from his home sometime between December 25 and January 15.

Early Sunday morning Patrolman Loughlin found a Chevrolet sedan on Bennington street, Newton. The machine, which had broken through a fence and was hanging over an embankment, was owned by William Regan of Rosemary street, Needham.

Sunday morning at 4 o'clock, Patrolman Sartwell found a Ford touring car abandoned on Lowell avenue, Newtonville. The car was the property of Charles Maguire of 24 Craft street, and had been stolen in Somerville the previous night.

Olof Helgeson of 34 James street, West Newton, was arrested Tuesday by Inspector Conroy for the Boston police on the charge of driving an auto at too great a speed.

Philip Pintabona of 86 Underwood avenue, West Newton, was found not guilty by Judge Allen on Tuesday on the charges of drunkenness and driving while under the influence of liquor. Patrolman Doherty, who arrested Pintabona, testified the defendant was staggering drunk when arrested. Doherty's testimony was corroborated by Patrolmen Joseph Kelly and Lyons. Dr. Thomas M. Gallagher of Newton, who with Dr. Richard Collins of Waltham examined Pintabona at Police Headquarters shortly after his arrest, testified that he was not drunk, and showed no evidences of intoxication. Pintabona was fined \$5 for parking within 10 feet of a hydrant, and a like amount for not having proper parking lights.

Last Friday another batch of speeders and offenders against other automobile laws were present in the Newton Court. Those fined for speeding were—Calvin Mills, Beacon street, Brookline, \$10; Robert Garney, Paul street, Brookline, \$10; Balinto Garcia, Bay state road, Boston, \$10; Hugh Dixon, Magnolia street, Dorchester, \$15; Robert Sullivan, High street, Brookline, \$15; Theodore Morrison, 1071 Commonwealth avenue, Newton, \$10. Morrison was also fined \$5 for operating an automobile on an excluded way. He appealed this fine. Robert Newell of Sylvan avenue, West Newton, was fined \$15 for speeding. So was Roland Greenridge of 279 Tremont street, Newton.

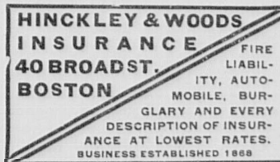

Clement Hurford of Willimantic, Connecticut paid \$100 for driving while under the influence of liquor.

In the juvenile court George Matthews of Washington street, Lower Falls, and Leo Bigley of Walnut street, Wellesley, were placed on probation after having been found guilty of stealing several bicycles.

REAL ESTATE

John T. Burns & Sons, Inc., report that Mrs. May W. L. Norby has sold to G. F. Earnshaw of Chicago, the private estate situated at 216 Highland street, West Newton Hill. The property comprises a seventeen room house with four baths, a two car garage, and 57,297 square feet of land, all valued at \$65,000. This estate is situated on one of the best corners on West Newton Hill, and after extensive alterations, Mr. and Mrs. Earnshaw will occupy the residence.

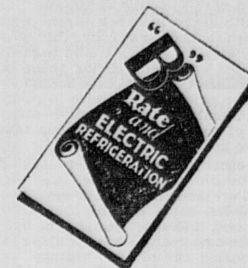

John T. Burns & Sons, Inc., also report that papers have gone on record whereby Wilber Andrews of Watertown takes title to the attractive old colonial house at 15 Beaumont avenue. With the property there are 12,000 sq. ft. of land and a two car garage; and the total valuation is \$29,000. Edward J. Burnell was the grantor. The Burns agency have also sold the single frame house and 5,000 sq. ft. of land at 33 Playstead road, Newton. Elizabeth Geary gave title to Agnes Bogstad, who has purchased for a home. The property is valued at \$10,000.

What is The "B" Rate?

THE "B" Rate is a classified, area rate under which The Edison Electric Illuminating Company of Boston sells Domestic Refrigeration and Cooking, where all the electric service is taken through one meter.

IF YOU have an electric refrigerator or an electric range, send for our "B" Rate Booklet which explains this feature of Edison Service.

EDISON LIGHT of BOSTON

COLLEGE NEWS

In spite of the old saying that April showers bring May flowers we seem intent on delaying the collegiate action until June, and therefore to be more in keeping with weather we are writing today about seniors whose grey-haired heads are bowed under the load of final examinations, but these very creatures will bud and blossom when the word graduation is whispered to the June air. In Saratoga, New York where the Skidmore would-be graduates hold forth we are finishing our story of the achievements of the Newtonians that have chosen this as their Alma Mater.

There are six girls that claim Newton as their home hearth, and each one has done her bit towards keeping the name of Newton green in the annals of the school. First of all there are the two girls that answer to the same surname, Clark. Eleanor from Newton and her one time fellow townsman, Mary. The second Clark of the name Eleanor was enrolled at Skidmore this year, so it would seem that there was some sort of attraction for ladies blessed with this name. Mary was one of the brightest of all the English students that has attended the High School. Her work in the line of original themes was more than unusual for the criticism that one English teacher offered was that it was the work of a person that was gifted to excel in such line. It was only to be expected that she would in the normal order of events be a member of the English Club, and she was carried on their roll for some three years. In her graduating year she directed considerable attention to the Forum, and made the Club more active than many had hoped for. During her undergraduate days before the strain of examinations came into the picture she was one of the ardent followers of the Glee Club, being a member for two years, and taking a leading part in many of the duets and other selections that the picked groups sang. The other Clark girl was enough of an athlete to make the basketball team her last year, filling in as a substitute all the season, and playing forward in the class games. She had the same interest that Mary had in Glee Club work, for she joined this organization the undergraduate years, singing in the alto section. Her senior year was a grand finale with many things thrown in, but among the out-standing was that she was a member of the English Club, and elected to the Forum, the allied group, and last of all was one of the prime movers in urging that an Orchestra be started, and did her share toward putting it over. The results are still in the making, but there can be no doubt that the orchestra is anything but a success. Without it, the many social functions at the High School would lack the appeal and the hominess that music always gives.

Barbara Kendall is another one of this troupe that navigated the shoals of the undergraduate years and now stands prepared for the fateful day of sheepskin passing. Hailing from Newton Centre, Barby sailed through Newton as an April breeze, and there were few that did not feel the better for having her cheery comradeship. In her sub-senior year she was very prominent in the school taking part in all the phases of school-life. Being the sole proprietor of a capable head and knowing when to use the same, she was chosen to be one of the representatives on the Student Council. Here she was in her element for planning and working were two of Barby's best hobbies. She was elected to the English Club the last two terms, and then she also joined that musical club that went by the name of Glee Club. This group held her in bondage for two years, and the only way that she felt that she could help it was by pitching in and working. Result that the year after she graduated there was an amalgamation of the musical organizations of the school, and the success of this move has been unquestioned. Last of all she was the leading player on the championship tennis team, playing number one, and it was very seldom that she had to admit the superiority of an opponent at her chosen sport. She has done very well at Skidmore along the same lines, and the college has found her a wise and level-headed girl in all matters pertaining to government or thinking problems.

The girl that sets the style for the Newton girls to follow is Louise Lovejoy who has set up on the Skidmore campus the idea of general helpfulness mixed with the elements of friendship and ability. Elected to class offices throughout her entire career she has been an influence to all the worth-while sides of college activities, and it is due to her in large measure that the Newton girls find such a warm welcome. While at Newton she was in work of all kinds and

succeeded in as many kinds as she tried. For four years she played on the hockey team, being one of the best players that the school had. When she and Alice Brace teamed together there was plenty that would happen to the opponents. Her other athletic propensity was that of covering her share of the basketball court and doing it perfectly. She was chosen when a mere freshman to hold the office of treasurer in her class, and ever after that she has been holding executive positions for something or other. Louise was elected to the Student Council in her last two years, and combined admirably with Barby Kendall in forming a steady balance for the rest of the legislators. From this organization she was selected to head the Entertainment Committee, and thus had charge of all the events that went on in the High School in the way of festivities. Not content with these positions they chose her to be the class Statistician which office was a most difficult one since it meant compiling all the data that a graduating class like to leave to memory, and the data that memory always forgets as a forgotten issue. She also was held responsible for the purchasing of new pictures for the walls of the school. This last was shown to her liking, and the result is shown in many of the fine prints that the school is fortunate enough to be the owner. Having other desires than the purely athletic, or executive, she showed that she had an interest in her studies by being a member of the Science Club in her first years, and singing in the Glee Club for her last two terms. All in all she was one of the most all-around girls that has graduated from the High School, and has not only lived up to her promise but has even exceeded it in many ways.

One of the first announcements at Brown University in regard to the coming year was the announcement of the election of the members of the junior class to the Cammerian Club. This constitutes the highest honor that a class has in its power to give to the members of its own body. After a nomination of certain men from the junior class by the out-going Cammerian Club, the elections are held at which all the upper classes are privileged to vote, and nine of the nominees are selected. In the number chosen this year is one man that comes from Newton, Charles Considine. He is best known for his football ability, but has taken part in various other activities on campus, such as the Vice-President of his class this year and after this he was elected to the Junior Prom Committee, and the officer of Junior Marshal. The last-named position is one of honor, for these juniors precede the seniors in their march down to their final class meeting, and then the chosen ones, the best of the class, and they are the leaders in fact as well as in name. Considine has had an enviable record all through his course in athletics, but he is equally well known as a capable leader in all matters pertaining to administration, and official actions.

Another honor has come home to Newton in the shape of the award that Evelyn Hatch received some time ago from Smith College. She was chosen to be one of the scholars that will spend their junior year in France at the Sorbonne under the new system that this college has put into effect recently. The girls leave the United States and study for the year at the Sorbonne and adjacent French cities, receiving credit for the work done there in their home college. It is one of the very latest methods of giving a broader viewpoint to the college student, and its results, although still clouded by reason of their freshness, have seemed to be extremely worthwhile. Aside from the mere thought of being able to stay in Paris and its environs for a year, there is the thought of how much they will be able to absorb, and how much they will actually learn, that could never be taught in any number of years in a university on this side of the water. Of course a knowledge of the French language is most important but among the requisites are the usual Rhodes scholar demands; that the person be truly interested in studies, more developed on the physical line than a mere student, have qualities of leadership and character that mark the recipient as an altogether worthy person for such an honor. Evelyn while at Newton was a fine student excelling in almost all the lines of work that she took up, but her love for the languages has aided her to a great extent in gaining this coveted honor. She stood very high in all her classes, and the outside work required of such a student has added to her ability and placed her high in the estimation of her class-mates. She is not merely fortunate, but most deserving in obtaining the reward, and will certainly put the whole year to the very best of uses. At any rate the students that were with her at Newton in the class of 1925 are sure to wish her "Bon voyage," and they may rest assured that she will have just that.

Another appointment that has interest for the people of Newton is the nomination of Philip Lingham for an office on the Vigilance Committee. This body governs the entering freshmen body and prescribes the treatment for the ailing yearlings. It is a group of men selected from the fraternities and also at large on the campus, and is one of the most representative bodies that the sophomore class has.

SPORT NOTES**Skilton and Dewing On Crews**

In the way of rowing news it is of note to see that one of the Dewing boys was pulling number four oar for Exeter in the race that the Red and Gray lost to Nobles and Greenough. He has never had any experience in crew before this year, save for the practise that he has had at the Concord school, but he has made rapid strides ahead until now the rating of the men in the boat places him as near the head of the list. On the victorious Tabor crew that won last Saturday Warren Skilton played a prominent part. He has been out for rowing for two years, and the result is that his stroke has improved tremendously under capable coaching. Another year's training and he will be in line to make his college eight with little difficulty.

Outing A Success

Ted Tewksbury, formerly of Newton, led the Blagdon Bulls to victory at Osterville last Saturday. Paired with Francis Oulmet he turned in the winning score in the doubles championship, then turned around and directed his team to the championship in baseball. This is an annual feat of the boys, for he is one of the best leaders that the B. A. A. has in its chambers when it comes to making athletic outings a success.

Hill And Hartzell In Intercollegiate

In the Intercollegiate championships for New England that are to be held at Boston this week there are two Newton men that have a reasonable chance of success. Don Hill of Bowdoin is entering his last meet for that college, and should place well up in the standing, because he is an experienced player with the shots at his command all of the time. The other player is Karl Hartzell of Newton who carries the colors of Wesleyan to the fore. He has been number one man at that college for some time, but this year has not been as successful as some others, however, he hopes to retrieve past losses by a splendid finish in this week's games.

Murphy Allows But Five Hits

Eddie Murphy, the crack golfer, has been essaying a new role, that of hurling the big games for Andover. His latest feat was that of turning Cushing back with only five hits while the Blue romped away with the game. Incidentally, Bud Hemen playing for Cushing continued his hitless streak by failing to solve the deliveries for anything in the hit column.

Lingham Yet To Lose Game

This week sees the close of the freshmen baseball season at Brown, and Philip Lingham is slated to do the greater part of the twirling. This rookie left-hander has been coming along rapidly, and has been a tough customer for usually hard hitting teams to find with any degree of frequency. He has been credited with four wins and no losses for the season, but he has pitched in almost all the games that the Cubs have played in.

Another Adams Showing Promise

In the New Hampshire State freshman meet, young Ben Adams emulated his older brother Bob by taking a third place in the javelin throw with a very creditable heave. He has not been able to go out for the events up there because he has been most intent upon his books, but with some more experience should be a coming javelin man.

Pratt Shows Well at Lehigh

Chester Pratt, the former Newton athlete at Lehigh turned in some pretty fair performances recently when he took part in the track meet that was staged between the various fraternities. Carrying the colors of Delta Upsilon, he and Charlie Barba, another Newton man swept out in front in the hurdles. Then in the relay that was a quarter mile to each man, Pratt ran his first competitive 44 and was one of the main cogs in the winning of the event. Not content with this for work he turned around and played defence on the lacrosse team in the interfraternity competition, covering the back part with skill. If the track team was more of a factor at Lehigh College would probably make a name for himself as he came with rapid strides near the end of school year.

Johnson Headed For Dartmouth

The New Prep school has two splendid tennis players in Henry Johnson and Arthur Dow. Both are former Newton boys, the latter coming to the Cambridge school from Worcester Academy. At the Yale Intercollegiate meeting recently, Dow managed to reach the fifth round while Henry Johnson was the ultimate winner, reducing Smith, former national boys champion to the position of runner-up. Johnson when right is one of the finest players in the country and Dartmouth is fortunate to have such a prospect heading that way.

Stratton's Handicap Reduced

With the announcement of the Massachusetts Golf Association that certain handicaps were to be lowered it is interesting to see that Emory Stratton has had his reduced one stroke, putting him very near to the scratch men. Boston papers pay him the compliment of being one of the best medal golfers in the state, and his record certainly would bear that statement out.

NEW TEACHER

Edwin B. Richards, Supervisor of English, State Department of Education, New York, will succeed Ernest R. Caverly as head of the English department at the high school.

Mrs. Richards was born in Marlboro, Mass., was educated in that city, and was graduated from Harvard College with an A.B. degree. He was principal of the high school in Bethel, Vermont, for one year, and held the same position for five years in Holliston, Mass. From 1913 to 1915 he was head of the English Department in Salem, Mass., and from 1915 to 1919, in Syracuse, New York. In New York also he was supervisor of English in the State Department of Education, 1919 to 1927. Aside from his departmental work, he has edited several English texts, written New York State bulletins, and been prominent in conferences on English in New York and nearby states.

DEATH OF MR. GOODWIN

Mr. Edward F. Goodwin of Cypress street, Newton Centre, passed away last week Thursday at the Newton Hospital following an operation performed the previous Monday.

Mr. Goodwin was born in Milton, N. H., and was 61 years of age. For 35 years he was in the employ of the Forbes Lithograph Co. of Boston and for 26 years was a resident of Newton. Mr. Goodwin is survived by his widow Mrs. Gertrude Ellen Goodwin.

A beautiful and impressive funeral service was held at Forest Hills chapel on Sunday afternoon, Rev. George Lawrence Parker officiating with songs by Mr. Maurice Quinlain.

NURSES ENTERTAINED

The graduating class of the Newton Hospital Training School were entertained last Tuesday evening by Dr. Henry Watters at his home on Grafton street, Newton Centre. About forty were present and enjoyed a program of cards, dancing and refreshments. This is the third year Dr. Watters has entertained the graduating nurses in this manner.

WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

State Federation
(Continued)

The "high light," of Wednesday, the second day of the Annual Meeting, was a most delightful surprise, nay more, a tribute that will long live in the memory of the hundreds of Clubwomen who heard the salute of compliment to the recognized power of women today. This is probably the first time in history that a bronze tablet has been stationed and unveiled to organized womanhood, as a token of respect, admiration, and acknowledgment of her vision, power, and strength. The management of the New Ocean House, through its president, Clement E. Kennedy, unveiled in honor of the State Federation a bronze tablet, on which was inscribed:

"This convention hall is dedicated to the Massachusetts State Federation of Women's Clubs, the vision of whose members created a meeting place for the club women of the commonwealth."

The dedicatory speech and prayer were by Captain Robert Campbell, Jr., chaplain of the 101st Field Artillery, 26th Division.

For five consecutive years the State Federation has met at the New Ocean House, having gone to this spot when the management was reconstructing the hotel and had just about completed a huge garage. Those to seek this place to view it as a possible meeting place immediately saw the possibilities of the "garage," with the result that their enthusiasm caused the management to change construction for its use as an auditorium, and it has never been used to house or repair automobiles, but has attained a higher destiny. The wisdom of these foresighted women, and the wisdom of the hotel management in following their suggestion, has been proven again and again in these five years, and, in fact, was borne out that first summer, when men's organizations of all descriptions, followed the lead of the State Federation, and filled the New Ocean House with delegates for one continuous session after session; which excellent financial state of affairs for the management has continued with increasing profit.

It is to be wondered at that a tablet of bronze has been placed in the honor of pioneer woman?

On Wednesday morning, following the usual opening program, Mrs. Joseph S. Leach, chairman of the Nominating Committee, read the ballot, which was received with interest, in spite of the fact that all knew what was coming, and with frequent applause at mention of friends and favorites. Three department reports followed.

Art, by our own Mrs. Frank H. Stewart, who began by saying that "for three years the need of art in everyday life had been constantly presented." One might add that whatever the need, or perhaps regardless of the need, the joy and satisfaction of beauty in environment is assuredly an inspiration in life. Mrs. Stewart reported a gain of nine Clubs sponsoring art departments with 145 more members on art committees. The Fall Conference at the Museum of Fine Arts, when Mr. Cyrus Dallin said that "art is to help us get in tune with the universe," the exhibit in February of sculpture and its setting, with landscape architects giving of their in-spiring talents; the year's lectures; 162- with this fifty speakers, attest the work of this department in placing worthwhile art matters before Club members. And these are supplemented by the returns from individual Clubs who report visits to Isabella Gardner Museum, Fogg, Worcester, Salem, Children's and Harvard Germanic Museums, Smith College, Guild of Boston Artists, Art and St. Botolph Clubs, R. L. School of Design, Crane House, Voss, and other galleries, and Wayside Inn. Cantabrigia Club reported 20 meetings with Fine Arts Lectures; Newton Centre has established a work shop; Quincy made \$25 at a fair at an art table; Reading gave monthly exhibits at the Library—Madonnas, fans, samplers, cameos, old lace, china; West Acton in a rightly named "all year art service," giving wonderful gifts to the new High School, and receiving from three men the gift of the Unitarian Church building for a Club House, these donors buying it, repairing it, furnishing, and beautifying it; Winchester sponsored two prize contests for schools.

Mrs. Otis F. Drayton, wittily opened her report with this statement: "In the spirit of the old music slogan, 'see sharp and B natural' may your Music chairman make her report of the past year's work." "Knowing that chairmen would then see sharply their privileges and duties." "It will be natural to point with pride to the work of the Federated Choral, with 72 active and 5 associate members representing 37 towns." The financial report is gratifying in that after all expenses were met a balance was on hand of about \$75. She told of the gift of \$100 to the Boston Women's Symphony Orchestra by the State Federation, and of 43 Clubs of the State having choruses, five having orchestras, five have trios, three have quartets, two have double quartets, and the programs of others showed excellent musical programs, with Christmas festivals, pageants, music appreciation, operettas, and a special Beethoven Celebration. She said it was rather difficult to see sharp or be natural when broadcasting, and her en-

tire report was a whiff of refreshing breeze for its cleverness in playing on these two tones in reporting serious matters!

To a more serious note came Mrs. Benjamin May's report on Americanization. She said that some of the most delicate, most puzzling, problems have arisen from lack of understanding on the part of our own Clubwomen as to just what is meant by Americanization. She stressed the appalling lack of knowledge of their local problems on Americanization. Round Table discussions and co-operation with local agencies have been valuable, and the field these experts open up is a wonderful opportunity for Clubs. Such an agency is the Adult Alien Division of the State Department of Education.

In telling of one gathering at the beautiful home of a Club member Mrs. May brought out the charm of the Conference attended by Czech-Slavic women who came in costume, told of their country, sang their village songs, mingled with the Clubwomen, displaying their shawls and costumes. What could be more conducive to understanding and awakening regard, nay, friendship, than this, especially when all afterward shared tea, candy, cake, and nuts! Informal monthly meetings, too, with American ladies and foreign-born exchanging fancy work and recipes were a mutual advantage and pleasure. In proof of the appreciation of these foreign in our midst was the report that for two years the Italian women connected with Dorchester House have served a delicious Italian Luncheon for members of a Club that has been kind to them.

The Legislative chairman, Mrs. John H. Kimball, stating the policy of the year of non-endorsement, but study, reported few words of criticism and many spoken and written words of approval. She said "it seemed obvious that there could be no reason to be seriously interested in specific legislative issues until Clubwomen, or individual, had the essential underlying foundation—registration, voting regularly, and voting intelligently." Could there be a more concise, wise and challenging statement of affairs made by a legislative chairman?

She reported the status of the various measures the Federation has endorsed in past years, such as Jury Service (passed), School Age (passed), Milk pasteurization (lost), Licensing of Pasteurizing Plants (passed), reimbursement for tubercular cattle (passed), sale of tuberculin controlled (passed), and Federal prohibition agents under Civil Service (passed).

Believing with Mrs. Potter that "bad men and women are elected by good men and women, who do not vote," realizing that eternal good citizenship is the price of good government Mrs. Kimball has urged a high type of citizenship among Clubwomen, "looking to the time when through universal law observance vigorous law enforcement becomes unnecessary."

Mrs. Frederick G. Smith naively admitted in opening her report that "the duties of the General Federation Director have been pleasant and easy," as "she has renewed acquaintance with many Clubs and has been able to visit others she could not arrange to go to during her term as State president." She admitted as naively that she had "been on the program of the seven District Conferences, and spoken at five Legislative Conferences."

She reported 24 new Clubs and one City Federation into membership of the national organization, with the 2nd district bringing in the most; and to the 3rd district belongs the honor of being nearest 100 per cent a member. Only a few over a hundred of the Clubs are not now members. She regretted reporting that one Club resigned from membership, "wishing the clean slate had not been spoiled." March 1 is the financial date of the new year. She asked that retiring presidents send the name and address of their successor—"to whom Federation News should now go"—to 1734 N. St. N. W., Washington, D. C. And then she once more naively added, but "of course the retiring presidents will not wish to give up their News, and your director will be glad to receive fifty cents for your subscription." Whereupon she proceeded to tell of the benefits of the national society, to all Clubs, however small, and however far away, until one wondered how so much could be secured for so slender a price!

Miss Alice F. Titus, editor and business manager of Federation Topics, presented a bit of innovation in saying that her report was to be a forward-looking one, rather than a backward-looking one of what had been accomplished. She stressed the magazine is published expressly for the Club women, edited "just for you," published expressly for you and its contributing editors are your State officers, chairmen and members! Looking ahead means featuring Club news, and she asked that unusual happenings be sent to Topics for publication. "We are going to play a sort of game with all the Clubs of the State," she threatened, "and see how many of them will be mentioned in some way in Topics in 1927-28." Doesn't that spur ambition, and act as a wholesome challenge?

The requests of the State president, Mrs. Potter, she also makes her goal—and yours!—First, every Club subscribed 100 per cent to Topics; second, a chairman in every Club to send in every possible subscription before summer vacation; third, every Club a patron of Topics advertisers, and tell them you saw it in Topics; fourth, every Club mentioned in Topics; fifth, every Club doing its part to keep the Top in Topics!

Mrs. Willard D. Woodbury, on Social and Industrial Conditions, showed the astonishing and thought-provoking field of conditions investigated under such topics of lectures as "The Social Worker in the Community," "Children and Power Machinery," "Reminiscences of a Campaign against Street Beggars," "Scouting

and the Adolescent Girl," and "A Social Worker's Holiday in Paris"; and the presentation in conferences of "The New Federal Prison for Women," "The Baumes Laws," "Women in the Police and Probation Departments," "The Minimum Wage in Massachusetts," "The Proslavic Label," "Need of a New State Prison for Men," "The Work of the Commission on Crime Prevention," and "Our State Corrective Institutions."

She gave a most humorous—but arresting—review of replies of the Clubs on the questionnaire as to what they have done or had as speakers, along social and industrial lines. It was laughable to hear her say the reply rang all the possible changes on the word "no"—none, no one, nobody, nothing—but it was likewise a bit awakening to a feeling of shame. Three classes of replies were listed—first as above, "impossible," the second, where a desire to co-operate was shown in making a return for the sake of their Club, but the replies were largely irrelevant; and the third, those which showed an understanding of the program, as well as an interest in it. (For these latter we give thanks, and feel not entirely disgraced!). Of these, the Westfield Woman's Club reports sponsoring an Industrial Exhibit in their Club House; the Melrose Woman's Club co-operated with the Board of Trade in an Exhibit of Melrose Products; Somerville Clubwomen visited various manufacturing concerns; Boston City Federation devoted a program to study of crime prevention; Chicago Falls Clubwomen secured the appointment of a policeman. And lastly Mrs. Woodbury mentioned with pride the splendid activities of an affiliated organization—the Woman's Educational and Industrial Union—in its Bureau of Occupations for Handicapped Women, which handled 747 applications during 1926.

The Committee on Friendly Co-operation with Ex-Service Men, Mrs. Paul A. Peters, chairman, showed a most inspiring record of worthwhile work accomplished, including visits to the hospitals with gifts of candy, cigarettes, cake, afghans, books, cards, postcards, records, checkers, jellies and plants to patients; the expenditure of \$600 of the \$650 contributed by Clubs for this service; and entertainment furnished by way of automobile rides and card parties. One Club near the Northampton Hospital sent gifts on birthdays of their members, and letters exchanged as a result added the pleasing personal touch to the good accomplished.

On Wednesday, at noon, the Press Luncheon was held, with box lunches, which was, as might be expected of anything planned by Alice Gwendolyn Albee, full of merriment, "pep," and worthwhile information.

Mrs. Potter, presiding throughout with courtesy, poise and wit, lightened the entire program by her clever asides in meeting situations. For example, in introducing Mr. Santry, the Selectman on the opening moment, almost of the gathering on Tuesday, she found he needed a moment to make himself heard, or to gather his wits, and she said: "we have a moment to enjoy looking at Mr. Santry."

So, in introducing the beloved past president, Mrs. Herbert Gurney, who brought greetings to the gathering at the outset of Wednesday afternoon, she spoke of her as our "war" president, but "not a bit warlike."

Public Health, Mrs. George L. Avery, chairman reported on these various interests, the milk legislation, clinics for children, the "ten year program of the General Federation," Child Health Day, May 1st, the cancer program, work at Titania's palace, Club contributions of over \$1,000 secured for the Hospital, as well as contributions of knitted articles, and finally the co-operation of the State Federation with the State Department of Public Health, as to Hygiene and Cancer, with the Club's chairman serving on advisory committees on these two subjects.

The Education chairman, Mrs. David N. Nickerson, aroused sympathy in saying that present-day education is overwhelming, and that it seemed to her that everything under the sun was connected in some way with it. "Pre-school classes," "Better English," "Vocational Guidance" were finally some of the ways chosen for presentation, and classes, Round Tables, and conferences became the medium.

"The Kindergarten," she believes, "forms the most desirable bridge between the free home life and the restraining school life." In vocational guidance for those who leave school to earn their living at 14 or 16, or for the "unscholarly," lies the change from failure to success in life, and the happiness and contentment of the majority of homes is founded. The need of a "dean of girls" is an accepted fact, she claims.

On the Scholarship and Loan Fund question she reported that the Brookline Woman's Club still leads in over \$2,000 raised each year, and the Lowell Woman's Club has inaugurated the idea of helping High School students finish their courses.

Besides the fascinating exhibit in the Mothercraft booth that would drive any small girl crazy for the possession of the life-size dolls and bassinets and crib and charming wardrobe that would delight the heart of any pampered baby, Mrs. May Bliss Dickinson Kimball, Mothercraft chairman, explained the development of "educated mothercraft" in this country. "Child Psychology," "Literature for Children of Pre-School Age," "Nutrition," "Clinics," "Pre-School and Habit," "Child Welfare," "The Backyard" (Continued on Page 13)

The First New England Washday

Three hundred years ago on the shores of Cape Cod, a woman whose housewife instincts had suffered during a long sea voyage, hastily set up tubs brought from England, and washed the personal linen of one Myles Standish.

Soon that gentleman's illustrious shirt tails were waving in the brisk east wind, as millions of shirt tails have waved since, for thereby, Blue Monday was bequeathed to every New England woman as a hated inheritance.

In many homes Blue Monday is as much an antique as are other relics of those distant years, for modern housewives have found a new-New England Way that solves the problem.

Sending us all your laundry, or any of the more difficult parts of it, will put an end to the problems of keeping clean.

WOMEN'S CLUBS

(Continued from Page 12)

Playground," and a varied order of similar topics proved how much this topic is appealing to the imagination and to practical sense. Receipts from the Mothercraft Film—Mrs. Kimball's own generous contribution to the cause—have gone toward the widening of this subject.

A modest start has been made toward a permanent maintenance fund, and this will be added to by a most fascinating method, beginning July first—the selling of treasured antiques in Mrs. Kimball's Amherst home, the Dickinson-Baggs Tavern. The collection represents a lifetime of effort in bringing together specimens of the handicraft of our ancestors, and it is easily prophesied that Clubwomen will lie to Main street, Amherst, in gathering eager clans all summer! Three trustees have been appointed for handling this fund.

Because of the demand for the Mothercraft and Child Welfare Lending Library Mrs. Kimball wisely placed this at Headquarters for reference. "Children Well and Happy," now in its fifth edition, has already been placed in many town and college libraries.

The miniature model playground may be seen at Mothercraft headquarters, said the chairman, and aroused interest instantly in this wise exhibit. Mothercraft in Turkey and Albania was made a very real and near interest, and somehow made one feel that what could arouse enthusiasm so far away should surely be investigated in our own land.

Mrs. Clarence W. Clarke, for Junior Membership, reported the gain from seven Clubs having Junior Members in 1924-1925 to 39 Clubs at present, and also three new Clubs of young women. The result of the questionnaire sent to Clubs, this year in the form of a personal letter, gave such interesting and helpful information that the chairman regretted not being able to give this in full. The Juniors of the Philadelphians, which only formed a few weeks ago, are already making a scrap book for the Children's Hospital. One Club writes that a Junior has "Club ancestry," in that she is grand-daughter to a Clubwoman. This report quaintly adds—proving the world topsy-turvy indeed!—"The Juniors no doubt realize we are a bit behind the times, but they are indulgent and patient and always helpful, and we love to have them with us just to help us keep the spirit of youth."

The Framingham Juniors dressed dolls in costumes of various countries and sold them at a bazaar in aid of the hospital. Other Club Juniors have given plays, candy sales, tableaux, served as models for a style show of the elder Club, been the orchestra for the elder; also, sung on Sundays at an Old Ladies' Home (this is our own Auburndale Juniors); organized a Glee Club; our own West Newton Juniors have sent cards to shut-ins, flowers and plants; Reading Juniors issue a printed program yearly, have given lectures, demonstrations, and Christmas Tree parties to poor children—all talented, and kindly activities that make them a decided asset to Club life and to community progress!

New Clubs were welcomed and introduced, through presidents or other representatives, who told briefly a bit about their new Club, some with a bit of humor that so adds to reports.

Mrs. A. A. Packard, on International Relations, declared that her report could be a practical one, as for two years Clubwomen have been giving attention to this subject, deciding first

what they wanted to know; then finding the way to information; then bringing that information to one another. Proving this, she gave a few of the Club programs of the year, which leave no doubt that valuable information has been well digested by the women. The Morning Club of Springfield has studied the History of Europe since 1815, the League of Nations and the World Court; The Springfield Woman's Club has reviewed Blakeslee's "Recent Foreign Policy of the United States," Buell's "International Relations," Waller's "Paths to World Peace," and others; as well as having had speakers tell first-hand experiences in the Near East, Russia, Bolivia, China and Japan. Dr. Edward H. Hume, President of Yale, in China for 22 years, spoke at one meeting. The Boston Ruskin Club corresponds regularly with representative English Societies who furnish reliable up-to-date information on policies. The Middlesex Club of Lowell studied Canada, Nicaragua, Mexico, and the Islands of the Caribbean, with three afternoons each. The Study Club of Wakefield is studying "Present Day Diplomacy and Consular Service," problems at first-hand of foreign students, philanthropies and missions.

She also gave a list of topics that may be found at Headquarters, with books of reference, that aroused keen interest and inspiration.

Among the five-minute reports of directors, Mrs. Henry W. Hildreth, of the 8th district, perhaps voiced the inward feelings of her four other fellows—who did not say so, however—when she said that in closing her year she felt as we do over completing any task, she heaved a sigh of relief, with the exclamation: "There! That is done, thank goodness!" The featured work in her district that stand out in memory were the splendid sending of children to camps, of bundle-days for clothing for the needy, helping the tuberculosis committees, earning girl scouts, the visiting nurses, and money for student loans giving prizes for posters and one Club presented 1,000 red and white pine seedlings, and trees to a town, planting them around the water supply, with the enthusiastic aid in this work of boy and girl scouts.

Miss Alice G. Albee gave a clever prophecy of the press department in 1937, when there would be large press quarters at Headquarters, with their own broadcasting station operating daily, for all Clubwomen to keep in touch with all phases of work, and with a staff of expert newsmen as an Executive Board, consisting of Mrs. Bowles, Mrs. Blanchard, Mrs. Cowles, Miss Houk, Miss Strong, Miss Davis, Miss Linnehan, Miss Pillsbury, Miss Coolidge, and Mrs. Lothrop, these having been the efficient, cordial friends of 1924-27. Every paper in the State also carries in that magic year a full Club page. (Some prophecy!)

Mrs. Arthur J. Crockett, chairman of Community Service, said she might tell how many folders and notices her committee had sent out, their work, of how many Clubs visited, but instead she was going to describe to us a visit to a town, with which she was very familiar—and we were glad she did! As she left the train, at the station where flowering shrubs made a pleasing background, she was met and escorted to a car by way of the waiting-room, and here she noticed how clean the floors and walls and windows seemed, and a glance in the open door of the ladies' room disclosed two comfortable rocking chairs, and—unbelievable sight!—copies of magazines on a small table. Asked concerning it, her escort replied: "Some of the Clubwomen thought an attractive station would be an asset to the town. We rather laughed at first, but I guess they were right. They've had good-looking barrels for rubbish put in handy places, and—more—seen they were emptied regularly. They've had well-lettered signs on all roads, restricted bill-boards, by interesting the Board of Trade, made a bit of park on the Main street, with grass green and smooth, and beds of bright-colored flowers, and here children and grown people wander freely. This place had been an eyesore; then they suggested making the Boy and Girl Scouts responsible for it, friendly rivalry began—behold the result!" This led to a playground and an athletic field, and he waxed enthusiastic over the games—ball, tennis, marble, skates, and skis.

It seemed the townspeople had decided to keep their young folks at home, if possible, and were willing to give thought, time, and money toward accomplishing it. A Community Committee worked with the moving picture manager, so that all parents were sure that their children would see only good, clean shows, and they never hesitated, therefore, to consent to their going thither.

And so she continued, through a word picture of getting out the voters, with a party and refreshments—a real "coming-out party" for the young folks, whom it is wise to catch young—with efforts for happiness of old and young, through unexpected birthday gifts, library books intelligently distributed, yarn furnished for elderly knitters, music in hospital wards, readers for the blind, until she admitted that this wonderful town she knew so well was only her vision, but she showed conclusively that this vision was after all, for visible, in her story of a fog at sea, the lifting for a second, in which the pilot takes his bearings, and charts his course without fear, so should Clubwomen look upon their vision, get their bearings, plan their course, and then when the fog of precedent and indifference settles down, they can still forge steadily ahead into their desired port!

The "vision," following upon reports of so much accomplished—fields of endeavor so broad and fertile, that few outside Club life realize are being successfully cultivated—is after all, fact, for somewhere, in some town, one or another of these "improvements," has in reality taken place, though possibly not all in any one locality. But with the course charted, and Mrs. Crockett's helpful encouragement, we may soon see this vision of reality!

"Conservation," said Mrs. Myron Davis, Jr., "though literally meaning 'preservation from waste and injury,' is at the present time very generally applied to the safeguarding of the na-

tion's Natural Resources. In this sense much more is implied, and conservation also included development, prudence, economy and foresight in caring for nature's bountiful gifts. It is the sacred duty of each generation to care for these great heritages so that they may be available for the generations to come." She has summed up in these few sentences the entire problem, and then she proceeded to develop in the various branches of this work wherein the Clubs are struggling toward this dutiful end—forestry, with its patrols and public education as regards fire; the protection of the beloved songster, the bobolink, from unjust shooting as a "rice bird"; garden development, shrubs, flowers and ROSES; planting of trees on Arbor Day; informative bird and tree walks; saving of the eastern pinated grouse or heath hen, an interesting bird, as well as useful as an insect destroyer; and many other alluring studies and pathetic needs for our service. Woburn, Danvers, and the Maplewood Club of Malden have each planted one thousand trees. Canton, Orange, Gardner, Winchendon, and Athol have given school children trees to plant, have joined, with 40 to 75 members, the Audubon societies, and Preservation of Wild Flower Societies; and have cared for winter feeding of birds.

Valuable study outlines on all these topics are at Federation Headquarters for the use of Clubs, and one is mentioned as furnished by our own Mrs. Daniel M. Goodridge. More honor to Newton!

On Wednesday evening, Grace Morrison Poole's "Quest for Peace" began with this startling sentence: "Ask me another seems to be taking the place of the cross word puzzle in the quest of our restless people for something different. It is nothing new for the human race to ask questions, it's been doing it ever since the beginning of the world, and it is by no means a habit confined to children."

Is not this proof enough of the stimulation brought by this speaker on the subject of world peace?

"China is our best example of a nation waking up, and Russia, even though you may be utterly out of sympathy with what she is doing, is another example."

Whereupon Mrs. Poole led us into the mazes of reconstruction of the world along more humanitarian lines than was the accepted of survival of the fittest in the old days and old ideas! "All the physical, mental and spiritual quests can do little for mankind if the giant horror of war can at will of certain interests of this world break loose from time to time. Although this nation has suffered from this curse we do not seem to realize the real seriousness of this problem of world peace." She gave the reason as having no neighbors of great size or strength to threaten us, and the protection of two great oceans bordering our country. "No man liveth unto himself alone." "Good and bad, selfish and unselfish, scrupulous and unscrupulous people and nations inhabit the earth. We know, of course, that we are neither bad nor unscrupulous, but I wonder if we are not selfish. I shall never forget my own feelings when I first looked at the Assembly Meeting of the League of Nations—the geography of the world spread out before me. Would the experiment succeed? Would knowledge, understanding, and possible friendship between former enemies drive out the giant War from the world? It is a human organization with human frailties, but the most perfect organization can only succeed if the desire to succeed is strong enough, and if this desire is strong enough in the League of Nations it will succeed in spite of all obstacles."

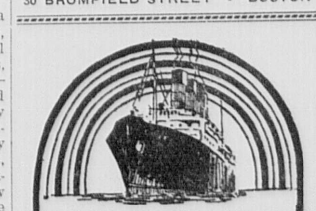

She probed the very core of the truth. "Has the problem narrowed itself down to this?" She asks, "World Peace versus American isolation?" And she answers: "Frankly I honestly doubt whether we can ever end this quest for peace if we fail to unite all the constructive forces of the world in this quest."

That is Mrs. Poole's challenge to America. It is the challenge of one who has sat in the League of Nations. (Continued on Page 14)

WOMEN'S CLUBS

(Continued from Page 13)

tions, and she tells us we shall search
in vain for peace until we join that
League! America! Clubwomen, sel-
fish politicians, greedy manufacturers,
senators seeking power, how shall
you answer her?

Wednesday evening was, as the sec-
ond evening always is, the gala night,
with music and the reception that
brings out a dazzling array of won-
derful gowns and as wonderful head-
dress, not to mention jewels, and
sparkling slipper ornaments. The
ball-room and corridors—thronged
with jeweled frocks, and a hubbub
of merry voices, with wit and retort
taking the place of sober business—was
a scene of fascination. Later, the mid-
night parties in various rooms, with
mysterious laughter bursting forth
into the wee small hours, attested that
Clubwomen knew how to play as well
as how to manage conventions with
efficiency and despatch.

Thursday morning marked the closing
session and with each report, the
platform became changed from a se-
date business place to a florist's shop,
and this was not only a delight to
view, and a feature of sentiment that
was inspiring, but the enthusiasm
aroused for appreciation so shown
made the convention a joy forever.

Among reports of directors, Mrs.
Bert S. Currier, as proof that hers was
the "lucky 7th," boasted of the ac-
quisition of a Club "of fine reputa-
tion and stability"; of a concert given
for a permanent scholarship fund, of
a "card masque"—both financially
successful beyond the expectation—
and inspired by her climax that "Club-
women are building a great highway
of thought for themselves and their
sisters, indicating which roads are
old and well-defined, and which are
new paths, but safe for travel."

Walter C. Kenney diagnosed the 13th
district as in a "healthful condition,"
as proven by digestion of many food
sales, movies, dramatics, card parties,
and similar indulgences for financial
improvement. She told of a bed at
the children's hospital and of a room
and a rest room for ex-service men. Mrs.
Henry E. Robert, of the 5th district,
proved that the men here were for-
tunate in that they were tendered a
gentlemen's afternoon, on Washing-
ton's Birthday, at the West Roxbury
Club and royally entertained, al-
though the word "royal" ought not to
be used in connection with so "colonial"
a personage as Washington, but
the liberty is permissible in this in-
stance. She also told of the enthu-
siasm over the many splendid exhibits
of crockery, pewter, old glass, and
other antiques, not to mention the
process of modern days as portrayed
by Class members and Club artists!

Mrs. Herman A. Harding's contribu-
tion ended with a bit of verse that is
quoted here as a most fitting summary
of one of the finest efforts of the Women's
Clubs, and one which may epitomize
the happy days at Swampscott, to
stay in memory of delegates and
visiting Clubwomen:

Friendship is a chain of gold
Shaped in God's own perfect mold.
Each link a smile, a laugh, a tear,
A clasp of the hand, a word of cheer
As steadfast as the ages roll
Binding closer soul to soul.
No matter how far or heavy the load
Sweet is the journey on Friendship's Road.

The report on the Literature De-
partment, by Mrs. Philip H. Tirrell,
said on the topic of Children's Book
Week having claimed so much atten-
tion: "Much stress has been laid upon
reading for young minds. A founda-
tion carefully and soundly laid in
childhood will be of inestimable value
all through life. Parents and those in
charge of children must guard this
responsibility very seriously and al-
low only the best books and magaz-
ines to come to these 'minds in the
making.'"

Continuing, to the books for elders,
she said: "The books of today are
indeed so different from those of but a
few years ago that exceptional care
must be taken. They are rolling from
the presses each month in such num-
bers one must be alert to the situa-
tion. Dr. Crane says that in order to
keep up with the fiction of today, a
man would have to give up his busi-
ness, and a woman take the veil and
enter a library. So pick and choose
the best and not waste time on the
worthless literature of the hour."

This department has endorsed the
little magazine called "The Gleam,"
the official organ of School and Poetry
Association, of which Katherine Lee
Bates is president. "One Club has
made their blind friends happy by tak-
ing them by automobile to the Club
rooms, once in two weeks, and enter-
taining them with readings, music and
afternoon tea." "Another Club places
a book of non-fiction in the town li-
brary in memory of a Club member
who has passed away." "One Class
plans a European tour and reads
about the countries visited in imagi-
nation." "A newer line of study has
been that of the Bible as Literature." (This
will be given in full in next
week's column for Clubwomen who
may desire to enjoy this course during
the summer.) "Several Club mem-
bers answered the call of the General
Federation for a prize poem in honor
of Katherine Lee Bates." "Mrs. Wil-
liam W. Hill of Winchester was the
successful contestant for the list of
books for the home library offered by
Everybody's Magazine." "More Clubs
than ever have given one-act plays." "The
chairman has broadcasted 'good
books.'"

Mrs. Kimball of Mothercraft, has
presented to State Headquarters a ma-
hogany bookcase, and Club friends
have given for it during the year:

Ten books on educational themes,
from Mrs. John Kimball: "At the
King's Pleasure" and "The Dreamer,"
by Coolidge; "The Heart of Em-
erson's Essays," by Bliss Perry; "An
other Treasury of Plays for Children,"
by Moses; and "Julia Ward Howe,"
by her daughters. Mrs. Tirrell ap-
pealed for gifts from Clubs, to help fill
the case, but asked that they consult
the chairman before placing, in order
to save duplication.

During the convention over 1,600
Clubwomen were present. Amidst en-
thusiasm, applause, and flowers, the
following officers were reported elect-
ed, and Mrs. Arthur D. Potter brought
to a close the 35th Annual Meeting,
having proven her high quality of
character, courtesy, and efficiency,
and endeared herself to all.

President, (for re-election) Mrs.
Arthur Devens Potter, Greenfield;
vice-presidents: first, Mrs. A. A. Pack-
ard, Springfield; second, Mrs. Carl L.
Shrader, Belmont; third, Mrs. Frank
P. Bennett, Jr., Lynn; fourth, Mrs.
Thomas J. Walker, Whitinsville;
clerk, Mrs. Edwin L. Pride, Somer-
ville; assistant clerk, Mrs. Allan V.
Mosher, Waltham; corresponding sec-
retary, Mrs. Boyd F. Bowles, Wollas-
ton; treasurer, Mrs. Frederick S. Dav-
is, Boston.

Directors for Three Years—(To be
announced) third district: Mrs. Phil-
ip H. Tirrell, eighth district: Reading;
Mrs. Lewis R. Hovey, tenth district:
Haverhill; Mrs. George H. Sawyer,
eleventh district: Berlin; Mrs. P. N.
Lynch, fourteenth district, Holyoke.

Nominating Committee for 1927-28
—Mrs. Joseph C. Otis, chairman, Bos-
ton; Mrs. Charles F. Bates, Brighton;
Mrs. J. Herbert Libby, Weymouth;
Mrs. Edward A. Rice, Deerfield; Mrs.
Frank E. Underwood, Natick.

General Federation

Clubwomen who are fortunate
enough to be able to attend the Coun-
cil Meeting of the General Federation
which will be in session at Grand Rap-
ids, Mich., from May 31st to June 4th,
are leaving Boston next Sunday, the
29th, in special trains at 3:15 from
the South Station. Report of this will
be given in next week's Column.

The Shakespeare Club

In view of the splendid activities in
aid of students reported in the above
account of the State Annual Meeting,
nothing could be more timely, nor
more to the pleasure of Newton Club-
women than to learn of a member
of our own Shakespeare Club who is
of Newton Highlands in the encourage-
ment of interest in Shakespeare's
writings.

On Wednesday afternoon, at 1:30 in
the Newton High School Hall the De-
clamation Contest of the Freshmen
and Sophomores took place and at that
time Miss Mary L. Sweeney, a member
of the Shakespeare Club who is a
teacher by profession, presented three
prizes in gold pieces for her Club to
the students who had shown the most
interest in this master dramatist and
had done the best work in study of his
writings during the past school year.
So keen was the interest aroused by
the offering of a prize by the Shake-
speare Club, and so many were the con-
stantly who qualified toward winning
it, that the Shakespeare Club gener-
ously added two more prizes to the
original one of \$10. The first prize of
\$10 was presented to Elizabeth Har-
rington of class of 1929; the second
prize of \$5 was presented to Helen
Brooks, class of 1930; and the third
prize of \$2.50, was presented to Con-
stantine of the class of 1929.

In addition to the first three awards
the following pupils will be given hon-
orable mention for work of high char-
acter and will be presented with a new
copy of "The Merchant of Venice."
Ann Baker, '29; Katherine Green, Eliz-
abeth Walworth, '29; Helen Kellaway,
'29; Barbara Lynde, '29; Elizabeth
Henrich, '29; Faith Foster, '29; Calista
McFarland, '29; Evan Collins, '29;
Jane Hermann, '29; Janet Warren, '30;
Mason Stone, '30; Doris Jones, '29;
Dolly Rittenhouse, '29; and Elizabeth
Webber, '29.

The response to the opening of the
Thomas Dalby Co. Retail Store in sell-
ing Women's, Children's and Infants'
clothing in irregulars and samples has
been so good that they will not
only be open during business hours but
Friday nights until eight o'clock and
one o'clock on Saturdays at the Chase
Building just off Watertown square.—
Advertisement.

SARAH HULL CHAPTER D. R.

The two-day Rummage Sale held
by the Hull Chapter, D. R., last
week netted the substantial sum of
nearly two hundred dollars for the
Chapter's patriotic work thanks to the
kindness of friends who contributed
articles, to kindly buyers, and to the
heroic efforts of the chairman in
charge, Mrs. Daniel M. Goodridge, as
vice regent; to the regent, Mrs. Sid-
ney Porter, and to various faithful
members, including Mrs. James A.
Curtin, Mrs. Howard Mason, Mrs.
Clair Siggins, and Miss Helen L.
Wells, who marked; to Mrs. Arthur C.
Johnson, Mrs. Robert J. Estabrook,
Mrs. Thurlow S. Widger, and Mrs.
John Patterson, who collected; to
Mrs. Elmer Gibbs, Mrs. Edgar Horne,
and Mrs. Siggins who sold; and to
Mrs. Ada E. Davidson, check collec-
tor; and to Mrs. Willard Samuels,
Mrs. Webber, Mrs. Charles A. Durant,
Mrs. Clara Gould, and Mrs. Edward P.
Tuttle, who aided in various capaci-
ties.

Plans for the location of this sale
went awry at the last moment, as the
store that had been expected for use
on Centre street was not completed,
but owing to the courtesy and kind-
ness of Mr. John P. Merrill, manager
of the Waldorf System, who gallantly
came to the rescue, the Chapter had
the use of an excellent store near the
post-office, 255 Washington street, and
although fliers had gone out adver-
tising the other location, patrons
easily found their way to this more
central spot, and proved their gener-
osity.

FLOWER SHOW

The tenth annual show of the Chest-
nut Hill Garden Club was held this
week at the estate of Mr. and Mrs.
Edwin S. Webster, on Hammond
street, Chestnut Hill.

The flower show committee includ-
ed Edwin S. Webster, chairman;
James D. Colt, ex-officio; Mrs. Web-
ster, ex-officio; Mrs. Colt, Mrs. John
H. Harwood, Mrs. Richard M. Salton-
stall, Mrs. William K. Jackson, Mrs.
Philip Young, Mrs. Clement S. Hough-
ton, Frederick W. Busk, Walter G.
Resor, Mrs. Ernest B. Dane, Mrs.
George B. Baker, Mrs. John P. Ramse
and Mrs. Harry W. Harris.

THOMPSON IDENTIFIED

Fred H. Thompson of Pleasant
street, Newton Centre, was in the
Newton Court for a second time on
Tuesday, in connection with the al-
leged theft of Governor Al Smith's
article from the Rumford Press of
Concord, N. H., printers of the "Atlan-
tic Monthly." Thompson is wanted by
the New Hampshire authorities on the
charge of larceny, and is fighting ex-
tradition. When he was in the New-
ton Court a week ago, Judge Allen
ruled that he must be identified as the
man wanted.

Accordingly Prosecutor Rainey of
Merrimack County had William Calla-
han, formerly employed as a watch-
man by the Rumford Press, and the
man whom Thompson is alleged to
have used in procuring the Smith let-
ter, in court Tuesday. Callahan iden-
tified Thompson as the man who in-
duced him to enter the plant of the
Rumford Press and obtain a copy of
the letter which was later printed in
the Boston Post, which employs
Thompson.

Judge Allen stated that he is satis-
fied that Thompson is the fugitive
wanted by the New Hampshire authori-
ties and continued the case until June
7th. It is expected that by that time
the extradition proceedings will have
been completed.

NEWTON ROTARY CLUB

The speaker at the weekly lunch-
eon last Monday of the Newton Ro-
tary Club, held at the Woodland Golf
Club, was Dr. Guy M. Winslow, a
member of the club.

Dr. Winslow, who has made several
trips to Porto Rico gave an interesting
account of conditions on the island.

Within a period of 25 years, Porto
Rico has enlarged its trade from some-
thing like \$1,700,000 to \$171,000,000,
and considering its size and popula-
tion, greatly exceeds any other coun-
try. The island produces sugar, coffee,
tobacco and fruit, the latter being
mostly grape fruit and pineapples.
The coffee is not uniform and is not
liked in this country and is mostly
shipped to Europe.

The island is about half the size of
Massachusetts and has a population of
over a million. Outside of the cit-
ies, the rural population live in a
most primitive style. There are 1400
miles of good roads and many auto-
mobiles.

Considerable progress is being made
in education, literacy tests showing an
increase from 15 to 45% over a series
of years.

Dr. Winslow's talk was illustrated
with many stereoscopic pictures.
Next week, as Monday is a holiday,
the club will hold a joint meeting with
the Rotary Club of Watertown.

CITY HALL

Newton will lose one of its most
efficient and popular employees this
week. Miss Helen Pucellarelli, for
the past nine years assistant to the Over-
seer of the Poor will become the bride
of John Mazzola, a Nonantum mer-
chant, on June 1st.

A number of city officials have peti-
tioned the Board of Aldermen to widen
the very dangerous corner at Elm and
Washington streets, West Newton.
Among the signers of the petition are
City Physician Lowe, City Treasurer
Newhall, Street Commissioner Stuart,
Building Commissioner Chadwick,
Chief of Police Burke, Andrew Prior,
Sealer of Weights and Measures, Oth-
ers signing the petition are Rev. Paul
Phalen, Frank Lucas, Roland C. Gam-
mons and Paul Scarborough. It is ex-
pected that the old buildings at this
corner will be torn down in the near
future, and a modern structure erect-
ed by the present owner of the property,
Bernard Beckman.

Andrew Prior, Sealer of Weights and
Measures, departed Sunday to attend
the National Convention of such of-
ficials at Washington, D. C. It is ex-
pected that improved devices for
weighing and measuring will be exhib-
ited there, and perhaps recommended
for use by the "weighing and measur-
ing officials."

MRS. ABBOTT DEAD

Mrs. Martha Sullivan Abbott, widow
of Dr. Samuel Warren Abbott, died
last week Thursday at the age of
eighty-seven years at the home of her
daughter, Mrs. A. W. Burnham, 742
Chestnut street, Waban.

Mrs. Abbott was the last surviving
daughter of Captain Thomas V. Sul-
livan, who was the founder of the Bos-
ton branch of the Young Men's Chris-
tian Association. She was married to
Dr. Abbott in Civil War days when he,
as a young surgeon in the United
States Navy, came home on a fur-
lough to make her his bride. Their
early married life was spent in Wake-
field, where Mrs. Abbott was active
in church and social life. Removing
to Newton Centre in 1901, after the
death of her husband, Mrs. Abbott
made her home with her daughter.

She leaves a son, Samuel Abbott of
Philadelphia, and three daughters,
Miss Ruth E. Abbott, Mrs. Burnham
of Waban and Mrs. Frederick N. Nick-
erson of Falmouth.

Funeral services were held Monday
afternoon at the Burnham residence.

NARROW ESCAPE

A small boy who chose a railroad
track as a playground was saved
Monday morning at Newton High-
lands, from possible death, by James
D. Jones, who is in charge of the
station at Eliot, on the Highland circuit
of the Boston & Albany system.

Jones was seated in the office when,
through the window, he saw a child
seated by the track, pounding the rail
with a stone. A train of American
Railway Express cars, not scheduled
to stop at that point, was approaching
and the youngster was at the side of
the track which placed him out of
view of the engineer. Jones ran out
and pulled the child from the track
just before the train reached the point.
The boy said he was Oscar Ericson,
six years old.

DOGS STILL ON RAMPAGE

Ralph Barry of 6 Dalby street, Non-
antum, was bitten Saturday by a dog
owned by Mrs. Ida Schwartz of 95
Faxon street. Dr. Boutelle was not-
ified to examine the animal.

WARNING!

Do not place your rings on the stand when washing your hands.
Do not take a servant without calling up the person who signs her references.
Do not inform stray visitors that "there is nobody else at home."
Ask gamblers, telephone repairers, etc., to show you their badges.
Do not take a taxi-cab with two men on the box.
If you are attacked, be sure to get a good look at your assailant's face.
Lock your windows, especially those leading to fire-escapes.
Change the lock on the door when you move to a new apartment.
Do not put notice on hall bell or dumb-waiter that you are out.
Do not hide money or jewelry under carpet, in vases, or in bureau drawers.
Those are the first places searched by a thief.
Do not advertise the fact that you are going out by pulling down the window-
shades.
Take a final look, no matter how great a hurry, before you leave home, to see
that all windows and doors are fastened.
Keep a light burning in your apartment at night if you are out. A burglar never
attempts to enter such an apartment.
